The Life of a Cotton Picking Coaching Preacher Bill Laird 2012-03

This book is the synopsis of three areas of an individual's life and his family. It begins with his ancestors in the mid 19th century and concludes with the present life of his family in 2011. It includes his family life on cotton farms as a youth and his careers as a football, basketball and track coach and finally several years as a minister.

George Jarrod Tatom 2021-07-21 George Took the right steps to have a comfortable life, unfortunately his path became a bumpy road, of many hardships that beat him down mentally. Eventually the demons became more than he could bare. He sadly sent his body and heart to heaven but left his soul and knowledge for a young boy's conscience to make it through life without self-harm.

What and Where is God? A Human Answer to the Deep Religious Cry of the Modern Soul Richard La Rue Swain 2019-12-06 "What and Where is God? A Human Answer to the Deep Religious Cry of the Modern Soul" by Richard La Rue Swain was written to answer some of the most important and nagging questions humans face which have often caused men and women to suffer from uncertainty. Starting with an examination of how religion can, in some cases, push people toward atheism, the book then goes on to look at the question of God and belief from a scientific perspective before delving into some of man's unanswered questions.

Christmas Memories and Merry Moments Glenn Martin 2003-12 A collection of stories from the author's life about his experiences celebrating the Christmas holiday.

The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers James Karman 2011-10-12 The 1930s marked a turning point for the world. Scientific and technological revolutions, economic and social upheavals, and the outbreak of war changed the course of history. The 1930s also marked a turning point for Robinson Jeffers, both in his career as a poet and in his private life. The letters collected in this second volume of annotated correspondence document Jeffers' rising fame as a poet, his controversial response to the turmoil of his time, his struggles as a writer, the growth and maturation of his twin sons, and the network of friends and acquaintances that surrounded him. The letters also provide an intimate portrait of Jeffers' relationship to his wife Una—including a full account of the 1938 crisis at Mabel Dodge Luhan's home in Taos, New Mexico that nearly destroyed their marriage.

Glory Denied Tom Philpott 2001 *Glory Denied* is the harrowing and heroic story of Floyd "Jim" Thompson, captured in March 1964, who became the longest-held prisoner of war in American history. Tom Philpott juxtaposes Thompson's capture, torture, and multiple escape attempts with the trials of his young wife, Alyce, who, feeling trapped, made choices that forever tied her fate to the war she despised. "One of the most honest books ever written about Vietnam" (Oliver Stone), *Glory Denied* demands that we rethink the definition of a true American hero.

Sweet Home Highland Christmas May McGoldrick 2023-01-05 Freya Sutherland is a desperate aunt trying to keep custody of her precocious

young niece, Ella. After the death of her father, Freya is willing to do anything to prove she's capable of being Ella's guardian, even if it means marrying for security instead of love. Recently retired from the military, Captain Gregory Pennington wants nothing more than to make it home in time for Christmas. When his brother hears of his plans to return to the family estate for the holidays, he asks Penn to escort some travelers to the bordering estate. When Freya and Penn meet their chemistry is instant. Once they realize he's their escort for the journey, there's no escaping their attraction. But Penn has plans that do not include a wife and child. And Freya has responsibilities as Ella's guardian, no matter her growing discontent with her upcoming marriage. With Ella conspiring to get them together, Penn and Freya might just experience a little magic during the holidays. While poorer communities are typically most vulnerable to the negative effects of climate change, even well-resourced communities are increasingly vulnerable as climate-related storms intensify. Yet little is known about how middle-class communities are responding to these storms and the resulting damage. In *Soaking the Middle Class*, sociologists Anna Rhodes and Max Besbris examine how a middle-class community recovers from a climate-related disaster and how this process fosters inequality within these kinds of places. In 2017, Hurricane Harvey dropped record-breaking rainfall in Southeast Texas resulting in more than \$125 billion in direct damages. Rhodes and Besbris followed 59 flooded households in Friendswood, Texas, for two years after the storm to better understand the recovery process in a well-resourced, majority-White, middle-class suburban community. As such, Friendswood should have been highly resilient to storms like Harvey, yet Rhodes and Besbris find that the recovery process exacerbated often-invisible economic inequality between neighbors. Two years after Harvey, some households were in better financial positions than they were before the storm, while others still had incomplete repairs, were burdened with large new debts, and possessed few resources to draw on should another disaster occur.

