Break The Glass Slipper Crista Beck 2019-11-19 In this paradigm-shifting dating guide, love and dating expert, Crista Beck shows us how to stop Hollywood and Disney from ruining our love lives so we can find love in real life. For decades, we've been told that love just magically happens when we least expect it. "How's love going to happen for you if you're just sitting on the couch watching Netflix?", Crista Beck says. "Let's be honest, love is not happening for you because you believe the societal fantasies about dating and relationships." Beck doesn't sugar coat the reasons why we are still single. She tells it like it is - a strong dose of raw and honest truth that is sorely lacking today. *Break The Glass Slipper* is her antidote to the myths about the process of dating that have infected modern society and the minds of single women, sabotaging our ability to attract a healthy and happy long-term relationship. Beck makes the argument, backed by her 10+ years working with single women seeking men, that improving our love lives hinges on our ability to let go of these outdated mindsets that are preventing us from receiving our future partner into our life. Once we distinguish the fairy tales we have been telling ourselves about love, we can then choose a new path (based on reality), and find a real connection with a quality man that can evolve into a long-term relationship. This much-needed dating advice, *Break The Glass Slipper* is a refreshing and powerful nudge

for a generation to break our own glass slippers and lead healthy and powerful love lives.

StepWisdom Eleanor Alden 2010 StepWisdom: Knowledge from the Ages for Successful StepFamilies asks us to shift the way we look at stepfamilies. These vibrant, flexible, and creative families are a boon to our society. Stepfamilies can indeed be challenging and sometimes difficult, but StepWisdom provides the reader with a solid understanding of the strengths and weaknesses of blended families, offering useful guidelines, anecdotes, and expectations to help your family be a success. Eleanor Alden's work encourages stepfamilies to recognize their worth and to function at their best. Combining history, archetypal psychology, and modern family systems theory in a practical and often humorous way, StepWisdom brings hope. Eleanor Spackman Alden, LCSW, BCD, has been working with stepfamilies for over forty years. She has taught Jungian psychology and family therapy at Naropa University's graduate school, and has been in private practice since 1985. She lectures and does workshops on stepfamilies, and presently lives with her husband and two doodles in Colorado. www.StepWisdom.com "This rich and careful work on the holy and unholy aspects of stepfamilies, written by therapist and professor Eleanor Alden, not only draws on observations and understandings from her private practice and education, but also from growing up in a stepfamily herself. This evocative work offers understandings about patterns of both sweet and sour drives and impulses within stepfamilies as found in reality and mythos. This work can help others sow the seeds for a beautiful flowering within those special families called 'step'--as in 'step' to a more fulfilling consciousness." -- Dr. Clarissa Pinkola Estés, Diplomate Jungian Psychoanalyst, Author of *Women Who Run with the Wolves* "Insightful, historically illuminating in a very interesting way, and a must-read for every psychiatrist and mental health professional who works with stepfamilies. And now we know that we all do!" -- Laura J. Klein, MD, Assistant Clinical Professor, Department of Psychiatry, University of Colorado Health Sciences Center "StepWisdom: Knowledge from the Ages for Successful StepFamilies is truly wonderful. There is nothing out there like it. Eleanor Alden speaks to the reader with clarity and moments of humor. She makes the case so well that stepfamilies are the norm and that there is no reason that they can't be gifts. Everyone should be required to read this before they enter a marriage with children. The work is truly captivating." -- Claudia Black, MSW, PhD, Author and Addictions Specialist

Mariah Stewart - An Enright Family Collection Mariah Stewart 2011-06-14 This ebook anthology contains three beloved Mariah Stewart novels in her classic Enright Family Collection. Devlin's Light India Devlin has always appreciated her family's legacy: the lighthouse and the Delaware beachfront property named after it. As an adult, India is far more dedicated to her job as a criminal prosecutor in a nearby big city than

she is to her hometown ties. When her brother Ry is murdered without explanation at the lighthouse, India is compelled to return home seeking answers. In Devlin's Light she finds far more than the answers to the mystery concerning her brother's death; she finds an exciting and passionate new lover, Nick Enright; her brother's newly orphaned daughter; and her own aging aunt. India is torn between family ties, responsibility, and desire. Instead of finding resolution, she finds herself confronted with new choices, and is surprised to find that by returning to her small-town roots she enlarges her world. Moon Dance At the age of 26, Georgia Enright's dreams of becoming a lead dancer are fleeting. So she ventures to Pumpkin Hill, an old farm owned by her newly found half-sister, Laura Bishop, to contemplate her future. There she discovers the simple pleasures of country life--until Matthew Bishop shows up. Wonderful You Twenty-eight, single, and struggling to keep her funky little shop of handicrafts afloat, Zoey Enright never thought she would become a celebrity like her mother, an internationally acclaimed mystery writer. But to her surprise, a knockout audition lands her a plum job as an on-air saleswoman for the Home MarketPlace home-shopping network. Unbeknownst to Zoey, the HMP's wily CEO, Delaney O'Connor, has set out to bring his only grandson, Ben Pierce -- the hero of Zoey's childhood -- home from Europe to run the network. Ben's one true passion was grand prix racing -- until he laid eyes on Zoey again. But suddenly, a near-fatal accident brought his driving career to a screeching halt. Forced to confront painful emotions he crossed an ocean to forget, Ben finds that he must barter his old dreams for new ones if he and Zoey are to claim the wonderful future they were meant to share.
