**Love Is My Favorite Thing** Emma Chichester Clark 2020-12-29 Starring an enthusiastic pooch whose joy, optimism and love know no bounds, this lively picture book is based on Emma Chichester Clark's own dog, and joyfully celebrates unconditional love. Plum has lots of favorite things—catching sticks, her bear, her bed—but really, LOVE is her absolute favorite thing. She loves her family and all the things they do together. Sometimes, however, Plum's exuberance causes trouble, and she just can't help being naughty. But fortunately, love is such a great thing that even when she makes mistakes, Plum's family still adores her.

**Fun & Easy Activities for Kids** Activibooks For Kids 2016-01-20 Yes, educational play is possible with a toddler if you have the patience to teach and the perfect tool to use. This activity book effectively combines mazes, spot the difference and color by number exercises. You can't expect a toddler to answer these, though, because the purpose is to have you guide them. Have a great bonding time/learning experience with your child!

**My First 3-letter Words Coloring Book** Olivia Arnett 2021-02-25 A perfect book to have fun quality time with your children while helping them learn new words in super fun and engaging ways! This book, "My First 3-letter Words Coloring Book: Preschool Educational Activity Book for Early Learners to Color Three-letter Words Objects while Learning Their First Easy Words Containing 3 Letters", is an educational coloring book for toddlers, either girls or boys. It contains: 30 basic three-letter nouns that are easy enough for toddlers to understand, accompanied by full-page big and simple illustrations for the little hands to color in with ease and trouble-free fun. Every picture is cute, funny, or smiley, as it is meant to please younger little angels. So, kids can familiarize themselves with the new 3-letter words whenever they add colors! Words are arranged in alphabetical order with words summary at the end of the book. Caregivers, teachers, or even parents can use it as a teaching resource at home or at school, or even cut out the coloring pages (non-perforated), and glue them onto card stock to make giant picture-words flashcards colored by the little hands. This book comes with the bonus letter tracing practice pages of every word the kids have learnt, so it is also great for early learners who have just grasped or starting to learn how to write. Plus! a surprise page at the end of the book that surely every child will enjoy. (Hint? It will make them feel so proud of themselves!)

"My First 3-letter Words Coloring Book" is sure to keep your little ones busy while coloring and, at the same time, gathering their new essential 3-letter words on any day! You can give your child a head start for school. Click "Buy Now"!

*Beginner Drawing Books. Which is Healthy for You and Me? Testing Kids' Food Choices One Line, Shape and Form at a Time. Bonus Color by Number Activities for Kids* Jupiter Kids 2017-03-15 Composed of how to draw images of food, this activity book might make little tummies grumbly, but their brains will surely get the nourishment they need. The *Beginner Drawing Books. Which is Healthy for You and Me? Testing Kids' Food Choices One Line, Shape and Form at a Time. Bonus Color by Number Activities for Kids* is composed of: Close to 100 How to Draw Images. There are instruction pages included in this drawing book to help kids get started with ease. The instructions are also there to help set expectations and to guide parents in checking the artwork of their children. Drawing skills should be nurtured because these are helpful communication tools when words are not adequate. Through drawing, your child will begin to understand shapes, forms, and lines, and how they can be put together to create visual representations of the natural world. *Color by Number - After the intensive course on drawing, color by number exercises would come in next. Color by number trains a child to focus on the tiniest bits and pieces. This is important for academic and life success. There is a bleedthrough page at the back of every color by number templates. Because of its presence, there should be more freedom in the choice of coloring materials and the intensity of strokes. This 8.5 x 8.5-inch activity book is recommended for second graders. However, it can be done by older kids who want to brush up on their basic skills.*

**Different--A Great Thing to Be!** Heather Avis 2021-06-29 NEW YORK TIMES BESTSELLER • This joyful rhyming book encourages children to value the "different" in all people, leading the way to a kinder world in which the differences in all of us are celebrated and embraced. Macy is a girl who's a lot like you and me, but she's also quite different, which is a great thing to be. With kindness, grace, and bravery, Macy finds her place in the world, bringing beauty and laughter wherever she goes and leading others to find delight in the unique design of every person. Children are naturally aware of the differences they encounter at school, in their neighborhood, and in other everyday relationships. They just need to be given tools to understand and appreciate what makes us "different," permission to ask questions about it, and eyes to see and celebrate it in themselves as well as in those around them.

*Mixed: A Colorful Story* Arree Chung 2018-07-03 The reds, the yellows, and the blues all think they're the best in this vibrant, thought-provoking picture book from Arree Chung, with a message of acceptance and unity. In the beginning, there were three colors . . . Reds, Yellows, and Blues. All special in their own ways, all living in harmony—until one day, a Red says "Reds are the best!" and starts a color kerfuffle. When the colors decide to separate, is there anything that can change their minds? A Yellow, a Blue, and a never-before-seen color might just save the day in this inspiring book about color, tolerance, and embracing differences.
