**Eat This Book** Eugene H. Peterson 2006 The bestselling author of "The Message" challenges believers to read the Scriptures on their own terms, as God's revelation, and to live them as they read them.

**Gospel-Centered Youth Ministry** Cameron Cole 2016-02-12 Youth ministry is an essential part of most evangelical churches. And yet, there is a surprising lack of resources written specifically for youth workers focused on viewing all aspects of youth ministry through a gospel-focused lens. Featuring contributions from a host of experienced youth workers from a wide variety of churches, this how-to manual offers guidance related to every facet of youth ministry, from planning short-term mission trips to working with parents. Theologically rooted yet eminently practical, this handbook will equip youth leaders to effectively shepherd the young people under their care—training them to live faithfully in their homes, churches, and schools.

**Adult Bible Studies Fall 2021 Student** 2021-07-20 Sociologists studying the early church often attribute its growth to the sense of belonging it offered people in a world where belonging was limited to those with things such as property, high status, and birthright. Scripture is clear that we belong to God's people even when we appear to be outsiders. After over 2000 years of existence as an institution, we can easily take for granted that we know what the church is. It is instructive to look at how the first members of the church understood the purpose of assembling as a group, how this has shaped our understanding of church, and how our understanding might need to expand. The opening of God's people to both Jews and Greeks, men and women, masters and slaves required people previously unaccustomed to eating together to sit down at a common table. The practice of open table fellowship in the church is a sign of God's shared abundance, ministry of reconciliation, and celebration. **Adult Bible Studies Fall 2021 Theme: Belong Unit 1: Outside In** Sociologists studying the story of the early church often attribute the growth of the church to the sense of belonging that it offered people in a world where belonging was limited to those with things such as property, high status, and/or birthright. This unit of lessons looks at the various ways that the Bible makes clear how we belong to God's people even when we appear to be outsiders. Several of the lessons point out where we as human beings insert distinctions that restrict membership within the community of Christ. Scriptures: Jeremiah 29:1-23; Luke 7:36-50; Galatians 2:11-21; Philippians 3:2-21; Ephesians 2:19-21 **Spiritual Practice: Hospitality Unit 2: Into the Future** After over 2000 years of existence as an institution, we can easily take for granted that we know what the church is. This unit invites readers to look at it from the view of the community living into the future. The Greek word for church, *ekklesia*, is not a word that the first members of the church associated with a religious activity. The word signifies the assembly of the people of God. It is instructive to look at what their understanding of the purpose of assembling as a group signified, how it has shaped our understanding of church, and how reading these texts might renew and expand our understanding. Scriptures: Acts 2:37-47; 1 Corinthians 12:12-31; Matthew 16:13-19; Revelation 3:1-6, 14-20; Deuteronomy 29:10-29 **Spiritual Practice: Community Unit 3: The Fellowship of the Table** Once one enters the Church through baptism, the central identity marker for membership in the church is participation in Communion. The opening of God's people to both Jews and Greeks, men and women, masters and slaves required people previously unaccustomed to eating together to sit down at a common table. When we look at the Gospel narratives, we see Jesus modeling open table fellowship. In this unit, we will look at the significance of the practice of

open table fellowship in the church as a sign of God's shared abundance, ministry of reconciliation, and celebration. Scriptures: John 6:1-15; 1 Samuel 25:2-39; 1 Corinthians 11:17-34; Isaiah 25:6-10a; 55:1-3 **Spiritual Practice: Open Table Fellowship Adult Bible Study** components include: Student Book Published quarterly, each week's Student Book lesson lists background Scripture, features key verses, provides reliable and relevant biblical explanation and application, and more, in a readable font size that is accessible to everyone. **The Better Mom** Ruth Schwenk 2018-04-24 Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become."

