

Home At The End Of The World

The End of the World as We Know it Daniel Wojcik 1999-05 Wojcik (English, folklore, U. of Oregon) sheds new light on America's fascination with worldly destruction and transformation, exploring the origins of contemporary apocalyptic beliefs and comparing religious and secular apocalyptic speculation. He examines vision of the Virgin Mary, the transformation of apocalyptic prophecy in the post-Cold War era, and apocalyptic ideas associated with UFOs and extraterrestrials. Includes bandw illustrations and photos. Educational and creepy for general readers. Annotation copyrighted by Book News, Inc., Portland, OR

The End of the World is a Cul de Sac Louise Kennedy 2021-04-01 'A dazzling, heartbreaking debut collection' Guardian 'Kennedy's voice, and her unforgiving gaze, are electric' Sunday Times 'These stories sing, haunt and inspire laughter ... One of the best collections I've read in years' Sinead Gleeson A SUNDAY TIMES BOOK OF THE YEAR The secrets people kept, the lies they told. In these visceral, stunningly crafted stories, people are effortlessly cruel to one another, and the natural world is a primitive salve. Here, women are domestically trapped by predatorial men, Ireland's folklore and politics loom large, and poverty - material, emotional, sexual - seeps through every crack. A wife is abandoned by her new husband in a ghost estate, with blood on her hands; a young woman is tormented by visions of the man murdered by her brother during the Troubles; a pregnant mother fears the worst as her husband grows illegal cannabis with the help of a vulnerable teenage girl; a woman struggles to forgive herself after an abortion threatens to destroy her marriage. Announcing a major new voice in literary fiction for the twenty-first century, these sharp shocks of stories offer flashes of beauty, and even humour, amidst the harshest of truths.

How to Build a Home for the End of the World Keely Shinnars

2022-03-21 How To Build a Home for the End of the World is a case study in three parts, authored by Californian anthropologist, Dr. Maria Camphor, and commissioned by the International Program for the Advancement and Longevity of the Universal Body. Contained within this frame, the 'case' is the story of Donny, a carpenter who renovates houses nobody lives in, and his daughter Mary-Beth, who is hell-bent on following her first love, Ida, to California, where she has gone to seek care for a chronic illness. Together, father and daughter must go on a road trip across a waterless American wasteland, populated by a cast of angels and ghosts, revolutionaries and academics, performance artists and desert hippies. Along the way, they must reckon with past mistakes, a broken home, and their own contentious relationship with each other. What home, if any, can we build in the face of oblivion? What is love like when memory, bodily integrity and relationships disintegrate? How do we deal with our staggering fragility when bodies and families are dismembered and reassembled? How can we still find time for joy and love and beauty without dishonest platitudes? How do we negotiate hope and despair? This novel explores these questions.

The Alehouse at the End of the World Stevan Allred 2018-11-06

When a fisherman receives a mysterious letter about his beloved's demise, he sets off in his skiff to find her on the Isle of the Dead. The Alehouse at the End of the World is an epic comedy set in the sixteenth century, where bawdy Shakespearean love triangles play out with shapeshifting avian demigods and a fertility goddess, drunken revelry, bio-dynamic gardening, and a narcissistic, bullying crow, who may have colluded with a foreign power. A raucous, aw-aw-aw-awe-inspiring romp, Stevan Allred's second book is a juicy fable for adults, and a hopeful tale for out troubled times.

By Nightfall Michael Cunningham 2010-09-28 Peter and Rebecca Harris: mid-forties denizens of Manhattan's SoHo, nearing the apogee of committed careers in the arts—he a dealer, she an editor. With a spacious loft, a college-age daughter in Boston, and lively friends, they are admirable, enviable contemporary urbanites with every reason, it seems, to be happy. Then Rebecca's much younger look-alike brother, Ethan (known in the family as Mizzy, "the mistake"), shows up for a visit. A beautiful, beguiling twenty-three-year-old with a history of drug problems, Mizzy is wayward, at loose ends, looking for direction. And in his presence, Peter finds himself questioning his artists, their work, his career—the entire world he has so carefully constructed. Like his legendary, Pulitzer Prize-winning novel, *The Hours*, Michael Cunningham's masterly new novel is a heartbreaking look at the way we live now. Full of shocks and aftershocks, it makes us think and feel

deeply about the uses and meaning of beauty and the place of love in our lives.

