Yaqui Delgado Wants to Kick Your Ass Meg Medina 2013-03-26

Winner of the 2014 Pura Belpré Author Award In Meg Medina's compelling new novel, a Latina teen is targeted by a bully at her new school — and must discover resources she never knew she had. One morning before school, some girl tells Piddy Sanchez that Yaqui Delgado hates her and wants to kick her ass. Piddy doesn't even know who Yaqui is, never mind what she's done to piss her off. Word is that Yaqui thinks Piddy is stuck-up, shakes her stuff when she walks, and isn't Latin enough with her white skin, good grades, and no accent. And Yaqui isn't kidding around, so Piddy better watch her back. At first Piddy is more concerned with trying to find out more about the father she's never met and how to balance honors courses with her weekend job at the neighborhood hair salon. But as the harassment escalates, avoiding Yaqui and her gang starts to take over Piddy's life. Is there any way for Piddy to survive without closing herself off or running away? In an all-too-realistic novel, Meg Medina portrays a sympathetic heroine who is forced to decide who she really is.

We Are Still Married Garrison Keillor 1990-04-01 "Garrison Keillor made it possible, after twenty years of black humor...to be both funny and nice, hip and winsome, scathing and loving, all in the flick of a single many-barbed quip—The Washington Post Book World "Keillor's literary style is as flexible and assured as his vocal delivery. It can slip from mood to mood so subtly and quickly you're never quite sure where you are.... [His] writing has the silvery slip of running water, so graceful and easy it's hard to believe it can carry so much that is jagged and unresolved. His integrity lies in his not smoothing away those rough edges in the swift current of his prose; they're bruisingly, sometimes cuttingly there." —The Village Voice

Moon Tiger Penelope Lively 2007-12-01 "A powerful, moving and beautifully wrought novel about the ways in which lives are molded by personal memory and the collective past." —The Boston Globe Winner of the Man Booker Prize Elderly, uncompromising Claudia Hampton lies in a London hospital bed with memories of life fluttering through her fading consciousness. An author of popular history, Claudia proclaims she's carrying out her last project: a history of the world. This history turns out to be a mosaic of her life, her own story tangled with those of her brother, her lover and father of her daughter, and the center of her life, Tom, her one great love found and lost in war-torn Egypt. Always the independent woman, often with contentious relationships, Claudia's personal history is complex and fascinating. As people visit Claudia, they shake and twist the mosaic, changing speed, movement, and voice, to reveal themselves and Claudia's impact on their world. "Emotionally, *Moon Tiger* is kaleidoscopic, deeply satisfying. The all too brief encounter between Claudia and Tom will surely rate as one of the most memorable of contemporary fictional affairs. This is one of the best novels I have read for years." —The London Sunday Telegraph "It pulls us in; it engages us and saddens us. It is also unexpectedly funny . . . It leaves its traces in the air long after you've put it away." —The New York Times Book Review "One of the very best Booker winners . . . it asks hard questions about memory and history and personal legacy; it's stylistically demanding and inventive . . . a wonderful book." —The Guardian

The Greeks and the Irrational Eric R. Dodds 2023-11-10 In this philosophy classic, which was first published in 1951, E. R. Dodds takes on the traditional view of Greek culture as a triumph of rationalism. Using the analytical tools of modern anthropology and psychology, Dodds asks, "Why should we attribute to the ancient Greeks an immunity from 'primitive' modes of thought which we do not find in any society open to our direct observation?" Praised by reviewers as "an event in modern Greek scholarship" and "a book which it would be difficult to over-praise," *The Greeks and the Irrational* was Volume 25 of the Sather Classical Lectures series.

In Search of Lake Wobegon Garrison Keillor 2001 "This book combines text and image to reveal the real-life origins of the place where "the women are strong, the men are good-looking and the children above average." Keillor meditates on the enduring culture of the county and on the years he spent there as a young writer and an outsider. And a short story of Lake Wobegon, "October," appears here for the first time in print."--BOOK JACKET.

