Where They Stand Robert W.

Merry 2012-06-26 The author of the acclaimed biography of President James Polk, *A Country of Vast Designs*, offers a fresh, playful, and challenging way of playing "Rating the Presidents," by pitching historians' views and subsequent experts' polls against the judgment and votes of the presidents' own contemporaries. Merry posits that presidents rise and fall based on performance, as judged by the electorate. Thus, he explores the presidency by comparing the judgments of historians with how the voters saw things. Was the president reelected? If so, did his party hold office in the next election? *Where They Stand* examines the chief executives Merry calls "Men of Destiny," those who set the country toward new directions. There are six of them, including the three nearly always at the top of all academic polls—Lincoln,

Washington, and FDR. He describes the “Split-Decision Presidents” (including Wilson and Nixon)—successful in their first terms and reelected; less successful in their second terms and succeeded by the opposition party. He describes the “Near Greats” (Jefferson, Jackson, Polk, TR, Truman), the “War Presidents” (Madison, McKinley, Lyndon Johnson), the flat-out failures (Buchanan, Pierce), and those whose standing has fluctuated (Grant, Cleveland, Eisenhower). This voyage through our history provides a probing and provocative analysis of how presidential politics works and how the country sets its course. *Where They Stand* invites readers to pitch their opinions against the voters of old, the historians, the pollsters—and against the author himself. In this year of raucous presidential politics, *Where They Stand* will provide a context for the unfolding campaign drama.

Spearhead of Logistics

Benjamin King 2016-02-25
Spearhead of Logistics is a

narrative branch history of the U.S. Army's Transportation Corps, first published in 1994 for transportation personnel and reprinted in 2001 for the larger Army community. The Quartermaster Department coordinated transportation support for the Army until World War I revealed the need for a dedicated corps of specialists. The newly established Transportation Corps, however, lasted for only a few years. Its significant utility for coordinating military transportation became again transparent during World War II, and it was resurrected in mid-1942 to meet the unparalleled logistical demands of fighting in distant theaters. Finally becoming a permanent branch in 1950, the Transportation Corps continued to demonstrate its capability of rapidly supporting U.S. Army operations in global theaters over the next fifty years. With useful lessons of high-quality support that validate the necessity of adequate transportation in a viable national defense

posture, it is an important resource for those now involved in military transportation and movement for ongoing expeditionary operations. This text should be useful to both officers and noncommissioned officers who can take examples from the past and apply the successful principles to future operations, thus ensuring a continuing legacy of Transportation excellence within Army operations. Additionally, military science students and military historians may be interested in this volume. The Pirates and the Mouse Bob Levin 2003-07-09 During a time of unprecedented political, social, and cultural upheaval in U.S. history, one of the fiercest battles was ignited by a comic book. In 1963, the San Francisco Chronicle made 21-year-old Dan O'Neill the youngest syndicated cartoonist in American newspaper history. As O'Neill delved deeper into the emerging counterculture, his strip, *Odd Bodkins*, became stranger and stranger and more and more provocative,

until the papers in the syndicate dropped it and the Chronicle let him go. The lesson that O'Neill drew from this was that what America most needed was the destruction of Walt Disney. O'Neill assembled a band of rogue cartoonists called the Air Pirates (after a group of villains who had bedeviled Mickey Mouse in comic books and cartoons). They lived communally in a San Francisco warehouse owned by Francis Ford Coppola and put out a comic book, *Air Pirates Funnies*, that featured Disney characters participating in very un-Disneylike behavior, provoking a mammoth lawsuit for copyright and trademark infringements and hundreds of thousands of dollars in damages. Disney was represented by one of San Francisco's top corporate law firms and the Pirates by the cream of the counterculture bar. The lawsuit raged for 10 years, from the trial court to the US Supreme Court and back again.

