the story himself, after a much more vivacious and dashing fashion than that of the present 'lame and impotent conclusion.' Harry Coverdale's Courtship, and All That Came of It Frank E. Smedley 2022-05-29 Harry Coverdale's Courtship from 1855 is one of the most famous works by Frank Smedley, an English novelist. This story is piquant and full of vigor, although its author couldn't live a life of adventures. He was born with deformed feet, which impaired his mobility. Yet, such a lifestyle empowered him to develop bright imagination that helped construct impressive storylines and put his characters into fascinating settings and adventures.