Googled Ken Auletta 2009-11-03 A revealing, forward-looking examination of the outsize influence Google has had on the changing media Landscape. There are companies that create waves and those that ride or are drowned by them. As only he can, bestselling author Ken Auletta takes readers for a ride on the Google wave, telling the story of how it formed and crashed into traditional media businesses—from newspapers to books, to television, to movies, to telephones, to advertising, to Microsoft. With unprecedented access to Google's founders and executives, as well as to those in media who are struggling to keep their heads above water, Auletta reveals how the industry is being disrupted and redefined. Using Google as a stand-in for the digital revolution, Auletta takes readers inside Google's closed-door meetings and paints portraits of Google's notoriously private founders, Larry Page and Sergey Brin, as well as those who work with—and against—them. In his narrative, Auletta provides the fullest account ever told of Google's rise, shares the 'secret sauce' of Google's success, and shows why the worlds of 'new' and 'old' media often communicate as if residents of different planets. Google engineers start from an assumption that the old ways of doing things can be improved and made more efficient, an approach that has yielded remarkable results? Google will generate about \$20 billion in advertising revenues this year, or more than the combined prime-time ad revenues of CBS, NBC, ABC, and FOX. And with its ownership of YouTube and its mobile phone and other initiatives, Google CEO Eric Schmidt tells Auletta his company is poised to become the world's first \$100 billion media company. Yet there are many obstacles that threaten Google's future, and opposition from media companies and government regulators may be the least of these. Google faces internal threats, from its burgeoning size to losing focus to hubris. In coming years, Google's faith in mathematical formulas and in slide rule logic will be tested, just as it has been on Wall Street. Distilling the knowledge accrued from a career of covering the media, Auletta will offer insights into what we know, and don't know, about what the future holds for the imperiled industry.

A Home at the End of the World Michael Cunningham 2010-08-24 From Michael Cunningham, the Pulitzer Prize-winning author of *The Hours*, comes the acclaimed novel of two boyhood friends *A Home at the End of the World*, now a feature film starring Colin Farrell and Dallas Roberts Jonathan. There's Jonathan, lonely, introspective, and unsure of himself; and Bobby, hip, dark, and inarticulate. In New York after college, Bobby moves in with Jonathan and his roommate, Clare, a veteran of the city's erotic wars. Bobby and Clare fall in love, scuttling the plans of Jonathan, who is gay, to father Clare's child. Then, when Clare and Bobby have a baby, the three move to a small house upstate to raise "their" child together and, with an odd friend, Alice, create a new kind of family. *A Home at the End of the World* masterfully depicts the charged, fragile relationships of urban life today.

The Ice at the End of the World Jon Gertner 2019 An urgent account of the explorers and scientists racing to understand the rapidly melting ice sheet in Greenland, a dramatic harbinger of climate change. As Greenland's ice melts and runs off into the sea, it not only threatens to affect hundreds of millions of people who live in coastal areas. It will also have drastic effects on ocean currents, weather systems, economies, and migration patterns

The House at World's End Monica Dickens 2011-09-28 Carrie, Tom, Em and Michael Fielding are at the mercy of their rotten Uncle Rudolph after a fire leaves them homeless, with their mother in hospital and their father abroad at sea. Uncle Rudolph and his vain wife Val reluctantly take the children in, but soon let them live alone at World's End, their ramshackle house in the countryside, rather than look after them. So begins a life with no grown-ups where the Fielding children can adopt as many dogs, cats, monkeys and horses as they like. Free at last from interference from their relatives, they begin to fend for themselves, adding to their already sizeable collection of animals - rescuing them from the thoughtless cruelty of adults. *The House at World's End* is the first adventure in *The World's End* series.

Until the End of the World Sarah Lyons Fleming 2013-09-22 Cassie Forrest isn't surprised to learn that the day she's decided to get her life together is also the day the world ends. After all, she's been on a self-imposed losing streak since her survivalist parents died: she's stopped

painting, broken off her engagement to Adrian and dated a real jerk. Rectifying her mistakes has to wait, however, because Cassie and her friends have just enough time to escape Brooklyn for her parents' cabin before Bornavirus LX turns them into zombies, too. This is difficult enough, but Cassie's tag along ex-boyfriend and her friend's bratty sister have a knack for making everything, even the apocalypse, more unpleasant. When the two attract a threat as deadly as the undead to their safe haven, Cassie's forced to see how far she'll go to protect those she loves. And it's a lot farther than she'd anticipated. This, coupled with Adrian's distant voice on Safe Zone Radio and, of course, the living dead, threaten to put Cassie right back into the funk she just dragged herself out of. Survival's great and all, especially when you have leather armor, good friends and home-brewed beer, but there's something Cassie must do besides survive: tell Adrian she still loves him. And to do that, Cassie has to find faith that she's stronger than she thinks, she's still a crack shot and true love never dies.

