**DON'T ASK FOR SUGAR** Bernhard Christoph Lichtinger 2024-03-28 LEARN FROM THE MISTAKES OF A GLOBETROTTER in the Australian desert and from his adventurous travels in Asia - through Sri Lanka, Thailand, India and Nepal. Get inspired on your personal journey by his dearly paid experiences. Believe in yourself, guard your thoughts, keep your sense of humour, find great love and never get down on your luck! DON'T ASK FOR SUGAR is a captivating love story that only real life can write down. The reader accompanies the young European Christoph on his daring enterprises until he regains consciousness in an East German prison cell after a stopover in Moscow. BUT FIRST, the year is 1985. Christoph is in Bangkok and has just fallen madly in love with a beautiful New Zealander woman who has been touring the world for years. The two have a happy life in Western Australia. Christoph, who struggles along as a garden helper for lack of a work permit, admires the experienced Suzanne, who works as a well-paid model at Perth's university. One weekend, the future is predicted for both of them. The fortune teller in the small chapel says that Suzanne will soon be living far to the south, but when she holds Christoph's hand, the seer suddenly trembles and sees dark forces and sinister demons. Shortly afterwards, Suzanne is offered an extraordinarily cheap plane ticket to New Zealand, and as she hasn't been home for a very long time, she makes a spontaneous decision, whereupon the world falls apart for Christoph as he loses the love of his life. A FEW DAYS LATER, Christoph pulls himself together again, sells his car and hitchhikes through the middle of the Australian desert to get some fresh ideas from new impressions. But can he forget his Suzanne just like that? After three weeks in New South Wales, he meets Dave, an Australian, and Bryce, a Scotsman, who have been in a car accident. Pulling the mudguard out again, the three young men decide to drive north for two days because the small coastal town of Cairns on the Great Barrier Reef turns into a party hotspot at the end of the year when divers from all over the world wash up on its beaches along with jellyfish ...

**Looking Into Providences** Raymond Waddington 2012-10-19 What is the role of providence in Paradise Lost? In *Looking into Providences*, Raymond B. Waddington provides the first examination of this engaging subject. He explores the variety of implicit organizational structures or 'designs' that govern Paradise Lost, and looks in-depth at the 'trials,' or testing situations, which require interpretation, choice, and action from its characters. Waddington situates the poem within the context of providentialism's centrality to seventeenth-century thought and life, arguing that Milton's own conception of providence was deeply influenced by the theology of Jacob Arminius. Using Milton's Arminian conception of free will, he then looks at the providential trials experienced by angels and humans. Finally, the work explores the ways in which providentialism infiltrates various kinds of discourse, ranging from military to medical, and from political to philosophical.

*Visions and Revisions* Roger Kojecký 2013-09-05 Literary texts are more or less obliged to make reference to entities beyond themselves. Drawing on other texts, ideas previously written, or on the resources of language, they make their attempts to communicate, entertain, and enlist sympathy, or even to offer counsel. Some texts profess an a priori vision, others adopt a style of reporting only contingencies. A dialogic relation can be posited between the ideal and the real, heaven and earth, imagination and reason, langue and parole, essence and substance, poetry and prose. The poetic and creative impulse is engaged with an ever present need to purify the dialect of the tribe. The topics in *Visions and Revisions* reflect writers' labours with form at whatever distance from the original sources of inspiration. The authors discussed include William Blake, Marilynne Robinson, Salman Rushdie, William Golding,

John Irving, David Lodge, Sara Maitland and Hilary Mantel. Verbal by definition, texts make use of other texts and are dependent on the cultural matrix. Readers are also writers in one kind or another. In both modes they may gain impetus or inspiration by re-visioning their origins as well as their ends. This book will offer readers new ways to understand the literary creations of some writers with affinities to the Western spiritual, and specifically Christian, tradition.

