

How To Think About The End Time

The Language of God Francis Collins 2008-09-04 Dr Francis S. Collins, head of the Human Genome Project, is one of the world's leading scientists, working at the cutting edge of the study of DNA, the code of life. Yet he is also a man of unshakable faith in God. How does he reconcile the seemingly unreconcilable? In *THE LANGUAGE OF GOD* he explains his own journey from atheism to faith, and then takes the reader on a stunning tour of modern science to show that physics, chemistry and biology -- indeed, reason itself -- are not incompatible with belief. His book is essential reading for anyone who wonders about the deepest questions of all: why are we here? How did we get here? And what does life mean?

Cracking the End Time Code Will Riddle 2014-06-02 Is the world about to end or will it last for thousands more years? Are contemporary events in the Middle East foretold by the book of Revelation? Are the blood moons a sign of the end? And why is all of this so confusing anyway? For thousands of years, Christians have been confused by questions about the end times, but even if others are confused, you don't have to be. *Cracking the End Time Code* gets to the heart of the matter by breaking down all of the major theories and making them easy to understand. Together, we will examine history, theology, and the Bible on the search for truth. Open your mind. The answers may surprise you.

The Late Great Planet Earth Hal Lindsey 2016-10-11 The impact of *The Late Great Planet Earth* cannot be overstated. The *New York Times* called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Four Views of the End Times Participant Guide Timothy Paul Jones 2013-12-16 What does the Bible actually say about the end times that lead to the return of Jesus Christ? The Participant Guide for the Four Views of the End Times, part of a video-based small group study that studies the four major end time views, will help you understand the different viewpoints regarding end times prophecy. *Four Views of the End Times* is a small group study that takes a look at four different Revelation time lines and tackles Dispensational Premillennialism, Postmillennialism, Historic Premillennialism, and Amillennialism, the four major end times viewpoints. For each view, *Four Views of the End Times* includes a definition, supporting Scriptures, a time line of the view's popularity, and a sampling of Christian leaders supporting that view. Common questions and answers are discussed as part of each session, so anyone can be part of the study group. The End Times Kurt B. Bakley 2016-01-20 In this book we will read the ancient prophecies for the next 1000 years and beyond. It quite different then any other works on this subject, but I feel this is the correct one, I could be wrong. We will read the dates and time periods of Daniel and Revelation, all the Bible, Nostradamus and ancient Egyptian art to see what will happen and when. All prophecies in all books will be fulfilled if true during this time span. Se read on and see your future. Be sure to read my other books entitled: *Predictions for 2015 Revised Edition*, *The Experiment at Philadelphia Revised Edition* *End Time Signs II* and *The End Times*. Prophecies don't always happen the way we think they will and many times give more than one date, event and time. Some preachers call this secondary fulfillment. For the prophecies of this book to come true the events of September 24-28, and/or October 15-17, December 31, 29, 24-25, 14, 7 November 10-11, 22, 2016 or 2017 must come to pass or else another type of future will happen. I explain this in this book and document how other books predicts four or five possible futures and from four or five one will come true as Isaac Newton and a woman in a life after death experience predicted. She said when she was dead she saw four or five futures unfold before her. She came back to life and forgot about them and one day in her kitchen she notice it was the exact copy of one of her futures she saw long ago when she was dead. One comes true out of four or five. If the people remain sinning the good prophecy could fail. This book was finished on December 14, 2015 (leave in).

The Time Is Fulfilled, End-Time Prophecy Has Already Started to Happen Dennis Callen 2022-06-24 *The Time Is Fulfilled, End-Time Prophecy Has Already Started to Happen Here's What's Coming Next* Dennis Callen had a visitation twice by the presence of the Lord a few years ago, very early in the morning. At that time, the Lord revealed the correct and current interpretation of end-time prophecy, much of which is not the same as is taught today. Of all the books brother Callen has written, this book was the most unique for him in that, he says, it was like taking dictation from the Holy Spirit and not just writing it from his own understanding, research, or opinion. This is one book that will bring the reader up-to-date with current events as the end-time prophecy has recently played out and will show you the exact day the tribulation will start, for the time is at hand. This book is Not a repeat of what has already been written by other writers. In fact, you will find it to be completely different. "Five out of five stars scripturally accurate and easy to read and understand" (Reviewed in the United States on August 10, 2019). Most end-time prophecy books I have read all say the same things. A lot of them are private interpretations, which 2 Peter 1:20 says we should stay away from. This book uses scripture to interpret scripture. I have never read anything like this before. It all makes biblical sense to me. I can see how the seals have been opened already. The results of the seals are on the television news almost every day. The Bible says we are to be simple concerning evil (Romans 16:19). So if the book of Revelation is about the tribulation only and all the evil that would take place after we are gone, then this would violate Romans 16:19. However, the book of Revelation is first about setting the stage for the move of God in the greatest revival the world has ever seen, plus the coming wrath of God found in Revelation chapter 16. I don't know of any other book that is as accurate and exciting to read as this book. You can tell it has the same feel as reading the Bible. Every Christian needs to read this book. I highly recommend it. The book of revelation is taken verse by verse with a clear, easy-to-understand explanation. Of all the books that are out there, this is the only one I recommend highly.

