Murder Out Yonder Stewart H. Holbrook 2016-04-06 Praised by Kirkus Reviews as "a brisk, colorful, and cleverly recounted selection of ten crimes," this gripping book ventures into rural America to uncover true tales of homicide. From "Death and Times of a Prophet," involving a hypnotic Oregon revivalist known as Joshua the Second, to "Who Called on Sarah Meservey?," an account of the mysterious slaying of a Maine sea captain's wife, these reports of backwoods bloodletting crackle with suspense. Culprits include Belle Gunness, a lady Bluebeard who dispatched numerous victims; Harry Orchard, a bomber who haunted Colorado mines; conman Harry T. Hayward, America's first documented serial killer; and other cutthroats.

Author Stewart Hall Holbrook (1893-1964) worked as a lumberjack, actor, cartoonist, artillery man, and editor. His lively books on American history cover topics as diverse as the timber industry, the Wobblies, Ethan Allen, and eccentrics of the Pacific Northwest. *Murder Out Yonder* ranges from coast to coast to offer a fascinating variety of real-life crime stories.

Nerve Zero Justin Robinson 2012-11-10 Justin Robinson's engrossing noir novel of an occupied, zero gravity, artificial world. Crime, mystery, cults, secret police, assassins, betrayal and a chase through the atmosphere of a gas giant - this book has it all! Idriel Ramirez has returned home, haunted by the shame of being a conscripted pilot for the New Terran Empire. Haunted by the shame that he's felt the sky. Once respected as a nerve, now he's just pressed. Few in Hinden, clouded jewel of a fallen empire, will even look him in the eye. Drawn into crime and mystery by Ausiel Montoya, an old itch, Ramirez tells himself he's floating through Hinden's steel nest of assassins, psychos and cultists because of what the money she promised can buy him - years off his indenture. But as he delves deeper into the heart of his wretched homeworld he finds the secret she's carrying is as big as the secret at core of Hinden. And just as dangerous. Report of the Chief of Engineers U.S. Army United States. Army. Corps of Engineers 1900

The Bully of Order Brian Hart 2014-09-02 Set in a logging town on the lawless Pacific coast of Washington State at the turn of the twentieth century, a spellbinding novel of fate and redemption—told with a muscular lyricism and filled with a cast of characters Shakespearean in scope—in which the lives of an ill-fated family are at the mercy of violent social and historical forces that tear them apart. Keen to make his fortune, Jacob Ellstrom, armed with his medical kit and new wife, Nell, lands in The Harbor—a mud-filled, raucous coastal town teeming with rough trade pioneers, sawmill laborers, sailors, and prostitutes. But Jacob is not a doctor, and a botched delivery exposes his ruse, driving him onto the streets in a plunge towards alcoholism. Alone, Nell scrambles to keep herself and their young son, Duncan, safe in this dangerous world. When a tentative reunion between the couple—in the company of Duncan and Jacob’s malicious brother, Matius—results in tragedy, Jacob must flee town to elude being charged with murder. Years later, the wild and reckless Duncan seems to be yet another of The Harbor’s hoodlums. His only salvation is his overwhelming love for Teresa Boyerton, the daughter of the town’s largest mill owner. But disaster will befall the lovers with heartbreaking consequences. And across town, Bellhouse, a union boss and criminal rabble-rouser, sits at the helm of The Harbor’s seedy underbelly, perpetuating a cycle of greed and violence. His thug Tartan directs his pack of thieves, pimps, and murderers, and conceals an incendiary secret involving Duncan’s mother. As time passes, a string of calamitous events sends these characters hurtling towards each other in an epic collision that will shake the town to its core.
