Carmela Full of Wishes Matt de la Peña

2018-10-09 An Instant New York Times Bestseller! In their first collaboration since the Newbery Medal- and Caldecott Honor-winning *Last Stop on Market Street*, Matt de la Peña and Christian Robinson deliver a poignant and timely new picture book that's sure to be an instant classic. When Carmela wakes up on her birthday, her wish has already come true--she's finally old enough to join her big brother as he does the family errands. Together, they travel through their neighborhood, past the crowded bus stop, the fenced-off repair shop, and the panadería, until they arrive at the Laundromat, where Carmela finds a lone dandelion growing in the pavement. But before she can blow its white fluff away, her brother tells her she has to make a wish. If only she can think of just the right wish to make . . . With lyrical, stirring text and stunning, evocative artwork, Matt de la Peña and Christian Robinson have crafted a moving ode to family, to dreamers, and to finding hope in the most unexpected places.

*What a Party!* Ana Maria Machado 2013-03-18 If it is just a few days until your birthday, and your mother says you can invite anyone you like to come over to play, be careful! If you don't watch out, you might soon be having the craziest party ever, with people and food from around the world. Before you know it, night could come and go and a new day could begin, and the dancing might still be going strong. At least, that is what happens in this humorous and irresistibly joyful cautionary tale! In a celebration of neighbors and diversity, an open-ended party invitation results in a raucous gathering of children, pets and parents (plus salsa dancers and a reggae band!), all feasting on food from all over the world. Couscous, crepes, salad, ackee--there isn't enough room on the table for all the food. And it's noisy too, because people don't stop talking while they eat and dance. The party might have gotten out of hand a bit, but nobody

minds--after all, it is the craziest, wildest, funnest party ever! Everyone loves a party, and with its vivid illustrations and irresistibly playful text, this picture book delivers the rowdiest, happiest birthday party ever.

**Bugs in My Hair!** David Shannon 2016-09-27 Is something bugging you? Bestselling award-winner David Shannon shows the funny side of waging war against -- oh no! -- head lice. This book is guaranteed to make you laugh -- and itch! From the opening picture of a happy, oversized louse appearing with his suitcases, you know these bugs are determined to stay, and Mom is about to go nuts! Nobody talks about them, but they are everywhere. (Some estimate 20 million children a year host them.) Oh the shame and humiliation of having bugs in your hair! But if you go to school, or have play dates, chances are good you might meet them someday. Maybe you already have! Lucky for you, the unwelcome bugs in this story are so funny you will be laughing aloud -- even when Mom attacks them with battle-tested anti-lice weapons. Shannon peppers his hilarious scenes with fun, "nitpicking" facts about these "lousy" critters and pokes fun at common denial: "It's probably ash from that volcano in Pogo Pogo." Soon the party's over -- Bye bye, Little Nasties! Once again Shannon has created a fresh, highly entertaining read-aloud classic that begs to be read again and again.

**Stop Snoring, Bernard!** Zachariah O'Hara 2012-02-14 Bernard loves curling up to go to sleep. But there is one little problem. Bernard snores...LOUDLY! So loudly that he keeps all of the otters awake during naptime. So loudly that Grumpy Giles tells Bernard to move his snoring somewhere else! Sad and lonely, Bernard tries sleeping in new places far away from the other otters: in a lake, in puddles, in a fountain. But no matter where he tries to nap, somebody complains. He just wants to hear two words: "Goodnight, Bernard!"

As his creation takes over, Jeremy begins to wonder how he will ever get rid of the monstrous nuisance. He entertains his unwanted guest all day, but enough is enough. Jeremy finally draws him a bus ticket out of town! With a sure artistic touch and more than a dose of humor, Peter McCarty cleverly blurs the line between his own drawings and Jeremy's, and in doing so subtly questions the line between reality and imagination.

So Lentil learns to play the harmonica instead and beautifully carries his tune through the winding streets of Alto, Ohio. Lentil masters his craft just as the beloved Colonel Carter returns to town and the Alto residents decide to plan a special celebration. But Old Sneep, the grouchiest man in town, doesn't want anyone celebrating Colonel Carter's homecoming. When Old Sneep stops the welcoming parade in its tracks, Lentil's music turns out to be just what Alto needs. Robert McCloskey, the Caldecott-winning author and illustrator of *Make Way for Ducklings*, brings readers this delightful two color picture book.

bunny needs a cozy place to rest. This is the perfect bedtime book for bunnies everywhere.