And Only to Deceive Tasha Alexander 2009-10-13 From gifted new writer Tasha Alexander comes a stunning novel of historical suspense set in Victorian England, meticulously researched and with a twisty plot that involves stolen antiquities, betrayal, and murder *And Only to Deceive* For Emily, accepting the proposal of Philip, the Viscount Ashton, was an easy way to escape her overbearing mother, who was set on a grand society match. So when Emily's dashing husband died on safari soon after their wedding, she felt little grief. After all, she barely knew him. Now, nearly two years later, she discovers that Philip was a far different man from the one she had married so cavalierly. His journals reveal him to have been a gentleman scholar and antiquities collector who, to her surprise, was deeply in love with his wife. Emily becomes fascinated with this new image of her dead husband and she immerses herself in all things ancient and begins to study Greek. Emily's intellectual pursuits and her desire to learn more about Philip take her to the quiet corridors of the British Museum, one of her husband's favorite places. There, amid priceless ancient statues, she uncovers a dark, dangerous secret involving stolen artifacts from the Greco-Roman galleries. And to complicate matters, she's juggling two very prominent and wealthy suitors, one of whose intentions may go beyond the marrying kind. As she sets out to solve the crime, her search leads to more surprises about Philip and causes her to question the role in Victorian society to which she, as a woman, is relegated.

Life in the Garden Penelope Lively 2019-06-11 From the Booker Prize winner and national bestselling author, reflections on gardening, art, literature, and life Penelope Lively takes up her key themes of time and memory, and her lifelong passions for art, literature, and gardening in this philosophical and poetic memoir. From the courtyards of her childhood home in Cairo to a family cottage in Somerset, to her own gardens in Oxford and London, Lively conducts an expert tour, taking us from Eden to Sissinghurst and into her own backyard, traversing the lives of writers like Virginia Woolf and Philip Larkin while imparting her own sly and spare wisdom. "Her body of work proves that certain themes never go out of fashion," writes the New York Times Book Review, as true of this beautiful volume as of the rest of the Lively canon. Now in her eighty-fourth year, Lively muses, "To garden is to elide past, present, and future; it is a defiance of time."

That Time of Year Garrison Keillor 2020-12-01 With the warmth and humor we've come to know, the creator and host of *A Prairie Home Companion* shares his own remarkable story. In *That Time of Year*, Garrison Keillor looks back on his life and recounts how a Brethren boy with writerly ambitions grew up in a small town on the Mississippi in the 1950s and, seeing three good friends die young, turned to comedy and radio. Through a series of unreasonable lucky breaks, he founded *A Prairie Home Companion* and put himself in line for a good life, including mistakes, regrets, and a few medical adventures. PHC lasted forty-two years, 1,557 shows, and enjoyed the freedom to do as it pleased for three or four million listeners every Saturday at 5 p.m. Central. He got to sing with Emmylou Harris and Renée Fleming and once sang two songs to the U.S. Supreme Court. He played a private eye and a cowboy, gave the news from his hometown, Lake Wobegon, and met Somali cabdrivers who'd learned English from listening to the show. He wrote bestselling novels, won a Grammy and a National Humanities Medal, and made a movie with Robert Altman with an alarming amount of improvisation. He says, "I was unemployable and managed to invent work for myself that I loved all my life, and on top of that I married well. That's the secret, work and love. And I chose the right ancestors, impoverished Scots and Yorkshire farmers, good workers. I'm heading for eighty, and I still get up to write before dawn every day."

Searching for the Lost Tombs of Egypt Chris Naunton 2019-09-24 An exciting archeological exploration of ancient Egypt that examines the potential for discovering the remaining "lost" tombs of the pharaohs. Tombs, mummies, and funerary items make up a significant portion of the archeological remains that survive ancient Egypt and have come to define the popular perception of Egyptology. Despite the many sensational discoveries in the last century, such as the tomb of Tutankhamun, the tombs of some of the most famous individuals in the ancient world—Imhotep, Nefertiti, Alexander the Great, and Cleopatra—have not yet been found. Archeologist Chris Naunton examines the famous pharaohs, their achievements, the bling they might have been buried with, the circumstances in which they were buried, and why those circumstances may have prevented archeologists from finding these tombs. In *Searching for the Lost Tombs of Egypt*, Naunton sheds light on the lives of these ancient Egyptians and makes an exciting case for the potential discovery of these lost tombs.

