Sugar and Salt Susan Wiggs 2022-07-26 The New York Times bestselling author of *The Lost and Found Bookshop* brings readers a can't-miss tale of friendship, hardship, redemption, and love between a San Francisco baker and a barbecue master from Texas. "Susan Wiggs understands the tender dramas of everyday life, of friendship and family, of wanting something that might be just beyond reach. She will make you believe in life's sweetness."--Luanne Rice, New York Times bestselling author of *The Shadow Box* "Wiggs writes with compassion and insight...This is another winner." —Booklist Jerome Sugar learned the art of baking in his grandma's bakery, also called Sugar, on historic Perdita Street in San Francisco. He supplies baked goods to the Lost and Found Bookshop across the street. When the restaurant that shares his commercial kitchen loses its longtime tenant, a newcomer moves in: Margot Salton, a barbecue master from Texas. Margot isn't exactly on the run, but she needs a fresh start. She's taken care of herself her whole life, pulling herself up by her fingernails to recover from trauma, and her dream has been to open a restaurant somewhere far, far from Texas. The shared kitchen with Jerome's Sugar bakery is the perfect setup: a state-of-the-art kitchen and a vibrant neighborhood popular with tourists and locals. Margot instantly takes to Jerome's mother, the lively, opinionated Ida. The older woman proves to be a good mentor, and Margot is drawn to Jerome. Despite their different backgrounds their attraction is powerful—even though Jerome worries that Margot will simply move on from him once she's found some peace and stability. But just as she starts to relax into a happy new future, Margot's past in Texas comes back to haunt her...

Love in the Time of Cholera (Illustrated Edition) Gabriel García Márquez 2020-10-27 A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations

by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

A Prayer for Owen Meany John Irving 1996 Eleven-year-old Owen Meany, playing in a Little League baseball game in New Hampshire, hits a foul ball and kills his best friend's mother. Owen does not believe in accidents and believes he is God's instrument. What happens to Owen after that 1953 foul is both extraordinary and terrifying.

All that is Solid Melts Into Air Marshall Berman 1983 The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

Green Cathedrals Philip Lowry 2009-05-26 *Green Cathedrals* is a celebration of the sport of baseball, through the lens of its ballparks—the "fields of dreams" of players and fans alike. In all, some 405 ballparks have, over time, hosted a Major League or Negro League game, and each one of them is given its due, from hard statistics about dimensions to nostalgic and current photographs, to anecdotes that will inspire the memories of fans all over the country. From Fenway Park and Gus Greenlee Field (home of the Homestead Grays and Pittsburgh Crawfords), to Ebbets Field, Camden Yards, and the brand-new parks that have opened in the past two years, *Green Cathedrals* presents a cavalcade of the most beautiful sporting venues in history. Fully revised and updated since its previous edition a decade ago, with more than 130

new ballparks and hundreds of new photographs, Green Cathedrals is an essential reference for baseball aficionados and a perfect gift for baseball fans everywhere.

How to Read Literature Like a Professor Thomas C. Foster 2009-10-13

What does it mean when a fictional hero takes a journey?. Shares a meal? Gets drenched in a sudden rain shower? Often, there is much more going on in a novel or poem than is readily visible on the surface—a symbol, maybe, that remains elusive, or an unexpected twist on a character—and there's that sneaking suspicion that the deeper meaning of a literary text keeps escaping you. In this practical and amusing guide to literature, Thomas C. Foster shows how easy and gratifying it is to unlock those hidden truths, and to discover a world where a road leads to a quest; a shared meal may signify a communion; and rain, whether cleansing or destructive, is never just rain. Ranging from major themes to literary models, narrative devices, and form, *How to Read Literature Like a Professor* is the perfect companion for making your reading experience more enriching, satisfying, and fun.

The Circle Dave Eggers 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (*Vanity Fair*). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal

emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

The Lost and Found Bookshop Susan Wiggs 2020-07-07 "A wonderful exploration of the past and the future and, most importantly, of what it means to be present in the here and now. Full of the love of words, the love of family, and the love of falling in love, *The Lost and Found Bookshop* is a big-hearted gem of a novel that will satisfy and entertain readers from all walks of life. Lovely!"—Garth Stein, *New York Times* bestselling author of *The Art of Racing In The Rain* In this thought-provoking, wise and emotionally rich novel, *New York Times* bestselling author Susan Wiggs explores the meaning of happiness, trust, and faith in oneself as she asks the question, "If you had to start over, what would you do and who would you be?" There is a book for everything . . . Somewhere in the vast Library of the Universe, as Natalie thought of it,