Rhodes and Besbris find that recovery policies were significant drivers of inequality, with flood insurance playing a key role in the divergent recovery outcomes within Friendswood. Households with flood insurance prior to Harvey tended to have higher incomes than those that did not. These households received high insurance payouts, enabling them to replace belongings, hire contractors, and purchase supplies. Households without coverage could apply for FEMA assistance, which offered considerably lower payouts, and for government loans, which would put them into debt. Households without coverage found themselves exhausting their financial resources, including retirement savings, to cover repairs, which put them in even more financially precarious positions than they were before the flood. The vast majority of Friendswood residents chose to repair and return to their homes after Hurricane Harvey. Even this devastating flood did not alter their plans for long-term residential stability, and the structure of recovery policies only further oriented homeowners towards returning to their homes. Prior to Harvey, many Friendswood households relied on flood damage from previous storms to judge their vulnerability and considered themselves at low risk. After Harvey, many found it difficult to assess their level of risk for future flooding. Without strong guidance from federal agencies or the local government on how to best evaluate risk, many residents ended up returning to potentially unsafe places. As climate-related disasters become more severe, Soaking the Middle Class illustrates how inequality in the United States will continue to grow if recovery policies are not fundamentally changed.

The Four Quarters of the Night Tara Singh Bains 1995 Tara Singh Bains is one of those rare people who sees the hand of God in every facet of his life. A man of strong convictions, he has consistently refused to compromise his beliefs. The Four Quarters of the Night is as much the story of his faith as of his life.

The Shade of Night Allysson Fugitt 2015-03-10 Mary Shane comes home from school one day to find her mother beaten to unconsciousness, this leads her on a perilous journey to find her father, the man that has spent her entire life on the run, always nothing more than a shadow. She must play his deadly game, become the very darkness he hides in, if she ever wants to have a chance at the love she found and the normal life she used to take for granted. As Mary Shane makes her way into the deadly world her father lives in, a world where people have seemingly magical powers and always seem to be one step ahead of you, she discovers that maybe his frequent disappearances and constant paranoia were justified. She finds herself forced to make dangerous decisions and do things she never in her worst nightmare had to face. With the government chasing her every footstep, she must find her father before they do if she ever hopes to survive this wild ride and earn the right to live. She discovers that everything she's ever experienced is because of her father and as she begins to put the pieces together she wonders if there is more to this story than anyone else knows.

Journey to the End of the Night Louis-Ferdinand Céline 2006-05-17 Céline's masterpiece—colloquial, polemic, hyper-realistic, boiling over with black humor Céline's masterpiece—colloquial, polemic, hyper-realistic—boils over with bitter humor and revulsion at society's idiocy and hypocrisy: Journey to the End of the Night is a literary symphony of cruelty and violence that hurtles through the improbable travels of the petit bourgeois (and largely autobiographical) antihero, Bardamu: from the trenches of WWI, to the African jungle, to New York, to the Ford Factory in Detroit, and finally to life in Paris as a failed doctor. Ralph Manheim's pitch-perfect translation captures Céline's savage energy, and a dynamic afterword by William T. Vollmann presents a fresh, furiously alive take on this astonishing novel.

The Bridge Home Padma Venkatraman 2020-04-14 "Readers will be captivated by this beautifully written novel about young people who must use their instincts and grit to survive. Padma infuses her story with hope and bravery that will inspire readers."--Aisha Saeed, author of the New York Times Bestseller *Amal Unbound* Four determined homeless children make a life for themselves in Padma Venkatraman's stirring middle-grade debut. Life is harsh on the teeming streets of Chennai, India, so when runaway sisters Viji and Rukku arrive, their prospects look grim. Very quickly, eleven-year-old Viji discovers how vulnerable they are in this uncaring, dangerous world. Fortunately, the girls find shelter--and friendship--on an abandoned bridge that's also the hideout of Muthi and Arul, two homeless boys, and the four of them soon form a family of sorts. And while making their living scavenging the city's trash heaps is the pits, the kids find plenty to take pride in, too. After all, they are now the bosses of themselves and no longer dependent on untrustworthy adults. But when illness strikes, Viji must decide whether to risk seeking help from strangers or to keep holding on to their fragile, hard-fought freedom.

When Tomorrow Starts Without Me Lori Plegge 2014 Most people who have lost a child write books about how to cope with the child's death. Author Lori Plegge has taken a different perspective on losing a child. Instead of writing about how to cope with the death of a child, she has decided to write a story about her son's life. When Tomorrow Starts Without Me is a true story about the life and death of a young man named Anthony. No matter how hard Lori tried to raise Anthony right, he made some bad choices in his life and those bad choices led to his death. When reading this book you will experience every emotion possible, you become a part of the story. When Tomorrow Starts Without me is not just a sad story about the death of a 19 year old boy but it also tells you funny childhood stories along with some near death experiences Anthony had. Even though the loss of a child is a very tragic thing, Lori has managed to take that tragedy and turn it into something positive to help others.
