copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of A Gentleman in Moscow and Rules of Civility and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he

has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms

of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." – Bill Gates

Becoming Who You Are

James Martin 2014-05-14 By meditating on personal examples from the author's life, as well as reflecting on the inspirational life and writings of Thomas Merton, stories from the Gospels, as well as the lives of other holy men and women (among them, Henri Nouwen, Therese of Lisieux and Pope John XXIII) the reader will see how becoming who you are, and becoming the person that God created, is a simple path to happiness, peace of mind and even sanctity.

The Case for Miracles Lee Strobel 2018-03-27 New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see

whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, *The Case for Miracles* shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today.

Mightier Than a Lion Kathy Beagles Coneff 2018 Young people make decisions every day. Some decisions are big. Others are huge. Most seem so small you barely even think about them. The kids in these true stories relied on Jesus to help them make the right decisions. Jesus will help you too!

Miracle of Love - Stories about Neem Karoli Baba Ram Dass The material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees. To these devotees who shared their treasured memories, I wish to express my deep love and appreciation. Some of them felt that no book could or should be written about a being with qualities as vast, formless, and subtle as Maharajji's, and yet they contributed their stories nevertheless. I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who

were not fortunate enough to have met him, I have not misused their trust. Some devotees tell me that stories told by other devotees are not factually accurate. I have no way of ascertaining the authenticity of any single story. All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories. Though the responsibility for this manuscript lies solely with me, I am delighted to acknowledge a lot of loving help from my friends:

Guide's Greatest Angel Stories

Helen Lee Robinson 2005 Heavenly angels walk the earth today. Sometimes they assume human form--usually in answer to desperate prayer. These true stories from Guide Magazine--not an urban legend among them--will renew your faith. The angel of the Lord still encamps around those who fear Him.

greatness.”—Sherwood Wirt, former editor, DECISION Magazine One of this century's greatest writers of fact, fiction, and fantasy explores, in utterly beautiful terms, questions of faith in the modern world: • On the experience of miracles • On silence and religious belief • On the assumed conflict between work and prayer • On the error of trying to lead “a good life” without Christ • On the necessity of dogma to religion • On the dangers of national repentance • On the commercialization of Christmas . . . and more “The searching mind and the poetic spirit of C.S. Lewis are readily evident in this collection of essays edited by his one-time secretary, Walter Hopper. Here the reader finds the tough-minded polemicist relishing the debate; here too the kindly teacher explaining a complex abstraction by means of clarifying analogies; here the public speaker addressing his varied audience with all the humility and grace of a man who knows how much more remains to be unknown.”—The

Guide's Greatest Hero Stories Lori Peckham
2012-01-01 Heroic feats might actually be easier than you've ever imagined. Or maybe not! Flip through these pages and you'll meet heroes who buy goldfish, stop a train from derailing, call a radio talk show, burst into tears, babysit, brave a blazing fire, squeeze through a tiny opening, return vast sums of money to the rightful owner, play the violin, dive into a lake to save a drowning girl, and skip a basketball game. You know, the typical things heroes do. Fearless or fearful, rich or poor, scrawny or brawny, popular or picked on, everyday heroes just make a simple choice. That's the secret they choose to put others first. Sound like anything you've heard before? Perhaps something like "In everything, therefore, treat people the same way you want them to treat you" (Matthew 7:12, NASB). Yeah, that's it. Spoken

by a true hero.

Guide's Greatest Discovery Stories Lori Peckham 2017
Searching for God at Ground Zero James Martin (S.J.) 2002

A Jesuit priest recounts his experiences working among firefighters, rescue workers, and police officers at Ground Zero during the weeks following September 11, 2001 and tells of the hope, grace, and charity he found in those who suffered and in those who worked to console.

Guide's Greatest Miracle Stories Helen Lee 2001 The silent swish of paddles in the darkness told Karsatoa that his enemies had him surrounded. Suddenly his canoe began to fly over the wateratop a giant stingray. The God of the Bible is still in the miracle business. These thrilling reports from around the world show that He still reveals His power and care today. You will read of dollar bills that multiplied. A prayer written on a kite. Prison doors that opened. A self-healing radiator, and a self-filling gas tank. Rain that fell only on mission property. A book that

refused to burn. A clock that struck 13. Manna from heaven-in Africa. A gentle ride inside a tornado. Invisible hands that lift a car. And lots mysterious strangers, sometimes visible only to some and not others. But always protecting, guiding, saving.

