Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure. 'Insight Guides has spawned many imitators but is still the best of its type.' - Wanderlust Magazine

*The Sacred Places of Wales* Peter N. Williams 2001-02 BJ and the Amazing Doctor Directions is the story of a young boy who lives with his widowed father in a small house near a lake. They love the outdoors, and BJ soon finds that the walking stick his father has picked up for him from a very strange man named Plantagenet carries mystical powers to keep him out of trouble. BJ's new walking stick, called Doctor Directions, guides BJ and his friend Marcy away from danger as long as BJ is smart enough not to cover his eyes in the process (something he discovers after a near disaster). Marcy a smart, funny young lady who lives with her mother is also brave and strong and plays a key role in their adventures together. As they work together to figure out who is cutting down Thoreau Mountain's beautiful forests BJ and Marcy spend several strange periods behind the door in his basement where they not only find out what is being asked of them to save Thoreau, but meet some rather nasty characters bent on preventing them from succeeding. The evil Sniknej Lac does everything he can to thwart BJ and Marcy from solving the puzzle that can stop the cutting on Thoreau Mountain. Behind the door they also meet the wonderful Sir Gaia, a wise-cracking squirrel named Bonker and a very proper bird named Queen Shelmont all who help BJ and Marcy accomplish their tasks. Come with BJ and Marcy as they take on those that want to destroy Thoreau and watch as they teach the entire town about right and wrong.

*Holy Places of the British Isles* William Anderson 1983

Sacred Places Crispin Paine 2006-02-03 The UK, with its rich history and varied landscape, boasts a wealth of sacred places, many of them in the care of the National Trust. Some have become centres for pilgrimage for the contemporary visitor: as a focus for the New Age understanding of Earth Mysteries, as a means of experiencing the unique serenity and atmosphere of dedicated buildings and as sites traditionally used as centres of worship. The list is extraordinarily diverse, but what links them is a strong sense that, in addition to their intrinsic beauty - or perhaps because of it - they are also places which seem to hold a special spiritual resonance. This book provides an illustrated guide to some of the most beautiful and atmospheric sacred sites in the care of the National Trust. A general introduction sets the collection in its wider historical and religious context, along with an understanding of how the Trust's conservation work is preserving them for posterity. The featured sites are illustrated by high-quality photographs and artworks revealing key alignments and underlying structure and design, along with extended captions explaining their particular significance and history. A detailed map shows the distribution of the various sites across the UK and the suggested link between some of them, providing a practical guide for the visitor as well as

an inspirational sourcebook. Featured sites include: Avebury - The Farne Islands - Glastonbury Tor - Hailes Abbey - The Lake District - Lavenham Guildhall - Sandham Memorial Chapel - The Giant's Causeway - St Michael's Mount - Sutton Hoo - White Horse Hill, Uffington

*The Cathedral Line of England* Great Western Railway Company (Great 2023-07-18 Explore the rich history of England's cathedrals, abbeys, and other holy sites with this beautifully illustrated guide. Published by the Great Western Railway Company in the early 20th century, this book offers a unique perspective on the country's religious heritage. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**British Book News** 1983

Sacred Britain Martin Symington 2011 Britain is packed with places to visit that can be called 'sacred'. Many are tourist sites, such as Iona, Lindisfarne and Stonehenge. Many more are out-of-the-way pilgrimage destinations, druidic circles, holy wells or obscure islands that few people would find without this book. Some are only recognised as 'sacred' by people with a special interest: Karl Marx's tomb in Highgate cemetery or the island on Althorp where Princess Diana is buried. This book journeys from pilgrimage sites with tombs of martyrs and scenes of medieval miracles to the remote islands of Iona, Bardsey and Lindisfarne, as well as to modern Buddhist, Hindu and Islamic shrines. It visits pre-historic stone circles and ancient chalk hill carvings such as the phallic Cerne Abbas giant. As well as sites of myth, legend, and apparition it covers shrines to philosophers and locations revered for their connections with art, music, literature, sport and crime.

The Traveller's Guide to Sacred England John Michell 2003 An informative companion for travelers seeking the ancient spirit of this sacred land, this guide takes readers to ruined abbeys and cathedrals, pagan sites, shrines of saints, and visionairies.