The Contender Vol. 52 No. 7 Rev. James Allen 2020-10-01 Bro. Allen ended the last edition in Romans 8 speaking about how we are joint heirs with Christ, and also looking at the 144,000. He is picking up here where he left off.

End of the World Erika Grey 2013-10-11 "For Bible Prophecy watchers the book of Revelation is the main Biblical book for gauging the end time." No book in the Bible is more frightening than the Revelation. The entire book is devoted to the end of the world detailing God's judgments

unleashed onto the earth plague by plague. Revelation is the last book of the Bible and is a prophetic book. It forecasts the apocalypse, which means the final destruction of the world with events of catastrophic scale. Part of the Earth's judgments happen through a world dictator Bible Scholars refer to as the Antichrist. End of the World: The Revelation Prophecy provides an overview of the book of Revelation while also correlating Bible Prophecy to current events to help the reader understand how close we now are to the fulfillment of the Revelation prophecy. Written by author and prophecy expert Erika Grey, Erika focuses on current affairs, the EU and its relation to Bible Prophecy and issues that affect individuals living in these end times.

Final Hour: Understanding What the Bible Has to Say about the End Times Marilyn Hickey 2016-05-03 Prophecy is a mirror in which we can only see dimly. We do not know the moment of Jesus return. The compelling signs of the times indicate that His return is soon, but we do not know how much time is left before the church will be caught up from the earth. We do know that we are commanded to watch. Are you ready for His return? Are you watching for Him? Marilyn Hickey, minister, author and Bible teacher, reveals that we as Christians should have confidence that Jesus will welcome us into His heavenly kingdom. We should know what to expect as we see Bible prophecy unfold before our eyes. Discover the knowledge of the end times that is available to you through the Scriptures so that you are not caught off guard. Its in this knowing that you can have peace in the midst of changing times and joy in the middle of uncertain world events. Knowing and understanding what the Scriptures say about the end times will enable you to shatter the fear and deception of the enemy and make sure you and your loved ones are ready for Jesus return.

End Time Delusions Steve Wohlberg 2004 Will Christians vanish in a rapture? Will seven years of apocalyptic terror overtake those left behind? Will one future Mr. Diabolical -- the antichrist -- rise to control the world? Will he enter a rebuilt Jewish temple, claiming to be God? Will Earth's nations attack Israel at Armageddon? Best-selling books like Left Behind and popular apocalyptic movies predict such things. Are they correct? No area of Christianity has been subject to more misguided interpretation than prophecy. Millions of Christians sense we are nearing Jesus Christ's return. Yet when it comes to what the majority thinks will happen during Earth's last days, and what the Bible actually says will occur, the difference is seismic. With clarity and biblical accuracy, End Time Delusions exposes massive errors now flooding through media and in much of today's sensational prophecy writing. This book closely examines tightly meshed yet speculative theories about the rapture, seven-year tribulation, antichrist, and the modern Jewish state. This book is no novelty. Buttressed with solid teachings from many of Christianity's

most illustrious scholars, it lets the Bible speak for itself about the past, present, and future.

The Prophesied End-Time Ronald Weinland 2004-07 The end-time has come. Hundreds of millions will die in the worst time of tribulation the world has ever known. You need to be informed so you can know how to respond. The Prophesied End-Time will challenge readers as they consider catastrophic end-time events that are prophesied to begin very soon. Although many will not take seriously what is written here, they will gradually experience disbelief as the events covered in this book begin to unfold. These events will begin with more acts of terrorism, along with natural disasters, that will far exceed the devastation of 9/11. The magnitude of these events will lead to the demise of the United State and the United Kingdom, which will then lead to World War III. These things certainly are unpleasant to ponder, but the reality will prove to be many times worse. You need to start now to prepare yourself for what is coming. The action you take could potentially help your loved ones survive.

