Do you know a little one who loves the ocean

and sea life? Let them color all the creatures in the sea with this fun and original coloring book. Your child, or any child in your life, will love to celebrate their love of learning by filling the pages of this classic coloring book with bright colors. Give them a great activity that sparks their creativity and keeps them busy and entertained for hours. Book Details: - Printed single side for no bleed through. - Large 8.5 x 11 pages. - For Kids, boys & girls. - Makes a great gift! - Original Artist Designs, High Resolution We have carefully designed each page to be entertaining and suitable for children in the 4 to 12-year-old age range. We have avoided overly-intricate designs as well as overly simplistic ones. We believe children of this age love coloring fun scenes that fire up their imaginations, not a book full of simple shapes. Happy Coloring!

Hersom 2013-06-18 Discover Amazing Sea Marine Life Animals, Funny Sharks to Weird Yeti Crabs While working with my grandson on a school, marine life project, we discovered

strange and funny sea life creatures that we didn't even know existed! Like the shark that looks like an oriental rug, or the chameleons of the sea that change their color at will. Come discover with your children inside this book funny and weird marine animals that will keep your young readers interested in reading this book over and over again. Filled with colorful graphic photos and interesting animal facts, this children's book is designed to be a learning tool too, with "What did You Learn Today" fun questions and answers. Five Star Reviews! Fabulous pictures of sea creatures! - This is a beautifully done book giving fabulous information on these weird and funny looking sea creatures. It was very educational as I have never heard of many of them. Would definitely recommend this book to adults and children alike! Sea creatures are amazing - The cover of the book really got my attention so I decided to grab the book. I always read the book first before I read it to my nieces and I actually

learned quite a bit. I was blown away by the photos and facts that were provided in the book. The author did it in a way that is not too hard for kids too. I am a stickler for education so I definitely can appreciate the quiz that is provided at the end of the book. Good read for kids and adults! Magnificent book with stunning full color photos - This beautiful book contains descriptions and photos of the strangest sea creatures. Many are new to me with large, full color photos of each fish, snail, Dogface Pufferfish and Sarcastic Fringehead. Read this with your children. The author provides excellent facts in a consistent layout that makes it easy to follow. Take the quiz at the end and check answers on the next page. I love major city aquariums. This book made me feel like I was walking around one of the best!

The Fact & Fun Ocean Book for Kids Natalie Fleming 2021-08-20 Do you know that the Ocean covers 70 percent of the earth's surface, and we don't know about 80 percent of it? As we explore space more, there is an equally fascinating world below the Ocean about which we have little idea. This book is an effort for parents and teachers to take their little ones on a journey into the Ocean and meet with fascinating creatures that live across the oceans, and at the same time have fun with many activities. It covers more than 70 ocean animals, including: Sharks, Whales, Turtles, Dolphins, other mammals (sea lions, polar bears, sea cows, etc.), Octopus, Starfish, Sea horses, deep-sea creatures like angler fish, and ten weird ocean creatures. But that's the Fact part. We have Fun Corner after each animal which contains: Coloring Sheet, Dot to Dot, Mazes, Puzzles, Spot the Difference, Crosswords

& much more! So whether you are taking the kids on a road trip or having a quiet weekend or you plan to take them to an aquarium, this book would help them meet various animals, and they would appreciate wherever they see them. You can also gift this book to the little one, and they would always remember you whenever they come across any ocean animals! Grab the copy now and let the little one take this journey into the Ocean!