*Sibyls and Seers (Routledge Revivals)* Edwyn Bevan 2015-09-29 The ancient world as a whole believed in the existence of a world of spirits beyond, or alongside, the visible, tangible world. They believed also that communications between these two worlds frequently took place: everywhere we find diviners and prophets, oracles and visionaries. First published in 1928, *Sibyls and Seers* investigates the various aspects of this 'superstition' in the Ancient Near East, in Homer, the Greek tragedians, and the myriad religions of the Roman Empire. The theophanies of Yahweh in the Old Testament - Enoch, Jeremiah, Ezekiel - are given some attention, as is the tradition in Christian theology and literature: St Paul, Pope Gregory the Great, Dionysius the Areopagite, and the Scholastics. These lectures are clearly written, broad in scope and full of insight for contemporary students of religion, theology and anthropology.

**Tribulation** G. R. Miller 2013-02 This book covers my life through the aftermath of a failed suicide attempt, through two tribulations from February 2003 to March 2011 and the period after that, through present day. The book's purpose is to convey divine messages to everyone. I AM A MESSENGER. I've give the reader a lot of Scripture, intertwined with my life events, good and bad. As the words go in the song Amazing Grace: Amazing Grace, how sweet the sound, That saved a wretch like me.... I once was lost but now am found, Was blind, but now, I see. I was truly a wretch. I went through "all kinds of Hell", I literally laughed at the Devil, and received the Grace of God. I hope my story will inspire you to get through tough times, when they arise.

**Eternal Doctrine** Eternal Doctrine 2018-09-16 *Eternal Doctrine: The Bible in Sequence, Edition 1* By: Eternal Doctrine *The Bible in Sequence: Eternal Doctrine: Volume 1* presents an in-depth analysis of the bible is presented as a contemporary version of the King James Bible. With commentary, analysis, and further enhancement of the familiar Bible text, the books of the Bible are introduced in a way that lends itself to readability and new viewpoints. **Visionaries and Seers** Charles Neilson Gattey 1988 Here is a look at fascinating people who, throughout history, have correctly predicted future events through visions. From Nostradamus to Jeanne Dixon, this volume is well documented and researched. (Metaphysics/Philosophy)

**Seeing the Lord's Glory** Christopher B. Kaiser 2014 The dilemma of early Christology, the author observes, is found in the early Christian claims to have seen the Lord and beheld his glory - expressions that in early Judaism would have pointed unequivocally to visions of Israel's God. He also examines the phenomenon of kyriocentric visions in Second Temple Judaism.

*Woman, Mother, and Bride* Felise Tavo 2007 Over the past fifty years, studies pertaining to the reality of the church in the Apocalypse have, for the most part, tended to be either selective or sketchy in their treatment of the relevant material of the book. Yet in all fairness to the seer of Patmos, his portrayal of the church as a reality decidedly complex and at once profound can only be attained in a thoroughgoing study of the principal ecclesial narratives of his work, so as to allow for that indispensable 'synoptic' overview of such intentionally correlated material. *Woman, Mother and Bride* is such a study. It re-examines the relevant imagery of the Apocalypse but from the perspective of the seer's ecclesial 'thought-world' and on the basis of his overriding pastoral concerns for the 'seven churches' without which his work will continue to puzzle and trouble at every page. The ensuing outlook on the church is panoramic in its scope yet compelling in its appeal which further goes to confirm the Apocalypse as one of the most significant theological achievements of early Christianity.

*SEER* Jim Goll 2005-01-01 The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet,

whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange.