there was a book that embodied exactly the things she was worrying about. In the wake of a shocking tragedy, Natalie Harper inherits her mother's charming but financially strapped bookshop in San Francisco. She also becomes caretaker for her ailing grandfather Andrew, her only living relative—not counting her scoundrel father. But the gruff, deeply kind Andrew has begun displaying signs of decline. Natalie thinks it's best to move him to an assisted living facility to ensure the care he needs. To pay for it, she plans to close the bookstore and sell the derelict but valuable building on historic Perdita Street, which is in need of constant fixing. There's only one problem—Grandpa Andrew owns the building and refuses to sell. Natalie adores her grandfather; she'll do whatever it takes to make his final years happy. Besides, she loves the store and its books provide welcome solace for her overwhelming grief. After she moves into the small studio apartment above the shop, Natalie carries out her grandfather's request and hires contractor Peach Gallagher to do the necessary and ongoing repairs. His young daughter, Dorothy, also becomes a regular at the store, and she and Natalie begin reading together while Peach works. To Natalie's surprise, her sorrow begins to dissipate as her life becomes an unexpected journey of new connections, discoveries and revelations, from unearthing artifacts hidden in the bookshop's walls, to discovering the truth about her family, her future, and her own heart.

A Very Anxious Feeling Amethyst Rey Beaver 2020-10-30 Organized by the Taubman Museum of Art featuring works from the Beth Rudin DeWoody Collection, "A Very Anxious Feeling: Voices of Unrest in the American Experience" shines light on the widespread feelings of anxiety in contemporary art. Referencing both collective and personal anxieties, the works in this exhibition highlight intersectional voices sharing their dissent, joy, and transcendence. The exhibition amplifies the voices and experiences of Latinx and Latin American artists living and working in

the United States, with all works acquired by Beth Rudin DeWoody over the past 20 years. The show includes more than 70 works by 58 artists including Farley Aguilar, Carlos Almaraz, Candida Alvarez, Jose Alvarez (D.O.P.A.), Firelei Báez, Margarita Cabrera, Gisela Colón, Sebastian Errazuriz, Monica Kim Garza, Ramiro Gomez, Patrick Martinez, Ana Mendieta, Zilia Sánchez, Eduardo Sarabia, Cecilia Vicuña, and William Villalongo, among others. "A Very Anxious Feeling: Voices of Unrest in the American Experience; 20 Years of the Beth Rudin DeWoody Collection" is curated by Amethyst Rey Beaver, Assistant Curator, 21c Museum Hotels and Eva Thornton, Assistant Curator, Taubman Museum of Art in collaboration with Laura Dvorkin and Maynard Monrow of the Beth Rudin DeWoody Collection. You and Me Forever: Marriage in Light of Eternity Francis Chan 2014-08-26 Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: "How do I have a healthy marriage?" Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way *Crazy Love* changed the way we saw our personal relationship with God, *You and Me Forever: Marriage in Light of Eternity* will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, *You and Me Forever* will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and

exploited women around the world. For more information, please visit: youandmeforever.org

How to Change Your Mind Michael Pollan 2019-05-14 Now on Netflix as a 4-part documentary series! "Pollan keeps you turning the pages . . . clear-eyed and assured." —New York Times A #1 New York Times Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic

experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, *How to Change Your Mind* is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's "mental travelogue" is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives.

Rain Forest Bibliography Jerry Roberts 1999 The rain forests of Central and South America have long captured the attention and imagination of writers. From nineteenth century explorers to modern-day conservationists, a host of writers have put the rain forests into print. This is an annotated guide to over 1,600 works about the Central and South American jungles. Entries are arranged by category: Ecology and Conservation; Flora and Fauna; People of the Forest; Travel and Exploration; and Young Adult and Children's Reading. Each category begins with a brief description of what is to be found, followed by alphabetically arranged entries. Each bibliographic entry contains notes on the book's subject, focus, and scope. The book's introduction gives insight into its usage, and the index allows for easy reference. This annotated bibliography, covering topics from the Achuar Indians to zoologists, will lead the reader to resources as diverse and fascinating as the rain forests themselves.

The Sumerians Samuel Noah Kramer 2010-09-17 The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education,

scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal

Dark Ecology Timothy Morton 2016-04-12 Timothy Morton argues that ecological awareness in the present Anthropocene era takes the form of a strange loop or Möbius strip, twisted to have only one side. Deckard travels this oedipal path in *Blade Runner* (1982) when he learns that he might be the enemy he has been ordered to pursue. Ecological awareness takes this shape because ecological phenomena have a loop form that is also fundamental to the structure of how things are. The logistics of agricultural society resulted in global warming and hardwired dangerous ideas about life-forms into the human mind. Dark ecology puts us in an uncanny position of radical self-knowledge, illuminating our place in the biosphere and our belonging to a species in a sense that is far less obvious than we like to think. Morton explores the logical foundations of the ecological crisis, which is suffused with the melancholy and negativity of coexistence yet evolving, as we explore its loop form, into something playful, anarchic, and comedic. His work is a skilled fusion of humanities and scientific scholarship, incorporating the theories and findings of philosophy, anthropology, literature, ecology, biology, and physics. Morton hopes to reestablish our ties to nonhuman beings and to help us rediscover the playfulness and joy that can brighten the dark, strange loop we traverse.

