

Green Gods

Lovers of Greek Gods and Goddesses

Kresimir Banovac
2023-12-19 About the Book It's no secret that almost all of the Greek gods and goddesses had lovers and unique stories that went along with the affairs. From Persephone and Hades to Zeus and Leda, Greek mythology is filled with wonderful stories of love. This book presents some of these stories as they attempted to explain the world as the ancient Greeks saw it. Somebody long ago wrote, "Do not say these stories are too beautiful to be true. They are too beautiful not to be true." Although some of these stories are over 2,000 years old, their grace and freshness make them as magnificent today as they were then. About the Author Kresimir Banovac is a retired physician and a university professor who nowadays plays golf and writes books. He has written several

books for his six grandchildren to learn the history of the ancient and modern worlds. As a professional, he visited Greece and some years later returned to enjoy the beautiful country and the sights of the ancient civilization. Here, he fell in love with Greek mythology which is the inspiration for this book.

Humboldt Robert Green Ingersoll 2020-03-16 An account of the life of Alexander Von Humboldt (!769 - 1859) who was a German-born scientist, geographer, and enlightened thinker. He traveled extensively in America and was one of the first people to describe the continent from a scientific point of view. Ingersoll has written a detailed account of his life.

Greek Gods and Goddesses 1998 A collection of 15 stories about the Greek gods and goddesses--Zeus, the most powerful, his wife Hera, and their large extended family.

Treasury of Greek

Mythology Donna Jo Napoli

2011 An introduction to some of the most prominent beings in the ancient Greek pantheon.

The Gods Robert Green

Ingersoll 2022-05-28 The Gods is an essay by Robert G.

Ingersoll. It delves into the facts that most Gods (if not all) are a fabrication of human minds that closely resemble the culture of the inventing mind.

The Green Gods Nathalie

Henneberg 1980

Percy Jackson's Greek Gods

Rick Riordan 2014-08-19 "A publisher in New York asked me to write down what I know about the Greek gods, and I was like, Can we do this anonymously? Because I don't need the Olympians mad at me again. But if it helps you to know your Greek gods, and survive an encounter with them if they ever show up in your face, then I guess writing all this down will be my good deed for the week." So begins Percy Jackson's Greek Gods, in which the son of Poseidon adds his own magic--and sarcastic asides--to the classics. He

explains how the world was created, then gives readers his personal take on a who's who of ancients, from Apollo to Zeus. Percy does not hold back. "If you like horror shows, blood baths, lying, stealing, backstabbing, and cannibalism, then read on, because it definitely was a Golden Age for all that." Dramatic full-color illustrations throughout by Caldecott Honoree John Rocco make this volume--a must for home, library, and classroom shelves--as stunning as it is entertaining.

The Greek Gods in Modern

Scholarship Michael D. Konaris

2015-11-26 The nineteenth century is a key period in the history of the interpretation of the Greek gods. The Greek Gods in Modern Scholarship examines how German and British scholars of the time drew on philology, archaeology, comparative mythology, anthropology, or sociology to advance radically different theories on the Greek gods and their origins. For some, they had been personifications of natural

elements, for others, they had begun as universal gods like the Christian god, yet for others, they went back to totems or were projections of group unity. The volume discusses the views of both well-known figures like K. O. Müller (1797-1840), or Jane Harrison (1850-1928), and of forgotten, but important, scholars like F. G. Welcker (1784-1868). It explores the underlying assumptions and agendas of the rival theories in the light of their intellectual and cultural context, laying stress on how they were connected to broader contemporary debates over fundamental questions such as the origins and nature of religion, or the relation between Western culture and the 'Orient'. It also considers the impact of theories from this period on twentieth- and twenty-first-century scholarship on Greek religion and draws implications for the study of the Greek gods today.

The Green Gods Nathalie Henneberg 2010-09 Les Dieux Verts [The Green Gods] (1961)

tells of the romance of Prince Aran and Atlena during the Emerald Age of the Earth, in the far future, when Man's Empire is on the decline and the world is ruled by the eponymous "Green Gods," powerful entities which arose from the vegetal kingdom. The works of Rosny Award-winner Nathalie Henneberg (1917-1977) stand alone in the French SF landscape of the 1960s. Her use of the language, betraying Germanic and Russian influences, was unusually well-suited to creating larger-than-life heroic characters and epic, mythological romances. Her skills at creating intricately detailed baroque universes was second to none. This new edition translated by Hugo Award winner C.J. Cherryh also includes four Henneberg stories translated by SF Grand Master Damon Knight and an introduction by French SF scholar Charles Moreau. C.J. Cherryh, is a Hugo Award winning science fiction and fantasy author who has written more than 60 books since the

mid-1970s, many set in her Alliance-Union universe.