Guide's Greatest Mission Stories Lori Peckham 2009 Machete-wielding assassins flee when a horseman rides up- but the missionary they had been sent to kill cant find any hoof prints. A teenager hurls a rock at the kerosene lantern hanging just above the preachers head- and a mysterious hand reaches out to grab the stone. Seven dogs show up at a missionrys home an prevent a mob fro murdering the family- on three separate occasions. But God doesnt just protect the ones He sends; He floods their hearts with His love, too. Puringa sold the clothes off his back for the right to continue teaching about Jesus. The kindness of young Jume saved the life of a man who mocked him. And Pedro, an isolated Bible

worker, devised a plan to share the gospel with thousands of people along the Amazon River whom he could never reach in person. There's nothing like a good mission story to remind you that God is faithful to everyone who is totally committed to Him!

Seven-mile Miracle Steven Furtick 2017 "Furtick shows us how Jesus's last words offer mile markers for our journey in relationship with God. It's a lifelong journey and it's not always easy. But Jesus is both our guide and our destination as we travel"--Amazon.com.

Path of Miracles Samuel Rodriguez 2009 The popular spiritual leader shows how the seven principles learned from Jesus's empty tomb can enrich, empower, and transform lives. Just as Christ's resurrection from his empty tomb happened not far from where he had been crucified, our victories usually happen close to the place of our most difficult circumstances. And just as Peter and John found folded linen placed intentionally where Christ's head and feet

had lain, so can we find guideposts in our own lives' journeys. The goal: to recognize what God has placed throughout our journey in order to guide us toward fulfillment. Taking the story of Jesus and the empty tomb as his basis and inspiration, Reverend Rodriguez explains how these life-changing principles can be learned to create a richer, transformed life.

Guide's Greatest Grace Stories Lori Peckham 2008 What is grace? It's getting better than you deserve. Maybe you really ought to be punished or rejected for something you did. But you aren't. Guide has collected their all-time favorite stories involving people like you who were shown the mercy of God's grace.

Guide's Greatest Sabbath Stories Helen Lee Robinson 2004 Here is a collection of amazing but true stories about God's faithfulness to those who honor His holy day. A father has no money to send his children to church school until his boss offers him a raise -- if

he will work on Sabbath just this once. A son is offered a stack of money if he will forget his Adventist scruples. A man with a gun aimed at his heart has to decide whether to honor his conscience. Seventh-day Adventist athletes face Sabbath tournaments, musicians face Sabbath recitals, and students face Sabbath exams.

Fishermen leave huge fish waiting in their nets at Friday sundown. Even inanimate objects honor the Sabbath -- like the hammer that wouldn't work on that day, the thick harness torn in two by an invisible hand, and one supercapacity water jug. Sometimes angels get into the act. One explains the seventh day in a dream. Helpful guides appear and disappear. A mysterious porter brings baked potatoes to a young man bleeding from the lash of his chief who demands he carry a load on the Sabbath. In each case God provides for His own. Taken from 50 years of Guide, a magazine for Christian youth, these stories prove God's promise: "Those who honor me

I will honor" (1 Samuel 2:30, NIV). Book jacket.

Guide's Greatest Prayer

Stories Helen Lee 2002 Prayer is mind-boggling. Find out how it delivered two boys from a pit, caused a stolen car to stall, taught a woman to read, delivered a snorkeling missionary from a mad shark, led a strange black dog to deliver a lost purse, healed a crushed cat, led a lad to the right trombone and a lass to the right horse, helped a young man to find his glasses on the bottom of Lake Michigan, unlocked a locked door, provided electricity in a power outage, kept a family from starving, and brought a whole carload of mechanics to start a stalled car. This book will leave you with a whole carload of faith.

Find Your Miracle Kerry Shook 2016-10-04 Discover the miracle you've been looking for through an exploration of nine miracles of Jesus, each filled with meaning, insight, and discovery for all who desperately need a miracle of their own. Healing the blind. Walking on water. Calming the storm. Feeding thousands with a few loaves and fish. Every miracle Jesus performed was for a purpose. There was provision for that specific moment in time. But what if each miracle was also embedded with the promise of future provision...for you? In *Find Your Miracle*, New York Times best-selling authors Kerry and Chris Shook take a fresh look at nine of Jesus's

most incredible times of healing and supernatural intervention. The Shooks unpack these moments in modern language to usher you into the pain, desperation, breakthrough, and miracle of each encounter. Plus they reveal a "miracle map" that connects that moment long ago to our needs today for revelation, transformation, and restoration. Weaving together the biblical narrative with contemporary real-life application, Kerry and Chris Shook arrange these New Testament miracles under four overarching descriptions of Jesus the Miracle Worker: the Healer, the Provider, the Storm Chaser, and the Life Giver. Rather than running from our overwhelming situations, the Shooks encourage us to remain steady, fully trusting that Jesus stands ready to guide us to the miracle we most need, and possibly least expect.

Kidnappers release their hostages instead of killing them because they are always singing. A missionary stops the raids on his chickens by tithing them. You will read of victims whose only defense is their witness. Of thieves who trade their dagger for a Bible. Of criminals who turn to Christ. And you will know that God still delivers those who cry out to Him.
