Theatres of Hawai'i Lowell Angell 2011 Famous for its lush beauty and inviting beaches, Hawai'i also boasts a rich theatrical history dating back to the mid-19th century and spanning its years as a kingdom, U.S. territory, and a state. Its warm, tropical climate and social, cultural, and ethnic diversity contributed to the variety of theatres unique to the islands--from simple, rural plantation theatres on the neighbor islands, to neighborhood movie houses in exotic styles, to an incomparable tropical moderne jewel near the beach at Waikiki. Most of these theatres are now just a memory, except for those few saved by dedicated individuals and restored for another life. This book celebrates the rich history of these theatrical venues through rare archival photographs and little-known details.

Kaaawa O. A. Bushnell 1980-07-01 "As beautiful as Hawaii itself, This novel approaches epic magnitude. The narrator is Hiram Nihoa, through whom the author pours his love for Hawaii. Nihoa tells the story of his travels around the island of Oahu a century ago, evoking the scene and the people as he saw and loved them. Nihoa's narrative is taken up by a strange New Englander in the second half of the book. Saul Bristol, a sad and bitter man, reveals Hawaii through the eyes of a newcomer. The two narratives embody the conflict between the old and the new which has had so much to do with the way Hawaii has developed.... In some ways ... a lament, but overall a mele aloha, a song of love." --Publisher's Weekly
