

# Guide To The Georgia Coast

[A Paddler's Guide to Southern Georgia](#) Bob Sehlinger 1994-05-01

[Moon Spotlight Savannah and the Georgia Coast](#) Jim Morekis 2009-02-24

Moon Spotlight Savannah and the Georgia Coast is a 145-page compact guide covering historic Savannah and the Golden Isles, including Brunswick and Glynn County, Jekyll Island, St. Simon's Island, Darien and McIntosh County, Cumberland Island and St. Mary's, and the Okefenokee Swamp. Author Jim Morekis offers seasoned advice on what sights are must-sees and includes maps with sightseeing highlights so that planning your time is easy. This lightweight guide is packed with recommendations on sights, entertainment, shopping, recreation, accommodations, food, and transportation. Helpful maps make navigating these historic areas uncomplicated. Moon Spotlight guides are affordably-priced, lightweight guides covering a smaller geographic region than Moon Handbooks or Outdoors guidebook series. The travel content in a Spotlight guide is pulled directly from individual chapters of larger Handbooks or Outdoors titles, with no introductory information (such as When to Go or Planning Your Trip), and no indexes. The results are compact guides to popular destinations that provide travelers with what they need to explore a specific locale in depth with fewer pages of very focused information.

[My First Pocket Guide About Georgia](#) Carole Marsh 2011-03-01 The perfect reference guide for students in grades 3 and up - or anyone! This handy, easy-to-use reference guide is divided into seven color-coded sections which includes Georgia basic facts, geography, history, people, places, nature and miscellaneous information. Each section is color coded for easy recognition. This Pocket Guide comes with complete and comprehensive facts ALL about Georgia. Riddles, recipes, and surprising facts make this guide a delight! Georgia Basics section explores your state's symbols and their special meaning. Georgia Geography section digs up the what's where in Georgia. Georgia History section is like traveling through time to some of Georgia's greatest moments. Georgia People section introduces you to famous personalities and your next-door neighbors. Georgia Places section shows you where you might enjoy your next family vacation. Georgia Nature section tells what Mother Nature gave to Georgia. Georgia Miscellaneous section describes the real fun stuff ALL about Georgia.

**Living Beaches of Georgia and the Carolinas** Blair E. Witherington 2011 "Living Beaches of Georgia and the Carolinas" satisfies a beachcomber's curiosity within a comprehensive yet easily browsed guide covering beach processes, plants, animals, minerals, and manmade objects. Full-color photos. Maps.

**The Carolinas and the Georgia Coast '95** Fodor's Travel Publications, Inc. Staff 1995-01-31

**Living with the Georgia Shore** Tonya D. Clayton 1992 The wide sandy beaches, quiet maritime forests, and vast Spartina marshes of the natural Georgia coast create a most spectacular, albeit gentle, Southern beauty. Casual visitors and longtime residents alike have been charmed by this special place. Living with the Georgia Shore provides an essential reference and guide for residents, visitors, developers, planners, and all who are concerned with the conditions and future of Georgia's coastal zone. Recounting the human and natural history of the islands, the authors look in particular at the phenomenon of coastal erosion and the implications of various responses to this process. In Georgia, as elsewhere in the United States, the future of the shore is in doubt as recreational and residential development demands increase. This book provides guidelines for living with the shore, as opposed to simply living on it. The former requires planning and a wise choice of property or house site. The latter ignores the potential hazards unique to coastal life and may make inadequate allowance for the dramatic changes that can occur on any sandy ocean shore. Living with the Georgia Shore includes an introduction to each of the Georgia isles, an overview of federal and state coastal land-use regulations, pointers on buying and building at the shore, a hurricane preparation checklist, a history of recent hurricanes in Georgia, an extensive annotated bibliography, and a guide to government agencies and private groups involved in issues of coastal development.

**Adventuring Along the Southeast Coast** John Bowen 1993 The coastal regions of the Carolinas and Georgia feature an abundance of superb beaches, lagoons, barrier islands, estuaries, bays, sounds, marshes, forests, and more. Bowen focuses on recreational opportunities and the natural and political history of this region that draws some 20 million

visitors annually. Photos. Maps.