The Thief at the End of the World Joe Jackson 2008 JACKSON/THIEF AT THE END OF THE WOR

The End of Your World Adyashanti 2010-06-01 More and more people are waking up spiritually. And for most of them, the question becomes: Now what? "Information about life after awakening is usually not made public," explains Adyashanti. "It's most often shared only between teachers and their students." The End of Your World is his response to a growing need for direction on the spiritual path. Consider this Adyashanti's personal welcome to "a new world, a state of oneness." Adyashanti begins by describing the "I got it/I lost it" phenomenon that perplexes so many of his students—the fluctuation between what he calls "nonabiding" awakening, and the ultimate state of "abiding" enlightenment. With straight talk and penetrating insight, Adyashanti then points out the pitfalls and cul-de-sacs that "un-enlighten" us along the journey, including the trap of meaninglessness, how the ego can "co-opt" realization for its own purposes, the illusion of superiority that may accompany intense spiritual breakthroughs, and the danger of becoming "drunk on emptiness." "Full awakening comes when you sincerely look at yourself, deeper than you've imagined, and question everything," teaches Adyashanti. The End of Your World is your invitation to join Adyashanti for an honest investigation of what you really are—and how to live once you discover it.

The End of the World as We Know it Robert Goolrick 2007-01-01 A candid and deeply personal memoir of growing up in the seemingly idyllic world of a small Southern college town reflects on the devastating secrets behind the genteel faade and the effects of a family history of alcoholism on his life.

Lighthouse at the End of the World Jules Verne 2007-12-01 In 1859, three sailors arrive on an isolated island to man a new lighthouse at the wreck-prone tippy tip of South America. They soon discover a band of egregious criminals, led by dangerous evildoer Kongre, who have been tricking ships into running aground, killing the survivors and taking the loot. When two lighthouse men go to assist a ship and are killed, serious trouble ensues.

Looking Back on the End of the World Jean Baudrillard 1989 Looking Back on the End of the World raises provocative questions about the possibilities of critical knowledge in social systems that seem to have surpassed history. First published in 1989, Looking Back on the End of the World raises provocative questions about the possibilities of critical knowledge in social systems that seem to have surpassed history. Unlike recent works that make history end with the consumer, or project the conflict between the capitalist and the oppressed into the future, the writers in these essays perform a much more basic task: they argue that we can now think through the end of the world. The idea of a unified world, they claim, has given way to new sensibilities about history. The essays evaluate current negative obsessions such as apocalypse and the elimination of difference, and offer positive approaches to the gamble of thinking required in a society without traditional subjects and institutions. Capitalism, the book argues, has changed all the rules of the game, and any nostalgia for starting from the familiar in terms of intellectual critique is doomed. Collectively, the authors sketch the unfamiliarity of the new, those moments when our categories dissolve in the face of connections and relations that announce all sorts of ends. And other things besides. Contributors: Jean Baudrillard, Gunter Gebauer, Dieter Lenzen, Edgar Morin, Gerburg Treusch-Dieter, Paul Virilio

The Quiet at the End of the World Lauren James 2019-03 A sci-fi mystery adventure about the last surviving members of the human race. "Lauren James is a genius at building tension." SFX Magazine "James is one to watch." Kirkus Reviews How would it feel to be the last remaining

human? Lowrie and Shen are the youngest people in the world after a virus caused global infertility. When the virus mutates to become even more deadly, the pair face a future entirely alone unless they can find a cure. But how can two teenagers succeed where the great scientists have failed? It feels as though there is no hope for humanity until they discover a secret that turns their entire world upside-down.

Flesh and Blood Michael Cunningham 1995 Follows the Stassos family through four generations of ambition, love, violence, and change, focusing on the turbulent lives of the Stassos children

The Snow Queen Michael Cunningham 2014-05-06 A darkly luminous new novel from the Pulitzer Prize-winning author of *The Hours* Michael Cunningham's luminous novel begins with a vision. It's November 2004. Barrett Meeks, having lost love yet again, is walking through Central Park when he is inspired to look up at the sky; there he sees a pale, translucent light that seems to regard him in a distinctly godlike way. Barrett doesn't believe in visions—or in God—but he can't deny what he's seen. At the same time, in the not-quite-gentrified Bushwick neighborhood of Brooklyn, Tyler, Barrett's older brother, a struggling musician, is trying—and failing—to write a wedding song for Beth, his wife-to-be, who is seriously ill. Tyler is determined to write a song that will be not merely a sentimental ballad but an enduring expression of love. Barrett, haunted by the light, turns unexpectedly to religion. Tyler grows increasingly convinced that only drugs can release his creative powers. Beth tries to face mortality with as much courage as she can summon. Cunningham follows the Meeks brothers as each travels down a different path in his search for transcendence. In subtle, lucid prose, he demonstrates a profound empathy for his conflicted characters and a singular understanding of what lies at the core of the human soul. *The Snow Queen*, beautiful and heartbreaking, comic and tragic, proves again that Cunningham is one of the great novelists of his generation. **Home at the End of the World** Rita B Troxel 2020-12-18 1st person non-fiction stories of Key West in the 1960s, 70s, and 80s.