Whitey Bulger Kevin Cullen

2013-02-12 This unforgettable narrative follows the astonishing career and epic manhunt for Whitey Bulger—a gangster whose life was more sensational than fiction. Raised in a South Boston housing project, James "Whitey" Bulger became the most wanted fugitive of his generation. In this riveting story, rich with family ties and intrigue, award-winning Boston Globe reporters Kevin Cullen and Shelley Murphy follow Whitey's extraordinary criminal career—from teenage thievery to bank robberies to the building of his underworld empire and a string of brutal murders. It was after a nine-year stint in Alcatraz and other prisons that Whitey reunited with his brother William "Billy" Bulger, who was soon to become one of Massachusetts's most powerful politicians. He also became reacquainted with John Connolly, who had grown up around the corner from the Bulgers and was now—with Billy's help—a rising star at the FBI. Once Whitey emerged triumphant from the bloody

Boston gang wars, Connolly recruited him as an informant against the Mafia. Their clandestine relationship made Whitey untouchable; the FBI overlooked gambling, drugs, and even homicide to protect their source. Among the close-knit Irish community in South Boston, nothing was more important than honor and loyalty, and nothing was worse than being a rat. Whitey is charged with the deaths of nineteen people killed over turf, for business, and even for being informants; yet to this day he denies he ever gave up his friends or landed anyone in jail. Based on exclusive access and previously undisclosed documents, Cullen and Murphy explore the truth of the Whitey Bulger story. They reveal for the first time the extent of his two parallel family lives with different women, as well as his lifelong paranoia stemming in part from his experience in the CIA's MKULTRA program. They describe his support of the IRA and his hitherto-unknown role in the Boston busing crisis, and they show a

keen understanding of his mindset while on the lam and behind bars. The result is the first full portrait of this legendary criminal figure—a gripping story of wiseguys and cops, horrendous government malfeasance, and a sixteen-year manhunt that climaxed in Whitey's dramatic capture in Santa Monica in June 2011.

Billboard 1947-05-10 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Schiz Bob Levin 2017-11-07 Even in 1980s San Francisco, the five corners where art, law, sex, medicine, and madness meet is no place to live. This black comedy, written while the Go-Go Decade approached the peak of its collective consumerist psychosis, has finally escaped

out into unsuspecting bookstores. Features nineteen illustrated interpretations of the story's twisting, twisted, and kaleidoscopic narrative shifts, as drawn by five generations of superb cartoonists.

I Will Keep You Alive: A Cardiovascular Romance Bob Levin 2019-04 Bob Levin had done everything right. He ate right. He exercised. He did not smoke or drink. But in the first nine months of 2011, the 68-year-old lawyer and author (*The Best Ride to New York, The Pirates and the Mouse, Most Outrageous*) suffered two heart attacks, seven cardiac stents implanted over three separate procedures, two "code" calls for emergency resuscitation, three days in a medically induced coma, and had his heart literally in someone else's hands during a complicated open-heart surgery. In 2013, he received an internal cardioverter-defibrillator and then survived an absurd but seemingly near-death out-of-body experience. These unexpected, unwelcome

traumas -- calling into question the nature of identity and existence itself -- also transformed Adele, his wife of 40-years, a psychotherapist and short story writer (/Chiron Review, The Sun, Yellow Silk/). Best friends, closest confidants and "first readers," their relationship was tested and transformed as she overcame her own challenges to find the strength to be his primary caregiver. Together, they navigated the fears and doubts which fell upon them from the heavens like peregrines on doves. This story of healing, intimacy and evolution is told from Bob's and Adele's alternating points of view, with events filtered through and reinforced by each writer's unique voice and powers of observation. A life-affirming tale in "he said; she said" construction, the Levins' accounts are enhanced by the candid insights of "Dr. Fleur," Bob's treating cardiologist, who witnessed their emotional growth as individuals and as a couple.

Polk Walter R. Borneman

2009-04-14 In Polk, Walter R. Borneman gives us the first complete and authoritative biography of a president often overshadowed in image but seldom outdone in accomplishment. James K. Polk occupied the White House for only four years, from 1845 to 1849, but he plotted and attained a formidable agenda: He fought for and won tariff reductions, reestablished an independent Treasury, and, most notably, brought Texas into the Union, bluffed Great Britain out of the lion's share of Oregon, and wrested California and much of the Southwest from Mexico. On reflection, these successes seem even more impressive, given the contentious political environment of the time. In this unprecedented, long-overdue warts-and-all look at Polk's life and career, we have a portrait of an expansionist president and decisive statesman who redefined the country he led, and we are reminded anew of the true meaning of presidential accomplishment and resolve.