This unit takes a look at spiritual power that resulted in Jesus' followers taking risks to tell the good news and an increase in believers. Unit 3: "Spreading the Gospel" is a five-session unit and continues in the Book of Acts. - Additional information about Adult Bible Studies, Spring 2023 Theme: The Life of Faith

This spring, our lessons center around the theme "The Life of Faith." The language of journey and pilgrimage is commonly used to describe the Christian life. This spring our lessons encourage us to walk alongside Jesus and his disciples on Jesus' final journey to Jerusalem and explore the nature of faith that calls us to follow Jesus despite our uncertainty and doubts. The last unit this quarter looks at the concept of sabbath, the foreshadowing of the rest that God promises at the end of our journey. The writer of the student book is Michelle Morris. Unit 1 Journey to the Cross This Lenten season, we follow Jesus' journey to the cross in Matthew's account. Matthew's Gospel stresses in many places that through his crucifixion, Jesus makes clear his perfect obedience to God's will and the true nature of kingship under God's reign. Scriptures: Matthew 16:21-28 | Matthew 20:20-28 | Matthew 21:23-27 | Matthew 22:15-22 | Matthew 22:41-46 Spiritual Practice: Simplicity | Accountability Unit 2 From Doubt to Trust We often treat doubt and wisdom as belonging in opposite categories; but often, questioning our wisdom, knowledge, and certitude is a sign of wisdom. As humans, we should struggle to understand. The path forward from doubt is one of trust in God. We are invited to imitate Jesus and let go of our doubt and our competition with God and to trust in God's love and intentions. Scriptures: Matthew 26:36-46 | Matthew 28:1-15 | John 20:11-29 | 1 Corinthians 15:12-28 | 1 Peter 1:3-16 Spiritual Practice: Meditation Unit 3 Intentional Sabbath In the secular West, the concept of holy days and sabbath have been replaced by days off work or school and vacations. We rest so that we can work harder and earn more money so that we can take vacations away from our community. In the Bible, rest from work had a different purpose. One worked to prepare for the sabbath. On the sabbath, one participated together with the entire community, the livestock, and the land in a shared rest that signified the well-being and abundance that God intended for creation. No one was required to work to make another's leisure possible. Sabbath rest is a foretaste of the rest that awaits us, and that God will provide in the fullness of time. Scriptures: Exodus 20:8-11 | Psalm 23 | Matthew 12:1-14 | Luke 4:16-21 Spiritual Practice: Self-Care Other Adult Bible Study components, sold separately, include: Teacher/Commentary Kit The Kit includes a Teacher Book and a Concise Commentary that are both supplementary and complementary to the Adult Bible Studies student book The Teacher Book provides small-group leaders, teachers, and facilitators with additional biblical background and exposition, and suggestions for guiding group discussion. Lent. Suggestions for developing spiritual practices (prayer, confession, worship, mindfulness, solitude, community, hospitality, neighboring, service, and celebration). Life of Grace for the Whole World, Adult book Jerry Cappel 2017-03-01 As science and politics engage in a never-ending battle over the environment, A Life of Grace for the Whole World re-claims the theology of salvation and redemption for all creation. Using the House of Bishop's Pastoral Teaching on the Environment -- the first statement on the environment from The Episcopal Church leadership -- as a guide, A Life of Grace engages participants in understanding how the call to care for Creation informs and deepens appreciation and love for God and God's work in Creation, and how that finds expression in the faith life of individuals and churches. The adult sessions use Bible study, discussion questions, reflections on sections of the Book of Common Prayer, and other activities to encourage active learning. Each week participants are asked to reflect, in different ways, on their faith communities and their own spiritual journey and how they can find a more meaningful connection with God's active work among all creation. The youth section, which parallels the adult sessions, encourages active engagement through viewing of videos, use of technology, and a range of activities. Exploratory questions for the facilitator allow for open-ended conversation and discussion of current events around environment and faith. Connecting the five-week session is the creation of a Tree of Life, which is added to during every session. Both an Adult Booklet and a Youth Booklet enhance the experience of A Life of Grace, both within and outside of the sessions, with additional content, activities, and journaling space.

Cutting It Straight James A. Byrd 2022-10-27 If three points and a poem no longer keeps listeners from snoozing during your preaching, teaching, or Biblical presentations, Cutting It Straight will help you fine-tune your lessons. Evangelist Dr. James A. Byrd explores how to develop dynamic expository sermons or powerful Biblical presentations that will be remembered by those who hear you in this resource guide for preachers, Bible teachers, church leaders, and Bible presenters. He explains that "cutting it straight" means rightly dividing the word of truth by preaching the "whole counsel of God" (Acts 20:27 NKJV) that requires expository preaching from the Old Testament canon that is uniquely Christian. If preachers desire to accomplish that which God proposes, they must perform expository preaching from the Old Testament as well as the New Testament. They must "rightly [divide] the word of truth." They must perform their duties while cutting it straight. Find God's divine solution to the human problem in Scripture and preach, teach, or present it in a powerful, relevant way by applying the lessons in this guide.

