it easy to forget the true joy that Christmas can bring. In *Heart & Home for Christmas*, Duerstock brings her mission to inspire hope for God's purpose, and her 20 years of experience in the furniture and design industry together, connecting Scripture with design elements and easy decorating tips in a way that reflects the true spirit of Christmas. The devotions and holiday decorating tips will encourage spiritual growth and inspiration to have both a captivating heart and home at Christmas. Praise for *Heart & Home: Design Basics for Your Soul and Living Space* Seldom do I discover a book which ministers to mind, body and soul, but Victoria Duerstock's *Heart & Home* is just such a jewel! I was immediately drawn to the unique design elements through color photographs, and especially the carefully selected accompanying Scripture, meditation and prayer. All of these work together to address one small element of life on which I can meditate all day long (and even

bring into my own home through her practical suggestions.) While I am neither an interior designer nor DIY crafter, I am someone who embraced "hygge" long before I knew what the word meant—a beauty through coziness and care. You too? Good. My gift list for this special volume is already quite lengthy... Lucinda Secret McDowell, author *Dwelling Places and Graces* As I read *Heart & Home*, I was captivated not only by the beauty and elegance on every page and in every word, but more importantly I was inspired to see how spaces can transform lives. Creating a home is a sacred undertaking. Building a home or office that inspires, comforts, engages and transforms hearts leads to healthy individuals, families and communities. I was challenged to think about how our homes can be used to focus us on God; how every color, design and object can strengthen our soul. I hope that Victoria's book will also inspire you and refresh your heart and home. Robert Wallstrom, CEO

It would help if the baby's father would pop the question, but widowed father Adrian seems more interested in protecting his six-year-old daughter than committing to his new relationship with Dani. The last time she felt this alone and scared was when she was 16 and her mother died, leaving Dani to raise her younger sisters with precious little help from her distant and disapproving rancher father. She felt so inadequate then, but is she any more prepared to be a mother now? Support

comes from an unlikely source. Dani always saw her next-door neighbour and friend, divorce attorney Elliot Gilmore, as a charming, handsome, playboy-type. Ranch finally live up to its name, but the property needs a ton of work. Allie and her carpentry skills are his best shot at getting things in order. Besides the fact that her brown eyes and dangerous curves have him roped and tied. Now Blake only needs to convince her that a wild cowboy can be tamed by love-and she's just the one to do it . . .
