**Haunted** James Patterson 2017-09-18 Detective Michael Bennett and his family are ready to escape New York for a vacation in Maine-but a shocking scene deep in the woods reveals a dark world of drugs and murder. Haunted by guilt and shame, Michael Bennett is living with a father's worst nightmare. Reeling from a crisis that would destroy lesser families, the Bennetts escape New York for a much-needed vacation. But it turns out the brochures don't tell the full story; the seemingly perfect community has a deadly vice. When local cops uncover a grisly crime scene buried deep in the woods, they consult the vacationing Bennett, who jumps at the chance to atone for his own sins. But far from the city streets he knows so well, no one will talk to the big-city detective, and the bodies keep piling up. A young and forgotten girl is the closest thing Bennett has to a partner in his frantic hunt for the ghostlike perpetrator behind the violence. Will Bennett and his unlikely ally unmask the culprit before anyone else winds up haunted?

*The Outdoor Girls, in a Motor Car Or the Haunted Mansion of Shadow Valley (Classic Reprint)* Laura Lee Hope 2015-07-06 Excerpt from *The Outdoor Girls, in a Motor Car or the Haunted Mansion of Shadow Valley* "Come on, girls, the car is here, and this time I'm going to run it myself!" "You never are, Mollie Billette!" exclaimed Grace Ford, as, with three companions, she hurried to the window of the library of the Billette home, and looked out toward the street, up which was coming a luxurious touring car of the latest model. "Aren't you afraid?" asked Amy Stonington, as she looked admiringly at Mollie, whose cheeks were flushed with excitement. "Oh, it simply gives me the creeps to think about it!" added Grace. "I don't see why," spoke Mollie, as the car, in charge of a demonstrator, came to a stop in front of her house. "I've taken enough lessons, the garage man says; I have my license, and why shouldn't I run my car? Are you afraid to come with me?" *The Stock Car Ghosts* Steve Daily 2021-04-13 The true story of two South Carolina stock car race promoters and their seven drivers who

embark on an epic journey during 1955 and fly the flag for the USA by racing their stock cars on a tour of the UK. The group, and their seven stock cars, were brought across the Atlantic by a flamboyant showman known as Digger Pugh. They find a very different culture and a London still peppered with flattened bombsites ten years after WW2. After many years of shortages and hardships, the British people were finding new hope and optimism and were due for some excitement in their lives. In 1954 stock car racing began in the UK and thousands flocked to see this new phenomenon started by Digger Pugh and some like-minded promoters. In the following year Pugh pulled off his biggest gamble by giving the new stock car fans their greatest show so far; an international England vs USA contest. Unfortunately, Digger Pugh's plans didn't run smoothly, so buckle up as it's a bumpy adventure from the early days of NASCAR through to the tour and an account of what became of those US race drivers known to the English fans as, The White Ghosts.

True Ghost Stories Zachery Knowles 2018-10-24 Looking for a Scare? Then Read These 19 Spine-chilling Stories Are you ready for a different take on the true stories of hauntings across the world? How about roads and highways that are haunted by spirits and ghosts, some of which seem to have quite evil intentions? Dangerous roads haunted by ghosts that seem determined to add to their number by causing car wrecks and a tunnel haunted by ancient warriors angry their graves were disturbed will be explored. A clown that appears by the side of the road and disappears as your car draws near or an auto accident that was witnessed months after it happened are some of the many hauntings to be discovered in this book. Animals that exhibit the symptoms of rabies the moment their feet touch the street or an aggressive ghoulie car responsible for the deaths of a group of teenagers almost 50 years ago. A woman still trying to get help for her newlywed husband trapped in their vehicle after an accident, unaware it's too late for either of them and a police officer who relives his death every time he pulls over another speeding car are just a few of the true stories of haunted highways and roads you will find within the pages of this disturbing book. India, China, Wales, Scotland, England, Australia, and the United States all have roads, streets, interstates, routes, and highways that

connect one end of a country to the other. There are hundreds of thousands of roads and streets that no one experiences anything mysterious upon. Then there is a handful of streets notorious for the abnormal, disturbing, paranormal things that occur on or near them on a regular basis. While some of these hauntings only began recently, others extend back hundreds of years when the roads were dirt trails. Some of these haunted avenues are infamous, like those along Tuen Mun Road in Hong Kong, Archer Avenue in Chicago, or Mona Lisa Drive in New Orleans. Those more unknown are equally horrifying, like along A541 in Pontblyddyn, Wales and Route 2A in Maine. Regardless, you will agree this book comprises the scariest, most disturbing true tales of haunted roads and highways. One of the most unusual aspects of these stories, when compared to most true horror stories, is that just about every eyewitness encounter in the chapters of this book was experienced by someone who wasn't out looking to encounter the supernatural. These people were minding their own business when they were thrown first hand into experiences beyond the natural that would mark them for life, which means it could happen to you, too. Are you ready to never feel quite as comfortable driving along the road in the dark? Then this book is exactly what you need. Ready to scare yourself senseless? Scroll to the top of the page and hit buy!

