The Death of a Legend Robert Adams 1981

Trumpets of War Robert Adams 2014-02 A mad king slain, a realm to reclaim. The High King Zastros and his evil witch queen had finally met their match when they'd challenged Milo Morai and his Confederation Army to battle. Yet with the menace of Zastros destroyed, the Confederation faced a still greater challenge--for in his mad campaign, Zastros had drained the very lifeblood from his kingdom of Southern Ehleenoee. Only chaos now reigned there, as bandits, killers, and bands of renegade warriors roved the land, slaughtering all who opposed them. Milo had pledged to bring peace back to this devastated realm. But could his former enemies, now become allies, be trusted to live by Confederation law in their troubled lands? Or did traitors wait to betray Milo's warriors to a terrible doom?

The Tide of Years Michelle Andromeda Brown Nephew 2001-03

The Savage Mountains Robert Adams 2013-02 The Army of the Confederation is on the move again. For the Undying High Lord Milo Morai is ready to take the next step in his master plan to reunite all the tribes which centuries ago formed a single, powerful nation known as the United States of America. Before the Confederation forces lie the Armehnee Mountains, the home of the savage tribes that constantly raid the lowlands, bringing with them destruction and death. But Milo's forces are about to face an even more dangerous enemy than the Armehnee. For the Witchmen -- twentieth-century scientists who have achieved a kind of immortality by stealing the living bodies of men while destroying their souls -- have long been at work in the mountains. And unbeknownst to Milo, his troops are marching into much more trouble than they bargained for -- trouble that could spell the end of the Confederation!

Can even Milo save the Horseclans from the bloodthirsty Ehleenee and the malevolent Witchmen who would rip him to shreds to discover his secret of immortality?

Young, healthy, intelligent, and gifted with powerful mindspeak potential, she was everything Milo Morai's people looked for in a clan member. But even Milo himself couldn't have foreseen the powerful role Bettylou was to play in the future of the Krooguh clan. Horseclans Odyssey Robert Adams 2013-09 The call has gone out and the clans are gathering to hear the words of their war chief, Milo of Morai -- words of prophecy that promise an end to wandering and a land of their own, the legendary homeland from which their ancestors had come ages ago. Yet before they can abandon their present hunting grounds, the Horseclansmen have one last debt to settle. They must rescue several of their children from kidnappers and teach their enemies the price of harming any people of the clans. But the path to both vengeance and their long-lost home will lead them down a treacherous road and straight into a sword-swinging battle with two powerful armies -- a war in which there can be only one victor left alive...

Horses of the North Robert Adams 2013-12 Bloodfeud! In the evil time after civilization fell apart, the Undying High Lord Milo Morai gathered together as many children as he could save and set about teaching them the laws of survival. Over the centuries, Milo's children wandered the Sea of Grass, fighting and prospering and adding to their numbers until they became the mighty force known as the Horseclans. With time, some of their laws changed or were forgotten but there remained one that must never be broken--"Kindred must not fight Kindred!" Yet now, clans Linsee and Skaht were on the brink of a bloodfeud that could spread like prairie fire throughout the Horseclans. Could even Milo smother the sparks of hatred before they blazed up to destroy all of the Horseclans?

Champion of the Last Battle Robert Adams 2013-12 Only one thing stands between the Skohshuns and victory--the deadly challenge of Bili the Axe and his warrior band... Besieged! The day of prophecy has come at last--the time for Bili and Prince Byruhn to rally their troops for the final defense of New Kuhmbuhluhn. But even as the people of the kingdom flock into their great stone city and Bili's warriors take up their posts on the walls, the Skohshuns are building new weapons of destruction to storm the fortress. And within the very castle grounds stalks a creature of nightmare, striking down the defenders one by one in a reign of bloody terror that may prove far more deadly than the enemy at their gates...

The Witch Goddess Robert Adams 2013-10 Can Bili's warriors stand alone against the deadly menace of the Witchmen and the mountain savages? Which is mightier--science or the sword? Stranded in a land peopled by wild cannibal tribes and monstrous half-humans, Bili of Morguhn and his small band of warriors have sworn to aid the mysterious Prince Byruhn of Kuhmbuhluhn in his war against these savages. But even as they train for battle, another force is on the move--the Witchmen, evil scientists led by Dr. Erica Arenstein and armed with weapons far more lethal than any known to the men of the Horseclans.

Bent on recovering a twentieth-century technological treasure trove, the Witchmen will destroy anything that stands between them and their goal. And, if Dr. Arenstein can join the power of the Witchmen with fighting prowess of the cannibalistic Ganik tribes, even Bili's proven warriors may not long survive...
