Six Seasons Joshua McFadden 2017-05-02

Winner, James Beard Award for Best Book in Vegetable-Focused Cooking Named a Best Cookbook of the Year by the Wall Street Journal, The Atlantic, Bon Appétit, Food Network Magazine, Every Day with Rachael Ray, USA Today, Seattle Times, Milwaukee Journal-Sentinel, Library Journal, Eater, and more “Never before have I seen so many fascinating, delicious, easy recipes in one book. . . . [Six Seasons is] about as close to a perfect cookbook as I have seen . . . a book beginner and seasoned cooks alike will reach for repeatedly.” —Lucky Peach Joshua McFadden, chef and owner of renowned trattoria Ava Gene’s in Portland, Oregon, is a vegetable whisperer. After years racking up culinary cred at New York City restaurants like Lupa, Momofuku, and Blue Hill, he managed the trailblazing Four Season Farm in coastal Maine, where he developed an appreciation for every part of the plant and learned to coax the best from vegetables at each stage of their lives. In Six Seasons, his first book,

McFadden channels both farmer and chef, highlighting the evolving attributes of vegetables throughout their growing seasons—an arc from spring to early summer to midsummer to the bursting harvest of late summer, then ebbing into autumn and, finally, the earthy, mellow sweetness of winter. Each chapter begins with recipes featuring raw vegetables at the start of their season. As weeks progress, McFadden turns up the heat—grilling and steaming, then moving on to sautés, pan roasts, braises, and stews. His ingenuity is on display in 225 revelatory recipes that celebrate flavor at its peak.

One of Vikas Khanna's favorite places in the world growing up was the garden he and his grandmother planted at their home in Amritsar, India. He would rush home from school to tend to the aromatic basil and cardamom, tomatoes, peas, and squash. His intimate knowledge of spices and produce would guide him on his journey to become the Michelin-starred chef at one of New York's most highly regarded Indian restaurants, Junoon. And this knowledge of nature's bounty and its seasons informs his inspiring and beautiful cookbook, in which vegetables are the star ingredients. Vegetables

have always been integral to Indian cuisine, and Khanna's dishes expertly showcase their natural goodness, their flavor and color and hidden nuances. Khanna brings together traditional recipes, handed down over generations, alongside exciting new ones--for soups, salads, and starters; main courses; rice dishes and lentil dishes; breads; condiments; desserts; and drinks. nonvegetarians, the quest for recipes that don't call for meat often can seem daunting. These are recipes to savor throughout the week—quick weekday meals as well as more leisurely weekend or company fare—and throughout the year. The emphasis is on freshness and seasonality in recipes for savory pies and gratins, vegetable stews and braises, pasta and vegetable dishes, crepes and fritters, delicious new ways to use tofu and tempeh, egg dishes that make a supper, hearty cool-weather as well as light warm-weather meals, and a delightful assortment of sandwich suppers. Recipes include such imaginative and irresistible dishes as Masa Crêpes with Chard, Chiles, and Cilantro; Spicy Tofu with Thai Basil

and Coconut Rice Cakes; Lemony Risotto Croquettes with Slivered Snow Peas, Asparagus, and Leeks; and Gnocchi with Winter Squash and Seared Radicchio. Vegan variations are given throughout, so whether you are a committed vegetarian or a “vegophile” like Deborah Madison herself, you'll find recipes in this wonderful new collection you will want to cook again and again. I love supper. It's friendly and relaxed. It's easy to invite people over for supper, for there's a quality of comfort that isn't always there with dinner, a meal that suggests more serious culinary expectations—truly a joy to meet, but not all the time. Supper, on the other hand, is for when friends happen to run into each other at the farmers' market or drop in from out of town. Supper is for Sunday night or a Thursday. Supper can be impromptu, it can be potluck, and it can break the formality of a classic menu. With supper, there's a willingness to make do with what's available and to cook and eat simply. It can also be special and

beautifully crafted if that's what you want.

Vibrant India Chitra Agrawal 2017-03-21 From the acclaimed chef and owner of Brooklyn Delhi, a debut cookbook focused on the celebrated vegetarian fare of South India. Lifelong vegetarian and chef Chitra Agrawal takes you on an epicurean journey to her mother's hometown of Bangalore and back to Brooklyn, where she adapts her family's South Indian recipes for home cooks. This particular style of Indian home cooking, often called the "yoga diet," is light and

fresh, yet satisfying and rich in bold and complex flavors. Grains, legumes, fresh produce, coconut, and yogurt—along with herbs, citrus, chiles, and spices—form the cornerstone of this delectable cuisine, rooted in vegetarian customs and honed over centuries for optimum taste and nutrition. From the classic savory crepe dosa, filled with lemony turmeric potatoes and cilantro coconut chutney, to new creations like coconut polenta topped with spring vegetables 'upma" and homemade yogurt, the recipes in *Vibrant India* are simple to prepare and a true celebration of color and flavor on a plate. Chitra weaves together the historical context behind the region's cuisine and how she brought some of these age-old traditions to life thousands of miles away in Brooklyn during the city's exciting food renaissance. Relying on her experience as a culinary instructor, Chitra introduces the essential Indian cooking techniques, tips, and ingredients you'll need to prepare a full range of recipes from quick vegetable stir fries (corn,

basil, and leeks flavored with butter, cumin, and black pepper), salads (citrus red cabbage and fennel slaw with black mustard seeds, curry leaves, and chile), yogurt raitas (shredded beets and coconut in yogurt), and chutneys and pickles (preserved Meyer lemon in chile brine) to hearty stews (aromatic black eyed peas, lentils, and greens), coconut curries (summer squash in an herby coconut yogurt sauce), and fragrant rice dishes (lime dill rice with pistachios). Rounding out the book is an array of addictive snacks (popcorn topped with curry leaf butter), creative desserts (banana, coconut, and cardamom ice cream), and refreshing drinks (chile watermelon juice with mint). Chitra provides numerous substitutions to accommodate produce seasonality, ingredient availability, and personal tastes. The majority of recipes are gluten-free and vegan or can be easily modified to adhere to those dietary restrictions. Whether you are a vegetarian or just looking for ways to incorporate more vegetarian recipes into your

repertoire, *Vibrant India* is a practical guide for bringing delicious Indian home cooking to your table on a regular basis.
