Webster's New World Spanish Dictionary Harrap 2008-05-12
The most robust and up-to-date mass market Spanish dictionary available Spanish is the third most widely spoken language in the world, behind Mandarin Chinese and English. In July 2006, there were 44.3 million Hispanics in the U.S., constituting 15 percent of the total population. Increasingly, Americans want to understand Spanish in order to communicate with workers, customers, and others. Completely updated with new terms and references, this dictionary has more entries than other handily sized Spanish dictionaries. It also gives users free access to audio downloads of the correct pronunciations of key Spanish verbs in all conjugations. Inside, a new supplement helps them with basic conversation. Webster's New World dictionaries are among the

most recognized and respected references in the world. This edition features the legible and readable design users are comfortable with, making it easy for them to find the word or definition they need fast.