**The Seer's Gift** Fred Raynaud 2014-07-06 This is the first book in a series on the life of a Seer and the gracious gift of God's pictorial language to His bride, the Church. In this volume we will explore the language of visions and dreams and dive into the depths of the Seer's Gift. It's a timely work. We live in exciting times! Everywhere you turn God is pouring out the Spirit of prophecy and revelation upon his people, often through the language of dreams and visions. Dreams and visions are one of those mysterious things that always seem to intrigue people. Everyone, at one level or another, is interested in dreams and visions. We all have dreamt. This Seer's Series is for the everyday Christian, the average Joe, the layperson, people like you and me. I have written this book to release the folks that are sitting quietly in the back of the church and are not sure of how they fit in or what they can do to contribute to the Kingdom of God. With this series, I want to stir their hearts to go deeper, and dream and understand that, in Christ, they can do all things. I want to ignite their destiny with vision. The Lord does speak to His people. He speaks to them through His Word. He speaks to them with that small still voice. He speaks to them through circumstance, and He speaks through the language of visions and dreams. This series will help you listen in a new way as you operate to fulfill God's will in your life. You will learn to understand how visions and dreams operate through gifting... wither it's a word of knowledge, prophecy, healing, or discerning of spirits. I pray this series will meet my intended goal. The Seer Series includes the following books: *The Seer's Gift* - a look at the Language of Visions and Dreams (this volume). *The Seer and Healing* - How visions and dreams operate in the ministry of healing. *The Seer and Prophecy* - The Gift and Office of the Seer Prophet. *The Seer's Guide to Symbolism* - a reference work on similes, metaphors, and symbolism commonly seen in the life of the believer.

*Prophets Seers and Visionaries* Melanie King 2009 Some prophets, such as Moses, Abraham, Jesus and Mohammad, are revered by millions as patriarchs or founders of major religions. Others, including Nostradamus, the spiritualist Madame Blavatsky and the contemporary doom-monger Billy Meier, have often been characterised as crackpots at best and fraudsters at worst. Looking at why prophets and their prophecies are still attracting followers in the twenty-first century, Melanie King offers entertaining, readable and richly informative profiles of 50 prophets, seers and charlatans of all types and from all periods.

**The Book of Charlatans** Jamāl al-Dīn 'Abd al-Raḥīm al-Jawbarī 2020-11-10 Uncovering the professional secrets of con artists and swindlers in the medieval Middle East *The Book of Charlatans* is a comprehensive guide to trickery and scams as practiced in the thirteenth century in the cities of the Middle East, especially in Syria and Egypt. The author, al-Jawbarī, was well versed in the practices he describes and may well have been a reformed charlatan himself. Divided into thirty chapters, his book reveals the secrets of everyone from "Those Who Claim to be Prophets" to "Those Who Claim to Have Leprosy" and "Those Who Dye Horses." The material is informed in part by the author's own experience with alchemy, astrology, and geomancy, and in part by his extensive research. The work is unique in its systematic, detailed, and inclusive approach to a subject that is by nature arcane and that has relevance not only for social history but also for the history of science. Covering everything from invisible writing to doctoring gemstones and quack medicine, *The Book of Charlatans* opens a fascinating window into a subculture of beggars' guilds and professional con artists in the medieval Arab world. A bilingual Arabic-English edition.

*Ascent to Heaven in Jewish and Christian Apocalypses* Martha Himmelfarb 1993-08-19 This is a study of the ancient Jewish and Christian apocalypses involving ascent into heaven, which have received little scholarly attention in comparison to apocalypses concerned primarily with the end of the world. Recent developments like the publication of the Aramaic Enoch fragments from Qumran and interest in questions of genre in the study of the apocalypses make this a particularly appropriate time to undertake this study. Martha Himmelfarb places the apocalypses in relation to both their biblical antecedents and their context in the Greco-Roman world. Her analysis emphasizes the emergence of the understanding of heaven as temple in the Book of the Watchers, the earliest of these apocalypses, and the way in which this understanding affects the depiction of the culmination of ascent, the hero's achievement of a place among the angels, in the ascent apocalypses generally. It also considers the place of secrets of nature

and primeval history in these works. Finally, it offers an interpretation of the pseudepigraphy of the apocalypses and their function.

**Lady Warrior, Mage of Man** Sherrie A Bakelar 2021-07-18 D'Mique's dreams were bigger than the walled village where she grew up. Driven to seek adventure, she shunned expectations for what a young woman ought to do and instead forged a different path that led her out beyond the forest she had always known. Joining the military and dreaming of command, she instead finds herself assigned to a diplomatic post where a rowdy tea party is the most action she will likely see. But D'Mique and her fellow tea partiers soon learn that a gifted seer has named them most likely to save the world.