Gods of Green Mountain V.
C. Andrews 2004-04-05 What if mere mortals could meet their Gods and learn the answers to life's most mysterious questions? Now they can. Imagine a planet with two blazing suns. A world inhabited by mortals with flaming red hair, saffron colored skin, and violet eyes. A place where extreme and often violent weather conditions force the people underground where they will be safe...until the next furious storm strikes. This strange land is El Sod-A-Por, the ill-favored one, and in the far distance sits the Green Mountain, home of the Gods—Gods who have no mercy. But everything changes when a fearless young man, Far-Awn, defies his father's warnings and travels tirelessly, in search of a star-shaped opalescent flower. This miraculous plant becomes the source of never-ending food and can even be made into clear atmospheric domes, which enclose entire cities to

ensure peace and protection. Years later El Sod-A-Por is known as El Dorriane, the ideal, and Ras-Far, grandson of the revered Far-Awn, is king. The people happily live a life of plenty—until an entire city is mysteriously wiped out. A civil war between the Upper and Lower Dorrianians ignites, forcing the king to send an entourage of the bravest and strongest men from each province to the Green Mountain to seek answers to this unexpected unrest. Ras-Far's only child, the beautiful and headstrong Sharita, demands to go with the men across the arid desert plains to meet the Gods. The handsome barbarian Dray-Gon, from Lower Dorriane, leads the expedition, but he sees the princess as an unnecessary burden. Now he will have to shield her from the ruthless sandstorms and evil outlaws who will attempt to enslave her at any opportunity. As the unprecedented journey begins, their love-hate relationship transforms into an enthralling passion, as the princess's icy

exterior begins to thaw and Dray-Gon turns from a hard-edged savage into a gentle hero. But when they finally reach the Green Mountain, they are met with a shocking revelation that challenges everything they ever believed to be true...

The Gods of Green County

Mary Elizabeth Pope

2021-10-05 Coralee Harper struggles for justice for her dead brother and her own sanity in Depression-era rural Arkansas. In 1926 in rural Green County, Arkansas, where cotton and poverty reign, young Coralee Harper hopes for a family and a place in her community, but when her brother Buddy is killed by a powerful sheriff, she can't recover from his death or the injustice of his loss. When she begins to spot her dead brother around town, she wonders--is she clairvoyant, mistaken, or is she losing her mind? What Coralee can't fathom is that there are forces at work that threaten her and the very fabric of the town: Leroy Harrison, a newly minted,

ambitious lawyer who makes a horrible mistake, landing him a judgeship and a guilty conscience for life; an evangelical preacher and his flock of snake-handling parishioners; the women of the town who, along with Coralee's own mother, make up their own kind of jury for Coralee's behavior; Sheriff Wiley Slocum who rules the entire field, harboring dark secrets of his own; and finally, Coralee's husband Earl, who tries to balance his work at the cotton gin with his fight for family and Coralee's life. When Coralee ends up in a sanity hearing before Judge Leroy Harrison, the judge must decide both Coralee's fate and his own. The chain of events following his decision draws him more deeply into the sheriff's far-reaching sphere of influence, and reveals the destructive nature of power, even--and especially--his own.

known subjects of Greek mythology. *Greek Gods, Heroes, and Mythology* explores the gods, heroes, creatures, and stories of Greek mythology, in addition to examining their influence today. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO. **The Will of the Gods** Sharon Green 1985

Greek Gods and Heroes

Robert Graves 2014-03-06 An accessible anthology of the greatest ancient Greek myths and legends for readers of all ages by the celebrated classicist and historical novelist. According to the myths, gods and goddesses of ancient Greece lived on Mount Olympus and ruled the world of mortals. Famous heroes shaped the course of history, beautiful women drew the gazes of gods and men alike, and the gods were both fickle in their favors and breathtakingly generous to those they smiled upon. From Midas’s tragic gift to the exploits of Hercules and the

curse of Pandora, Robert Graves brings the legends of ancient Greece to life in a way that’s sure to appeal to everyone; from children to adults, and from casual readers to serious scholars. “Directly told, with no attempt to oversimplify them, a good deal of the symbolism and the association with the pattern of ancient Greece survives.” —Kirkus Reviews (starred review).

Angels and greek gods Doris Fabian 2021-10-31 The most important angels, what happens when we have angels close to us? How can angels help us? What are the characteristics of angels? See how we can perceive them and have them around. Greek gods, what are your characteristics? What are the Greek Goddesses, what are their attributes? How can we have the Greek gods around us? Hesiod's Theogony, how can we experience it? The meditation used by Carl Gustav Jung answers how we can interact with them. See how this Jungian therapist facilitated access to the sacred with this technique and what results were obtained.

Greek Gods, Human Lives

Mary R. Lefkowitz 2003-01-01 Insightful and fun, this new guide to an ancient mythology explains why the Greek gods and goddesses are still so captivating to us, revisiting the work of Homer, Ovid, Virgil, and Shakespeare in search of the essence of these stories. (Mythology & Folklore)

Greek Gods and Goddesses

John Green 2001-01-01 The ancient Greeks worshipped a host of gods and goddesses. Preserved today in poetry, art, and mythology, these divine beings were part of a religious pantheon from which worshippers sought health, good crops, and deliverance from enemies. This collection of mythical figures introduces youngsters to Greek mythology in an appealing way to fans of all ages.

