Uganda Sails Wednesday

Stuart Condie 2020-09-24 It's 1960, and pregnant with her lover's child, Heather Fontwell makes a plan to visit her husband William at the tea plantation he manages in Kenya. If she gets there in time she hopes she can convince him that the baby is his so she books passage on the SS Uganda for her and their son Johnny, sending notice to William that she is on her way. In Kenya, William is distracted by secretary Dorothea's news of financial misconduct at the plantation, something that William suspects may be down to Mombasa harbourmaster Carruthers &- currently on the SS Uganda making his way back to Kenya...During her journey, Heather meets resistance, travelling as a single woman, particularly

from the unpleasant Carruthers and bullying turns to danger as her cabin catches fire. She and Johnny are moved to first class, further angering Carruthers and the morning sickness she is hiding as travel sickness is showing no signs of abating. The ship matron is handing out a new anti-nausea medication like sweets and Heather relies more and more on these thalidomide tablets to keep the sickness at bay. Events take a tragic turn before they dock at Mombasa and William arrives at the port to find no wife and a captain and crew who seem to be hiding the truth...

Little Ship Under Full Sail

Janie Lynn Panagopoulos 1997
When her grandchildren arrive at her home, Grandmother Kinzie tells Eleanor and Juliette the story of their great-grandmother's capture by the

Seneca Indians in 1779.

Jiddy Vardy - Full Sail Ruth Estevez 2023-12-02 Book Three: 1796 Should Jiddy stay, or should she go? When Jonas left Robin Hood's Bay, he abandoned his vows to Jiddy. The sea engulfed Captain Samuel Ryethorpe, and his death exposed her once more as an outsider. Both young men believed they acted with high morals, but it was the amoral Captain Pinkney who threw Jiddy a lifeline. Now, the defiant seventeen-year-old resolves to find choices and freedom for local girls battered by poverty and confined by an insular community. Jiddy is determined. No man, no government, no place will hold them back. As friends find new beginnings, Jiddy looks across the moors to York, where love beckons. The North Sea entices with childhood dreams of distant places, but smuggling and hustling are all she has known. What's it to be for our endlessly curious and contradictory Jiddy Vardy? Dramatic and atmospheric...I would recommend to fans of

historical fiction with strong female leads. - Praise for High Tide by The Pages of Mrs D Brutal, breathtaking and brilliant! After reading Jiddy's entire story, I've fallen in love with her. Such a legend! - Genevieve Robinson (Beta-reader)

Full Sails Harcourt School Publishers Staff 1999-01-01 [Full Sails: a Haiku Anthology](#) Richard Jonsson 2015-07-10 Ninety-eight haiku inspired by the world travels of American Haiku poet, Richard E. Jonsson, also known as R.E.T. Johnson. [Solar Sails](#) Giovanni Vulpetti 2009-03-05 Solar sail technology is very close to becoming an engineering reality and it will soon be used in the exploration of the solar system and beyond. This fascinating book provides an accessible introduction to solar sails and details how they work and what they will be used for in the exploration of space. It also examines current plans for solar sails and how advanced technology, such as nanotechnology, might enhance their performance.

Downloaded from
activistcash.com on
2020-06-14 by guest

Coverage shows how solar sail propulsion will make space exploration more affordable and demonstrates how access to destinations within (and beyond) the solar system will become within reach.

Robert A. Heinlein 1994-11 A science fiction novel by the author of *Stranger in a Strange Land*. It takes the form of an autobiographical flashback of a tough space-going lady who finds herself naked in a cybernetic hotel room with a stiff and telepathic cat. She goes on to re-write the Ten Commandments in her own fashion.

Reversing Sail Michael A. Gomez 2005 This book examines the global unfolding of the African Diaspora, the migrations and dispersals of people of African, from antiquity to the modern period. Their exploits, challenges, and struggles are discussed over a wide expanse of time in ways that link as well as differentiate past and present circumstances. The experiences of Africans in the Old World, in the Mediterranean and Islamic worlds, is followed by their movement into the New, where their plight in lands claimed by Portuguese, Spanish, Dutch, French and English colonial powers is analyzed from

enslavement through the Cold War. While appropriate mention is made of persons of renown, particular attention is paid to the everyday lives of working class people and their cultural efflorescence. The book also attempts to explain contemporary plights and struggles through the lens of history.

Flupke's career as an artist and a very good book feature in this volume. More tongue in cheek than *The Adventures of Tintin*, but still with the same distinctive artwork style that has helped his classic children's characters sell over 230 million copies worldwide. Two of *The Adventures of Tintin* were adapted for the silver screen by Steven Spielberg and Peter Jackson in 2011.