You & Me at the End of the World Brianna Bourne 2021-08-05 This is no ordinary apocalypse... Hannah wakes up to silence. The entire city around her is empty, except for one other person: Leo. Stuck with only each other, they explore a world with no parents, no friends, and no school and realise that they can be themselves, instead of playing the parts everyone expects of them. Together, they search for answers amid crushing isolation. But while their empty world may appear harmless . . . it's not. Because nothing is quite as it seems, and if Hannah and Leo don't figure out what's going on, they might just be torn apart forever. Perfect for fans of John Green. A romantic apocalypse story like no other.

The Boy at the End of the World Greg van Eekhout 2011-06-21 Born half-grown in a world that is being destroyed, Fisher has instinctive knowledge of many things, including that he must avoid the robot that knows his name.

Middleworld Jon Voelkel 2010-04 When his archaeologist parents go missing in Central America, fourteen-year-old Max embarks on a wild adventure through the Mayan underworld in search of the legendary Jaguar Stones, which enabled ancient Mayan kings to wield the powers of living gods. Includes cast of characters, glossary, facts about the Maya cosmos and calendar, and a recipe for chicken tamales.

It's Not the End of the World Judy Blume 2014-04-29 When her parents divorce, a sixth grader struggles to understand that sometimes people are unable to live together.

The House at the Edge of the World Julia Rochester 2015-06-04 LONGLISTED FOR THE BAILEYS WOMEN'S PRIZE FOR FICTION AND SHORTLISTED FOR THE DESMOND ELLIOTT PRIZE 2016 Part mystery, part psychological drama, Julia Rochester's *The House at the Edge of the World* is a darkly comic, unorthodox and thrilling debut When I was eighteen, my father fell off a cliff. It was a stupid way to die. John Venton's drunken fall from a Devon cliff leaves his family with an embarrassing ghost. His twin children, Morwenna and Corwin, flee in separate directions to take up their adult lives. Their mother, enraged by years of unhappy marriage, embraces merry widowhood. Only their grandfather finds solace in the crumbling family house, endlessly painting their story onto a large canvas map. His brightly coloured map, with its tiny pictures of shipwrecks, forgotten houses, saints and devils, is a work of his imagination, a collection of local myths and histories. But it holds a secret. As the twins are drawn grudgingly back to the house, they discover that their father's absence is part of the map's mysterious pull. *The House at the Edge of the World* is the compellingly told story of how family and home can be both a source of comfort and a wholly destructive force. Cutting to the undignified half-truths every family conceals, it asks the questions we all must confront: who are we

responsible for and, ultimately, who do we belong to? 'A story that carries you along - clever plotting and a startling outcome. An impressive first novel' Penelope Lively 'Wonderfully crisp and funny and it's so full of vivid, surprising images that the reader almost doesn't notice the moment that deep secrets begin to be revealed' Emma Healey, author of *Elizabeth is Missing* Julia Rochester grew up on the Exe Estuary in Devon. She studied in London, Berlin and Cambridge and has worked for the BBC Portuguese Service and for Amnesty International as Researcher on Brazil. She lives in London with her husband and daughter.

The End of the World Book Alistair McCartney 2008-04-05 This is no ordinary novel. An encyclopedia of memory—from A to Z—The End of the World Book deftly intertwines fiction, memoir, and cultural history, reimagining the story of the world and one man's life as they both hurtle toward a frightening future. Alistair McCartney's alphabetical guide to the apocalypse layers images like a prose poem, building from Aristotle to da Vinci, hip-hop to lederhosen, plagues to zippers, while barreling from antiquity to the present. In this profound book about mortality, McCartney composes an irreverent archive of philosophical obsessions and homoerotic fixations, demonstrating the difficulty of separating what is real from what is imagined. Finalist, Edmund White Award for Debut Fiction, The Publishing Triangle Finalist, PEN USA Literary Award for Fiction