Being Heumann Judith Heumann 2020-02-25 A Publishers Weekly Best Book of the Year for Nonfiction "...an essential and engaging look at recent disability history."— Buzzfeed One of the most influential disability rights activists in US history tells her personal story of fighting for the right to receive an education, have a job, and just be human. A story of fighting to belong in a world that wasn't built for all of us and of one woman's activism—from the streets of Brooklyn and San Francisco to inside the halls of Washington—Being Heumann recounts Judy Heumann's lifelong battle to achieve respect, acceptance, and inclusion in society. Paralyzed from polio at eighteen months, Judy's struggle for equality began early in life. From fighting to attend grade school after being described as a "fire hazard" to later winning a lawsuit against the

New York City school system for denying her a teacher's license because of her paralysis, Judy's actions set a precedent that fundamentally improved rights for disabled people. As a young woman, Judy rolled her wheelchair through the doors of the US Department of Health, Education, and Welfare in San Francisco as a leader of the Section 504 Sit-In, the longest takeover of a governmental building in US history. Working with a community of over 150 disabled activists and allies, Judy successfully pressured the Carter administration to implement protections for disabled peoples' rights, sparking a national movement and leading to the creation of the Americans with Disabilities Act. Candid, intimate, and irreverent, Judy Heumann's memoir about resistance to exclusion invites readers to imagine and make real a world in which we all belong.

Existentialism: A Very Short Introduction Thomas Flynn 2006-10-12 Existentialism was one of the leading philosophical movements of the twentieth century. Focusing on its seven leading figures, Sartre, Nietzsche, Heidegger, Kierkegaard, de Beauvoir, Merleau-Ponty and Camus, this Very Short Introduction provides a clear account of the key themes of the movement which emphasized individuality, free will, and personal responsibility in the modern world. Drawing in the movement's varied relationships with the arts, humanism, and politics, this book clarifies the philosophy and original meaning of 'existentialism' - which has tended to be obscured by misappropriation. Placing it in its historical context, Thomas Flynn also highlights how existentialism is still relevant to us today. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

A Psalm for the Wild-Built Becky Chambers 2021-07-13 Winner of the Hugo Award! In *A Psalm for the Wild-Built*, bestselling Becky Chambers's delightful new Monk and Robot series, gives us hope for the future. It's been centuries since the robots of Panga gained self-awareness and laid down their tools; centuries since they wandered, en masse, into the wilderness, never to be seen again; centuries since they faded into myth and urban legend. One day, the life of a tea monk is upended by the arrival of a robot, there to honor the old promise of checking in. The robot cannot go back until the question of "what do people need?" is answered. But the answer to that question depends on who you ask, and how. They're going to need to ask it a lot. Becky Chambers's new series asks: in a world where people have what they want, does having more matter? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Serenity at 70, Gaiety At 80 Garrison Keillor 2021-11-15 RULE 12 Don't fight with younger people, even if you're right, which you probably are. When they tell you outrageous things, say, "That's very interesting, I'll have to think about it." These people will be writing your obituary, and why give them a reason to put "contentious" or "embittered" in the second paragraph or accusations of cultural appropriation or insufficient anger at power imbalance. If you enjoy dispute, go after your elders if you still have any who are of sound mind. Poke them in the stomach. This will amaze them, seeing as everyone else pities them to death, and they will relish combat and rise to the challenge and it will improve their

respiration. And a day later they'll forget the whole thing.