**Moon Spotlight Savannah & the Georgia Coast** Jim Morekis 2010-12-21 Moon Spotlight Savannah and the Georgia Coast is a 145-page compact guide covering historic Savannah and the Golden Isles, including Brunswick and Glynn County, Jekyll Island, St. Simon's Island, Darien and McIntosh County, Cumberland Island, St. Mary's, and the Okefenokee Swamp. Author Jim Morekis offers seasoned advice on must-see attractions, and includes maps with sightseeing highlights so you can make the most of your time. This lightweight guide is packed with recommendations on sights, entertainment, shopping, recreations, accommodations, food, and transportation, as well as easy-to-read maps, making navigating these historic areas uncomplicated and enjoyable. This Spotlight guidebook is excerpted from Moon Charleston & Savannah.

**Fodor's The Carolinas & Georgia** Fodor's Travel Guides 2015-03-31 Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. Filled with color photos as stunning as the region itself, Fodor's The Carolinas and Georgia delivers the best of the South from the pristine waters of the Outer Banks to genteel Charleston and bustling Atlanta and everywhere in between. Beaches, golf courses, mountains, Southern food, and historical and cultural sites keep travelers coming back. This travel guide includes: · Dozens of full-color maps · Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks · Multiple itineraries to explore the top attractions and what's off the beaten path · Coverage of The North Carolina Coast; Central North Carolina; Asheville and the North Carolina Mountains; Great Smoky Mountains National Park; Myrtle Beach, SC, and the Grand Strand; Charleston, SC; Hiltonhead, SC, and the Lowcountry; The Midlands and the Upstate, SC; Savannah, GA; Georgia's Coastal Isles and the Okefenokee; Southwest Georgia; Atlanta, GA; Central and North Georgia Planning to focus on Savannah? Check out Fodor's travel guides to Savannah.

**This Is My South** Caroline Eubanks 2018-10-01 You may think you know the South for its food, its people, its past, and its stories, but if there's one thing that's certain, it's that the region tells far more than one tale. It is ever-evolving, open to interpretation, steeped in history and tradition, yet defined differently based on who you ask. This Is My South inspires the reader to explore the Southern States--Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Virginia--like never before. No other guide pulls together these states into one book in quite this way with a fresh perspective on can't-miss landmarks, off the beaten path gems, tours for every interest, unique places to sleep, and classic restaurants. So come see for yourself and create your own experiences along the way!

**Explorer's Guide Georgia (Second Edition)** Carol Thalimer 2012-12-03 Georgia is one of the top domestic travel destinations in the U.S. From ancient mountains and winding rivers to charming towns, plush coastal island communities, and the lively metropolis of Atlanta, Georgia: An Explorer's Guide offers a vast variety of opportunities for travelers of many interests. In this all-new guide, veteran travel writers Carol and Dan Thalimer lead you on the ultimate exploration of the Peach Tree State, showing you where to find the best barbeque, white-water rafting, historic battlefields, cultural opportunities, and much more. This revised edition includes hundreds of dining recommendations, from roadside eateries to fine cuisine. Opinionated listings of inns, B&Bs, hotels, vacation cabins, and campgrounds are also featured. Other features include: 15 up-to-date regional and city maps; an alphabetical "What's Where" guide for trip planning; handy icons that point out best values, wheelchair access, family- and pet-friendly activities and establishments.

**A Guide to a Georgia Barrier Island** Taylor Schoettle 1996-12-01

*Coastal Nature, Coastal Culture* Paul S. Sutter 2018-07-15 An essay collection exploring the history of 5,000-year relationship between human culture and nature on the Georgia coast. One of the unique features of the Georgia coast today is its thorough conservation. At first glance, it seems to be a place where nature reigns. But another distinctive feature of the coast is its deep and diverse human history. Indeed, few places that seem so natural hide so much human history. In *Coastal Nature, Coastal Culture*, editors Paul S. Sutter and Paul M. Pressly have brought together work from leading historians as well as

environmental writers and activists that explores how nature and culture have coexisted and interacted across five millennia of human history along the Georgia coast, as well as how those interactions have shaped the coast as we know it today. The essays in this volume examine how successive communities of Native Americans, Spanish missionaries, British imperialists and settlers, planters, enslaved Africans, lumbermen, pulp and paper industrialists, vacationing northerners, Gullah-Geechee, nature writers, environmental activists, and many others developed distinctive relationships with the environment and produced well-defined coastal landscapes. Together these histories suggest that contemporary efforts to preserve and protect the Georgia coast must be as respectful of the rich and multifaceted history of the coast as they are of natural landscapes, many of them restored, that now define so much of the region. Contributors: William Boyd, S. Max Edelson, Edda L. Fields-Black, Christopher J. Manganiello, Tiya Miles, Janisse Ray, Mart A. Stewart, Drew A. Swanson, David Hurst Thomas, and Albert G. Way. The Carolinas & the Georgia Coast 1998