Songs for the End of the World Saleema Nawaz 2021-08-24 An enthralling, hopeful novel about the power of human connection in a time of crisis, as the bonds of love, family, and duty are tested. NATIONAL BESTSELLER. How quickly he'd forgotten a fundamental truth: the closer you got to the heart of a calamity, the more resilience there was to be found. This is the story of a handful of people living through an unfolding catastrophe. Elliot is a first responder in New York, a man running from past failures and struggling to do the right thing. Emma is a pregnant singer preparing to headline a benefit concert for victims of a growing outbreak—all while questioning what kind of world her child is coming into. Owen is the author of a bestselling novel with eerie similarities to the real-life crisis, and as fact and fiction begin to blur, he must decide whether his lifelong instinct for self-preservation has been worth the cost. As we discover these characters' ties to one another—and to the mystery of the so-called ARAMIS Girl—what emerges is an extraordinary web of connection and community that reveals none of us is ever truly alone. Brilliantly told by an unforgettable chorus of voices, this glittering novel is a moving and hopeful meditation on what we owe to ourselves and to each other. It reminds us that disaster can bring out the best in people—and that coming together may be what saves us in the end.

It's The End of the World and I'm In My Bathing Suit Justin A. Reynolds 2022-04-05 A hilarious new middle-grade from Justin A. Reynolds that asks: What happens when five unsupervised kids face the apocalypse under outrageously silly circumstances? Twelve-year-old Eddie Gordon Holloway has concocted his most genius plan ever to avoid chores... especially the dreaded L-A-U-N-D-R-Y. If he can wear all the clothes he owns, he'll only have to do the laundry once during his school break. On the day of the highly anticipated Beach Bash, Eddie's monstrous pile of dirty laundry is found by his mom. And Eddie's day has just taken a turn for the worst. Now he's stuck at home by himself, missing the bash, and doing his whole pile of laundry. But mid-cycle, the power goes out! With his first load of laundry wet and the rest of his stuff still filthy, he sets out to explore the seemingly empty neighborhood in his glow-in-the-dark swim trunks, flip-flops, and a beach towel. He soon meets up with other neighborhood kids: newcomer Xavier (who was mid-haircut and has half his head shaved), Eddie's former friend Sonia (who has spent her entire break trying to beat a video game and was mid-battle with the final boss), and siblings Trey and Sage (who are dealing with major sibling drama). As they group up to cover more ground and find out what happened, they realize that their families aren't coming back anytime soon. And as night falls, the crew realizes that they aren't just the only people left in the neighborhood, they might be the only people left... anywhere.

Agnes at the End of the World Kelly McWilliams 2020-06-09 The Handmaid's Tale meets Wilder Girls in this genre-defying novel about a girl who escapes a terrifying cult only to discover that the world Outside has succumbed to a viral apocalypse. Agnes loves her home of Red Creek—its quiet, sunny mornings, its dusty roads, and its God. There, she cares tirelessly for her younger siblings and follows the town's strict laws. What she doesn't know is that Red Creek is a cult, controlled by a madman who calls himself a prophet. Then Agnes meets Danny, an

Outsider boy, and begins to question what is and isn't a sin. Her younger brother, Ezekiel, will die without the insulin she barter for once a month, even though medicine is considered outlawed. Is she a sinner for saving him? Is her sister, Beth, a sinner for dreaming of the world beyond Red Creek? As the Prophet grows more dangerous, Agnes realizes she must escape with Ezekiel and leave everyone else, including Beth, behind. But it isn't safe Outside, either: A viral pandemic is burning through the population at a terrifying rate. As Agnes ventures forth, a mysterious connection grows between her and the Virus. But in a world where faith, miracles, and cruelty have long been indistinguishable, will Agnes be able to choose between saving her family and saving the world?

Notes from an Apocalypse Mark O'Connell 2020-04-14 AN NPR BEST BOOK OF THE YEAR • An absorbing, deeply felt book about our anxious present tense—and coming to grips with the future, by the author of the award-winning *To Be a Machine*. “Deeply funny and life-affirming, with a warm, generous outlook even on the most challenging of subjects.”

—Esquire We're alive in a time of worst-case scenarios: The weather has gone uncanny. A pandemic draws our global community to a halt. Everywhere you look there's an omen, a joke whose punchline is the end of the world. How is a person supposed to live in the shadow of such a grim future? What might it be like to live through the worst? And what on earth is anybody doing about it? Dublin-based writer Mark O'Connell is consumed by these questions—and, as the father of two young children, he finds them increasingly urgent. In *Notes from an Apocalypse*, he crosses the globe in pursuit of answers. He tours survival bunkers in South Dakota. He ventures to New Zealand, a favored retreat of billionaires banking on civilization's collapse. He engages with would-be Mars colonists, preppers, right-wing conspiracists. And he bears witness to places, like Chernobyl, that the future has already visited—real-life portraits of the end of the world as we know it. What emerges is an absorbing, funny, and deeply felt book about our anxious present tense—and coming to grips with what's ahead.

