How To Raise Hamsters HowExpert 2011-05-28 If you want to learn how to raise hamsters the right way, then get the "How To Raise Hamsters" guide now. This guide provides many helpful facts and tips about hamsters and it is all conveniently in one guide, rather than having to search the internet and books for reliable information you can easily find out how to care for hamsters from this easy to read, step by step book. It provides information on all the important parts of hamster care, such as diet,

which is commonly something that many hamster owners are unsure of. Diet plays a large part in whether or not you will raise healthy hamsters so this is important to understand. It gives detailed information on how frequently vegetables and other foods should be fed, and which hamster seed mixes are best. The type of sand to choose and the proper wheel size are other important aspects that hamster owners should be aware of. Many owners don't know of the dangers of having small wheels or of using sand sold for hamsters and chinchillas. Many other things you need to know if you're going to raise a hamster are included in this course, from basic care, to less known things like information on how to care for sick hamsters, information on wet tail, diabetes, and what antibiotics are toxic to hamsters. Many of these things are difficult to find accurate information on, so it really is valuable. Often times you will find conflicting information on the internet, which can be annoying and confusing to new owners. This guide will clear up any confusion. About the Expert Kate Boyd has been keeping hamsters for seven years, from Campbell's Russians, to Winter Whites, and Syrians. It all started when she was in a pet shop and saw two little Campbell's Russians, and after getting them she did a lot of research in books and on the internet, and still ended up doing things wrong due to bad information. In the last seven years, people have learned so much more about keeping hamsters. After all, they are relatively new pets when you consider that many domestic pets have been kept for centuries, even thousands of years, and hamsters have only been popularly kept as pets for less than seventy years. Since then, she has gained a lot of knowledge and always has at least one hamster in her life. She has experience with keeping multiple groups and pairs of dwarf hamsters together successfully and loves to watch the group interaction and dynamics between them. She hopes her next hamsters will be two Chinese dwarves. She's had no experience in keeping them personally but read a lot of information about Chinese hamsters, and she can't wait to finally have the pleasure of learning more about them directly. She currently lives in Jacksonville, Florida with her family and one Campbell's Russian, named Sawyer. HowExpert publishes

quick 'how to' guides on all topics from A to Z by everyday experts.

Training Your Pet Hamster Gerry Bucsis 2012 Offers practical advice on all aspects of hamster care, covering caging, feeding, handling, behavior training, potty training, and grooming.

Hamster Care : a Comprehensive Hamster Care Guide on Habitat, Training and How to Care for Your Pet Connor Murphy 2012-06-01 Hamsters make absolutely wonderful pets both for children and for adults. They are easy to take care of and very active little creatures that will give their owners joy in taking care of them. However, when you do decide to take on a hamster as a pet you will need to be ready to take on the responsibility of cleaning their cages at least once a week and expending both the resources and the time in getting the right cage and the appropriate toys and accessories in order to keep them healthy and happy at all