*Haunted* Heather Graham 2018-07-16 New York Times-Bestselling Author: She's a paranormal investigator. He's a skeptic. But ghosts don't care whether you believe in them or not . . . Sheriff Matt Stone doesn't believe in ghosts. But there are those who are convinced his home, a historic Virginia estate that dates back to the Revolutionary War, is haunted. Pressured to get at the truth about some strange happenings at Melody House, he agrees to let Harrison Investigations explore the house. But he isn't ready for beautiful, intriguing Darcy Tremayne. As a paranormal investigator, Darcy has learned to believe in the unbelievable. And she's given Matt fair warning: Sometimes people don't like the skeletons she finds. She never dreamed that warning would apply to herself. For she's about to discover that Melody House holds much more than a simple mystery from the distant past. What it holds is a very real and lethal danger, one that will cast her into a struggle against the worlds of both the living and the dead. "A fine paranormal romance with a strong mystery plot and a vibrant setting." —Booklist

**Sarajevo 1914** Mark Cornwall 2020-09-03 In June 1914, Archduke Franz Ferdinand was assassinated in the Bosnian capital of Sarajevo. This key event in 20th-century history continues to fascinate the public imagination, yet few historians have examined in depth the regional context which allowed this assassination to

happen or the murder's ripples which quickly spread out across the Balkans, Austria-Hungary and Europe as a whole. In this study, Mark Cornwall has gathered an impressive cast of contributors to explore the causes of the Sarajevo assassination and its consequences for the Balkans in the context of the First World War. The volume assesses from a variety of regional perspectives how the 'South Slav Question' destabilized the empire's southern provinces, provoking violent discontent in Croatia and Bosnia, and exacerbating the empire's relations with Serbia, regarded by Austria-Hungary as a dangerous state. It then explores the ripples of the Sarajevo event, from its evolution into a European crisis to the creation of a new independent state of Yugoslavia. Bringing together fresh perspectives by historians from Austria, Croatia, Slovenia and Serbia, as well as leading British historians of Austria-Hungary, this book is essential reading for anyone wanting to understand the Sarajevo violence and how it shaped modern Balkan history.

**Cursed Objects** J. W. Ocker 2020-09-15 Beware...this book is cursed! These strange but true stories of the world's most infamous items will appeal to true believers as well as history buffs, horror fans, and anyone who loves a good spine-tingling tale. They're lurking in museums, graveyards, and private homes. Their often tragic and always bizarre stories have inspired countless horror movies, reality TV shows, novels, and campfire tales. They're cursed objects, and all they need to unleash a wave of misfortune is . . . you. Many of these unfortunate items have intersected with some of the most notable events and people in history, leaving death and destruction in their wake. But never before have the true stories of these eerie oddities been compiled into a fascinating and

chilling volume. Inside, readers will learn about:

- Annabelle the Doll, a Raggedy Ann doll that featured in the horror franchise *The Conjuring*
- The Unlucky Mummy, which is rumored to have sunk the Titanic and kick-started World War I
- The Dybbuk box, which was sold on eBay and spawned the horror film *The Possession*
- The Conjured Chest, which has been blamed for fifteen deaths within a single family
- The Ring of Silvianus, a Roman artifact believed to have inspired J. R. R. Tolkien's *The Hobbit*
- And many more!

**Charleville Mansion** Sahil Sharma 2021-08-09 "The sound was clearly that of water trickling; and I set it down to rain. A shower (I told myself) had filled the water pipes which drained the roof. Somehow, I could not fix the sound. There was a water pipe against the wall just outside the window. I rose and drew up the blind. To my astonishment no rain was falling; no rain had fallen. I felt the slate window still, some dew had gathered there— no more. There was no wind, no cloud: cloud only a still moon high over the Shimla Hills. I went back to bed and listened again. Yes, the trickling sound continued, quite distinct in the silence of house, not to be confused for a moment with the dull murmur of the pine trees. After a while it began to grate on my nerves. I caught up my candle, flung my dressing -gown about me, and stole softly downstairs. Despite the chilliness of the night there was something in the air. I jogged along the walk to the driveway and stepped around to the driver's side. "Go ahead," I felt a strange sensation. The echoes of his voice died away slowly all over the car. With thrilling twists and turns, read the story for some spine-chilling adventures with the spirits of Shimla. Here is a book that dims the light around you... that carries you relentlessly into the centre of its spell. A book that will make you afraid again... almost too afraid to go on... and yet powerless to stop. Get ready to be spooked!"