End of the World House Adrienne Celt 2023-04-18 Groundhog Day meets Ling Ma's *Severance* in this “brilliant” (PopSugar) and “exhilarating” (The Millions) comedic novel about two young women trying to save their friendship as the world collapses around them. Bertie and Kate have been best friends since high school. Bertie is a semi-failed cartoonist, working for a prominent Silicon Valley tech firm. Her job depresses her, but not as much as the fact that Kate has recently decided to move from San Francisco to Los Angeles. When Bertie's attempts to make Kate stay fail, she suggests the next best thing: a trip to Paris that will hopefully distract the duo from their upcoming separation. The vacation is also a sort of last hurrah, coming during the ceasefire in a series of escalating world conflicts. One night in Paris, they meet a strange man in a bar who offers them a private tour of the Louvre. The women find themselves alone in the museum, where nothing is quite as it seems. Caught up in a day that keeps repeating itself, Bertie and Kate are eventually separated, and Bertie is faced with a mystery that threatens to derail everything. In order to make her way back to Kate, Bertie has to figure out how much control she has over her future—and her past—and how to survive in an apocalypse when the world keeps refusing to end.

Me, All Alone, at the End of the World M. T. Anderson 2005 A boy enjoys living quietly by himself at The End of the World until Mr. Constantine Shimmer, “Professional Visionary,” builds an inn and an amusement park, demanding that tourists come and have “Fun Without End!” Jr Lib Guild.

The Cabin at the End of the World Paul Tremblay 2018-06-26 Paul Tremblay's terrifying twist to the home invasion novel—inspiration for the upcoming major motion picture from Universal Pictures “Tremblay's personal best. It's that good.” — Stephen King Seven-year-old Wen and her parents, Eric and Andrew, are vacationing at a remote cabin on a quiet New Hampshire lake. Their closest neighbors are more than two miles in either direction along a rutted dirt road. One afternoon, as Wen catches grasshoppers in the front yard, a stranger unexpectedly appears in the driveway. Leonard is the largest man Wen has ever seen, but he is young, friendly, and he wins her over almost instantly. Leonard and Wen talk and play until Leonard abruptly apologizes and tells Wen, “None of what's going to happen is your fault.” Three more strangers then arrive at the cabin carrying unidentifiable, menacing objects. As Wen sprints inside to warn her parents, Leonard calls out: “Your dads won't want to let us in, Wen. But they have to. We need your help to save the world.” Thus begins an unbearably tense, gripping tale of paranoia, sacrifice, apocalypse, and survival that escalates to a shattering conclusion, one in which the fate of a loving family and quite possibly all of humanity are entwined. *The Cabin at the End of the World* is a masterpiece of terror

and suspense from the fantastically fertile imagination of Paul Tremblay. **A Home at the End of the World** Michael Cunningham 1998-11-15 Friends since the age of thirteen, Jonathan and Bobby live troubled lives that eventually take them to New York, where they meet the romantically troubled Clare, and the three embark on a new life together

The Well at the End of the World Robert D. San Souci 2013-02-01

Princess Rosamond isn't your typical princess. She prefers good books to good looks and keeps both the royal accounts and the castle drawbridge in working order. When her greedy stepmother and stepsister scheme to spend the royal treasury and her father, the king, falls ill, Rosamond must set out in search of the one thing that can cure him—the healing waters found in the magical well at the end of the world. In the spirit of *The Talking Eggs*, award-winning author Robert San Souci has once again created a feisty heroine whose generosity and courage save the day combined with Rebecca Walsh's vibrant paintings. This is an adventure story that readers will turn to again and again.

The End of the World Don Hertzfeldt 2019-10-01 From the imagination of legendary animator and two-time Oscar nominee Don Hertzfeldt comes a hilarious fever-dream vision of the apocalypse, now available in wide release for the first time since the rare original edition sold out. Created during sleepless nights while he worked on his animated films, *The End of the World* was illustrated entirely on Post-It notes over the course of several years, slowly taking shape from all the deleted scenes, bad dreams, and abandoned ideas that were too strange to make it to the big screen, including essential early material that was later developed into the animated classic *World of Tomorrow*. Hertzfeldt's visually striking work transcends its unusual nature and taps into the deeply human, universal themes of mortality, identity, memory, loss, and parenthood . . . with the occasional monstrous biting eel descending from the sky.

