Gifting Green Sonja Hakala 2009-11 Cloth Bags That Are Reusable, Beautiful and Simple to Make Cloth bags of all sorts are now part of our daily lives. We take them to the grocery store, fill them at the mall, tote them on our wrists, and use them again and again. Noting the satisfaction we get when we can wrap our gifts in a special way, author Sonja Hakala has developed an easy method for you to make colorful and unique versions of drawstring bags that are sure to provoke ooohs and aaahs from everyone fortunate enough to receive one. (Or for you to love if you keep it for yourself.) Filled with colorful illustrations and clear instructions, Sonja explains how to make a basic bag with the sewing tools you already have, and fabric that you'll probably find stowed away in your stash or in your scrap pile. Then she adds three different ways to take this basic bag and make it even more special. In 12 easy-to-follow steps, you will cut, fold, fashion, and sew an eco-friendly, reusable, sturdy, and beautiful, fully-lined drawstring bag that reflects your unique taste. Think about it-this way of wrapping a gift will be like no one else's. Henry David Thoreau once said "Beware of all enterprises that require new clothes" and Sonja's philosophy about everything she designs is close to the same. "Those of us who sew, design, and create accumulate all sorts of materials and tools. I set out to use what was at hand when I created these bags so that everyone, no matter their level of expertise, could make them. You can even hand sew them if you like." In addition to adding sparkle to a hostess gift or a present under the tree or as a way to make a birthday or shower gift even more special, these wonderful bags please their recipients throughout the year. Enjoy!

Colleen Stan: The Simple Gifts of Life Jim B. Green 2009-03-02 Throughout my captivity, I was never told what was going to happen next or why. This lack of knowledge was used by Master to maintain a continuous element of fear and control over me. Anytime I was taken out of the box, I never knew what to expect. Fear of the unknown was always with me as I was kept in the dark both physically and mentally. This lack of knowledge may have been a good thing in one sense. If I had known the length of my entombment after returning from Riverside, I'm not sure I would have survived. Of course, I'm not sure even Master knew how long he was going to keep me in the box. A few days passed then a few more. Then weeks passed followed by months. Months slowly turned into years. I would spend the next three years of my life (1981-1984) in the box sleeping, dreaming, and praying. I have to assume my lengthy confinement in the box came about because Master was concerned he had given me too much freedom. Maybe he felt he was losing control of his slave. Too many neighbors had seen me, and questions about my status in the Hooker household were surely to arise. A fast thinking family member in Riverside may have copied down his vehicle tag number. What if the police knocked on his door one day looking for Colleen Stan? What if they searched the mobile home? Would anyone think to look under a waterbed for the girl in the box? Master wanted to keep me out of sight until the heat had passed. The other reason for putting me into storage was Ma'am. I'm sure she wanted me out of her life, out of her children's lives, and out of her husband's life. Master was not ready to let his slave go. Cloistering was the only answer. My daily routine soon became predictive as I was allowed out late in the evening after the girls had gone to bed. I emptied my bedpan, drank a large glass of water, and ate cold leftovers in the front bathroom. Sometimes the leftovers were true leftovers that had been out all day and the family didn't want.

Win Me Something Kyle Lucia Wu 2021-11-02 A NPR, Electric Lit, and Entropy Best Book of the Year A Washington Post, Shondaland, NPR Books, Parade, Lit Hub, PureWow, Harper's Bazaar, PopSugar, NYLON, Alta, Ms. Magazine, Debutiful and Good Housekeeping Best Book of Fall A perceptive and powerful debut of identity and belonging—of a young woman determined to be seen. Willa Chen has never quite fit in. Growing up as a biracial Chinese American girl in New Jersey, Willa felt both hypervisible and unseen, too Asian to fit in at her mostly white school, and too white to speak to the few Asian kids around. After her parents' early divorce, they both remarried and started new families, and Willa grew up feeling outside of their new lives, too. For years, Willa does her best to stifle her feelings of loneliness, drifting through high school and

then college as she tries to quiet the unease inside her. But when she begins working for the Adriens—a wealthy white family in Tribeca—as a nanny for their daughter, Bijou, Willa is confronted with all of the things she never had. As she draws closer to the family and eventually moves in with them, Willa finds herself questioning who she is, and revisiting a childhood where she never felt fully at home. Self-examining and fraught with the emotions of a family who fails and loves in equal measure, *Win Me Something* is a nuanced coming-of-age debut about the irreparable fissures between people, and a young woman who asks what it really means to belong, and how she might begin to define her own life.

Life: the Gift That Keeps on Giving Jane S. Green 2017-11-08 Everyone has a story to tell, and I selected to tell my story through my blog formerly called: Monday Morning Bluees, which is an acronym for "Believe Life Uses Everyone and Everything Spiritually." I have endured many hurts, mistakes, lessons, pains, failures, heartbreaks, disappointments, hardships, and struggles throughout my life, but I have also been on the receiving end of countless success stories, miracles, breakthroughs, victories, accomplishments, awards, accolades, and other blessings. I have come to accept that life is filled with polarities, and I came to this time-space reality to experience All of life including both its ups and its downs, (mostly ups). I am learning that I gain strength and momentum when I go through uncomfortable situations, circumstances, and experiences. Reflecting on my life's story allows me an opportunity to release and heal my past. I now have a greater appreciation for where I have been, a warm acceptance and peace for where I am presently; and a clearer perspective on where I am going. My intention for this work is to shed light on issues that many females face and provide comfort in knowing that we are not alone on this journey I call Life.
