Goal, Butterfingers! A Khyrunnisa 2016-06-08 Butterfingers is back, and ready to strike! Amar Kishen or Butterfingers, as he is popularly called, has a penchant for dropping things—he can send books, bags, balls, even people flying just by touching them! Obsessed with football, Amar comes up with a brilliant plan—a school football tournament where each class will play as a different ‘country’. But like all Butterfingers plans, this too is doomed to run into obstacles. But with Butterfingers as the goalie, does his team really have a chance? Full of action and adventure, Goal, Butterfingers!, the second book in the Butterfingers series, will make you lose yourself in the hilarious exploits of Amar and his friends as they hurtle through various hare-brained schemes.

The Greedy Pig Jordan Young 2014-11-12 When Penelope the pig has trouble making friends because of her greediness, Doodle the dog comes to the rescue, but not without a price.

The Last Good Night Emily Listfield 2009-02-10 From the acclaimed author of Best Intentions and Waiting to Surface comes a “taut and disturbing” (The New York Times) psychological thriller about a television news anchor whose idyllic life is shattered when her shadowed past comes back to haunt her. Laura Barrett has it all—a supportive husband, a beautiful baby daughter, and a career in television that has made her face familiar to millions. But there’s a shadow over Laura’s happiness. And when a man approaches her after she leaves work and calls her “Marta,” Laura knows that what she’s feared for so long has finally arrived. The postcard with the coffin on it confirms that her idyll is over. Marta was a teenager, growing up on the wrong side of the tracks, when she did something terrible one night in a run-down motel, and she’s been running from it ever since. For twenty years, Laura has been trying to erase Marta from her memory. Now a man from her past is confronting her, demanding answers. At first, Laura thinks she can control the situation. But suddenly, she’s facing every mother’s nightmare: her daughter is kidnapped. To get her baby back, Laura’s going to have to risk her marriage, her career, and her life, and finally face up to what happened that night so long ago. Gripping and suspenseful, The Last Good Night “ratchets up the tension and fully involves the reader in her heroine’s harrowing ordeal” (Publishers Weekly).

Pimple and the Garden Frogs Vic Martin 2017-01-11 'Pimple and the Garden Frogs' is the fifth book in 'The Goodnight Series 1'. There are seven books in each series, one for each day of the week. The first series is about a character called 'Pimple' a five-year-old mouse who lives in a gingerbread house on planet Zoggy. The characters and drawings have been produced by Steev an accomplished cartoonist. This story is about the frogs who wish to accompany Pimple to and participate in the village fete. Each story ends in goodnight (add child's name) to make the story personal to younger children. There are also some suggested questions, at the end of the book, that are aimed at younger children.

The Metronome Man: Bad Timing (A Serial Killer Thriller Series Book 1) Chris Bliersbach 2022-04-05 All his victims suffered from the same problem - bad timing. And if there was one thing the Metronome Man couldn't stand, it was bad timing. Jurgen Boogaard wasn't always a monster. But he became one through an unfortunate series of mental, emotional, and physical insults during his formative years. As a result, he developed a unique and unhealthy obsession with a metronome. Which eventually led to another more dangerous fixation - wanting life around him to move in adherence to his rules of rhythm. Jurgen tried to ignore those who moved with reckless abandon. And even found some success in jobs where his disciplined pace prompted great productivity. But he couldn't disregard people and their intolerable, asynchronous movements forever. Something had to give. And in Jurgen's case, what gave was his restraint. Jurgen didn't initially want to kill anyone. He just wanted to teach them to move at the right speed. But when his efforts failed, he had no choice. Breaking his rules of rhythm had to be met with a much more severe punishment - death. The Metronome Man: Bad Timing is the first book in a serial killer thriller series. Where the rules of rhythm lend new meaning to running out of time and running for your life. Tick-Tock. Buy your copy now, before you run out of time!

Good Night, Everyone! Harriet Ziefert 1991-07-01 A tired Harry wants to sleep but his toys decide to play noisily.

Kiss Good-night, My Husband Guo Guosuannai 2020-04-13 She needed money. He needed a child. After one accident, she had lost the child she had been carrying for seven months. The transaction had ended, and there was no more interaction between them. Four years later, she was reborn and negotiated with him on a million contracts, only to find him with a little guy who looked very similar to her. "Who's your mother?" Su An caressed Tiny's head and asked. Xiao Budian snorted coldly, "My dad said that my mommy is retarded, so it's fine if you don't mention it."

Consumed: How Markets Corrupt Children, Infantilize Adults, and Swallow Citizens Whole

Benjamin R. Barber 2008-03-17 "Powerful and disturbing. No one who cares about the future of our public life can afford to ignore this book." —Jackson Lears A powerful sequel to Benjamin R. Barber's best-selling *Jihad vs. McWorld*, *Consumed* offers a vivid portrait of an overproducing global economy that targets children as consumers in a market where there are never enough shoppers and where the primary goal is no longer to manufacture goods but needs. To explain how and why this has come about, Barber brings together extensive empirical research with an original theoretical framework for understanding our contemporary predicament. He asserts that in place of the Protestant ethic once associated with capitalism—encouraging self-restraint, preparing for the future, protecting and self-sacrificing for children and community, and other characteristics of adulthood—we are constantly being seduced into an "infantilist" ethic of consumption.

Reading is Funny! Motivating Kids to Read with Riddles Dee Anderson 2009 "Dee Anderson offers innovative ways to use riddles to make reading fun and keep readers coming back for more. Based on her work with children in schools and public libraries, she shares hundreds of riddles on popular subjects." "This book is brimming with scripts for puppet skits, sample PR materials, reproducible games, and easy-to-implement ideas that encourage even the most reluctant readers. School librarians, children's librarians, teachers, parents, and caregivers will find this a welcome aid to reinvigorate reading programs and storytimes."--BOOK JACKET.

Clean Bowled! Butterfingers Khyrunnisa A. 2015-04-15 A new adventure with Butterfingers! What Amar, aka Butterfingers, really wants is to hold a cricket match to honour the memory of Colonel Nadkarni. Meanwhile, the principal wants the teachers of Green Park School to be more healthy and active. And so, Amar playfully writes a proposal for the teachers of the junior and senior schools to play a match against each other—which actually gets accepted. What follows is a roller-coaster ride of adventure, intrigue and madness! Entertaining, uplifting and hilarious, this third novel featuring the beloved character, Butterfingers, will delight readers both old and new.