Energy at the End of the World Laura Watts 2019-01-15 Making local energy futures, from marine energy to hydrogen fuel, at the edge of the world. The islands of Orkney, off the northern coast of Scotland, are closer to the Arctic Circle than to London. Surrounded by fierce seas and shrouded by clouds and mist, the islands seem to mark the edge of the known world. And yet they are a center for energy technology innovation, from marine energy to hydrogen fuel networks, attracting the interest of venture capitalists and local communities. In this book, Laura Watts tells a story of making energy futures at the edge of the world. Orkney, Watts tells us, has been making technology for six thousand years, from arrowheads and stone circles to wave and tide energy prototypes. Artifacts and traces of all the ages—Stone, Bronze, Iron, Viking, Silicon—are visible everywhere. The islanders turned to energy innovation when forced to contend with an energy infrastructure they had outgrown. Today, Orkney is home to the European Marine Energy Centre, established in 2003. There are about forty open-sea marine energy test facilities in the world, many of which draw on Orkney expertise. The islands generate more renewable energy than they use, are growing hydrogen fuel and electric car networks, and have hundreds of locally owned micro wind turbines and a decade-old smart grid. Mixing storytelling and ethnography, empiricism and lyricism, Watts tells an Orkney energy saga—an account of how the islands are creating their own low-carbon future in the face of the seemingly impossible. The Orkney Islands, Watts shows, are playing a long game, making energy futures for another six thousand years.

The Islands at the End of the World Austin Aslan 2014-08-05 In this fast-paced survival story set in Hawaii, electronics fail worldwide, the islands become completely isolated, and a strange starscape fills the sky. Leilani and her father embark on a nightmare odyssey from Oahu to their home on the Big Island. Leilani's epilepsy holds a clue to the disaster, if only they can survive as the islands revert to earlier ways. A powerful story enriched by fascinating elements of Hawaiian ecology, culture, and warfare, this captivating and dramatic debut from Austin Aslan is the first of two novels. The author has a master's degree in tropical conservation biology from the University of Hawaii at Hilo. Praise for *Islands at the End of the World*: "A riveting tale of belonging, family, overcoming perceived limitations, and finding a home."--School Library Journal, Starred "Aslan's debut honors Hawaii's unique cultural strengths--family ties and love of home, amplified by geography and history--while remaining true to a genre that affirms the mysterious grandeur of the universe waiting to be discovered."--Kirkus Reviews, Starred "Aslan's debut is a riveting tale of belonging, family, overcoming perceived limitations, and finding a home."--School Library Journal, Starred

The End of October Lawrence Wright 2021-04-27 NEW YORK TIMES BESTSELLER • From the Pulitzer Prize-winning author of *The Looming*

Tower—a riveting thriller and “all-too-convincing chronicle of science, espionage, action and speculation” (*The Wall Street Journal*). At an internment camp in Indonesia, forty-seven people are pronounced dead with acute hemorrhagic fever. When epidemiologist Henry Parsons travels there on behalf of the World Health Organization to investigate, what he finds will have staggering repercussions. Halfway across the globe, the deputy director of U.S. Homeland Security scrambles to mount a response to the rapidly spreading pandemic leapfrogging around the world, which she believes may be the result of an act of biowarfare. And a rogue experimenter in man-made diseases is preparing his own terrifying solution. As already-fraying global relations begin to snap, the virus slashes across the United States, dismantling institutions and decimating the population. With his own wife and children facing diminishing odds of survival, Henry travels from Indonesia to Saudi Arabia to his home base at the CDC in Atlanta, searching for a cure and for the origins of this seemingly unknowable disease. *The End of October* is a one-of-a-kind thriller steeped in real-life political and scientific implications, filled with the insight that has been the hallmark of Wright's acclaimed nonfiction and the full-tilt narrative suspense that only the best fiction can offer.

The Barn at the End of the World Mary Rose O'Reilley 2014-02-28 “About the subtlest, most sane-making book on contemporary spirituality that I've read in years. It's also the funniest.”—Joanna Macy, author of *Active Hope* Deciding that her life was insufficiently grounded in real-world experience, Mary Rose O'Reilley, a Quaker reared as a Catholic, embarked on a year of tending sheep. In this decidedly down-to-earth, often-hilarious book, O'Reilley describes her work in an agricultural barn and her extended visit to a Buddhist monastery in France, where she studied with Thich Nhat Hanh. She seeks, in both barn and monastery, a spirituality based not in “climbing out of the body” but rather in existing fully in the world. “O'Reilley has obviously mastered the craft of writing. Her rich, allusive prose draws on Catholicism, Quakerism, Buddhism, monastic tradition, Shakespeare and the Bible. Her short vignettes are luminous with faith matters, yet full of the earthy details of animal husbandry, resulting in a style that's a cross between Kathleen Norris and James Herriot.”—Publishers Weekly “This enjoyable book offers lingering pleasure.”—Library Journal