Souls in Full Sail Emilie Griffin 2013-11-21 "We do not set out to become old. Far from it. We hardly intend even to become middle-aged. Instead we plan to live in some eternal now which will lead on to something better, something more complete than what we had before. . . . Sometime in our spiritual travels, as a complete surprise, we notice it has become winter. . . . This change has occurred, it seems, without preparation, without fair warning." So spirituality writer Emilie Griffin begins, taking us on an exploration of our later years. It is a book filled with wonderful, rich

story, carefully crafted spiritual exercises and wisdom from those who have gone before us. She explores relocation, vocational changes, losing her mother, and negotiating and renegotiating her relationships with her grown children. The journey of our later years is a wondrous voyage, though turbulent at points. But it is, as Emilie Griffin reminds us, the journey we have been preparing for all along.

others—this is a unique full-color celebration for sailors to relive their greatest memories or plan their next big adventure. The amazingly diverse places they've selected include: Australia: Fremantle and Sydney Bermuda: St. George's Harbor Brazil: Bay of Ilha Grande California: Channel Islands and San Francisco Bay Chile: Cape Horn Italy: Costa Smeralda, Sardinia Maine: Boothbay Harbor, Penobscot Bay, Southwest Harbor Florida: Biscayne Bay and Key West Scotland: Firth of Clyde South Africa: Cape Town...and dozens more For each place, the sailor recommending the venue spins an entertaining yarn about their experience there, and each description is accompanied by a "make you want to go there now" photograph. From the relative indolence of cruising the Dodecanese or the British Virgin Islands, to the white-knuckle adventure of rounding Cape Horn, to the thrill of partaking in the regatta off Newport, Fifty Places to Sail

Before You Die captures the rich and varied world of recreational sailing—and may just inspire you to set sail on some new adventures of your own.

Grace Arising (The White Sails Series Book 3) Emma Lombard 2022-04-01 Slow-burn historical women's fiction with a splash of romance—think: the love child of books like *Bridgerton* mixed with *Pirates of the Caribbean*. GRACE ARISING is the third full-length novel in The White Sails Series. The burgeoning 1840s New Holland wool market is irresistible to entrepreneurial souls prepared to brave the open oceans. Having survived unimaginable tragedy together, Grace and Seamus Fitzwilliam plan a fresh start aboard their new ship, *Elias*. Lucius Chittenden, the new first mate, comes highly-recommended, and with the return of the trusted crew, the journey promises smooth sailing. The *Elias* is bursting with goods for the colony as well as shepherds for Gilly Downs, but it is not long before a theft is

Downloaded from
activistcash.com on
2020-06-14 by guest

discovered, souring the mood aboard. While Chittenden's demand for expedience guarantees blistering speeds, it comes at a cost to the men's morale, and sets Seamus and Grace at loggerheads. Seamus believes the officer pragmatic, Grace believes him cruel. When Chittenden's cavalier attitude results in him shooting Seamus, Grace has Chittenden chained to the hold. With Seamus gravely injured, she assumes command of the Elias, taking responsibility for seeing her crew and family to safety. The demands of navigating a tall ship across stormy seas, while trying to keep Seamus alive and managing her children, sees Grace bowed by duty. Sheer grit keeps her at the helm, affecting an air of steadfastness and complete control—but do the sailors see this in her? And will she make it to New Holland in time to save Seamus's life? Be prepared to be swept away from the smoggy skies of London, across the roiling Indian Ocean, and returned to beloved Gilly Downs in New

South Wales as GRACE ARISING delivers more romantic, historical adventure, sea stories. The White Sails Series complete collection box set features one sassy heroine aboard a ship full of sailors. Prepare for historical romance full of strong alpha males with a trace of vulnerability, superstitious sailors, epic sea adventures that take you from the cobbled streets of London to a tall ship setting, and ultimately a happy ending. If you love a man in uniform, strong women who don't like being told what to do, fated mates, and happily-ever-afters, hop aboard the boxset of The White Sails Series: - Discerning Grace - Grace on the Horizon - Grace Arising - Christmas at Gilly Downs Also available as audiobooks narrated by Siobhan Waring.

Reversing Sail Michael A. Gomez 2019-10-10 Captures the essential political, cultural, social, and economic developments that shaped the black experience.

Under Sail Felix Riesenber 2019-12-12 This story is a well-

*Downloaded from

written account of a round-trip voyage from New York to Hawaii. The voyage on board a full-rigged timber ship takes place at the end of the 19th century. The story is written in the form of a memoir of the author, who was a member of a team who had just turned 18 at the time. He fills the narrative with interesting stories about his shipmates and particulars of the voyage. A reader learns certain aspects of rigging, sail handling, and other jobs aboard a full-rigged merchant ship during this time period. Thus, it is an interesting read to anyone who has worked on square-rigged boats who will enjoy this book.