**Trick or Trap** R.L. Stine 2015-07-28 In this spinoff to the New York Times–bestselling *Goosebumps* series, best friends enter a haunted house and a spirit tries to keep them there forever. Scott Harmon would be the kid who is most afraid of everything at his school. That is, if

it wasn't for his best friend, Amanda Gold, who is just as easily terrified. They really don't have it easy. Scott's younger sister spends all of her time trying to frighten them. She'll do whatever it takes to get them to scream. Scott and Amanda are also tormented by some neighborhood kids. But this Halloween, Scott and Amanda are determined to conquer their fears, even if that means spending time in the creepy old house that everyone else says is haunted. And if Scott and Amanda can stop being so afraid, maybe they can even finally get some revenge. Unless the house really is haunted . . .

The Mammoth Book of Haunted House Stories

Peter Haining 2011-09-01 Expanded and with great new stories, this is the biggest and best anthology of ghostly hauntings ever. Over 40 tales of visitation by the undead - from vengeful and violent spirits, set on causing harm to innocent people tucked up in their homes, to rarer and more kindly ghosts, returning from the grave to reach out across the other side. Yet others entertain desires of a more sinister bent, including the erotic. This new edition includes a selection of favourite haunted house tales chosen by famous screen stars Boris Karloff, Peter Cushing and Christopher Lee. Plus a top ranking list of contributors that includes Stephen King, Bram Stoker, Ruth Rendell, and James Herbert - all brought together by an anthologist who himself lives in a haunted house. Stories include: Something unspeakable lurks in a Connecticut apartment closet, in Stephen King's 'The Boogeyman'; An Irish castle holds something truly horrifying in wait, in 'The Whistling Room' by William Hope Hodgson; The lecherous old ghost of a Georgian country house eyes up his latest tenant, in Norah Lofts' 'Mr Edward'; An ancient mansion on a shelf of rock previously occupied by a doomed castle, in 'In Letters of Fire' by Gaston Le Roux; The hunter is hunted in James Herbert's tale of nineteenth-century country mansion, 'The Ghost Hunter'; Psychic phenomena and poltergeists, avenging spirits and phantom lovers - curl up and read on, but never imagine you are safe from a visit...

*Galactic Hot Dogs 1* Max Brallier 2020-06-09 From the creator of the bestselling series The Last Kids on Earth, this hilarious middle grade adventure follows a young boy thrust into the

world of selling hot dogs in space! Over the course of one very strange night, Cosmoe went from being an adventure-seeking, thirteen-year-old Earthling orphan to a hot-dog-slinging space traveler. The half-evil, half-awesome Princess Dagger doesn't plan on going anywhere, and her presence on the ship means her all-evil mother is gunning for the Neon Wiener. Cosmoe rallies his friends to fight space jerks in all their many forms and vows to protect the princess. But can a group of hot dog enthusiasts face down an evil space queen?

**The Haunted South** Nancy Roberts 2019-10-11

The Old South comes to supernatural life in this classic collection of chilling tales from the “custodian of the twilight zone” (Southern Living). Nancy Roberts, known as the “First Lady of American Folklore,” is a topnotch storyteller and one of the few who both write and tell their own stories. For more than two decades, Ms. Roberts has documented ghost stories and interviewed hundreds of people throughout the United States. A nationally known author of twenty-three books, Ms. Roberts began her career with a series of ghost stories written for The Charlotte Observer. Carl Sandburg sent her word that her stories were good, suggesting “they should be a book.” Since then her books have won her a certificate of commendation from the American Association for State and Local History and a nomination for the Great Western Writer’s Spur Award. The Haunted South includes tales about . . . An angel sighting in the North Carolina mountains A poltergeist occurrence that drew trainloads of spectators to Jessup, Georgia A ghostly warning in Atlanta presaging a major plane crash A North Carolina tavern where unsuspecting travelers were murdered An omen of death brought by South Carolina’s “Gray Lady” The apparition of an Alabama Railroad Robin Hood A ghost ship off North Carolina’s Outer Banks Praise for Nancy Roberts “Ghost hunter/author Nancy Roberts has put together as shivery a

selection of other worldly tales as you're likely to find anywhere . . . And whether you believe in ghosts or not, these tales are guaranteed to give you a chill, especially before you go into a dark room alone." —Southern Living

**Summer Sons** Lee Mandelo 2021-09-28 Lee Mandelo's debut Summer Sons is a sweltering, queer Southern Gothic that crosses Appalachian street racing with academic intrigue, all haunted by a hungry ghost. Andrew and Eddie did everything together, best friends bonded more deeply than brothers, until Eddie left Andrew behind to start his graduate program at Vanderbilt. Six months later, only days before Andrew was to join him in Nashville, Eddie dies of an apparent suicide. He leaves Andrew a horrible inheritance: a roommate he doesn't know, friends he never asked for, and a gruesome phantom that hungers for him. As Andrew searches for the truth of Eddie's death, he uncovers the lies and secrets left behind by the person he trusted most, discovering a family history soaked in blood and death. Whirling between the backstabbing academic world where Eddie spent his days and the circle of hot boys, fast cars, and hard drugs that ruled Eddie's nights, the walls Andrew has built against the world begin to crumble. And there is something awful lurking, waiting for those walls to fall. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