The News from the End of the World Emily Jeanne Miller 2017-02-21 Secrets shake up a New England family in this domestic drama from the author of *Brand New Human Being*. Vance Lake is broke, jobless, and recently dumped. Taking refuge with his twin brother, Craig, on Cape Cod, he unwittingly finds himself in the middle of a crisis that would test even the most cohesive family, let alone the Lakes. Seventeen-year-old Amanda is pregnant. Craig is heartbroken and full of rage; his exasperated wife, Gina, is on the brink of an affair; and Amanda is indignant, ashamed, and very, very scared. Told in alternating points of view by each member of this colorful New England clan, and infused with the quiet charm of the Cape in the off-season, *The News from the End of the World* follows one family into a crucible of pent-up resentments, old and new secrets, and memories long buried. Only by coming to terms with their pasts, as individuals and together, do they stand a chance of emerging intact. “This one's a winner.”—People “A beautifully crafted portrait of a Cape Cod family...I loved it.”—Helen Simonson, author of *Major Pettigrew's Last Stand* “My favorite kind of book, bighearted and full of complicated flawed characters stumbling through love and life, making hard choices, making mistakes, and making the reader fall in love with every one of them.”—Ann Hood, author of *The Book That Matters Most* “With wonderfully crafted characters and expert pacing, Miller has written the kind of narrative that readers crave: a beautifully written, hard-to-put-down story that will stay long after the book has been closed.”—Booklist

Home At The End Of The World

Welcome to activistcash.com, your go-to destination for a vast collection of **Home At The End Of The World** PDF eBooks. We are passionate about making the world of literature accessible to everyone, and our platform is designed to provide you with a seamless and enjoyable for Home At The End Of The World eBook downloading experience.

At activistcash.com, our mission is simple: to democratize knowledge and foster a love for reading Home At The End Of The World. We believe that everyone should have access to Home At The End Of The World eBooks,

spanning various genres, topics, and interests. By offering Home At The End Of The World and a rich collection of PDF eBooks, we aim to empower readers to explore, learn, and immerse themselves in the world of literature.

In the vast expanse of digital literature, finding Home At The End Of The World sanctuary that delivers on both content and user experience is akin to discovering a hidden gem. Enter activistcash.com, Home At The End Of The World PDF eBook download haven that beckons readers into a world of literary wonders. In this Home At The End Of The World review, we will delve into the intricacies of the platform, exploring its features, content diversity, user interface, and the overall reading experience it promises.

At the heart of activistcash.com lies a diverse collection that spans genres, catering to the voracious appetite of every reader. From classic novels that have withstood the test of time to contemporary page-turners, the library pulsates with life. The Home At The End Of The World of content is evident, offering a dynamic range of PDF eBooks that oscillate between profound narratives and quick literary escapes.

One of the defining features of Home At The End Of The World is the orchestration of genres, creating a symphony of reading choices. As you navigate through the Home At The End Of The World, you will encounter the perplexity of options — from the structured complexity of science fiction to the rhythmic simplicity of romance. This diversity ensures that every reader, irrespective of their literary taste, finds Home At The End Of The World within the digital shelves.

In the realm of digital literature, burstiness is not just about variety but also the joy of discovery. Home At The End Of The World excels in this dance of discoveries. Regular updates ensure that the content landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Home At The End Of The World paints its literary masterpiece. The website's design is a testament to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Home At The End Of The World is a symphony of efficiency. The user is greeted with a straightforward pathway to their chosen eBook. The burstiness in the download speed ensures that the literary delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to the treasures held within the digital library.

A key aspect that distinguishes activistcash.com is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download Home At The End Of The World is a legal and ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

activistcash.com doesn't just offer Home At The End Of The World; it fosters a community of readers. The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This interactivity adds a burst of social connection to the reading

experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, activistcash.com stands as a vibrant thread that weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. It's not just a Home At The End Of The World eBook download website; it's a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

Home At The End Of The World

We take pride in curating an extensive library of Home At The End Of The World PDF eBooks, carefully selected to cater to a broad audience. Whether you're a fan of classic literature, contemporary fiction, or specialized non-fiction, you'll find something that captivates your imagination.

User-Friendly Platform

Navigating our website is a breeze. We've designed the user interface with you in mind, ensuring that you can effortlessly discover Home At The End Of The World and download Home At The End Of The World eBooks. Our search and categorization features are intuitive, making it easy for you to find Home At The End Of The World.

Legal and Ethical Standards

activistcash.com is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Home At The End Of The World that are either in the public domain, licensed for free distribution, or provided by authors and publishers with the right to share their work.
