*Have You Seen Me? the Party Dress Murders* John Davidson 2005-04 "Have You Seen Me? The Party Dress Murders" centers on one man's effort to penetrate the mind of a killer as he gathers evidence and pays attention to the instincts he has honed over more than thirty years in crime solving. In a series of twists and turns, the story unfolds against the backdrop of a contemporary society in which events might not always be as they appear. Along the way through the story it illustrates the nuances of the human psyche and the extent to which a person may be willing to go in order to achieve a sense of justice.

*The Ache for Meaning* Tommy Brown 2023-09-05 Will I have enough? Am I enough? Do I matter? Deep in our souls is an ache that longs to be noticed, filled, transformed. And that ache boils down to these three

fundamental questions. The extraordinary thing is that we find the answers to all three questions in the temptations of Christ. As Jesus faces the wilderness, the core needs of every human being are on display: the ache to be secure, to be approved of, to have some control over our lives. But the ways that we are tempted to fill these needs inevitably fail. In *The Ache for Meaning*, Tommy Brown journeys through our questions and temptations into the deeper invitation Jesus offers. In the mindsets and practices Christ embodied, we discover what kept him centered on his identity and purpose—and what equips us to do the same. Because when you know where you've come from and where you're going, daily temptations toward security, approval, and power to control pale in comparison to your most significant reality: You are a child of God. A rich discipleship resource. Includes questions for reflection and discussion. Features invitations into spiritual disciplines and

*Shifu, You'll Do Anything for a Laugh* Mo Yan 2012-01-05 Mo Yan, China's most critically acclaimed author, has changed the face of his country's contemporary literature with such daring and masterly novels as Red Sorghum, The

Garlic Ballads, and The Republic of Wine. In this collection of eight astonishing stories—the title story of which has been adapted to film by the award-winning director of Red Sorghum Zhang Yimou—Mo Yan shows why he is also China's leading writer of short fiction. His passion for writing shaped by his own experience of almost unimaginable poverty as a child, Mo Yan uses his talent to expose the harsh abuses of an oppressive society. In these stories he writes of those who suffer, physically and spiritually, under its yoke: the newly unemployed factory worker who hits upon an ingenious financial opportunity; two former lovers revisiting their passion fleetingly before returning to their spouses; young couples willing to pay for a place to share their love in private; the abandoned baby brought home by a soldier to his unsympathetic wife; the impoverished child who must subsist on a diet of iron and steel; the young bride willing to go to any length to escape an

odious, arranged marriage. Never didactic, Mo's fiction ranges from tragedy to wicked satire, rage to whimsy, magical fable to harsh realism, from impassioned pleas on behalf of struggling workers to paeans to romantic love.

### **Have You Seen My Daddy?**

Pastor John R. Peyton

2020-09-20 Who is your daddy?

If Pastor John R. Peyton was asked this question when he was a boy, he might be ashamed to admit who his daddy was, having grown up in an abusive household with an alcoholic, womanizing father. However, now as a faithful servant of God and pastor of a loving church, he can now say his true daddy is that of his heavenly Father God. His new book, *Have You Seen My Daddy?*, is Pastor John's detailed life story, beginning with his birth and childhood in Virginia to a strong Christian mother and an abusive, lost father. As he grew up, he witnessed hypocrisy in his home church and racism from other churches, wondering if this Jesus that was spoken of

was really someone to be praised and worshipped. He was soon drafted into the army and traveled to Central America and, all while struggling with his hatred toward white people that intensified through his involvement with the Black Panther Party. It wasn't until the most unlikely of people witnessed to him of God's love and Jesus's sacrifice that Pastor John's life turned around and because of this he was sent to Vietnam. As Pastor John moved forward with his life, becoming a husband and father to three daughters, he began to feel God leading him down certain paths where his testimony of God taking away the hate and bringing him peace was impacting people's lives. Pastor John, as an agent of reconciliation for God, has been the vessel to change the lives of many, from lost lives in prison ministry to the well-to-do and various races and statuses. The hope is that readers will understand through his life story the need for God in our lives and that

Every now and again she rips the pick out of my hand and tosses it inside the guitar . . . I hold it over my head, hole down, shaking it back and forth, the pick rattling around in there. *The Book of Legends/Sefer Ha-Aggadah* Hayyim Nahman Bialik 1992-11-10 The first complete English translation of the Hebrew classic *Sefer Ha-Aggadah* brings to the English-speaking world the greatest and best-loved anthology of classical Rabbinic literature ever compiled. First published in Odessa in 1908-11, it was recognized immediately as a masterwork in its own right, and reprinted numerous times

in Israel. The Hebrew poet Hayim Nahman Bialik and the renowned editor Yehoshua Hana Ravnitzky, the architects of this masterful compendium, selected hundreds of texts from the Talmud and midrashic literature and arranged them thematically, in order to provide their contemporaries with easy access to the national literary heritage of the Jewish people -- the texts of Rabbinic Judaism that remain at the heart of Jewish literacy today. Bialik and Ravnitzky chose Aggadah -- the non-legal portions of the Talmud and Midrash -- for their anthology. Loosely translated as "legends", Aggadah includes the genres of biblical exegesis, stories about biblical characters, the lives of the Talmudic era sages and their contemporary history, parables, proverbs, and folklore. A captivating melange of wisdom and piety, fantasy and satire, Aggadah is the expressive medium of the Jewish creative genius. The arrangement of this compendium reflects the

theological concerns of the Rabbinic sages: the role of Israel and the nations; God, good and evil; human relations; the world of nature; and the art of healing. Here, the reader who wants to explore traditional Jewish views on a particular subject is treated to a selection of relevant texts at his fingertips but will soon become immersed in a way of thinking, exploring, and questioning that is the hallmark of Jewish inquiry.

"Whatever the imagination can invent is found in the Aggadah," wrote the historian Leopold Zunz, "its purpose always being to teach man the ways of God." The Book of Legends/Sefer Ha-Aggadah, now available in William Braude's superbly annotated translation, enables modern Jews to experience firsthand the richness and excitement of their cultural inheritance.

intensely moving novel," writes Robert Daley, author of *Prince of the City* and *Year of the Dragon*. "The ending left me with tears in my eyes. There is no love like mother love, is there?" And no greater test of it than what Lael Pritcher is about to endure. One cool April day, Mike Pritcher visits the home of his estranged wife, Lael, and takes their son, Ace, for an overnight outing. "She pushed her son's black-rimmed glasses up the slope of his thin nose. He jerked away like a puppy slipping its leash. A giggle, a crunch of gravel, a single wave of a grimy hand, and her only child was gone." Gone - child-snatched, though Lael won't realize that right away, and won't understand what it means even when the police tell her it's a "domestic matter." "You got the right to snatch him back," her lawyer explains. "That's about it." So that's what she sets out to do, in one of the most suspenseful, emotion-wrenching novels in recent years. *Have You Seen My Son?* is Lael Pritcher's story, as she searches for her

son throughout the Northwest, Canada and finally Mexico; an odyssey of near-misses and sudden reversals, searing loneliness and unshakable love, as Lael reaches deep inside herself for a resourcefulness and strength she never knew existed. Combining intimate drama with powerful suspense, this is a story with which every woman - and every man - will identify.
