great stories to tell—and they can't wait to share their favorite places with you. For more inspiration, follow @moonguides on social media.

The Greek Islands Isabel Carlisle 2017

Forty Days in the Greek Islands ANDREW. BLACK 2017-08-25 From their very first visit to a Greek island, Andrew and his wife Morag were hooked and kept going back for more. As they got to know the country and the language better, they ventured further off the standard tourist trail, finding an endless variety of new places to visit. Twenty five years later they are still exploring and learning about the islands. So what exactly is the attraction of travelling around the Greek islands? There are plenty of guidebooks full of factual information to help you find your way about. Instead this book gives you an insight into some typical day-to-day experiences you might have. It is a personal recollection of forty individual days spent getting to know a selection of forty different Greek islands. It shows why Greek island hopping can be so addictive.

Exploring Greek Islands Fodor's Travel Publications, Inc. Staff

**Fodor's Essential Greek Islands** Fodor's Travel Guides 2018-02-06 Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. For many travelers, the Greek Islands represent the ultimate Mediterranean getaway. Spectacular full-color images of impossibly blue seas, whitewashed alleyways draped in pink bougainvillea, and famous historical sites add a special dimension to Fodor's Greek Islands. Helpful tools such as an at-a-glance Island Finder and a cruise chapter make it easy for travelers to plan their perfect trip. Also included is full coverage of the big-city wonders of Athens. This travel guide includes: · Dozens of full-color maps · Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks · In-depth breakout features on Greek cuisine, Mykonos nightlife, and Santorini · Coverage of Athens, The Saronic Gulf Islands, The Sporades, Corfu, The Cyclades, Crete, Rhodes and the Dodecanese, and

The Northern Aegean Islands Planning to visit more of Greece? Check out Fodor's country-wide travel guide to Greece.

USER-FRIENDLY LAYOUT With helpful icons, and organised by neighbourhood to help you pick the best spots to spend your time.

*Greek Islands by Air* Dana Facaros 2000 Greek Islands was the very first Cadogan guide, and it remains the most popular title in the series on both sides of the Atlantic. For this new guide, Dana Facaros has returned to her home country and whittled down the myriad choice of Greek islands to those that are easily accessible by air. The book will have more information on those islands that qualify, with Cadogan-style in-depth and often witty treatment of historical and cultural issues. It will be a great complement to the existing 'bible, ' appealing to travelers who have a limited amount of time or who plan to book a package through the travel trade.

*Insight Guides Greek Islands* Insight Guides 2014-03-06 With its treasure-filled ancient sites, folklore and island flora, the Greek Islands are the jewel in Greece's crown. Be inspired by the new edition of Insight Guide Greek Islands, a detailed full-colour guide to this fascinating region. Insight Guides' unrivaled coverage of history and culture provides an essential introduction to what makes the Greek Isles unique,

including its people and identities as well as its sailing scene. Consult the Best of Greek Islands selection for an at-a-glance guide to the region's most evocative attractions, such as the improbably perched Panagia Hozoviotissa Monastery and the eminently strollable Corfu Old Town, and the editor's choice of recommendations for the best museums and hikes, amongst others. Descriptive accounts of where to go in the Greek Islands, from the impressive Place of Knossos, the centre of Europe's first civilisation, to the exquisite beaches on Levkada and Crete, are enhanced by beautiful photographs, while all major sights are cross-referenced with full-colour maps. The travel tips section provides a wealth of information on how to plan your trip, plus our selection of the best hotels.

**The Greek Islands** Marc S. Dubin 2003 Highly pictorial, these Eyewitness Travel Guides are now offered in a tenth anniversary edition, with all the information savvy travelers need to know.