times. Having a wheel inside a hamster's cage is almost as important to the hamster's wellbeing as the cage itself is. This is so due to the fact that hamsters love to run and the wheel gives them the opportunity to do so since you in essence, do have them in captivity. In addition to a hamster's wheel, you can also include other toys in their cage to keep them active and happy. By nature rodents love to chew, and as such, a chew toy should definitely be included in the number of toys you decide to play in your hamster's cage. It is also the responsibility of the hamster owner to carry out daily checks in their hamsters to ensure that they are maintaining good health, and if not, to take them to the vet so that they can get the care they need. Hamster owners should equip themselves with all the information they possibly can before actually acquiring one, so that when they do, they will be able to properly take care of them. Table of Contents Publishers Notes Dedication Why You Should Get A Pet Hamster Hamster Facts : What Every Hamster Owner Needs To Know Types Of Hamsters : Which Type Is Best For A Pet Hamster Cages : Different Types Of Cages And Which One Is The Best Hamster Wheel : A Must Have For Every Hamster Cage Hamster Ball : What Exactly It Is And Why Its Important To Have One Hamster Toys : What To Get For Your Pet That It Will Love Hamster Bedding : The Best Bedding To Have In The Cage How To Clean Your Hamsters Cage What To Feed Your Hamster Checking On The Health Of Your Hamster What To Do If Your Hamster Escapes Taking Your Hamster On The Road : What To Do Hamster Breeding : A Complete Guide Caring For A Pregnant Hamster Caring For Newly Born Hamsters About The Author: Connor Murphy simply love hamsters and have been fascinated with all types of rodents even as a young child. The antics of these nocturnal animals are what have made him a pet hamster owner from as young as 12 years old. In fact, Murphy is so taken with hamsters that he will sit and watch them run on their wheels for hours and is continuously surprised at their ability to keep at it for so many hours. In his way of thinking, if human beings were even half as dedicated to engaging in physical activities as hamsters are, then there would presently not be so many obsess persons in the world. He is very

passionate about the care and health of hamsters and therefore works tirelessly in trying to ensure their safety and to see to it that they do not have to endure any form of animal cruelty. An owner of more than a dozen hamsters himself, he is an advocate for them as pets for anyone who is willing to do what is necessary to keep these lovable animals contented and healthy. His purpose for writing the book therefore, is to allow prospective hamster owners to have a comprehensive look at what it takes to take care of a hamsters, the different types of pet hamsters that are available to them and what it takes to be a hamster owner.

My Favorite Pet: Rabbits Victoria Marcos 2019-10-15 What is your favorite pet? My favorite pets are rabbits. Would you like to learn about them? In *My Favorite Pet: Rabbits*, students will learn about having a rabbit for a pet. Each *My Favorite Pet* book includes information on where pets live, how they play, and what they eat.

Children can learn more about pet hamsters online using our safe search engine that provides relevant, age-appropriate websites. *Hamsters* also features reading tips for teachers and parents, a table of contents, and an index. *Hamsters* is part of the *My First Pet* series.

Hamsters and Gerbils Carol Ellis 2009 Describes the characteristics and behavior of pet hamsters and gerbils, and also discusses their physical appearance and place in history. **Complete Care Made Easy, Hamsters** Virginia Parker Guidry 2011-10-11 Ever since hamsters arrived in the United States in the 1950s, they have topped the list as America's favorite critter. Hailed as "the ultimate pocket pet," hamsters are "small, cute, fuzzy, clean, and easy to care for," in the words of author Virginia Parker Guidry. Filled with terrific color photographs,

this Complete Care Made Easy Hamsters encapsulates all the virtues of these flawless little mammals and gives owners practical advice about how to better understand them and properly care for them. Deciding to add a hamster to one's household is the subject of the chapter "The Right Choice," which discusses the virtues of these easy-to-tame children's pets and the commitment they require. The chapter "Locating a Healthy Hamster" offers solid advice about selecting the right pet, where to purchase or adopt, and whether two (or three) is better than one. Two complete chapters on the hamster's homecoming offer the reader excellent advice about acclimating the new pet to the home, selecting the best cage, accessories, setting up the hamster's habitat, and finding a good vet. In "Life with a Hamster," the author discusses the hamster's nocturnal nature, various physical behaviors, temperature requirements, handling, and basic husbandry. The hamster's feeding requirements are discussed in "Dinnertime!" which outlines the ideal diet of dry mix, fresh foods, and occasional treats. Sidebars about common poisonous items, including certain people food and household productions, are requisite reading for all hamster keepers. Preventive care is discussed in the chapter "The Healthy Hamster," along with common health concerns (such as colds, wet tail, abscesses, etc.) and breeding. The final chapter "Hamster Fun" explores games, toys, activities, and showing. The appendix includes lists of clubs, organizations, and websites. Glossary of terms and index included.

