A Visit from St. Nicholas Clement Clarke Moore 1848 "T'was the night before Christmas, when all through the house Not a creature was stirring-not even a mouse." This timeless poem is so well known to children and so often recited by adults it is virtually a part of our common heritage. Written on Christmas Eve in 1822-in a horse-drawn sleigh with jingling bells according to legend-it evokes the excitement and good cheer of Christmas Eve like no other work of American literature. Paired with Thomas Nast's drawings of St. Nicholas, from which we derive the classic image of Santa Claus, this lovely edition may well become the quintessential American Christmas book for children of all ages.

Night + Market Kris Yenbamroong 2017-10-03 If you love to eat Thai food, but don't know how to cook it, Kris Yenbamroong wants to solve your problems. His brash style of spicy, sharp Thai party food is created, in part, by stripping down traditional recipes to wring maximum flavor out of minimum hassle. Whether it's a scorching hot crispy rice salad, lush coconut curries, or a wok-seared pad Thai, it's all about demystifying the universe of Thai flavors to make them work in your life. Kris is the chef of *Night + Market*, and this cookbook is the story of his journey from the Thai-American restaurant classics he grew eating at his family's restaurant, to the rural cooking of Northern Thailand he fell for traveling the countryside. But it's also a story about how he came to question what authenticity really means, and how his passion for grilled meats, fried chicken, tacos, sushi, wine and good living morphed into an L.A. Thai restaurant with a style all its own.

Mali Under the Night Sky 2010-10-19 *Mali Under the Night Sky*, a 2011 *Skipping Stones* honor book, is the true story of Laotian American artist Malichansouk Kouanchao, whose family was forced by civil war to flee Laos when she was five. Before the war began, Mali lived an idyllic life in a community where she felt safe and was much loved. But the coming war caused her family to flee to another country and a life that was less than ideal. What did she carry with her? She carried her memories. And they in turn carried her across the world, sharing where she is from and all that she loves with the people she meets. Terry Hong of the Smithsonian Asian Pacific American Program's *BOOK DRAGON*, giving context to Youme's remarkable book, said, "Today, December 7, marks the 69th anniversary of the attack on Pearl Harbor, 'a date which will live in infamy,'... Seven decades later, infamy lives on, stealing childhoods, families, homes, lives. Now as another year comes to a close, we pray for peace ... again and again ... again and again ... [Mali Under the Night Sky] is another hopeful, urgent prayer." And the *Midwest Book Review* calls it "a soul-stirring picturebook about the difficulties faced by wartime refugees, and deserves the highest recommendation." Youme

Landowne is an energetic and joyful painter, book artist, and activist who thrives in the context of public art. Youme has lived in and learned from the United States, Kenya, Japan, Laos, Haiti, and Cuba. In all of these places, she has worked with communities and individuals to make art that honors personal and cultural wisdom, creating community murals, illustrating tiny books, and teaching poetry in schools.

The Curious Incident of the Dog in the Night-Time Mark Haddon 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Here My Home Once Stood Moyshe Rekhtman 2008 As a fourteen-year-old Jewish boy who had rarely ventured outside his small, remote village, Moyshe Rekhtman may seem an unlikely escape artist. But his iron will and quick wit allowed him to survive when all seemed lost.

Staging escapes from death camps and avoiding Nazi pursuit through the frozen Ukrainian countryside—all while facing the loss of his family, famine, constant threat of capture, torture, and execution - would be a monumental task for the strongest of men. Despite his mild manners, emaciated body, and poor vision, he evaded the death squads in Nazi-occupied Ukraine for four years. Moyshe's Holocaust memoir is a remarkable example of human fortitude during a time when many welcomed an end to their suffering.