Revelation 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. End Times Christopher Roberts 2017-05-14 In this book we shall consider end time events; as outlined by Jesus himself in Matthew Chapter 24. We shall particularly discuss the main signs leading up to both the end of the age and the Second Coming of Jesus Christ; both of which relate to each other. In the first chapter of this book we shall consider the fact that Jesus highlighted deception as being a major sign of the end times; something he discussed first, and in various parts of Matthew Chapter 24. In Matthew 24:24 NIV Jesus said, "For false messiahs and false prophets will appear and perform great signs and wonders to deceive, if possible, even the elect." In chapter two of this book we shall analyses whether or not the development of the European Union (EU) is a prelude to the development of a one world government.

Jesus said in Matthew 24:7 NIV, "Nation will rise against nation, and kingdom against kingdom." Kingdom rising against kingdom can be done peacefully and stealthily; not just through wars. The training I undertook for the Bar will be used to inform our study on EU development since the end of World War II, and the rise of a potential one-world government. In chapter three of this book we shall evaluate, from statistical data, whether or not there has been an increase in famines and earthquakes across the earth today, as a prelude to end time events. That is, the earthquakes we are seeing today could very well be leading up to one big earthquake that will shake the nations just before Christ returns at his Second Coming. In chapter four of this book we shall further evaluate whether or not persecution is taking place across the globe; again this will be based on statistical data (Matthew 24:9). We shall also consider that persecution does not necessarily lead to death; something we will check out in the Book of Revelation. In the fifth chapter we shall discuss the fact that in the last days people will turn away from the faith; despite the fact that some Christians do not think this is possible. Jesus said in Matthew 24:10 NIV, "At that time many will turn away from the faith and will betray and hate each other." If Jesus clearly states in the bible that people will turn away from the faith in the last days, then we need to accept the words that come straight from his mouth. In chapter six of this book we shall analyse the statistical data relating to falling crime rates across the world. Jesus said in Matthew 24:12 NIV, "Because of the increase of wickedness, the love of most will grow cold." Just because crime rates are falling across the planet does not necessarily mean that wickedness has somehow disappeared. In chapter seven we shall encourage ourselves with the fact that not all end time events will be negative. Jesus said in Matthew 24:14 NIV, "And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come." Again we shall analyse statistical evidence about the preaching of the gospel in the face of the earth; we shall also consider how technology can be used to help us preach God's word today. In chapter eight of this book we shall provide a short history of events leading up to the revealing of the antichrist in the last days of time. We shall use specific chapters and dates from the Book of Daniel to provide us with an overview of this period in history. In the penultimate chapter of this book we shall consider who will be invited to the wedding supper of the Lamb; and how the rapture might relate to this event in Revelation Chapter 19. We shall also consider what the potential requirements might be for those who want to go up in the rapture. In the final chapter of this book Jesus provides a warning in Matthew 24:45-51 that church leaders may not recognize the signs of the times. In other words, if church leaders can be deceived about such events, how might they treat those God has given them charge over.

Jesus Wins J. A. Hardgrave 2018-06-18 When you hear the words "end times," what do you think of? A worldwide tribulation? Wars and rumors of wars? Earthquakes? The antichrist? The church being taken off the earth while the unrighteous are left behind? While that is exactly what many of us have been taught--what if the Bible has a very different story to tell? Every new "end of the world" prediction causes believers from all walks of life to start asking questions. How much time do we have left on earth? What does the future look like? Are we supposed to make the world better now, or will Jesus take care of that in a future millennium? And most importantly, what did Jesus really have to say about all this? Jesus Wins is the true story of one man's thrilling journey to get clarity about what the Bible really teaches about the future. J. A. Hardgrave spent years with questions that couldn't seem to be answered. Then everything changed. While listening to a sermon, he heard an evangelist say a statement about the end-times that was the opposite of what he had been taught. Suddenly, he knew there was a different view of prophecy that he had to discover. Prepare to be filled with optimism for the future, have more confidence than ever to fulfill your destiny, and finally understand Bible prophecy for yourself by receiving simple tools that anyone can use. One thing is certain: after reading this book--you will never see the end-times the same.

The Empire at the End of Time Frances Courtney Kneupper 2016 Even within the sensational genre of eschatological prophecy, the prophecies of the late medieval Empire stand out as strikingly bitter and violent texts. They foresee the savage chastisement of the clergy, the murder of clerics, and the forceful restructuring of the Church. But they also infuse the apocalyptic narrative with explicitly German elements. German speakers are frequently cast as the agents of these stirring events, in which the clergy suffer tribulations and the Church hierarchy is torn down. Thus the central argument of this book is that popular German prophecies encouraged a vision of members of the Empire as the ordained reformers of Christendom at the end of time.

