Sports Weird-o-Pedia Lew Freedman 2019-06-04 By any standard of normal behavior, sports cannot escape the definition of weirdness. Sports achievements have the capacity to inspire and excite watchers, whether through athletic brilliance or magnificent team performance, but there are times when our athletes and teams go wacko on us, and the most peculiar things break out with no warning to provide wide-eyed astonishment or laugh-out-loud responses. Sammy Sosa of the Chicago Cubs landed on the disabled list due to a back injury caused by sneezing too hard. Minnesota Vikings football stalwart Jim Marshall ran the wrong way with a recovered fumble. Former NBA player Dennis Rodman spearheaded American diplomacy with North Korea. The lyrics and music creators of "Take Me Out to The Ballgame" authored one of the most sung songs in American history without ever having seen a baseball game. And more! While those spontaneous combustions may result from someone rising from the weird side of the bed, they're often the most memorable.

Turtle's Song Alan Brown 2001 I am Turtle. My eyes are black, my shell is green. Wide ocean calls me, as I lie curled in the dark. Tides roar in my blood, surf pounds in my heart. A lyrical journey of the life of a Green Turtle from hatchling beneath the sand of a coral beach, through wanderings at sea, to adulthood and returning to lay eggs of its own. Award winning illustrator Kim Toft's magnificent silk painting perfectly capture the precarious life of the Green Turtle, while author Alan Brown's poignant, mythical story sounds a hymn to this ancient but now endangered creature.

14 Fun Facts About Pirates Maureen Musumeci Pirates are thieves who roam the seas. They prey on ships to steal their cargoes and valuables.

Pirates have been around ever since the invention of boats! There is even an old tale that Caesar Augustus was captured by pirates and held for ransom. This happened before he became Emperor of Rome. However, when we think of pirates, we often think of those dashing adventurers that roamed the seas seeking and stealing treasure during the 17th and 18th centuries. Can you answer these questions about pirates? What would happen to a pirate that got scurvy? What did pirates steal besides money and jewels? What is the Pirate Code? What happened to the pirate hideout on Tortuga? Who is the most ruthless of pirates? Find out the answers to these questions and more and amaze your family and friends with these fun facts. Ages 8 and up. All measurements in American and metric. LearningIsland.com believes in the value of children practicing reading for 15 minutes every day. Ducks, Newburyport Lucy Ellmann 2019-08-20 WINNER OF THE 2019 GOLDSMITHS PRIZE • SHORTLISTED FOR THE 2019 BOOKER PRIZE • A NEW YORKER BEST BOOK OF 2019 • A NEW YORK TIMES NOTABLE BOOK OF 2019 • A TIME MUST-READ BOOK OF 2019 "This book has its face pressed up against the pane of the present; its form mimics the way our minds move now toggling between tabs, between the needs of small children and aging parents, between news of ecological collapse and school shootings while somehow remembering to pay taxes and fold the laundry."—Parul Sehgal, New York Times Baking a multitude of tartes tatins for local restaurants, an Ohio housewife contemplates her four kids, husband, cats and chickens. Also, America's ignoble past, and her own regrets. She is surrounded by dead lakes, fake facts, Open Carry maniacs, and oodles of online advice about survivalism, veil toss duties, and how to be more like Jane Fonda. But what do you do when you keep stepping on your son's toy tractors, your life depends on stolen land and broken treaties, and nobody helps you when you get a flat tire on the interstate, not even the Abominable Snowman? When are you allowed to start swearing? With a torrent of consciousness and an intoxicating coziness, *Ducks, Newburyport* lays out a whole world for you to tramp

around in, by turns frightening and funny. A heart-rending indictment of America's barbarity, and a lament for the way we are blundering into environmental disaster, this book is both heresy—and a revolution in the novel.

Things I Should Have Said Jamie Lynn Spears 2022-01-18 In this intimate national bestselling memoir, actress and musician Jamie Lynn Spears opens up for the first time, telling her unfiltered story on her own

terms. You've read the headlines, but you don't know Jamie Lynn Spears. The world first met Jamie Lynn as a child star, when it was her job to perform, both on set and for the press. She spent years escaping into different characters—on *All That*, *Zoey 101*, and even in the role as Britney's kid sister. But as she grew up, faced a teen pregnancy, raised her daughter on her own, pursued a career, and learned to stand on her own two feet, the real Jamie Lynn started to take center stage - a raw, blemished, and imperfect woman, standing in her own power. Despite growing up in one of America's most tabloid-famous families, Jamie Lynn has never told her story in her own words. In *Things I Should Have Said*, she talks frankly about the highs and lows, sharing what it was like traveling the world as a kid, how she moved into acting and performing herself, what life as a child star took from her, and the life-changing reality of becoming a teen mom. She talks about how she finally found love and how the mistakes she has made have taught her more than anything else. She also shares vulnerably about how the ATV accident that nearly took her daughter's life brought her back to her faith and caused her to reevaluate and redirect her life. Frank, courageous, and inspiring, *Things I Should Have Said* is a portrait of a wife, momma, sister, daughter, actress, and musician doing the best she could to show up for herself and teach her daughters to have the courage to love every part of themselves, too.

To Free a Dolphin Keith Coulbourn 2015-10-06 In this memorable first book, Behind the Dolphin Smile, Richard O'Barry told the inspiring story of his personal transformation from world-famous dolphin trainer (Flipper was his pupil) to dolphin liberator. Now, in To Free a Dolphin, he passionately recounts the dramatic story of his heart-breaking campaign to release captive dolphins back into the wild. With wit and insight he chronicles the extreme opposition he has faced from bureaucrats, major players in the captive-dolphin industry, rival wildlife groups, and well-meaning sentimentalists. He introduces readers to famous show animals he has helped, including Bogie and Bacall of Key Largo. And, most fascinating, he describes his struggles to deprogram and rehabilitate dolphins emotionally scarred from years of captivity--struggles that become battles for the animals' souls.

Flipper David Max 1996 A book containing information about the film featuring a dolphin whose life is endangered by the dumping of toxic waste in the ocean, and starring Paul Hogan. The book is illustrated with colour stills from the film.