**England** Alan Edwin Day 1993

Walking Where Jesus Walked Hillary Kaell 2014-07-04 Since the 1950s, millions of American Christians have traveled to the Holy Land to visit places in Israel and the Palestinian territories associated with Jesus's life and death. Why do these pilgrims choose to journey halfway around the world? How do they react to what they encounter, and how do they understand the trip upon return? This book places the answers to these questions into the context of broad historical trends, analyzing how the growth of mass-market evangelical and Catholic pilgrimage relates to changes in American Christian theology and culture over the last sixty years, including shifts in Jewish-Christian relations, the growth of small group spirituality, and the development of a Christian leisure industry. Drawing on five years of research with pilgrims before, during and after their trips, *Walking Where Jesus Walked* offers a lived religion approach that explores the trip's hybrid nature for pilgrims themselves: both ordinary—tied to their everyday role as the family's ritual specialists, and extraordinary—since they leave home in a dramatic way, often for the first time. Their experiences illuminate key tensions in contemporary US Christianity between material evidence and transcendent divinity, commoditization and religious authority, domestic relationships and global experience. Hillary Kaell crafts the first in-depth study of the cultural and religious significance of American Holy Land pilgrimage after 1948. The result sheds light on how Christian pilgrims, especially women, make sense of their experience in Israel-Palestine, offering an important complement to top-down approaches in studies of Christian Zionism and foreign policy.

**British Book News** British Council 1992 Includes no. 53a: British wartime books for young people.

*The Tablet* 1983 The international Catholic weekly.

Holy Wells in Britain Janet Bord 2008 This is the first guidebook on British holy wells to draw upon the extensive research of recent decades.

**Saturday Review** 1860

**Inside the Cosmic Mind** Phoebe Wyss 2014-07-29 Phoebe Wyss, an experienced astrologer, here examines all aspects of astrology in the light of the emerging worldview known as archetypal cosmology. She sets out by exploring the classical roots of astrology in sources of wisdom found in the ancient Egyptian mysteries. She then follows the tradition to modern times through C.G. Jung's ideas on the nature of the psyche. She also discovers that the claims of astrology are entirely compatible with new cosmological thinking as envisioned by post-modern physics and chaos theory. In the second part of the book, she proposes that the mathematical basis of astrology and the components of astrological charts are both archetypal and cosmic in scope. She argues that the twelve astrological archetypes make up a single 'cosmic mind', whose patterns are imprinted on all our individual minds. Finally, she exemplifies this radical approach to astrology through an interpretation of the chart of William Blake.

**Religious Pilgrimage Routes and Trails** Daniel H Olsen 2018-05-30 For millennia people have travelled to religious sites for worship, initiatory and leisure purposes. Today there are hundreds, if not thousands, of religious pilgrimage routes and trails around the world that are used by pilgrims as well as tourists. Indeed, many religious pilgrimage routes and trails are today used as themes by tourism marketers in an effort to promote regional economic development. An important resource for those interested in religious tourism and pilgrimage, this book is also an invaluable collection for academics and policy-makers within heritage tourism and regional development.

**Yoga Journal** 1999-09 For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

**Monasteries and Religious Houses of Great Britain and Ireland** Darley Dale 2023-07-18 Featuring stunning photographs and in-depth historical analysis, this book is a comprehensive guide to the monasteries and religious houses of Great Britain and Ireland. From the ancient ruins of Glastonbury Abbey to the still-functioning Mount St. Bernard Abbey, this book takes readers on a fascinating journey through the religious heritage of the British Isles. The appendix on American religious houses offers added insight into the broader history of monasticism. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Saturday Review of Politics, Literature, Science and Art 1860

**Legends of the Monastic Orders, as Represented in the Fine Arts** Mrs. Jameson (Anna) 1850

**Britain's Sacred Places (Slow Travel)** Martin Symington 2022-05-10 A guide to ancient and modern sites that stir the soul - travel guide covering places of religious and secular pilgrimage in England, Wales and Scotland, from Westminster Abbey to Iona, Twickenham stadium to the Orkneys, including Buddhist temples, Stonehenge, Freddie Mercury's home and Princess Diana's statue.

**Voices of the Ritual** Nurit Stadler 2020-05-15 Voices of the Ritual analyzes the revival of rituals performed at female saint shrines in the Middle East. In the midst of turbulent political contention over land and borders, Nurit Stadler shows, religious minorities lay claim to space through rituals enacted at sacred spaces in the Holy Land. Using ethnographic analysis, Stadler explores the rise of these rituals, their focus on the body, female materiality, and their place in the Israeli-Palestinian landscape. Stadler examines the varied features of the practice and implications of the rituals, looking at themes of femininity and material experience. She considers the role of the body in rituals that represent the act of birth or the circle of life and that aim to foster an intimate connection between the female saint and her worshippers. Stadler

underscores the political, cultural, and spatial elements of this practice, bringing attention to how religious minorities (Jews, Christians, Muslims, and Druze, among others) have utilized these rituals to assert their right to the land. Voices of the Ritual offers a valuable assessment of religious ritual practice that encrypts female themes into a landscape that has historically been defined by war and conflict.