Hamster Jill Foran 2015 This fascinating series showcases the pets that enrich children's lives. Each colorful volume includes information on the development, life cycle, grooming needs, behaviors, and nutritional requirements of each pet. A brief history of each animal and its domestication is discussed, and interesting facts and folklore surrounding the pet are provided. The Caring for Your Pet series encourages young people to be responsible for their pets and helps them develop an understanding of how to care for them.

The Wild Side of Pet Hamsters Jo Waters 2005 "This book explains how your pet hamster is like its wild relatives. It helps you to understand your hamster's behavior and explains how you can

best care for your pet"--Page 4 of cover.

Hamsters Anita Ganeri 2009 This book takes a look at the growth and development of a hamster and discusses the care of a hamster.

My Pet Rat Arlene Erlbach 1998-01-01 Text and photographs follow a twelve-year-old girl as she learns to care for her pet rat.

Hamsters For Dummies Sarah Montague 2011-04-18 The fun and easy way to care for a cute, cuddly hamster Hamsters are the most popular rodents kept as pets. *Hamsters For Dummies* helps those owners who have little or no experience caring for this small mammal. This book covers selecting a healthy hamster, health care and nutrition, and housing and supplies. Readers will also find information on training and playing with hamsters.

Your Pet Hamster Elaine Landau 2007 Suggests what to consider when selecting a hamster for a pet and explains what it needs by way of housing, food, health care, and activities.

Hamsters Derek Zobel 2020-08-01 Hamsters are famous for running on their wheels. But what else do these furry pets like to do? In this title, beginning readers can learn all about the lives and care of these popular first pets through simple, predictable text and vibrant photos. A diagram showcases a hamster home, while labeled photos highlight different kinds of hamsters to engage and support young readers as they practice independent reading.

Humphrey's World of Pets Betty G. Birney 2013-10-03 A fact book about animals and pet care hosted by Humphrey, everyone's favorite classroom pet! This nonfiction companion to the bestselling Humphrey series teaches readers all about animals and pet care. Filled with great facts about a variety of different animals, this book serves as a fun introduction to anyone interested in taking care of a pet. Also featured are cool tips, trivia, activities, and, of course, Humphrey himself to lead the way through it all! Nominated for twenty-four state awards and the winner of seven, the Humphrey series is a hit across the country. And he's becoming a one school/one book favorite!

My Pet Hamster and Gerbils LeeAnne Engfer 1997-01-01 Provides useful information about the habits of hamsters and gerbils and how to care for them as pets.

Dwarf Hamster Lolly Brown 2015-06-18 At

roughly 50% the size of conventional hamster breeds, Dwarf Hamsters can make excellent pets for people who need a low-maintenance companion with a big personality. These tiny creatures may be too fast and too agile, however, to be kept by younger children without adult supervision. It's important to understand a Dwarf Hamster's husbandry needs well in advance of any adoption. All varieties are best suited for life in an aquarium as a habitat. Dwarf breeds have a lifespan of approximately three years and will thrive on a diet of commercially available pellets mixed with fresh fruits, vegetables, grains, and seeds. Entertaining and personable, Dwarf Hamsters do require patient and progressive socialization to become truly tame. Breeds like the Robovorski, however, are often best handled inside their enclosure only because they are not only active, but skilled little escape artists. This simple and accessible text presents all the basic information necessary to establish a Dwarf Hamster habitat, manage your pet's dietary needs, and monitor his health for potential illnesses. Although not difficult to keep as pets, Dwarf Hamsters - indeed all hamsters - are often "impulse" adoptions. Your best course of action is to acquire all the necessary supplies for your pet, assemble his habitat, understand his needs, and then bring your hamster home. By following straightforward directions for socialization and training, your Dwarf Hamster should settle in quickly and happily! Dwarf Hamster care, health, buying, breeding, and much more all covered!