Because Melinda Poitras 2017-12-16 Because: A Youth Study You've all heard it.... "Because I said so!" It's a phrase uttered by mothers (and others with authority) around the globe. It is technically an answer, of course, but falls short of being a satisfactory one. When it comes to matters of doctrine and faith, a "because I said so" answer will not do. We must understand why we speak, act, and live righteously. There is a right way, and we can know it is best, just because He said so. Help your youth understand "Why" This book is a great conversation starter for use in Sunday School classes or as a youth Bible Study series. It will get them thinking about , and perhaps more importantly, talking about why Christians are called to live differently than the broader surrounding culture. And it doesn't mince words. Study Questions in each chapter At the end of each chapter, we've included study questions to help you capture, on a single page, some of the key ideas brought out in the chapter. This will help their retention and make it easier to go back and refresh their memory at a glance. About The Author Melinda was born in Alabama, raised in Ghana, and currently lives in St. Louis, Missouri. She has been many places and is grateful that God is the same in all of them. She lives to promote His name and fame in any and every possibly way. Writing is her favorite way. Someone wise once told her that if she would write, it would enable others to run. That's what she wants to do more than anything: enable others to run. So, she writes what she can from her own heart, ever praying that the Lord take them and turn them to fuel for someone else's. "And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it." Habakkuk 2:2 Scroll back up and grab your copy.

**Come, Let Us Reason Together** J. A. Ludwig 2015-02-09 This book is designed to get your group talking as you learn (or re-learn) Biblical truths in a memorable way by utilizing unique, practical lessons with personal and original story illustrations. Originally from the island of Grand Manan, New Brunswick, J.A. Ludwig now resides in the farming community of Sussex, New Brunswick. As a mother of three and a Bible study/youth/young adult Sunday school leader, Ludwig was never your average small town lady. But is anyone? God took a shy girl that no one noticed and used her passion for Him to share His message in a unique and personal way to touch many lives. From prayer groups to sharing in churches, her answer was always yes when she felt God's "nudge." When a former pastor was asked to say a word about Ludwig and her calling to write this book, this was what he shared: "I have known J.A. Ludwig for nearly 25 years. In that time, I have watched her go through bad times and good with the help of God's great grace. She was a tremendous encouragement to me during my ministry years on Grand Manan. She led

an in-home bible study which I was privileged to be a part of. Her work was always original and came from the heart of God. She also led our youth ministry with equal passion, always caring for and concerned for the less fortunate. This book she has written will encourage you and help you find a path through the times of your life that might seem impossible to maneuver through. It has been written with the same passion and grace she has lived her life by and like always, it is her experience--not a book lesson from someone else's material. So I encourage you to read it and be blessed." --Rev. Scott Lewis

**Unleashing God's Word in Youth Ministry** Barry Shafer 2009-05-26

Whether Bible studies are a regular part of your ministry, or you're thinking about how to bring Bible study into your ministry in a more significant way, chances are that you want to help your students enter into God's word in a way that challenges them and changes their lives. That's a goal worth working towards...but sometimes you will feel like it's a goal that you may never reach. Unleashing God's Word in Youth Ministry is designed to help you develop a Bible study approach that engages students on a deeper level—even if you're an avid curriculum user or someone who creates all your own discipleship materials from scratch. As you devour the wisdom Barry Shafer brings from decades of student ministry and engage in your own study of God's Word, you'll discover that Bible study for your students can be taken to a whole new level. In the pages of this book you'll:·Get beyond the typical Bible discussions and learn to confidently engage students in an in-depth search of God's Word·Teach teens how to study the Bible on their own·Be invigorated in your own personal interaction with the Bible·Gain confidence and competence in leading teens deeper in Bible studies, and much more! If you want to take your students deeper into the Bible, discover what it takes to unleash God's Word in your own ministry and watch your students and youth ministry be transformed.