The Last Days Are Left Behind James Ellis 2008-06 Have you been wondering as a Christian, or non-Christian, what many think -- and expect -- will happen in the "last days" or "end times" with all the talk and focus in the headlines -- and some churches -- about our future? And with all the events taking place in the Middle East, especially Israel? And Iran? Are you confused because of various end-time scenarios and conflicting opinions promoted through popular books on prophecy, the Left Behind series, televangelists, preachers, and others speaking of a great tribulation, rapture, Armageddon, Apocalypse, the destruction of the earth, a new heaven and earth, a second coming, and a millennium? There has been an overload of teaching and information about these things over the last century -- however sincere and cloaked in good intentions -- yet with long-held and deep-seated traditions and doctrines, all borne of a lack of accurate knowledge (particularly the Hebrew and Greek) and information based on compelling evidence. Would you like to know what the Bible actually says about all these issues? For God's Word itself -- "Let Scripture Interpret Scripture" -- and the Holy Spirit are the only necessary interpreters. The Last Days Are Left Behind will challenge your thinking, help to erase the confusion, and provide clarity regarding the present-day purpose of God. Author James Ellis demonstrates end-time truth based logically on solid evidence after a linguistically accurate, biblically consistent, and intellectually honest examination of the Bible's prophetic passages and verses, the original languages -- Hebrew and Greek, the social, cultural, and historical context of Scripture, and the relevance of the audience spoken or written to in God's Word.

Understanding End Times Prophecy Paul N. Benware 2006-05-01 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

How and When the World Ends Earl Bristow 2019-12 When Does the Rapture Occur and the End of the World Begin? Ancient Jewish Keys Are:

Idioms Feasts Customs Teachings These keys contain little known mysteries to Gentile believers and are like jigsaw puzzle pieces. Combining these jigsaw puzzle pieces with Jesus' words and the Bible prophecies about the End of Times produces a startling revelation. They reveal the day of the Rapture and when the Tribulation and End Times starts.

Apocalypse 2012 John Claeys 2010-03-23 Could recently fulfilled Biblical prophecy and significant recent events indicate that the countdown to Revelation has begun? Author John Claeys (Th.M., Dallas Theological Seminary), a long-time student of Bible prophecy, has keenly watched developments in the Middle East line up to usher in God's "day of the Lord," a special seven-year era immediately preceding Jesus' return to establish God's kingdom on the earth. As a result, Claeys felt compelled to present a clear, chronological presentation of near-future events described in the Bible in order to help people prepare for Christ's return. This book has been written in such a clear format, it could have been entitled, "Prophecy for Dummies," as those knowing little about the Bible will be able to clearly understand God's plan for the future by reading its presentation. In addition, avid students of Bible prophecy will be amazed at the fascinating insights offered in this work. But be warned: exposure to this information could be life-changing, moving the reader to draw near to the One responsible for orchestrating the incredible events described in this book. As one reviewer wrote, "Author John Claeys takes readers on a journey into the near future where they encounter the ultimate battle of good versus evil--of Satan's king of the world overcoming the prophets of God, of war breaking out in heaven and of the armies of the earth banding together to launch an assault upon God's King as He comes to the earth to claim His kingdom. . . [This book] is a careful exposition of Biblical passages describing a real, seven-year period leading to the return of Jesus Christ to the earth" (Dr. Earl Radmacher, theologian, author, general editor of the NKJV Study Bible). The story opens with a brief period in which the world will believe it has achieved "peace and security," but then "sudden destruction" will occur setting off wars, God's judgments and a very unique seven-year period which will lead to the return of Christ to establish God's kingdom upon the earth. This is the first of many twists and turns in this true plot of the future. Surprises include the fate of two prophets who will powerfully serve God, another regarding the incredible and lightening ascent of Satan's man from apparent obscurity in the Middle East. This will spiral into worldwide rule, war breaking out in heaven, 144,000 of God's people fanning out across the globe to reach the nations in spite of Satan attempting to eliminate them and the nations of the earth squaring off to battle against Christ Himself at His return. But with all of the surprises and the adventure of this story, it is really about God accomplishing His kingdom plan, even through Satanic conflict and resistance--for the good of believers and for the good of the world. It is a story of triumph, hope and inspiration. In the epilogue, the author answers the question regarding how soon this seven-year period may come upon the world. With solid reasoning and facts, Claeys begins by answering the objection that we cannot know when this era will appear. Then, as an attorney arguing his case, Claeys lays out the evidence which indicates this period may dawn sooner than we think.