**Insight Guides England (Travel Guide with Free eBook)** Insight Guides 2023-07-01 This Insight Guide is a lavishly illustrated inspirational travel guide to England and a beautiful souvenir of your trip. Magical and Mystical Sites Elizabeth Pepper 2000-01-01 Embark on a magical voyage to the enchanted sites of the ancient world, all associated with legends of mystery and power. From Stonehenge in England to the oracle of Apollo in Greece, *Magical and Mystical Sites* explores the most remarkable and significant places of antiquity -- temples, places of learning, monuments, ruins, and sacred groves -- and the legends that accompany them. Filled with details of historical data and local information, this book is a wonderful companion for both the armchair traveler and the actual visitor. *Magical and Mystical Sites* explores the sacred and legendary places of the British Isles, France, Germany, Italy, Spain, Turkey, Greece, and more -- places like Delphi, Chartres, and Glastonbury. The discussions are highly readable yet consistently thorough, focusing not only on the lore and legends, but also covering archaeological discoveries, the nature of the old divinities, the relation of the sites to ancient culture and religion, and what these places are like today. Rounded out with excellent photographs and maps, *Magical and Mystical Sites* is a complete historical and practical guide to the sacred sites of Europe and the British Isles. Illustrated.

*Bibliography of Scotland* 1986 Scotland's national bibliography, listing books, periodicals, and major articles of Scottish interest published all over the world. Covers material issued since 1988.

*Sacred and Legendary Art* Anna Brownell Jameson 1848

**A Comprehensive Holiday Guide to the Western Isles of Scotland** Arlene Sobel 1972

Sacred Britain Martin Palmer 1999-05-28 A guide to the sacred places of Britain. Britain has thousands of sacred sites, from ancient stone circles and tombs to holy shrines, wells, sacred cities and trees. Pilgrim routes have criss-crossed the land for centuries; some are still the focus of pilgrimage.

**Bibliographie Internationale D'anthropologie Sociale Et Culturelle** International Committee for Social Science Information and Documentation 1986-11-20 First published in 1986. Routledge is an imprint of Taylor & Francis, an informa company.

**Arts & Humanities Citation Index** 1986 A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals, and it indexes individually selected, relevant items from over 6,800 major science and social science journals.

**The Athenaeum** 1852

**The Cathedral Line of England: Its Sacred Sites and Shrines, the Country of the Abbeys (1908)**

Great Western Railway Co (Canada) 2009-08 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

**Powerful Places in Cornwall and the Isles of Scilly** Elyn Aviva 2014-12-01 Powerful Places in Cornwall and the Isles of Scilly is not your usual guidebook. It is not about visiting places-it's about experiencing them. This tiny corner of Britain contains an amazingly dense concentration of sacred sites and powerful places. Come with us and explore a carefully chosen selection of megalithic sites, holy wells, underground chambers, medieval chapels-and more. Learn about the legendary visits of Joseph of Arimathea and Jesus, of Tristan and Iseult, of King Arthur and his knights. Discover the various earth-energy currents, including the Michael and Mary lines, which flow across Cornwall. This guidebook provides an introduction to different kinds of powerful places and what makes them powerful. We offer specific suggestions about how to prepare to visit a sacred site and what to do when you arrive. Read first-hand accounts of transformational experiences at many of these locations. Numerous maps, graphics, and photos bring the locations to life. There are Ordinance Survey coordinates and QR codes, along with internet links. If you are intrigued by the unusual; if you long to connect more deeply with the places you visit; if you have a nagging feeling that there's more to some places than meets the eye-this is the travel guide for you.

**Sacred Wells** Gary R. Varner 2009 Sacred Wells is an in depth study of springs, wells and waters that have been venerated from California to Cornwall, Russia to Australia. Tales of faeries, black hounds, hauntings and miraculous cures are explored. Many of these sites are still locations for religious festivals and ritual, unchanging for hundreds of years. The book is illustrated with photos taken by the author.

**Sacred Britain** Martin Palmer 1999-04-29 Sacred Britain is a unique guidebook to the sacred sites of England, Scotland and Wales. It takes you on a journey across the rural and urban landscapes of Britain, and helps you to discover and explore our rich and mysterious heritage of ancient stone circles and tombs, Christian and pre-Christian shrines, medieval synagogues, special churches, great cathedrals, sacred cities, holy wells and rivers, ancient yew trees and symbolic plants. Book jacket.

**Bibliographie Internationale D'anthropologie Sociale Et Culturelle** 1983

Legends of the Monastic Orders, as Represented in the Fine Arts Anna Jameson 1850

**Ley Lines** Danny Sullivan 2004 Across the world, sacred sites are linked together by mysterious alignments on the landscape. In the British Isles these links have come to be known as Ley Lines. First discovered in ancient times by the legendary Alfred Watkins, who first coined the term, they have been rigorously studied over the last fifty years. This revised and updated edition of the book by Danny Sullivan is the classic, comprehensive guide to the subject.

## Holy Places Of The British Isles A Guide To The Legendary And Sacred Sites