My Pet Hamster Logbook J. R. Wily

2021-06-17 My Pet Hamster logbook Daily and Weekly care routine for your hamster. This 8.5 x 11 Inch little perfect-bound journal is filled with 200 pages of very nice 55 lb paper. Information for Pet Sitters When you go on vacation, you can give your pet sitter the author's easy-to-fill-out checklist. That way, you'll be sure that all your hamster's needs are taken care of.

The Short, Sweet But Complete Guide To...

Caring for Syrian (golden) Hamsters Susannah Hopkins 2017-04-28 Syrian hamsters can make great pets - they are very active and have excellent individual personalities and if handled and cared for properly will be your friends for the length of their life. This book will give you all the information that you will need in order to keep a healthy and happy hamster as a pet. You will learn about how hamsters came to be used as pets, what equipment you will need to purchase to keep your pet safe and healthy, what tasks you will need to do on a daily and weekly basis and general information on hamster care - what to feed and so on. You will be told what to look for when first purchasing a hamster, how to bring your hamster home and what to do in the first few days and how to get your hamster to learn to trust you and how to be able to handle it. There is also information on various ailments your hamster might get and what you should do if they should suffer from any of them as well as information on breeding and a brief guide on showing your hamster if you so desire. There is also information on caring for

your hamster as it ages and what to expect. In fact all you ever really need to know about the basics of caring for one of these furry friends and looking after them well for the length of their lives.

My Pet Hamster Anne F. Rockwell 2002-09-01 Describes what pet hamsters are like, what they eat, and how they act, and explains the difference between wild and domestic animals. *Caring for Your Hamster* Jill Foran 2003 This fascinating series showcases the pets that enrich children's lives. Each colorful volume includes information on the development, life cycle, grooming needs, behaviors, and nutritional requirements of each pet. A brief history of each animal and its domestication is discussed, and interesting facts and folklore surrounding the pet are provided. The Caring for Your Pet series encourages young people to be responsible for their pets and helps them develop an understanding of how to care for them.

Syrian Hamster Emily Donald 2021-07-19 The Syrian Hamster is known for its size and is one of the largest among the species preferred as pets. These hamsters are extremely docile and are the easiest to domesticate and train. If you are looking for a pet for your child, the Syrian Hamster is your best bet. They look like little stuffed toys and are hence known by the name, "Teddy Bear Hamster". Most new pet owners believe that one does not have to put in as much effort with a Syrian hamster as they would do with other household pets such as a cat, dog or even a parrot. However, your Syrian Hamster will require at least one hour of your dedicated attention every day to make sure that they develop into healthy little beings. Besides feeding and playing with your little one, making sure that his surroundings are clean is very important. This book gives you all the information that you will need with respect to feeding, maintaining and even taming your hamster. From the first day of bringing your hamster home, this book will be a useful step-by-step guide to raising a happy and playful furry buddy. Once you have gained ample knowledge, you will be able to decide if this is the right pet for you.

The Hamster Betsy Sikora Siino 1997-07-28 This is our sixth set of Happy, Healthy Pet titles. Like the others, they are books pet owners can

turn to for the essential information they need to raise a healthy pet. All books contain information on: feeding housing grooming health care what to expect from the pet basic training. As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. In addition, owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for their animals may be difficult to come by. As always, the instruction is from expert—people who know their pet intimately, but also remember what it was like to have one for the first time. Happy, Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from. *Awesome Hamster Crafts* Jane Yates 2018-07-15 What could be more fun than watching a cute, fuzzy hamster find its way through a maze? Making the maze yourself! Through this colorful book, readers can do just that, as well as use their creativity to make 10 more awesome, hamster-themed crafts. From a walnut shell toy and climbing wall for a pet hamster to a hamster journal and pom-pom hamster to show one's hamster love, these crafts engage readers through step-by-step instructions and photographs of each step of the craft. Fact boxes give tips for making each craft better and fun information about readers' favorite pet, the hamster.