Jesus Is Coming Soon Guillermo Maldonado 2020-09-29 Shakings, Signs, and the Return of Christ You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus—called the "remnant"—who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? *Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return* will help you be certain you are part of God's remnant. The signs of the end of the age and Jesus's appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God's time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ's appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open. Live in God's perfect will for your life and participate in His supernatural, last-days purposes!

The Endtime Is Now C S DeCaro 2020-08-18 We are living in uncertain times, and many are looking for answers. What does tomorrow hold? Is the time of the coming of the Lord at hand? Are we living in the Endtimes? As events continue to unfold, these questions will be sought after with urgency. The church needs to be able to answer these questions with Biblical clarity. Most churches rarely preach on the endtimes due to the lack of understanding and confusion that has been created. The most prominent views are Pre-Tribulation, Mid-Tribulation, Post-Tribulation, and Preterism. Which one is true? Are any of them, right? What does the Bible say? A few years ago, I was met with this challenge in a Sunday school study when we had a side-by-side examination of them as we went through the book of Revelation. I found they all had unanswerable questions. I'm here to tell you that the Bible has clear answers for us concerning the Endtimes. There's a day coming that the churches will have to get on the same page with a clear message. As we walk through these prophetic passages, I'll show you four simple principles to understanding Bible prophecy so that you can be prepared for what lies just ahead of us. We are not waiting on the endtimes; the Endtime is now, BE READY!

Is America in Bible Prophecy? Mark Hitchcock 2009-01-21 Prophecy expert Mark Hitchcock deals with often-raised questions about America's future in this thoroughly researched, reader-friendly resource. Examining three prophetic passages that are commonly thought to describe America, Hitchcock concludes that the Bible is actually silent about the role of the United States in the End Times. He then discusses the implications of America's absence in prophetic writings. Along with Hitchcock's compelling forecast for the future, he offers specific actions Americans can take to keep their nation strong and blessed by God, as well as an appendix of additional questions and answers.

What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace. *The End Times in Chronological Order* Ron Rhodes 2012-08-01 Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

Are We Living in the Time of the End? United Church of God 2010-09-16 What does Bible prophecy tell us about the time of the end? Are we living in the end time? When will be the end of the world? For thousands of years people have been fascinated with predictions of the end of the world. If we look into the inspired writings of the biblical prophets and apostles, we find many prophecies that refer to the time of the end. Should we take them seriously? Are world conditions such that these prophecies could be fulfilled in our day? Jesus Christ Himself talked of a future time so horrendous that no human lives would be spared "unless those days were shortened" (Matthew 24:22). Did He have our time in mind? Many biblical warnings leave us in no doubt that increasingly cataclysmic events will occur before God's direct intervention in human affairs. These terrifying prophecies will see their fulfillment at some future time. The crucial question is when. This eye-opening Bible study aid booklet, *Are We Living in the Time of the End?*, examines exactly what Jesus, His apostles and the biblical prophets really said about the intriguing days they referred to as the time of the end. You need this vital information! Chapters in this ebook: -- Are We Living in the Time of the End? -- What Is the Time of the End? -- A World in Perpetual Crisis -- Noah and Our Time: A Sobering Parallel -- The End of the Age -- The Time of the End: The End of What? -- Biblical Terms for the Coming End of Man's Age -- Jesus Christ's Olivet Prophecy: Where Are We Now? -- Did Jesus Christ Foretell Devastating Storms? -- 'This Generation Will Not Pass' -- The End Time in the Book of Revelation -- The Population Explosion and Prophecy -- God's Framework for End-Time Prophecy -- Preparing for the End Time -- What Can You Do? Inside this Bible Study Aid ebook: "But we should remember that Jesus made it clear that no one could know the exact time of His return: "... Of that day and hour no one knows, not even the angels of heaven, but My Father only" (Matthew 24:36)." "Some think the subject of the end time in the Bible is mainly confined to the New Testament. But beginning in Genesis, the first book of the Bible, the Scriptures look beyond our present evil age to the time of the establishing of God's Kingdom. Old Testament scriptures have much to say about events that take place during the end of this age and the following "world to come."" "When Scripture mentions "the time of the end" or "the end of the age," it is referring to the coming end of the present evil age. This age—in reality the age of Satan—will draw to an end, replaced by the age of God's rule over and guidance of all of humanity." "Revelation is a book written to reveal the future, and Jesus Christ is the One who does the revealing...Here is the theme of Revelation—the time of the end of the age and the return of Jesus Christ to establish God's Kingdom on earth." "How should we view prophecy? Can it provide spiritual benefits? The apostle Peter mentioned that prophecy should serve to strengthen our hope and faith in the future (2 Peter 1:19)."