*The Carolinas and the Georgia Coast '96* Fodor's 1996

*Coastal Georgia - Wink Travel Guide* Wink Travel Wink Travel Guide 2019-09-07 Coastal Georgia is in the southeast of Georgia along the Atlantic Ocean. Home of the Cumberland Island National Seashore, it features beaches and dunes, marshes, and freshwater lakes, as well as historic sites and structures. Special ebook features: Easily navigate listings with quick searches, plus website links and zoom-in maps and images Personalize your guide by adding notes and bookmarks

**Field Excursions from the 2021 GSA Section Meetings** Joan Florsheim 2021-11-10

*Common Birds of Coastal Georgia* Jim Wilson 2011 Ideal for amateur birders, nature enthusiasts, and visitors to the Atlantic coast, this guide presents 103 species of birds commonly seen on the beaches and in the marsh and inland areas of Georgia's coastal region. The guide features large color photographs for easy and immediate identification and is divided into three sections that reflect distinct types of coastal habitats--backyards, ponds and marshes, and shore and ocean. Within these three sections, the species are arranged by size of bird, from smaller birds, such as painted buntings, to larger ones, such as brown pelicans. Information for each bird species includes common and scientific names, distinguishing marks and characteristics, and descriptions of bird calls, typical habitats, and nesting and feeding behaviors. Accounts also show variations in plumage according to sex, age, and season. A perfect companion for residents and visitors alike, Common Birds of Coastal Georgia also serves as an excellent introduction to birding, bird identification, and conservation.

*Life Traces of the Georgia Coast* Anthony J. Martin 2013-01-14 Have you

ever wondered what left behind those prints and tracks on the seashore, or what made those marks or dug those holes in the dunes? *Life Traces of the Georgia Coast* is an up-close look at these traces of life and the animals and plants that made them. It tells about the how the tracemakers lived and how they interacted with their environments. This is a book about ichnology (the study of such traces), a wonderful way to learn about the behavior of organisms, living and long extinct. *Life Traces* presents an overview of the traces left by modern animals and plants in this biologically rich region; shows how life traces relate to the environments, natural history, and behaviors of their tracemakers; and applies that knowledge toward a better understanding of the fossilized traces that ancient life left in the geologic record. Augmented by numerous illustrations of traces made by both ancient and modern organisms, the book shows how ancient trace fossils directly relate to modern traces and tracemakers, among them, insects, grasses, crabs, shorebirds, alligators, and sea turtles. The result is an aesthetically appealing and scientifically accurate book that will serve as both a source book for scientists and for anyone interested in the natural history of the Georgia coast.

*Georgia Travel Guide \* In the footsteps of Gone with the Wind \* USA eBook* Baktash Vafaei Embark on a captivating journey to Georgia, USA, where a rich tapestry of history, diverse culture, and breathtaking landscapes awaits. This southeastern gem seamlessly blends modern city life with rural charm, offering a travel experience like no other. Begin your adventure in the historically significant capital, Atlanta, often referred to as the heart of the South. Feel the vibrant energy of the city and explore iconic landmarks such as the Georgia Aquarium, Martin Luther King Jr. National Historic Site, and the World of Coca-Cola. Venture beyond the city to the picturesque Blue Ridge Mountains, providing a stunning backdrop for nature enthusiasts. Charming towns at the foothills, like Dahlonega and Helen, exude rustic charm and invite outdoor activities such as hiking, wine tasting, and whitewater rafting. Georgia's coastal region reveals a different facet of the state. Savannah, adorned with oak-lined avenues and historic townhouses, transports visitors to a bygone era. The laid-back atmosphere and southern hospitality make this city an unforgettable destination. For history enthusiasts, the Chickamauga and Chattanooga National Military Park offers insights into the events of the Civil War. Well-preserved battlefields narrate tales of heroism and tragedy. Georgia's culinary scene is another highlight of the journey. From classic Southern BBQ joints to upscale gourmet kitchens in Atlanta, there's something for every palate. Don't miss out on regional delicacies like peaches, pecans, and sweet potato dishes. This exploration of Georgia promises unforgettable moments, whether delving into city life, immersing in nature, or savoring Southern cuisine. Dive into the diversity of this fascinating state and let its beauty and hospitality enchant you.