Ordinary Life Barbara Crooker 2001

Rice's Architectural Primer Matthew Rice 2010-07-15 RICE'S ARCHITECTURAL PRIMER covers the grammar and vocabulary of British buildings, explaining the evolution of styles from Norman castles to Norman Foster. Its aim is to enable the reader to recognise, understand and date any British building. As Matthew Rice says, 'Once you can speak any language, conversation can begin, but without it communications can only be brief and brutish. The same is the case with Architecture: an inability to describe the component parts of a building leaves one tongue-tied and unable to begin to discuss what is or is not exciting, dull or peculiar about it.' RICE'S ARCHITECTURAL PRIMER will explain the language of architecture. With it in your hand, pocket or car, buildings will break down beguilingly into their component parts, ready for inspection and discussion. There will be no more references to that curly bit on top of the thing with the square protrusions. Ungainly and inept descriptions will be a thing of the past and, fluent in the world of volutes, hood moulds, lobed architraves and bucrania, you will be able to leave a cathedral or country house with as much to talk about as a film or play. RICE'S ARCHITECTURAL PRIMER starts with an explanation of the basic 'Grammar' of buildings: elevation, plan, roof, gable and eave. This will enable the reader to better make use of what is to follow. It will also cover the Orders of Architecture - Doric, Tuscan, Ionic, Corinthian and Composite - so that the vital basics of Classicism are covered. Following this is the 'Vocabulary'. This will be a chronological reference section covering, period by period, the windows, doors and doorcases, columns, chimneys, arches, balustrades and pediments that make up the built environment.

ULYSSES (Modern Classics Series) James Joyce 2024-01-10 This carefully crafted ebook: "ULYSSES (Modern Classics Series)" is formatted for your eReader with a functional and detailed table of contents. *Ulysses* is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". *Ulysses* chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. *Ulysses* is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided *Ulysses* into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses*, the short-story collection *Dubliners*, and the novels *A Portrait of the Artist as a Young Man* and *Finnegans Wake*.

Lake Wobegon Summer 1956 Garrison Keillor 2002-08-27 Meet fourteen-year-old Gary. A self-described "tree-toad," a sly and endearing geek, Gary has many unwieldy passions, chief among them his cousin Kate, his Underwood typewriter and the soft-porn masterpiece, *High School Orgies*. The folks of Lake Wobegon don't have much patience for a kid's ungodly obsessions, and so Gary manages to filter the hormonal earthquake that is puberty and his hopeless devotion to glamorous, rebellious Kate through his fantastic yarns. With every marvellous story he moves a few steps closer to becoming a writer. And when Kate gets herself into trouble with the local baseball star, Gary also experiences

the first pangs of a broken heart. With his trademark gift for treading "a line delicate as a cobweb between satire and sentiment" (Cleveland Plain Dealer), Garrison Keillor brilliantly captures a newly minted post-war America and delivers an unforgettable comedy about a writer coming of age in the rural Midwest.

Hoosiers and the American Story Madison, James H. 2014-10-01 A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Akikomatic Akiko Stehrenberger 2020-01-07 If you've caught a glimpse of a promotional movie poster in the last 15 years, chances are you were taking in the work of Akiko Stehrenberger, the Los Angeles-based artist you didn't know you knew. Stehrenberger has worked on projects for some of cinema's most important and influential filmmakers, translating their unique vision from screen to film poster. The list of names includes a long roster of trailblazers, among them Michel Gondry, Spike Jonze, Jonathan Glazer, Harmony Korine, The Coen Brothers, Sofia Coppola, David Lynch, Michael Haneke, and dozens of others. Stehrenberger, a California native, imbues her unique brand of surrealism to the art of the movie poster utilizing various techniques, including painting, computers, and traditional forms of graphic design—all while conceptually dissecting the films themselves, which helps to illuminate why Akiko is such a vital visual artist. The book will put readers at the center of her process (from concept to execution), examining how her life and heroes influenced the special vision she brings to the world of film poster design. Akiko's art making story will be told in a way that mirrors her process, utilizing analog and modern techniques (including film, film photography, and illustration), all in an effort to a better understanding of her creativity. Having become one of the most respected movie poster designers and illustrators of her generation, she is now on the cusp of a major creative change in her life: She has begun to embrace her own fine art and has branched out into new mediums, with the hope of exhibiting her work in the future. This book will capture what she has so skillfully harvested from just one realm of her imagination so far.