Fully Armed Bob Levin 1995 A work of biographical fiction.

Bob Levin, a lawyer, hires a paralyzed black Vietnam vet as his new receptionist.

The Way of the Knife Mark Mazzetti 2013-04-09 "The new American way of war is here, but the debate about it has only just begun. In *The Way of the Knife*, Mr Mazzetti has made a valuable contribution to it."

—The Economist A Pulitzer Prize-winning reporter's riveting account of the transformation of the CIA and America's special operations forces into man-hunting and killing machines in the world's dark spaces: the new American way of war The most momentous change in American warfare over the past decade has taken place away from the battlefields of Afghanistan and Iraq, in the corners of the world where large armies can't go. *The Way of the Knife* is the untold story of that shadow war: a campaign that has blurred the lines between soldiers and spies and lowered the bar for waging war across the globe.

America has pursued its enemies with killer drones and special operations troops; trained privateers for assassination missions and used them to set up clandestine spying networks; and relied on mercurial dictators, untrustworthy foreign intelligence services, and proxy armies. This new approach to war has been embraced by Washington as a lower risk, lower cost alternative to the messy wars of occupation and has been championed as a clean and surgical way of conflict. But the knife has created enemies just as it has killed them. It has fomented resentments among allies, fueled instability, and created new weapons unbound by the normal rules of accountability during wartime. Mark Mazzetti tracks an astonishing cast of characters on the ground in the shadow war, from a CIA officer dropped into the tribal areas to learn the hard way how the spy games in Pakistan are played to the chain-smoking Pentagon official running an off-the-books spy operation, from a

Virginia socialite whom the Pentagon hired to gather intelligence about militants in Somalia to a CIA contractor imprisoned in Lahore after going off the leash. At the heart of the book is the story of two proud and rival entities, the CIA and the American military, elbowing each other for supremacy. Sometimes, as with the raid that killed Osama bin Laden, their efforts have been perfectly coordinated. Other times, including the failed operations disclosed here for the first time, they have not. For better or worse, their struggles will define American national security in the years to come.

James K. Polk John

Seigenthaler 2014-03-11

The story of a pivotal president who watched over our westward expansion and solidified the dream of Jacksonian democracy James K. Polk was a shrewd and decisive commander in chief, the youngest president elected to guide the still-young nation, who served as Speaker of the House and governor of Tennessee before taking office in 1845. Considered a natural successor to Andrew Jackson, "Young Hickory" miraculously revived his floundering political career by riding a wave of public sentiment in favor of annexing the Republic of Texas to the Union. Shortly after his inauguration, he settled the disputed Oregon boundary and by 1846 had declared war on Mexico in hopes of annexing California. The considerably smaller American army never

lost a battle. At home, however, Polk suffered a political firestorm of antiwar attacks from many fronts. Despite his tremendous accomplishments, he left office an extremely unpopular man, on whom stress had taken such a physical toll that he died within three months of departing Washington. Fellow Tennessean John Seigenthaler traces the life of this president who, as Truman noted, "said what he intended to do and did it."

Fully Armed The

Story Of Jimmy Don Polk

Welcome to activistcash.com, your go-to destination for a vast collection of **Fully Armed The Story Of Jimmy Don Polk** PDF eBooks. We are passionate about making the world of literature accessible to everyone, and our platform is designed to provide you with a seamless and enjoyable for Fully Armed The Story Of Jimmy Don Polk eBook downloading experience.

At activistcash.com, our mission is simple: to democratize knowledge and foster a love for reading Fully Armed The Story Of Jimmy Don Polk. We believe that everyone should have access to Fully Armed The Story Of Jimmy Don Polk eBooks, spanning various genres, topics, and interests. By offering Fully Armed The Story Of Jimmy Don Polk and a rich collection of PDF eBooks, we aim to empower readers to explore, learn, and immerse themselves in the world of

literature.

