Creative Ideas for Children's Worship - Year

C Sarah Lenton 2013-07-01 Ready-to-use material for children's Sunday worship based on the Revised Common Lectionary. Versatile and practical, with options for small, large, and mixed-age groups alike. Simple liturgies provide a complete resource for children's Liturgy of the Word for Episcopal and Catholic churches. Joins Year A and B editions completing the series. Ask almost any clergy or educator what one of their biggest challenges in worship is likely to be "coming up with ideas for including children in worship." This book provides a whole year's worth of activities and ideas complete with artwork and visual aids. These sixty-four outlines have been developed and used in an Anglican parish (Church of England) over the last eight years by a professional educator, artist, and experienced children's minister. The worship outlines include simple children's liturgies and a complete lesson or story plan that harmonizes with the lectionary. Through fun ideas, children encounter a real aspect of the Christian faith focused on a theme from each Sunday's Gospel. Each outline includes a variety of options, which make them appropriate for small and large groups of children as well as mixed age groups. Illustrated throughout, the text and full-color artwork are included on a CD ROM for downloading, printing, and copying.

The Reason for God Timothy Keller 2008-02-14 A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (Christianity Today) and the "C.S. Lewis for the 21st century" (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a

challenging argument for pursuing the reason for God.

Help! I Want My Church to Grow David Ripley 2008-02 Myth or fact? If we build a nice enough church, people will come to worship. We don't need to plan for worship. It will happen naturally. The major ministry of the church is inside the church building. It's OK if children's Sabbath school classrooms are overcrowded. If we can get a top-name evangelist to speak at our church, we'd see great things happen. Myths. All myths. If you believe any of these statements are true, you aren't the only one. Many people have held to these and other common myths that stunt church growth. In *Help! I Want My Church to Grow*, Pastor David Ripley exposes the 31 most widespread misconceptions that keep churches from growing into vibrant communities. Drawing from more than 20 years of pastoral experience, Ripley identifies pitfalls and offers principles that will attract people to your church. Each section of the book includes discussion questions, making it invaluable for small group studies or leadership meetings. A must-read for church members and leaders, this book will introduce you to myth-busting ideas that will expand God's kingdom right in your very own church.

Discipline That Connects With Your Child's Heart

Jim Jackson 2016-09-20 A Powerful Approach to Bringing God's Grace to Kids Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid.

Your Church Can Be-- Family Friendly Steve Thomas 1996 One of the biggest dangers to the church is the breakdown of the family. After reading this book you will have a good understanding of what is involved in starting a successful family ministry.

Messy Church Ross Parsley 2012-07-01 When you look at the church today, what do you see? A corporation with a CEO at the helm? A social organization that does good things for the community? Pastor Ross Parsley believes that neither of those pictures is God's desire. Instead, God wants His church to function as a family—a group of real people who love each other and care for one another's needs, no matter how messy. Our culture is dying for the kind of community that only the church can provide—if we are living as God intended: as a family, protecting one another, extending grace, and loving unconditionally. We are not called to be consumers who ask what the church can offer us. We are called to love deeply, fight fairly, and bring hope to a generation of people starving to belong to something greater than themselves. Welcome to the family. You belong here.

Partnering with Parents in Youth Ministry Jim

Burns 2011-08-29 The most powerful force in a young person's life is his or her family. The importance of this is pointed out in the writing of the Torah in Deuteronomy 6:4-9, where believers are mandated to pass their family legacies to the next generations. The newest trend in youth ministry today is a very healthy move toward family-based ministry, a mind-set that helps the church act as a support system, while placing discipleship and training back into the hands of family. Partnering with Parents in Youth Ministry will help youth workers understand their unique role in helping families succeed and will give an overview strategy of family-based youth ministry, as well as practical ideas on implementing this awesome ministry in your church.

A Bucketful of Ideas for Church Drama Fay Rowland 2017-09-27 Special Offer! Order now to take advantage of the special price. Do you want drama without the, well, drama? Need something awesome for all-age worship, sketches for schools or just want to bring a well-known Bible story alive with the smack-between-the-eyes relevance it got from Jesus? Fresh scripts launch God's timeless word like a rocket. "Parables as Jesus would have told them - witty, punchy and thought-provoking." Christmas and Easter? Sorted. Some quiet and meditative, some a-pun-a-minute - there's a script for every occasion. Meet Elijah's ravens on holiday. Meet texting angels. Meet the Big Bad Cat. Then slow down and relive Good Friday through the eyes of one who was there - Jesus, remember me. Using puppets to express our doubts and confusions is a great way to address the unasked questions. A grandma confessed after one puppet show that she had never understood that Bible story, until now - Click! Drama isn't just for kids. We take a sideways look at our grown-up busyness with the gameshow 'Real Christian', and perhaps in the laughter we can find a truth. Limited resources? No problem. Based on many years' experience with drama and puppetry for schools, churches and community groups, these scripts are immensely practical to suit your room, rehearsals and recruits. Each script has suggestions for characters and props, and the hands-on hints for staging make drama a 'can-do' option, so you can concentrate on the message. To complete the package, the final

