Dawn of the Metal Gods Al Atkins 2009 Al Atkins is the former lead singer and founder of the multi-million selling British metal band Judas Priest. But where and when did it all begin? During the sixties when the highly lauded Brum Beat era produced bands such as The Move, Atkins played in various semi-pro outfits. It was in 1969 that Atkins decided to have a go at forming yet another band with his childhood friend Bruno Stapenhill. The band in question was JUDAS PRIEST. Priest quickly built up a reputation in the Midlands as a powerful live act and even secured a record deal with Immediate, which was owned by ex-Rolling Stones manager Andrew Loog Oldham. Atkins even recorded the very first Judas Priest demo: "Good Time Woman" and "We'll Stay Together". Unfortunately, Immediate folded and so did Priest. Undeterred, Atkins resurrected Priest with another line-up in 1970 with guitarist K K Downing and bassist Ian Hill. In '71 they made a 7" single acetate: "Holy is the Man" and "Mind Conception". Through the early seventies Priest supported many bands including Slade, Status Quo and Black Sabbath. A revolving line-up continued until May 1973 when Atkins finally decided to call it a day. His memoirs contain very rare archive photos and memorabilia from Judas Priest's past circa 1969-1973. Also included are interviews with various members of Priest's history. Atkins is the co-writer of several Priest songs which are included on the band's first two albums "Rocka Rolla" and "Sad Wings of Destiny" both of which eventually went Gold. Atkins co-penned the heavy metal classic "Victim of Changes". With a foreword by Judas Priest bassist Ian Hill, "Dawn of the Metal Gods" is not just a book for Judas Priest fans but a bible for all those wishing to form a band in the tumultuous world of heavy metal.

Hitler Ernst Hanfstaengl 2011-08-01 Of American and German parentage, Ernst Hanfstaengl graduated from Harvard and ran the family business in New York for a dozen years before returning to Germany in 1921. By chance he heard a then little-known Adolf Hitler speaking in a Munich beer hall and, mesmerized by his extraordinary oratorical power, was convinced the man would some day come to power. As Hitler's fanatical theories and ideas hardened, however, he surrounded himself with rabid extremists such as Goering, Hess, and Goebbels, and Hanfstaengl became estranged from him. But with the Nazi's major unexpected political triumph in 1930, Hitler became a national figure, and he invited Hanfstaengl to be his foreign press secretary. It is from this unique insider's position that the author provides a vivid, intimate view of Hitler—with his neuroses, repressions, and growing megalomania—over the next several years. In 1937, four years after Hitler came to power, relations between Hanfstaengl and the Nazis had deteriorated to such a degree that he was forced to flee for his life, escaping to Switzerland. Here is a portrait of Hitler as you've rarely seen him.

The Black Dress Deborah Moggach 2022-07-19 "A darkly funny novel about betrayal, loneliness and the surprising pleasure of being single again" from the author of *The Best Exotic Marigold Hotel* (Good Housekeeping). At sixty-nine years old, Pru has found herself alone for the first time in her life. Her grown children are out of the house, and her husband, Greg, has filed for divorce. She attributes Greg's betrayal to a cancer scare and a more-than-midlife crisis, but that doesn't make her feel any better—or less lonely. It seems that nothing—not even her eccentric, free-spirited best friend, Azra—can pull her out of her depression. Until Pru sees a black dress in a thrift store window . . . Its sleek silhouette calls to mind long-gone days of cocktail parties and sophisticated conversation. And it gives Pru a brilliant idea: where better to wear a black dress—and find age-appropriate single men—than at a funeral? As Pru combs through the obituaries and attends masses and wakes, she finds comfort among the bereaved. After all, they're all grieving someone they have lost. But Pru's about to discover that though her new dating plan may get her out of the house and back on the market, the life she's so desperately trying to leave behind isn't done with her yet . . . "With dry wit and observation, Moggach tackles the perils of ageing with brutal honesty." —Daily Express "This page-turner is like the best wakes, it will make you feel hungry and alive." —The Times (London) "As ever with Moggach, the joy is in her witty observations of middle-class life and bracingly tart portrayal of family relationships." —Daily Mail