The Wretched of the Earth Frantz Fanon 2007-12-01 The sixtieth anniversary edition of Frantz Fanon's landmark text, now with a new

introduction by Cornel West First published in 1961, and reissued in this sixtieth anniversary edition with a powerful new introduction by Cornel West, Frantz Fanon's *The Wretched of the Earth* is a masterful and timeless interrogation of race, colonialism, psychological trauma, and revolutionary struggle, and a continuing influence on movements from Black Lives Matter to decolonization. A landmark text for revolutionaries and activists, *The Wretched of the Earth* is an eternal touchstone for civil rights, anti-colonialism, psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West's introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon's most famous text stands proudly alongside such pillars of anti-colonialism and anti-racism as Edward Said's *Orientalism* and *The Autobiography of Malcolm X*.

Houses in the Rainforest Roy Richard Grinker 2023-04-28 This is the first ethnographic study of the farmers and foragers of northeastern Zaire since Colin Turnbull's classic works of the 1960s. Roy Richard Grinker lived for nearly two years among the Lese farmers and their long-term partners, the Efe (Pygmies), learned their languages, and gained unique insights into their complex social relations and ethnic identities. By showing how political organization is structured by ethnic and gender relations in the Lese house, Grinker challenges previous views of the Lese and Efe and other farmer-forager societies, as well as the conventional anthropological boundary between domestic and political contexts.

Corporate Diplomacy Ulrich Steger 2003-08-01 Based on a wealth of empirical studies and case studies, this book explains the strategic choices companies have to make in order to remain consistent. In each chapter, real-life examples illuminate the key message managers should take away from the book. It offers a purely managerial viewpoint focused on what managers can do to manage the business environment in any situation.

ENGLAND HAVE MY BONES T.H. WHITE. 2023-06-01 Written in the form of a diary, *England have my Bones* narrates events from 3rd March 1934 to the 3rd March 1935. The author fishes, hunts, shoots ducks, learns to fly a small aeroplane, and keeps a snake as a pet. He does these things one at a time and obsessively, being the sort of person who needs to be the best at everything he tries. An essential read for the keen or just curious country sportsman or woman.

The Tiger's Wife Téa Obreht 2011-03-08 NATIONAL BOOK AWARD FINALIST • NEW YORK TIMES BESTSELLER • "Spectacular . . . [Téa Obreht] spins a tale of such marvel and magic in a literary voice so enchanting that the mesmerized reader wants her never to stop."—Entertainment Weekly Look for Téa Obreht's second novel, *Inland*, now available. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Michiko Kakutani, *The New York Times* • Entertainment Weekly • *The Christian Science Monitor* • *The Kansas City Star* • *Library Journal* Weaving a brilliant latticework of family legend, loss, and love, Téa Obreht, the youngest of *The New Yorker's* twenty best American fiction writers under forty, has spun a timeless novel that will establish

her as one of the most vibrant, original authors of her generation. In a Balkan country mending from war, Natalia, a young doctor, is compelled to unravel the mysterious circumstances surrounding her beloved grandfather's recent death. Searching for clues, she turns to his worn copy of *The Jungle Book* and the stories he told her of his encounters over the years with "the deathless man." But most extraordinary of all is the story her grandfather never told her—the legend of the tiger's wife. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The Wall Street Journal* • *O: The Oprah Magazine* • *The Economist* • *Vogue* • *Slate* • *Chicago Tribune* • *The Seattle Times* • *Dayton Daily News* • *Publishers Weekly* • Alan Cheuse, NPR's *All Things Considered* "Stunning . . . a richly textured and searing novel."—Michiko Kakutani, *The New York Times* "[Obrecht] has a talent for subtle plotting that eludes most writers twice her age, and her descriptive powers suggest a kind of channeled genius. . . . No novel [this year] has been more satisfying."—*The Wall Street Journal* "Filled with astonishing immediacy and presence, fleshed out with detail that seems firsthand, *The Tiger's Wife* is all the more remarkable for being the product not of observation but of imagination."—*The New York Times Book Review* "That *The Tiger's Wife* never slips entirely into magical realism is part of its magic. . . . Its graceful commingling of contemporary realism and village legend seems even more absorbing."—*The Washington Post*

The Life You Save May Be Your Own Paul Elie 2004-03-10 Elie tells the story of four modern American Catholics who made literature out of their search for God: Thomas Merton; Dorothy Day; Walker Percy; and Flannery O'Connor.

Journey to the End of the Night Louis-Ferdinand Céline 1988 When it was published in 1932, this revolutionary first fiction redefined the art of the novel with its black humor, its nihilism, and its irreverent, explosive writing style, and made Louis-Ferdinand Celine one of France's--and literature's--most important 20th-century writers. The picaresque adventures of Bardamu, the sarcastic and brilliant antihero of *Journey to the End of the Night* move from the battlefields of World War I (complete with buffoonish officers and cowardly soldiers), to French West Africa,

the United States, and back to France in a style of prose that's lyrical, hallucinatory, and hilariously scathing toward nearly everybody and everything. Yet, beneath it all one can detect a gentle core of idealism. [The Shooting Star](#) Shivya Nath 2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit.
