The Silver Man Peter Shrake 2016-03-08 In *The Silver Man: The Life and Times of John Kinzie*, readers witness the dramatic changes that swept the Wisconsin frontier in the early and mid-1800s, through the life of Indian agent John Harris Kinzie. From the War of 1812 and the monopoly of the American Fur Company, to the Black Hawk War and the forced removal of thousands of Ho-Chunk people from their native lands—John Kinzie's experience gives us a front-row seat to a pivotal time in the history of the American Midwest. As an Indian agent at Fort Winnebago—in what is now Portage, Wisconsin—John Kinzie served the Ho-Chunk people during a time of turbulent change, as the tribe faced increasing attacks on its cultural existence and very sovereignty, and struggled to come to terms with American advancement into the upper Midwest. The story of the Ho-Chunk Nation continues today, as the tribe continues to rebuild its cultural presence in its native homeland. Through John Kinzie's story, we gain a broader view of the world in which he lived—a world that, in no small part, forms a foundation for the world in which we live today.

A Past Life Don D. Silver 2015-03-25 The day that medium, Tana Hanley, told Don Silver the story of his past life as a boy named Brave Hawk, he thought the whole thing was nonsense. She explained that a Native American chief by the name of White Cloud had come through to her to tell the story of Bird, a young Caucasian boy who had stolen from the tribe. Bird was captured and eventually adopted into an Arapaho tribe in South Dakota, sometime in the seventeenth century. There, he was given his new name: Brave Hawk. That night, a colorful and powerful dream changed Dons mind. In the dream, his spirit guides came forth and compelled him to write a book about his past life. Bird grew up on a small farm southwest of Lake Michigan. Life on the farm was hard, but that was the way of things then. When he was older, he went to work with his father-in-law and brother at their trading post, where he was eventually captured by the Arapaho. Bird soon became a part of their community. Beloved by the chief, little Bird was made a part of the tribe and earned his new name through acts of bravery and survival under difficult circumstances. This is the story of his new life among his Native American family, a story of a past life that the author hopes will inspire everyone to open their minds to the miraculous nature of eternity.

Abandoned in Hell William Albracht 2015-02-03 An astonishing memoir of military courage at a remote outpost during the Vietnam War "A riveting, dead-true account in the tradition of Black Hawk Down and We Were Soldiers Once...and Young."—Steven Pressfield, national bestselling author of The Lion's Gate In October 1969, William Albracht, the youngest Green Beret captain in Vietnam, took command of a remote hilltop outpost called Firebase Kate held by only 27 American soldiers and 156 Montagnard militiamen. Outnumbered three dozen to one, Albracht's men held off the assault but,

after five days, Kate's defenders were out of ammo and water. Refusing to die or surrender, Albracht led his troops off the hill and on a daring night march through enemy lines.