*The Seer and Prophecy* Fred Raynaud 2014-07-08 This is the third book in a series on the life of a Seer and the gracious gift of God's pictorial language to His bride, the Church. In this volume we will explore the Gift and Office of the Seer Prophet. It's a timely work. We live in exciting times! Everywhere you turn God is pouring out the Spirit of prophecy and revelation upon his people, often through the language of dreams and visions. Dreams and visions are one of many methods God uses in communication to His children while they do the works of the kingdom and pray for the sick. This series is for the everyday Christian, the layperson, people like you and me. I have written this book to release folks that may be sitting quietly in the back of the church and are not sure of how they fit in or what they can do to contribute to the Kingdom of God. With this series, I want to stir their hearts to go deeper, and pursue the ministry of the prophetic. The Lord does speak to His people. He speaks to them through His Word. He speaks to them with that small still voice. He speaks to them through circumstance, and He speaks through the language of visions and dreams. This series will help you listen in a new way as you operate to fulfill God's will in your life. *Vanguard of Visions and Dreams* Bishop Dr. Jackie L. Green

2012-12-29 Dreamers hope Visionaries see Vanguards hope, see and lead ! This book is a dreamers tool box, packed with what they need to know about provision for the vision, the journey of a vision and the visionaries cup. This book will speak to those that are at a spiritual crossroad and intersection of the vision; or on the edge of a cliff called faith, living in two realms at the same time and pushing through the contractions of a vision in the birth canal. The author expounds on the seven types of vanguards needed in every generation: Presidents, Pastors, Parents, Pioneers, Prayer Warriors, Prisoners and Prophets. This book will reveal how and why God is deploying His end time vanguards throughout the

earth. Bishop Green throws out a holy lifeline to dreamers and visionaries so that they will not throw away their inspiration, perspiration and determination for the future. The Word for the Church as well as for our nation this hour is GO FORWARD WITH GOD!

*The Seer's Journey* Dontrell Green, Sr. 2023-08-03 The Seer's Journey explains the importance of having seer prophets in your life and how to become equipped, empowered and provoked to go deeper in understanding the operations of the unseen realm. As you grab ahold of the wisdom in this book you will: \*Open your eyes to see with keen sight. \*Learn the responsibility of operating as a seer. \*Launch into the seer's journey. God created seer's to comprehend times and seasons. Therefore, they walk between the heavens and the earth to convey and speak on behalf of heaven. Even Jesus understood this faucet when he stated, "I only do what I see the father doing" (John 5:19). The one who sees encounters God, and it is indeed a journey like no other. Welcome to the seer's journey and get ready for the ultimate encounter!

*The Poems and Prose Sketches of James Whitcomb Riley* James Whitcomb Riley 1908

*The Eclectic Magazine* 1881

*The Book of Revelation* Leonard L. Thompson 1997-02-13 About seventy years after the death of Jesus, John of Patmos sent visionary messages to Christians in seven cities of western Asia Minor. These messages would eventually become part of the New Testament canon, as The Book of Revelation. What was John's message? What was its literary form? Did he write to a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire? In search of answers to these penetrating questions, Thompson critically examines the language, literature, history, and social setting of the Book of the Apocalypse. Following a discussion of the importance of the genre apocalypse, he closely analyzes the form and structure of the Revelation, its narrative and metaphoric unity, the world created through John's visions, and the social conditions of the empire in which John wrote. He offers an unprecedented interpretation of the role of boundaries in Revelation, a reassessment of the reign of the Emperor Domitian, and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province.

Throughout his study, Thompson argues that the language of Revelation joins the ordinary to the extra-ordinary, earth to heaven, and local conditions to supra-human processes.

*The Seer* James W. Goll 2005-01-28 The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimension—the visionary world of the seer. You will discover the prophetic power of dreams, visions, and life under the open heavens. How does visionary revelation "happen?" Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer, or is this a prophetic dimension reserved for the specially-gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God, because The Seer's goal is to reveal the man Christ Jesus!
