Alliance Eternity Daniel Giroux 2011-10-18 When Robyn and Ariel meet for the first time, they are captivated by each other; even so, neither could possibly predict the journey they are about to take together.

Together, they will come to discover the true meaning of the term soul mate. But soon after they discover one another, they find themselves pulled into a complicated conflict that is ripping their world apart. The two become pawns in a deadly struggle for power as the decisions, struggles, personal histories, and future aspirations of those around them wrap the two deeper into paths they never envisioned. Each new development tests their evolving relationship, and only they can protect what they have built together. Their adventures bring them to a place where they must confront what awaits everyone beyond the veil of death. Through it all, they must choose to embrace the inevitable growth that comes from suffering. Can love triumph over fear? Will they ever know the truth? Each must now enter the battle over what they believe and what they choose to endure on their own. They have access to a source of guidance not accessible to all, and their quest is to fulfill personal destinies. In the end, what is your quest?

Thistlebone Book Two - Poisoned Roots T.C. Eglington 2022-05-10

The sequel to the break-out 2000 AD horror graphic novel, in the vein of Ben Wheatley's *In the Earth*. Britain, 2020. It's been over a year since journalist Seema Chaudry accompanied cult survivor Avril Easton back to the village of Harrowvale, the site of her terrifying experiences at the hands of Jasper Hillman's THISTLEBONE worshippers, a crazed occult group that believed in an ancient woodland deity. Intended as a cathartic experience, both women were changed forever by what they were confronted with. In the process of researching for a book on the Thistlebone legend, Seema believes much of it centres around one man — Malcolm Kinniburgh.

Harrow Vale Carl Crucillo 2019-03-11 An isolated mountain valley town. Made prosperous by a nearby Gods' Dungeon, yet the source of its fortune will seal its fate. As winter approaches the single pass that links Harrow Vale to the outside world will soon freeze shut. The foolish actions of a few, driven by greed, will plunge all into the embrace of a dark remnant from a long-forgotten past. A bestial warrior, who prefers to spend his days in quiet relaxation, despite his great strength. A young army officer blessed with even greater power, yet possessed of a too rigid worldview. A girl, normal in nearly every way, not gifted with the

blood of the gods like the other two. Though, perhaps the strength of her will surpasses their own. Will the people of Harrow Vale stand strong or will they give into their fears and embrace the temptation of a promise for better lives, easier lives? Warning: Includes action violence, scary monsters, and occasional profanity.