The Gods and Other

Lectures Robert G. Ingersoll 2009-01-01 As outspoken in his day as Richard Dawkins or Christopher Hitchens are today, American freethinker and author ROBERT GREEN INGERSOLL (1833-1899) was a notorious radical whose uncompromising views on religion and slavery (they were bad, in his opinion), women's suffrage (a good idea, he believed), and other contentious matters of his era made him a wildly popular orator and critic of 19th-century American culture and public life. As a speaker dedicated to expanding

Downloaded from
activistcash.com on

intellectual horizons and celebrating the value of skepticism, Ingersoll spoke frequently on such topics as atheism, freedom from the pressures of conformity, and the lives of philosophers who espoused such concepts. This collection of his most famous speeches includes the lectures: ["The Gods" (1872) ["Humboldt" (1869) ["Thomas Paine" (1870) ["Individuality" (1873) ["Heretics and Heresies" (1874)

The Daily Life of the Greek Gods Giulia Sissa 2000

Discusses the everyday life of the gods of the Iliad, including what their bodies were made of, how they received nourishment, their social life on Olympus and among humans, and their loves, festivities, and disputes. *Modern Witchcraft with the Greek Gods* Jason Mankey 2022-12-08 A Witch's 21-Century Guide to Making Magick with the Greek Gods The ancient Greek gods surround us even now in our modern world. From Aphrodite to Zeus, this book reveals the

origins of more than sixty deities and other mythological figures, including the Olympians, Titans, and Primordial Forces. Explore how they've been worshipped across the centuries and how you can work with them in your own practice. You'll meet the gods one by one, exploring their history, unique correspondences, and personal insights from contributing authors who work with them magickally. This book also provides rituals and spells to connect with each deity. Draw down the moon with Selene, cast a courage spell with Ares, and reclaim lost parts of yourself with a ritual for Persephone. By inviting these divine beings into your practice, you can cultivate a magickal life that satisfies your soul to its very core.

The Gods Robert Green Ingersoll 2015-04-22 "The Gods" from Robert Green Ingersoll. Lawyer, a Civil War veteran, political leader, and orator of United States during the Golden Age of Freethought (1833-1899).

Fairies Sorcery and the

Greek Gods Donald R. Richter
2019-06-11 The book is about how God himself gave an old man named Jack the power to wage a war against a race of fairies and guardians that are taking over the world. Merlin is alive and is teaching him magic from a book they got from Medusa after she was put down. Zeus is sent to take care of Jack and switches sides; he never liked the council of Gods. They rescue Venus, Zeus's true love, from a painting she is imprisoned in. Poseidon comes into the picture, getting his trident back, and comes to find out that his true love was taken from him and was Calypso.

Olympus, Texas Stacey

Swann 2022-05-17 A Good Morning America Book Club Pick! • A bighearted novel with technicolor characters, plenty of Texas swagger, and a powder keg of a plot in which marriages struggle, rivalries flare, and secrets explode, all with a clever wink toward classical mythology. For fans of Madeline Miller's *Circe*: "The Iliad meets Friday Night Lights in this muscular, captivating debut" (Oprah Daily). The Briscoe family is once again the talk of their small town when March returns to East Texas two years after he was caught having an affair with his brother's wife. His mother, June, hardly welcomes him back with open arms. Her husband's own past affairs have made her tired of being the long-suffering spouse. Is it, perhaps, time for a change? Within days of March's arrival, someone is dead, marriages are upended, and even the strongest of alliances are shattered. In the end, the ties that hold them together might be exactly what drag them all

down. An expansive tour de force, Olympus, Texas cleverly weaves elements of classical mythology into a thoroughly modern family saga, rich in drama and psychological complexity. After all, at some point, don't we all wonder: What good is this destructive force we call love?

Greek Gods & Goddesses

Britannica Educational Publishing 2014-01-01 Giving Western literature and art many of its most enduring themes and archetypes, Greek mythology and the gods and goddesses at its core are a fundamental part of the popular imagination. At the heart of Greek mythology are exciting stories of drama, action, and adventure featuring gods and goddesses, who, while physically superior to humans, share many of their weaknesses. Readers will be introduced to the many figures once believed to populate Mount Olympus as well as related concepts and facts about the Greek mythological tradition.

Greek Gods Patrick Auerbach

2015-12-12 The ancient Greeks believed there were a great number of gods and goddesses. These gods had control over many different aspects of life on earth. In many ways they were very human. They could be kind or mean, angry or pleasant, cruel or loving. They fell in love with each other, argued with each other and even stole from each other. The ancient Greeks built great temples and sanctuaries to their gods. They held festivals in their honour, with processions, sports, sacrifices and competitions. Stories of the gods' exploits were told to children by their mothers and to large audiences by professional bards and storytellers. People today still enjoy hearing stories about the Greek gods. This book tells the tales of gods and goddesses such as Zeus, Aphrodite, Apollo, and Athena and heroes and monsters such as Helen of Troy, Perseus, and Medusa will fascinate and engage your imagination. Here is a selection of what you will learn: The Creation and the Gods The
