Chosen Stephen Mills 2022-04-26 "An unparalleled achievement, a work of shattering, almost unbearable radiance. I did not stop crying throughout. For Mills. For my young self. For all of us who have lived and continue to live in that pitiless abyss of childhood abuse. To read this courageous book is to be transformed utterly by Mills's empathy, resilience, and grace. Mark my words: *Chosen* is destined to be a classic because this is a book that will save lives." —Junot Díaz, author of *The Brief Wondrous Life of Oscar Wao* At thirteen years old, Stephen Mills is chosen for special attention by the director of his Jewish summer camp, a charismatic social worker intent on becoming his friend. Stephen, whose father died when he was four, places his trust in this authority figure, who first grooms and then molests him for two years. Stephen tells no one, but the aftershocks rip through his adult life, as intense as his denial: self-loathing, drug abuse, petty crime, and horrific nightmares, all made worse by the discovery that his abuser is moving from camp to camp, state to state, molesting other boys. Only physical and mental collapse bring Stephen to confront the truth of his boyhood and begin the painful process of recovery—as well as a decades-long crusade to stop a serial predator, find justice, and hold to account those who failed the children in their care. The trauma of sexual abuse is shared by one out of every six men, yet very few have broken their silence. Unflinching and compulsively readable, *Chosen* eloquently speaks for those countless others and their families. It is a rare act of consummate courage and generosity—the indelible story of a man who faces his torment and his tormentor and, in the process, is made whole.

Ma'am Lue Wyatt 2011-06-15 Ma'am is a story of an older woman who has lived a life of hard labor. She was a woman that not only worked hard, she also loved as well. Raised in poverty, married young with children did the only thing she knew, worked. Later in life, due to circumstances that has happened to so many women, adopted five grandchildren. Later she discovered to her dismay, that while caring for children, all her life (siblings, her own children, later her own grandchildren). She had forgotten about her own personal life, needs and desires. While trying to ignore it, becomes clinically depressed. Youth had slipped away, time had forgotten her. Once a beautiful red head, and now merely a shell of her former self. Looking into the bathroom mirror one morning, she discovers the answer. All through her busy life, she held all the emotions in that a woman experiences. She had never talked to anyone before, but now in the privacy of her home, she could pour out all the pain and frustrations, that she had felt for so many years. Talking to the reflection in the mirror, and eventually finds peace of mind. I've tried to describe how a woman would react under this stressful circumstances in which she finds herself. In trying to deal with her own personal life and still be responsible for the care of five grandchildren. I have written of a woman who is strong, life made her that way. She also

has feet of clay. I've tried to portray her as being very human, because we all are. In Maams story, she deals with the problems of aging, but at the same time, she sees humor in everyday happenings, and has the ability to laugh at herself as well with other people. The adventures of a woman, and Maam, are at times hilarious, but also truthful, but again, it is all part of lifes story. In my story of Maam, the woman has no name because she speaks for umpteen thousands of women all over the world. She also believes in her God, but the older she gets, the more issues she has. Maam is truthful about her triumphs and her failings as in all our lives, there are many.

Brush Your Teeth! David S. Ostreicher 2008-08-15 These days, we are constantly reminded of threats to our health and the well-being of our children. They include preservatives, artificial additives, air and water pollution and drug resistant viruses, just to name a few. Thanks to advances in technology, more information than ever is available to us, but with so many sources offering advice, it often leads to confusing and contradictory suggestions about maintaining optimum health. As a result, it is easy to lose track of what the real perils are. The American public has been misdirected. We have substituted myths, snake oil and false advertising for basic good sense and physical hygiene. This book is a refreshing and easy-to-use guide for being naturally healthy and happy again.--From publisher description.

Ponderosa Resort Volume 1: Books 1-3 Tawna Fenske 2023-09-13 The *Ponderosa Resort* Romantic Comedy Series invites you to small-town

Central Oregon where two sisters work to get their reindeer ranch up and running while the siblings down the road transform their late father's ranch into a luxury resort (all while getting to know each other because they grew up with different moms. Er, Dad got around). Fans of laughter, tears, and tingly bits will love this series from a USA Today bestselling author. This boxed set contains books 1-3 in the Ponderosa Resort series. About Studmuffin Santa (book 1) Ugh, Christmas. Not a fan. So why am I wearing a Santa suit and letting frisky moms paw me at a reindeer ranch? It might have something to do with the family crisis that drew me home between tours as a career Marine. Or maybe it's my urge to cozy up with the prickly reindeer rancher whose curves give me visions of something way hotter than sugarplums. Jade King isn't thrilled I'm here, and she'd be less thrilled to know her sister hired me to keep an eye on things. Someone's set on sabotaging the ranch, so I've got a built-in excuse to get close to Jade. I could swear the attraction's mutual, but something's holding her back. Some secret in her past that has her pushing me away like a bad batch of eggnog. It's almost as baffling as all these accidents at the King sisters' place. Seriously, who'd screw with a reindeer ranch? Between sexy Santa suit malfunctions and risqué Christmas cookies, Jade and I keep ending up under the mistletoe together. Is there any chance we can mesh our Christmas wish lists, or will it all crash down like a fat man in an iron sleigh? About Chef Sugarlips (book 2) I've loved Amber since I wore Batman Underoos, but she doesn't know I exist. Not until she knocks me unconscious with a dead turkey. Now I can't stay away, and it's only a matter of time 'til she learns my big secret. Not my recipe for beef bourguignon, but the secret one no one knows. Not even my siblings who've spent endless hours with me dreaming up our new luxury resort and oh yeah, getting to know each other since we grew up with different moms. But the more I'm with Amber, the surer I am she's my dream girl. Brains, beauty, and the business smarts to turn a reindeer ranch into a quirky wedding venue. Did I mention she's perfect? Then my mom shows up stewing like a pot set to boil over, and suddenly I'm not sure I can keep a lid on things. Can the guy in the white chef's hat be the hero who gets the girl and saves the day, or will it all fall flatter than a burnt soufflé? About Sergeant Sexypants (book 3) A 2019 RITA AWARD FINALIST! Bree Bracelyn doesn't date cops. That's a problem, since I am one. Also, I might be in love with her. But Bree's got a secret I can't figure out. Most folks lace up their goody two-shoes around cops, but Bree's don't fit quite right. There's a story there, but she's guarding it like a tiger with a pet zebra. And yeah, I know the guy jockeying for police chief should steer clear of a woman with skeletons in her closet, but I can't stay away. I'll find any excuse to visit the resort she owns with her siblings, even trotting out my charming pup, Virginia Woof. I'm not proud. Between hot springs hookups and grope-fests in my car, Bree's breaking her no-cops rule six ways to Sunday, and I'm grateful. But what'll it take to coax out her secret and convince her I'm not here to slap the cuffs on her? Not unless she asks me to.

Someone's set on sabotaging the ranch, so I've got a built-in excuse to get close to Jade. I could swear the attraction's mutual, but something's holding her back. Some secret in her past that has her pushing me away like a bad batch of eggnog. It's almost as baffling as all these accidents at the King sisters' place. Seriously, who'd screw with a reindeer ranch? Between sexy Santa suit malfunctions and risqué Christmas cookies, Jade and I keep ending up under the mistletoe

together. Is there any chance we can mesh our Christmas wish lists, or will it all crash down like a fat man in an iron sleigh?