Discerning Grace (The White Sails Series Book 1)

Emma Lombard 2021-02-22
Slow-burn historical women's fiction with a splash of romance—think: the love child of books like *Bridgerton* mixed with *Pirates of the Caribbean*. As the first full-length novel in *The White Sails Series*, *DISCERNING GRACE* captures the spirit of an independent woman whose feminine lens

blows the ordered patriarchal decks of a 19th century tall ship to smithereens. Wilful Grace Baxter, will not marry old Lord Silverton with his salivary incontinence and dead-mouse stink. Discovering she is a pawn in an arrangement between slobbery Silverton and her calculating father, Grace is devastated when Silverton reveals his true callous nature. Refusing this fate, Grace resolves to stow away. Heading to the docks, disguised as a lad to ease her escape, she encounters smooth-talking naval recruiter, Gilly, who lures her aboard HMS *Discerning* with promises of freedom and exploration in South America. When Grace's big mouth lands her bare-bottomed over a cannon for insubordination, her identity is exposed. The captain wants her back in London but his orders, to chart the icy archipelago of *Tierra del Fuego*, forbid it. Lieutenant Seamus Fitzwilliam gallantly offers to take Grace off the fretting captain's hands by placing her under his protection. Grace must now

*Downloaded from
activistcash.com on

win over the crew she betrayed with her secret, while managing her feelings towards her taciturn protector, whose obstinate chivalry stifles her new-found independence. But when Grace disregards Lieutenant Fitzwilliam's warnings about the dangers of the unexplored archipelago, it costs a friend his life and she realises she is not as free as she believes. **DISCERNING GRACE** is historical women's fiction that will appeal to fans of Claire Fraser from *Outlander* and Demelza Poldark from *Poldark*—in other words, fans of feisty historical female leads. It is a B.R.A.G. Medallion Honoree. The *White Sails Series* complete collection box set features one sassy heroine aboard a ship full of sailors. Prepare for historical romance full of strong alpha males with a trace of vulnerability, superstitious sailors, epic sea adventures that take you from the cobbled streets of London to a tall ship setting, and ultimately a happy ending. If you love a man in uniform,

strong women who don't like being told what to do, fated mates, and happily-ever-afters, hop aboard the boxset of *The White Sails Series*: - *Discerning Grace* - *Grace on the Horizon* - *Grace Arising* - *Christmas at Gilly Downs* Also available as audiobooks narrated by Siobhan Waring.

Grace on the Horizon (The White Sails Series Book 2)

Emma Lombard 2021-08-01

Slow-burn historical women's fiction with a splash of romance—think: the love child of books like *Bridgerton* mixed with *Pirates of the Caribbean*. GRACE ON THE HORIZON is the second full-length novel in The White Sails Series. Grace and Seamus, united by their past experiences, are adrift on a raft of shame in the sea of 1830s London society. After a personal tragedy, Grace's desperation to leave London forces Seamus to accept a dubious commission on the private explorer, Clover. With the expedition financed by Colonel Hamilton and his private backers, Seamus is tasked with mapping a round-

the-world voyage. But Colonel Hamilton has an additional package that requires delivering—Father Babcock—a priest wanted for murder. The church wants Babcock transported far from England to set up a new mission in South America. Battling his overprotectiveness, Seamus breaks his oath to always tell Grace the truth and hides Babcock's identity from her. But the journey aboard the *Clover* is far from smooth sailing, and Grace suspects a saboteur. Trapped within the ship's confines, she must learn to forgive her husband's well-intentioned duplicity and determine who wishes them harm—because now she also has her unborn child to protect. Is it an aggrieved member of the Admiralty who believes Seamus disgraced the service by resigning his command to chase after Grace? Perhaps Grace's father, Lord Flint, seeking revenge against her for ruining the family name? Or a jealous suitor determined to ruin the life Grace is trying to build with

Under Full Sail Rob Mundle
2016-11-01 How the mighty clipper ships transformed Australia from convict outpost to a nation. More than one million Australians can trace their heritage to the migrant ships of the mid-to-late 19th century... The story of the Clipper ships, and the tens of thousands of migrants they bought to the Australian colony of the nineteenth century, is one of the world's great migration stories. For anyone who travelled to Australia before 1850, it was a long and arduous journey that could take as much as four months. With the arrival of the clipper ships, and favourable winds, the journey from England could

be done in a little over half this time. It was a revolution in travel that made the clipper ships the jet airlines of their day, bringing keen and willing migrants 'down under' in record time, all hell-bent on making their fortune in Australia. Rob Mundle is back on the water, with a ripping story that starts on the sea, aboard a clipper ship charging across the Southern Ocean, laden with passengers heading for Melbourne in response to the lure of gold. Brimming with countless stories of the magnificent ships and fearless (and feckless) characters we find on them, like Englishman "Bully" Forbes and American "Bully" Waterman driving their ships to the limit and the tragic legacy of the many shipwrecks that were so much a part of this era.

Arts Management Derrick Chong 2005-06-29 Presenting this critical overview, at a time when interest in aesthetics and managements studies is rapidly increasing, Derrick Chong explores a vital sub-discipline: arts management. Using a