The Flight of Ikaros Kevin Andrews 2010-05-01 "One of the great and lasting books about Greece."—Patrick Leigh Fermor "An intense and compelling account of an educated, sensitive archaeologist wandering the back country during the civil war. Half a century on, still one of the best books on Greece as it was before 'development.'"—The Rough Guide

to the Greek Islands "He also is in love with the country...but he sees the other side of that dazzling medal or moon...If you want some truth about Greece, here it is."—Louis MacNeice, *The Observer* "One of the best and most honest books about the modern Greeks."—E. R. Dodds "Kevin Andrews experienced the dangers of the countryside during the civil war. The *Flight of Ikaros*, the book he produced from his travels, remains not only one of the greatest we have about postwar Greece—memorializing a village culture that has almost vanished—but also one of the most moving accounts I have ever read of people caught up in political turmoil...*Flight* was first published in 1959 and last reprinted by Penguin in 1984. For too many years, this rare account has languished out of print."—*Wall Street Journal* In 1947, at the age of twenty-three, Kevin Andrews received a Fulbright Fellowship to study medieval fortresses in the Peloponnese. Andrews spent the long summers of 1948 to 1951 traveling through the region and the winters writing in Athens. This opportunity to travel through little-frequented areas during Greece's postwar civil war—and before the advent of tourism, industrialization, or easy communications—brought Andrews into immediate contact with village populations, shepherd clans, and the paramilitary vigilantes who kept their own kind of order in the provinces, as well as with the displaced peasants of the Athenian slums. The close experience of all these lives took shape in *The Flight of Ikaros*, first published in 1959. Paul Dry Books is pleased to return to print this modern travel classic. Greece And The Greek Islands Connor Jensen 2023-08-19 Are you ready to uncover the secrets of Greece and its captivating islands in 2024? We'll start you off with a quick overview of Athens, your gateway, before setting off to explore the most beautiful and appealing of Greece's many islands. If you're exploring on your own, you'll rely on us for dozens of detailed island and town maps, complete details on ferries and flights, and a wealth of information on accommodations, sightseeing, dining, and nightlife. This is the only guide you need to discover the best of the legendary Greek Isles!

[Fodor's Greek Islands](#) Fodor's 2011-06-21 Get inspired and plan your next trip with Fodor's ebook travel guide to the Greek Islands and the Best of Athens. **Intelligent Planning:** Discover all of the essential, up-to-date travel insights you expect in a Fodor's guide, including Fodor's Choice dining and lodging, top experiences and attractions, and detailed planning advice. **Easy Navigation for E-Readers:** Whether you're reading this ebook from start to finish or jumping from chapter to chapter as you develop your itinerary, Fodor's makes it easy to find the information you need with a single touch. In addition to a traditional main table of contents for the ebook, each chapter opens with its own table of contents, making it easy to browse. **Full-Color Photos and Maps:** It's hard not to fall in love with the Greek Islands as you flip through a vivid full-color photo album. Explore the layout of city centers and popular neighborhoods with easy-to-read full-color maps. Plus get an overview of Greek geography with the convenient atlas at the end of the ebook. **What's Covered?** Get to Know the Greek Islands: When Athenians want a

break, they often make a quick crossing to the idyllic islands of the Saronic Gulf. Car-free Hydra is a relaxing retreat with stone houses set above a gorgeously festive harbor. Aegina is noted for its medieval Old Town and magnificent Temple of Aphaia. Spetses has a time-burnished town hiding treasures like Bouboulina's House. To the northeast, the Northern Sporades delivers quintessential Greek-island pleasures: villages spilling down hillsides like giant sugar cubes, Byzantine monasteries, and ageless paths, where the tinkle of goat bells may be the only sound for miles. Off the west coast of the Greek mainland lies Corfu, a temperate multihued island with emerald mountains and turquoise waters. The island has an equally colorful history, reflecting the commingling of Corinthians, Romans, Goths, Normans, and Venetians, among others. The Cyclades are the ultimate Mediterranean archipelago. Santorini is the most picturesque. Mykonos takes the prize for hedonism. Mountainous Folegandros, verdant Naxos, idyllic Sifnos, and church-studded Tinos all have distinct charms. Crete is Greece's southernmost and largest island. The island is home to some of Greece's tallest mountains, its deepest gorge, many of its best beaches, and a wealth of Venetian and Byzantine wonders. The Dodecanese (Twelve Islands) are the easternmost holdings of Greece and are set around the shores of Turkey and Asia Minor. Each of the green and gold Northern Aegean Islands is distinct: Chios retains an eerie beauty amid its fortified villages and Byzantine monasteries, Lesbos is a forgetaway favored by artists and writers, and lush, mountainous Samos whispers of antiquity. Most travelers to the Greek Islands make at least a stopover in Athens. Greece's capital is a city of tried and true pleasures: the endless parade of cafés, the charming Plaka district, and most of all, the glorious remnants of one of the greatest civilizations the West has produced. Note: This ebook edition is adapted from Fodor's Greek Islands, 2nd Edition but differs in some content. Additionally, the ebook edition includes photographs and maps that will appear on black-and-white devices but are optimized for devices that support full-color images