chapters outline methods for working with puppets and give pointers for using drama outdoors. There are lots of ideas for constructing your own puppet theatre, with designs from small, roll-away up versions to folding, semi-permanent ones. This is the first in the 'A Bucketful of Ideas' series. It is based on the international blog of church resources, The Reflectionary, written by Fay Rowland - lecturer, writer and, as it so happens, puppeteer. Ever wondered what you need to be a *Real* Christian? Click the 'Buy' button, and find out ... Reviewers say: "A Bucketful of Ideas - ideas to educate, entertain and evangelise." "The whole book covers a good range of topics, themes, and styles; together a great variety." "The scripts are funny, punny, expository and engaging." "Creativity in this book is not just in the directions and dialogues it's in the accessible pragmatism as well." "Time-Travel TV is my favourite script ... I always enjoy routine time travel and 'wiggling'!" "The introductions to each script are the keys to their convenience, it was good to know which props to expect, which items were optional and some scripts even gave clear permission to improvise and paraphrase." "Very thankful for the puppet theatres section at the back." "30 Pieces of Chocolate is a fine pun-run." Remember to click 'Buy'!

Learning God's Stories Together Dorothy Henderson 2007-08-25 In this valuable resource, Dorothy Henderson explains, encourages and enables all-ages learning. People looking for help in developing an all-ages learning program will be heartened by the wealth of practical

advice LearningGod's Stories Together provides. The first part of the book explains the theory and practice of all ages learning. Dorothy opens our eyes to its myriad benefits: It's fun! It builds community. It lets us hear points of view from groups we might not normally have a chance to mingle with. Dorothy presents her ideas in an easily accessible style that will fit with almost any congregation, large or small. There is a section describing the five generations that might form an all ages learning group which is interesting and useful - and not only for church-group use! We also learn about the advantages of all ages learning, which are many. Dorothy provides step-by-step insructions for setting up all ages learning and ideas to use for our first gatherings. The information is complete and inspires us to go ahead and try this if we haven't done it before; it will provide depth and insight and new ideas for those who already have all ages learning happening in their church. The second part of the book consists of 20 story sessions, each of which contains suggestions for gathering, for telling and talking about the story, and for exploring the story and making it part of your life. Again, lots of practical suggestions that will appeal to both children and adults. Dorothy presents her information in a friendly tone that encourages educators to be enthusiastic about embracing this rewarding style of learning.

"What other institution do you know where five generations come together every week . . . worshipping, drinkg juice and coffee, talking, eating, doing important mission work and learning together what it means to love God and love a neighbour as oneself. The church provides a natural environment for all-ages gatherings. But, as Edward Loper reminds us, 'There was a time, not all that long ago, when we did not need to intentionally talk about the relationships between generations. The relationships were plain for all to see. Most of us lived in the context of an extended family. Members of several generations lived in a close proximity to one another, kenw each other, and supported each other. This is no longer the case.' It is time, once again, to become intentional in building connections among the generations."

Small Church Essentials Karl Vaters 2018-03-06 Do you lead a small church? Big churches get all the love. Articles, books,

conferences—they mostly feature leaders of large congregations. Yet big churches are a small part of the ecclesial landscape. In fact, more than 90 percent of churches have fewer than 200 people. That means small churches play a big part in what God is doing. *Small Church Essentials* is for leaders of these smaller congregations. It encourages them to steward their role well, debunking myths about small churches while offering principles for leading a dynamic, healthy small church. Based on the popular six-hour lecture that Karl Vaters delivers to church leaders across the country, *Small Church Essentials* will affirm small church leaders and show them how to identify what they do well, and how to do it even better. Readers will: Be assured that leading a small congregation does not make them ministry failures Come away inspired to lead with passion, regardless the size of their church Have field-tested principles for leading a church in their context Possess new metrics for biblically measuring vitality in small churches Have a toolkit of resources to use in their everyday ministry Karl Vaters has been a small church pastor for 30 years, is the author of *The Grasshopper Myth: Big Churches, Small Churches*, and *Small Thinking that Divides Us* (2013), and travels extensively to churches and conferences to speak about leading a small church well. If you are pastoring a small church, this book will be a breath of fresh air. It will affirm your calling while giving you fresh tools to help you lead. It will help you: Stop believing lies about small churches Lead your church to fulfill the role only small churches can Understand your congregation's strengths and weaknesses Turn around a dying or unhealthy church Identify good trends and bad in church and culture

Building Children's Ministry Tina Houser 2008-02-19 A step-by-step guide to building a strong children's ministry that is a vital part of the church. People know they are called to children's ministry when they get goose bumps and butterflies from something a kid says or an idea that they know will communicate the gospel to children. *Building Children's Ministry* provides the practical information to transform those feelings and that calling into a successful children's ministry that is integrated into the life

of the congregation. The book is divided into topical chapters, including: Getting the support of the pastor and the congregation Statements of purpose Budgets and fundraising Recruiting and keeping volunteers Safety and security Discipline and appropriate policies Choosing and evaluating curriculum Publicity Building Children's Ministry is a practical guide through the challenging (but exciting) steps between recognizing the need for children's ministry and creating a program that ministers to children and their families.