**Guide to Coastal Fishes of Georgia and Nearby States** Michael D. Dahlberg 2008-07-01 The primary purpose of this book is to provide for identification of estuarine and coastal fishes that may be encountered by angling, seining, or trawling on the Georgia coast. Sport and commercial species are emphasized, but all groups occurring on the Continental Shelf are discussed. This book will be especially useful to ecologists who need to identify species in order to study community structure within the estuarine and coastal ecosystems. Information on habitats and seasonality will also aid scientists in collecting certain species for research projects.

*Highroad Guide to the Georgia Mountains* Fred Brown 1998 The indispensable guide to the best the Georgia mountains have to offer.

*Longstreet Highroad Guide to the Georgia Coast & Okefenokee* Richard J. Lenz 1999 An astonishing amount of geological information -- as well as excellent information on historic sites, beaches, places to stay, and places to eat -- abound in this series of coastal guides. The books feature the best the coast has to offer in a comprehensive and concise format. More than twenty maps guide the reader in an easy-to-follow design. The reader will have fun learning about the flora and fauna of the coast, as well as the geology and natural history of each area. Illustrations, sidebars of unique information, and photographs make this a very pleasing book to look through and read.

*Highroad Guide to Georgia Coast & Okefenokee* Richard J. Lenz 2002-12  
**Cruising Guide to Coastal South Carolina** Claiborne Sellars Young 1985

**Tracking the Golden Isles** Anthony J. Martin 2020-05-15 With this collection of essays, Anthony J. Martin invites us to investigate animal

and human traces on the Georgia coast and the remarkable stories these traces, both modern and fossil, tell us. Readers will learn how these traces enabled geologists to discover that the remains of ancient barrier islands still exist on the lower coastal plain of Georgia, showing the recession of oceans millions of years ago. First, Martin details a solid but approachable overview of Georgia barrier island ecosystems—maritime forests, salt marshes, dunes, beaches—and how these ecosystems are as much a product of plant and animal behavior as they are of geology. Martin then describes animal tracks, burrows, nests, and other traces and what they tell us about their makers. He also explains how trace fossils can document the behaviors of animals from millions of years ago, including those no longer extant. Next, Martin discusses the relatively scant history—scarcely five thousand years—of humans on the Georgia coast. He takes us from the Native American shell rings on Sapelo Island to the cobbled streets of Savannah paved with the ballast stones of slave ships. He also describes the human introduction of invasive animals to the coast and their effects on native species. Finally, Martin's epilogue introduces the sobering idea that climate change, with its resultant extreme weather and rising sea levels, is the ultimate human trace affecting the Georgia coast. Here he asks how the traces of the past and present help us to better predict and deal with our uncertain future.

*Golden Isles Travel Guide, Georgia, USA* Roman Reynolds 2019-12-03  
*Golden Isles Travel Guide, Georgia, USA*. Travel Destination, St. Simons Island, Sea Islands, Jekyll Island, Little St. Simons Island. Nestled on the Georgia coast, midway between Savannah, GA, and Jacksonville, FL, lies four beautiful barrier islands. St. Simons Island, Sea Island, Jekyll Island, Little St. Simons Island and the mainland city of Brunswick. Pristine stretches of marshland, punctuated by small islands known as hammocks, define the breathtaking landscape and create the appearance of a continuous stretch of land reaching out to the barrier islands. Beautiful marshlands surrounded the area. Sandy beaches stretch on for miles. World-class golf is everywhere, with hundreds of holes ensconced within the Golden Isles' breathtaking views. Historic landmarks, museums, and art galleries present the legacies of the area, while quaint bed-and-breakfast inns to five-star resorts showcase unrivaled southern hospitality.

**Seashells of Georgia and the Carolinas** Blair Witherington 2011 With simple organization, this guide tells the individual stories of 213 shelled mollusks using descriptive accounts, distribution maps, and color photographs. Accounts feature glimpses of each seashell's former life as a living creature. The organization and descriptions as well as the photographs make shell identification easy.
