Haunted Houses Corinne May Botz 2010-09-28 “When I was between the ages of five and eight, my sister and I slept in a large attic bedroom. At nightfall the room was filled with gypsies who glided around in clusters. They wore colorful thin flowing dresses and rummaged greedily through my drawers and books as if they would steal everything. I lay in bed as stiff as a board, trying to will myself invisible, praying they would not notice me looking . . . Daylight obliterated the gypsies, rendering them as thoroughly insubstantial as they had been real in the dark. I had a vague understanding that my

vision was private, so I never told my family what I saw.” So began Corinne May Botz’s fascination with the invisible, a phenomenon that has profoundly influenced her approach to photography in style and subject matter. For more than ten years, she searched for ghost stories in buildings across the United States. She ventured into these haunted places with both camera and tape recorder in hand; her photographs, accompanied by first-person narratives, reveal a rare glimpse into American interiors, both physical and psychological. This book includes more than eighty haunted buildings, from the legendary to the ordinary, including Edgar Allan Poe’s house in Baltimore, a New Jersey tavern, and a Massachusetts farmhouse, a log cabin in Kentucky, and a number of private residences. The text includes ghost stories told to the author by those who lived through the moving rugs, creaking floors, apparitions, disappearing—and reappearing—objects, cries in the night, mysteriously burning candles, and other unexplained occurrences.

The Winter Sister Megan Collins 2019-10-08 A "haunting debut: suspenseful, atmospheric, and completely riveting" (Megan Miranda, *New York Times* bestselling author of *All the Missing Girls*) about a young woman who returns home to care for her ailing mother and begins to dig deeper into her sister's unsolved murder. Sixteen years ago, Sylvie's sister, Persephone, never came home. Out late with the boyfriend she was forbidden to see, Persephone was missing for three days before her body was found—and years later, her murder is still unsolved. In the present day, Sylvie returns home to care for her estranged mother, Annie, as she undergoes treatment for cancer. Prone to unexplained "Dark Days" even before Persephone's death, Annie's once-close bond with Sylvie dissolved in the weeks after their loss, making for an uncomfortable reunion all these years later.

Adding to the discomfort, Persephone's former boyfriend is now a nurse at the cancer center where Annie is being treated. Sylvie has always believed Ben was responsible for the murder—but she carries her own guilt about that night, guilt that traps her in the past while the world goes on around her. As she navigates the complicated relationship with her mother, Sylvie begins to uncover the secrets that fill their house—and what really happened the night Persephone died. *The Winter Sister* is a "bewitching" (Kirkus Reviews) portrayal of the complex bond between sisters, between mothers and daughters alike, and "will captivate you from suspenseful start to surprising finish" (Kathleen Barber, author of *Are You Sleeping*).

Cruel Sister Deborah Grabien 2006-10-17 Penny Wintercraft-Hawkes's brother has returned from Hong Kong with a comfortable fortune and a new bride and is planning to build a house on land he's inherited. Ringan is not only a noted musician but also a designer and architect well versed in the first Elizabeth's colorful period. The house is to be on the Isle of Dogs, and Penny's brother, his new wife, and Penny herself are delighted with the site. Ringan, however, comes away feeling very uncomfortable. A few weeks later, in London on business, he goes back alone, hoping to clear up any misgivings he has about the place. But this visit is even worse than the first. He hears women's voices, frightening and full of passion, coming from the air around him. That evening, Ringan is sleeping in Penny's flat; she has taken her theater troupe to Italy. A late-night phone call from Penny reveals to them both that they had an identical dream. In it, two young women on the Isle of Dogs are fighting. One is begging the other not to drown her. Their speech and their clothes put them firmly in the reign of Henry VIII. Once more, Penny and Ringan are being visited by tragic spirits from their country's past. This is the fourth in Deborah Grabien's gripping and unusual *Haunted Ballad* series. Her stories pair two sophisticated and very likable people whose lives are invaded by tortured souls from England's history. With each encounter, Penny and Ringan

are forced to find a way to lay a long-suffering ghost to rest.