In the vast expanse of digital literature, finding Fully Armed The Story Of Jimmy Don Polk sanctuary that delivers on both content and user experience is akin to discovering a hidden gem. Enter activistcash.com, Fully Armed The Story Of Jimmy Don Polk PDF eBook download haven that beckons readers into a world of literary wonders. In this Fully Armed The Story Of Jimmy Don Polk review, we will delve into the intricacies of the platform, exploring its features, content diversity, user interface, and the overall reading experience it promises.

At the heart of activistcash.com lies a diverse collection that spans genres, catering to the voracious appetite of every reader. From classic novels that have withstood the test of time to contemporary page-turners, the library pulsates with life. The Fully Armed The Story Of Jimmy Don Polk content is evident, offering a dynamic range of PDF eBooks

that oscillate between profound narratives and quick literary escapes.

One of the defining features of Fully Armed The Story Of Jimmy Don Polk is the orchestration of genres, creating a symphony of reading choices. As you navigate through the Fully Armed The Story Of Jimmy Don Polk, you will encounter the perplexity of options — from the structured complexity of science fiction to the rhythmic simplicity of romance. This diversity ensures that every reader, irrespective of their literary taste, finds Fully Armed The Story Of Jimmy Don Polk within the digital shelves.

In the realm of digital literature, burstiness is not just about variety but also the joy of discovery. Fully Armed The Story Of Jimmy Don Polk excels in this dance of discoveries. Regular updates ensure that the content landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The

unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Fully Armed The Story Of Jimmy Don Polk paints its literary masterpiece. The website design is a testament to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Fully Armed The Story Of Jimmy Don Polk is a symphony of efficiency. The user is greeted with a straightforward pathway to their chosen eBook. The burstiness in the download speed ensures that the literary delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to

the treasures held within the digital library.

A key aspect that distinguishes activistcash.com is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download Fully Armed The Story Of Jimmy Don Polk is a legal and ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

activistcash.com doesnt just offer Fully Armed The Story Of Jimmy Don Polk; it fosters a community of readers. The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This interactivity adds a burst of social connection to the reading experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, activistcash.com stands as a vibrant thread that

weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. Its not just a Fully Armed The Story Of Jimmy Don Polk eBook download website; its a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

Fully Armed The Story Of Jimmy Don Polk

We take pride in curating an extensive library of Fully Armed The Story Of Jimmy Don Polk PDF eBooks, carefully selected to cater to a broad audience. Whether youre a fan of classic literature, contemporary fiction, or specialized non-fiction, youll find something that captivates your imagination.

User-Friendly Platform

Navigating our website is a

breeze. We've designed the user interface with you in mind, ensuring that you can effortlessly discover Fully Armed The Story Of Jimmy Don Polk and download Fully Armed The Story Of Jimmy Don Polk eBooks. Our search and categorization features are intuitive, making it easy for you to find Fully Armed The Story Of Jimmy Don Polk.

Legal and Ethical Standards

activistcash.com is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Fully Armed The Story Of Jimmy Don Polk that are either in the public domain, licensed for free distribution, or provided by authors and publishers with the right to share their work. We actively discourage the distribution of copyrighted material without proper authorization.

Quality: Each eBook in our collection is carefully vetted to ensure a high standard of quality. We want your reading

experience to be enjoyable and free of formatting issues.

Variety: We regularly update our library to bring you the latest releases, timeless classics, and hidden gems across genres. There's always something new to discover.

Community Engagement: We value our community of readers. Connect with us on social media, share your favorite reads, and be part of a growing community passionate about literature.

Join Us on the Reading Fully Armed The Story Of Jimmy Don Polk

Whether you're an avid reader, a student looking for study materials, or someone exploring the world of eBooks for the first time, activistcash.com is here to cater to Fully Armed The Story Of Jimmy Don Polk. Join us on this reading journey, and let the pages of our eBooks transport you to new worlds, ideas, and experiences.

We understand the thrill of discovering something new. That's why we regularly update our library, ensuring you have access to Fully Armed The Story Of Jimmy Don Polk, celebrated authors, and hidden literary treasures. With each visit, anticipate fresh

possibilities for your reading Fully Armed The Story Of Jimmy Don Polk.

Thank you for choosing activistcash.com as your trusted source for PDF eBook downloads. Happy reading Fully Armed The Story Of Jimmy Don Polk.
