Home Renovation and Remodeling Ideas Debra Morrison 2015-10-23 Home Renovation Ideas to Improve the Value of Your Home Your house is perhaps one of the most important assets that you own. It is therefore important that you always make sure that you take care of the market value of your home by making sure that it provides comfort and is beautiful at all times. Having said this, the most effective way

to make your house look always welcoming is to undertake home renovation. While home renovation is a great way to make your home more comfortable, functional and beautiful, not everyone knows where to begin. If you are planning to renovate your house, then this book is for you. With this book, you will be able to learn the following: Chapter 1 discusses about the things that you need to do before home renovation. The thing is that you just don't jump to home renovation without careful planning. This chapter will also give you tips on how you can plan your home renovation projects by making a check list. On the other hand, chapter 2 discusses about the things that you need to do during home renovation. We will give you tips on how you can survive a home renovation project from start to finish. We will also share the different home renovation mistakes that people commit that prevent them from enjoying their home renovation project. Lastly, chapter 3 will give you the great renovation ideas that you can do in your house. The chapter is divided into different sections. This chapter will give renovation ideas for major rooms in your house. A discussion about low budget home renovation ideas will also be discussed in this chapter. Home renovation is a great project that you can undertake for your house. Let this book serve as your guide so that you can carry out your home renovation projects successfully.

House Story Jasmine Roth 2021-10-12 The star of HGTV's Hidden Potential and HELP! I Wrecked My House offers a rare glimpse behind the TV show curtain, inviting readers into her world with super-simple advice that takes all the guesswork and stress out of any home project. "Renovating a home can be mega intimidating, but not if you surrender to the wisdom of your new guru, Jasmine Roth. She knows all."—Jonathan Adler Finding your style is the first step to creating your dream home, whether you're buying a new place, designing ground-up construction, or simply sprucing up the décor on a rental. Through her clear descriptions of four common design types and their many style subsets, along with thought-provoking questions and worksheets, Jasmine helps you create a cohesive feel with your home décor. She also includes helpful information on curb appeal and outdoor lighting (the most forgotten detail of your home), the science of knocking down walls, creative solutions to the five most common layout needs, floor finishes and wall treatments, everything kitchen and bathroom, and fun ways to personalize your space with DIY projects and unique bookshelf styling. With hundreds of stunning photographs of Roth-designed interiors, *House Story* is a lush exploration of what is possible for you and your home, whatever the size and budget.

Make It Right Mike Holmes 2013-08-27 More than 1 million viewers in Canada watch Mike Holmes' television show, *Holmes on Homes*, every week. Thousands more see him at his personal appearances and visit his website, looking for advice on renos-gone-wrong. Mike Holmes is Canada's most trusted contractor, a crusader with a mission to expose botched renovations--and now the author of a bestselling book that has shipped over 60,000 copies in its hardcover edition. Mike has taken his professional expertise and tell-it-like-it-is style and turned it into the guide no homeowner should be without. *Make It Right* walks readers through a renovation from start to finish, from the process of finding a reliable contractor to understanding the legalities of renovation. Mike explains the inner workings of a house, covers the most popular reno projects and describes the most common pitfalls. Packed with informative sidebars, checklists, diagrams and photographs, all showing what to expect from contractors and tradespeople, and how to keep every reno running on time and on budget, *Make It Right* is the book you need to read before you plan a renovation. Be smart. Take charge. Get it right the first time.

The Home Renovation Workbook Jain Lemos 2001-02 Before the appliances are bought or the wallpaper is stripped, do-it-yourselfers need to sit down and think through any plans to improve their living space. The Home Renovation Workbook is the surest way for homeowners to make changes they'll be happy to live with for a long time. This thorough hands-on guide leads the homeowner from budgeting and scheduling

through to creating a floor plan and hiring help. It tackles the big-picture issues in home renovation with solid advice for untangling potential budget and schedule snarl-ups and helping renovators select workable, imaginative design plans. The three-ring binder contains checklists, worksheets, sample documents, planning questionnaires, a resource guide, glossary and 10 design boards, arming the reader with the resources and, more important, the confidence to undertake any home renovation project. The Home Renovation Workbook may just be the most cost-effective item and best-spent money of the entire renovation project.

The Happy Home Project Jean Nayar 2011-06-01 We all want beautiful homes that reflect our personal style. But the happiest homes don't just look good—they also feel good. Ideally, they support the way we live, keep us healthy and safe and enrich our net worth, too. So how do we create homes that truly make us happy? In *The Happy Home Project*, author Jean Nayar looks not only at the material things that contribute to the beauty and style of a house, but also explores the hidden elements and intangibles that add to its substance and soul. Brimming with beautiful photos and filled with expert advice from architects, designers, organizing experts, and contractors, the book offers easy-to-follow guidance on how to create inspiring, stylish rooms as well as practical tips on how to invest wisely in furniture and improvements that will add value to your home—and your quality of life. Focusing on comfort and harmony with nature, the book taps into the wisdom of poets, philosophers and social scientists—as well as experts of the ancient Asian building philosophies of feng shui, vastu shastra, and wabi-sabi—to reveal some of the subtler steps that anyone can take to turn to an ordinary, impersonal house into an uplifting, personal sanctuary. With helpful hints on everything from corralling clutter, picking paint and arranging furniture to refinishing floors, replacing windows and remodeling a kitchen, *The Happy Home Project* is a great go-to guide for home improvement projects, large and small. Whether your home needs a major makeover or just a little fine-tuning, the ideas, solutions and tips in this book will help you increase its happiness quotient—and let you live well in any dwelling and at any stage of life.
