Only when you become aware of your breathing and how to train it, you will be able to learn to breathe properly. Your body will immediately absorb more oxygen and after a short time you will have more energy and gain greater mental calmness. Advantages of efficient

**Hound of the Sea** Garrett McNamara 2016-11-15 In this thrilling and candid memoir, world record-holding and controversial Big Wave surfer Garrett McNamara--star and subject of the HBO mini-series, 100 Foot Wave--chronicles his emotional quest to ride the most formidable waves on earth. Garrett McNamara set the world record for the sport, surfing a seventy-eight-foot wave in Nazaré, Portugal in 2011, a record he smashed two years later at the same break. Propelled by the challenge and promise of bigger, more difficult waves, this adrenaline-fueled loner and polarizing figure travels the globe to ride the most dangerous swells the oceans have to offer, from calving glaciers to hurricane swells. But what motivates McNamara to go to such extremes—to risk everything for one thrilling ride? Is riding giant waves the ultimate exercise in control or surrender? Personal and emotional, readers will know GMac as never before, seeing for the first time the personal alongside the professional in an exciting, intimate look at what drives this inventive, iconoclastic man. Surfing awesome giants isn't just thrill seeking, he explains—it's about vanquishing fears and defeating obstacles past and present.
