Fundamentals of Basic Emergency Care Richard

W. O. Beebe 2009-11-01 Updated to reflect the
new National EMS Education Standards for
EMT, the third edition of FUNDAMENTALS OF
BASIC EMERGENCY CARE, International
Edition offers a rich learning solution for EMTs.
The text presents material in a practical manner
and challenges learners to develop critical
thinking skills, so they will be prepared to make
smart decisions under pressure. Throughout the
book, real-life scenarios are presented in case
studies that support and enhance information
presented in the book, giving learners the
opportunity to apply the knowledge they learn in
the classroom. The book and supplements offer a
rich learning solution for new EMTs of any
background, with an integrated turnkey
instructional package to support educators

before and throughout their transition to the new Education Standards. This book gives learners and instructors what it takes to make it on the streets!
