Liber Amicorum Leoncio Vega Gil 2022-06-01 El libro que hemos tenido a bien coordinar está dedicado a la figura y la obra de un «universitario ejemplar», como lo es, y siempre lo será, el profesor José María Hernández Díaz, Catedrático de Historia de la Educación de la USAL y docente de la misma durante 45 años. Ha sido posible gracias a la aportación generosa de amigos y compañeros de España, Portugal, Colombia, Italia, Gabón, Francia, México, Brasil, Bélgica, Países Bajos, Chile y Uruguay. Este es un documento que combina la cultura material y la inmaterial, el afecto y la consideración, lo social y lo académico, lo intelectual y lo universitario, la historia y el futuro, el saber y el saber hacer, el pensamiento y la acción, la entrega y el reconocimiento, las cosas y las no cosas. En relación con su estructura organizativa, ésta se inicia con las presentaciones, lúcidas y con cierta carga espiritual, de las autoridades académicas (Rector y Director del Departamento) y de los coordinadores. Continúa con la magistral Última Lectio del profesor Hernández Díaz sobre el oficio de historiador de la educación en la universidad postmoderna. A continuación, hemos incluido el apartado dedicado a las semblanzas y la academia; este apartado está lleno de recuerdos, anécdotas, reflexiones, vivencias, experiencias, miradas, etc., con o a causa del homenajeado. También un bloque dedicado a la investigación que hemos denominado aportaciones científicas que recoge textos de investigación histórico educativa de distintos compañeros y universitarios, conectados con las temáticas objeto de atención del profesor Hernández Díaz. La estructura se cierra con una recopilación sintética de la voluminosa producción intelectual del compañero y amigo objeto del homenaje. Este también es un libro social, académico y universitario que pretende mapear la trayectoria intelectual, social y pedagógica de un maestro universitario que transita por la universidad deseada, tanto en términos de memoria como de proyecto.

Homenaje al Maestro Peter Deunov Omraam Mikhaël Aïvanhov 2021-06-19 "Lo más notable del Maestro Peter Deunov, lo que hacía de él un ser absolutamente especial, era la vida espiritual que emanaba de él y que, como rayos de luz, venía a penetrarnos. Porque el resplandor que produce un ser de una gran vida espiritual es algo vivo, un mundo habitado por entidades muy puras, que impregna a todos aquellos que se acercan a él y hace un trabajo sobre ellos. Muchos creen que lo esencial es la palabra de un Maestro, la sabiduría que transmite, y que si no dice nada, no aprenden nada. Pues bien, es un error; aunque no hable, el resplandor que emana de él os comunica algo de su luz y de su fuerza. Esto es lo que comprendí del Maestro. Lo más importante no era la Enseñanza que nos transmitía con su palabra, sino la intensa vibración de su espíritu que penetraba en nosotros..."
