□□□ In this age of fast-paced lifestyles, though, people are always on the go, and so, preparing a decent home-cooked meal on a hectic day seems next to impossible. This book "Microwave Cookbook 365" is a collection of my best family microwave recipes for every meal (with inspiration from my mom), featuring simple, readily available ingredients and an array of cooking methods. Let's discover right now! 365 Healthy, Easy-to-Make and Mouth-Watering Microwave Recipes Although these recipes in this cookbook are different, they share some things in common that is they're family-friendly, nutritious, and easily prepared even by beginners. Home cooking is an opportunity to achieve a healthy balance of nutrients in your meals (including carbs, fat, protein, vitamins, and minerals) based on your family's nutritional needs. No

complicated cooking techniques here--only simple microwave recipes for your family who don't like to compromise the quality and nutritional value of their meals. Not to mention that they all taste great! I believe making healthy meals for the family is one of the ways to show how much you love them. The recipes here will delight the whole family, the crowd even the picky eaters! You also see more different types of everyday recipes such as: Eating on a Budget One-Pot Meals Slow Cooker Spiralizer Wok ... □ Purchase the Print Edition & RECEIVE a digital copy FREE via Kindle MatchBook □ I really hope that each book in the series will be always your best friend in your little kitchen. Microwave Recipes For One

Annette Yates 2013-07-25 The microwave has many advantages over conventional cooking: it's quicker, more economical, cleaner and easier. Microwave ovens take up very little space. They produce fewer cooking smells and less steam, and kitchen/cooking areas remain cool. Annette Yates' book is designed specifically for the person who lives alone, or who has to prepare individual meals for some other reason: perhaps members of the family need to eat at different times or have conflicting tastes and preferences, or perhaps someone is on a special diet which requires food to be cooked separately. Included are recipes for: breakfasts; soups, starters and sauces; fish, meat, poultry, vegetable, cheese, egg and pasta dishes; and desserts - PLUS an indispensable cooking guide which explains how to adapt family recipe instructions to

the smaller amounts needed for a single portion.