**Wonders of the Greek Islands - The Cyclades** Denis Roubien  
2020-11-20 You want to discover the natural and cultural treasures of

some of the most extraordinary Greek islands? This is the book for you! (look also for the colour edition). This book describes, through a travel story and a large number of black and white photos, the known and unknown treasures of some of the most remarkable islands of Greece. Andros: one of the most beautiful neoclassical ensembles in Greece, historic monasteries, beautiful villages, a landscape of waterfalls and astonishing greenery in the arid Cyclades and the island's great naval tradition, which gave it the nickname of 'Little England'. Delos: one of the most important archaeological, historical and mythical sites in Greece, the birthplace of Apollo. Milos: a geological wonder, archaeological sites of extreme importance, including the world's oldest Christian monument and the site of the discovery of the famous Aphrodite of Milos. Also, well preserved medieval settlements dating from the time of Venetian domination, picturesque churches, wonderful beaches. Mykonos: a Mediterranean hub which preserves surprising reserves of authenticity. Naxos: the most impressive kouroi of ancient Greece, temples that are considered the precursors of the Parthenon, unique iconoclastic and other Byzantine churches that compose what is called the Mystras of the Aegean. Also, one of the best preserved fortified medieval settlements of the Aegean composing an islet from Greece of Latin domination that made it to our days, monasteries that housed schools of international fame, feudal towers and picturesque villages. Paros: the birthplace of the most famous masterpieces of Antiquity, picturesque medieval settlements, one the most important Early Christian monuments in Greece and sensitive landscapes. Santorini: some of the best preserved fortified medieval settlements of the Aegean, churches with an inexplicable exotic decoration, picturesque chapels, dwellings dug in the volcanic soil in remote villages remaining unspoilt by tourism and one of the best preserved prehistoric cities in the world, known as the Greek Pompeii. Serifos and Sifnos: two islands of incomparable harmony of nature and human creations, havens of authenticity. Syros: a cultural centre with some of the first schools in Greece and today a rare medieval fortified town, along with the former residential, cultural, commercial, and industrial centre of Greece, which

is also the world's largest neoclassical ensemble. Tinos: medieval settlements, monumental churches, picturesque chapels, monasteries that housed schools of international fame, artistic dovecotes and the island's marble craftsmanship, inscribed on the Representative List of the Intangible Cultural Heritage of Humanity. Although these treasures are mostly presented through a hiking tour, also those who don't hike can see them, since they are also accessible by car. The author of this book holds a PhD in Architectural History from the National Technical University of Athens and a master in heritage preservation from the Ecole de Chaillot of Paris. He is a professor in the University of the Peloponnese, where he teaches these subjects. He is also a fervent cultural hiker. His travel books (mostly about Greece) are addressed to a public with a special interest in cultural sites. In order to help the readers better understand and remember these sites, they are written as a guided tour, including encounters with interesting people and other personal travel experiences which could help the readers organise their own trip beyond the tourist clichés.