*The Complete New Testament Resource for Youth Workers* Jack Crabtree 2011-02-22 With lessons created, written, and tested by active, experienced youth leaders who work with young people every week ... never before has there been a resource this comprehensive, this practical, and this relevant for teaching the New Testament to your students. Walking students through the New Testament used to feel like a daunting task—especially if you've tried to create studies that are relevant and engaging to your students. Now, you have a diverse team of nearly thirty youth ministry practitioners working for you—and they've put together more than 100 studies that will make your job easier while helping your students dig into the Bible. Whether you lead them yourself or hand the lessons over to your volunteers, each lesson is easy to implement and can be used alone or combined with lessons that have already been planned. You'll also find a searchable CD-ROM, making it easier than ever to find exactly what you need to help lead your students deeper into the life-changing books from the New Testament.

**Life... What's Up with Yours?** C. Natasha Richburg 2011-06 This dynamic approach to youth and young adult Bible study is a gripping, soul-connecting guide to understanding Biblical principles. It is also an energetic, interpersonal view of thought-provoking life stories that provide enlightenment for those who are interested in the mystery of a faith walk with Jesus Christ. Each session centers the discussion group's attention on the plight of the many different characters whose stories are woven throughout the series. The characters are socialized urbanites whose behavior may be familiar to some, or offer enlightenment to others. If you have a passion to capture the attention of urban youth and young adults, this book must be added to your teaching arsenal.

**Contemplative Youth Ministry** Mark Yaconelli 2011-03-22

"Contemplative Youth Ministry is refreshing rain for dry youth workers and barren youth ministries. More than the same old youth ministry tips and tricks, it gives principles and practices to soak in God's grace, love, and power. I wish I had read it 15 years ago." - Kara Powell, Ph.D., executive director, Center for Youth Ministry and Family Ministry, Fuller Theological Seminary "Mark invites readers to be encountered by the presence of Jesus who is always near. This book is transparent about the challenges that churches and families face as they desire to be effective in youth ministry. The book is filled with the honest stories of different kinds of youth ministries representing the breadth of Christianity in the United States. I heartily endorse Contemplative Youth Ministry as a rich encounter with the souls of youth and adults whose lives have been transformed by our very present God." - Bill Kees, director of youth ministries, Evangelical Lutheran Church in America (ELCA) "Mark Yaconelli not only reminds us of some of the long-forgotten pathways of faith, he shares with us how it actually looks when men and women who

love God practice it with young people. I especially appreciate Mark's optimism in his perspective of today's kids, for his insights are grounded in God's view of them." - Chap Clark, Ph.D., associate professor of youth, family, and culture, Fuller Theological Seminary "Mark Yaconelli was experimenting with contemplative youth ministry practices before contemplative youth ministry practices became cool. This book has about it the unique air of authenticity. He shares with us in these pages his own journey as a youth worker who actually believes that God's still small voice speaks louder than the roaring windstorm of our busy youth ministry calendars. It's a book about creating for our students places of silence and opening up spaces for God to speak." - Duffy Robbins, professor of youth ministry, Eastern University; author of *Enjoy the Silence and This Way to Youth Ministry* "Mark Yaconelli has emerged as one of youth ministry's most provocative 'voices in the wilderness,' calling us back to our theological taproots: The contemplative practices that bind our lives to the life of Christ. If Mark's research has taught us anything, it's that these practices do not cause youth ministry to take flight into a spiritual never-never land; rather they anchor young people—and their churches—in the fertile soil of Christian tradition, in the nitty-gritty of daily life, and in the explosive transformation that awaits us when we wait upon God." - Kenda Creasy Dean, parent, pastor, and professor of youth, Princeton Theological Seminary; author of *Practicing Passion: Youth and the Quest for a Passionate Church*

**Wild Truth Bible Lessons--Pictures of God** Mark Oestreicher 2010-06-01 Here are 12 active Bible lessons for junior high Sunday school classes or youth group meetings, each one based on one of the 50 pictures of God presented in *Wild Truth Journal: Pictures of God*—energetically, relevantly, and scripturally. The lessons are loaded with off-the-wall and easy-to-do discussion starters, video ideas, scripts, and games with a point. And of course, there are plenty of Bible passages and studies to springboard junior highers from the abstract into the concrete as (open Bibles in hand) they explore the nature of God in a lively, relevant way — then begin practicing the traits of God in their own lives. 12 lessons.

[Learn to Study the Bible](#) Andy Deane 2009-04 Pastor Andy Deane's new book teaches you forty different step-by-step Bible study methods to help you discover, apply and enjoy God's Word. *Help! I Teach Youth Sunday School* Brian Foreman 2004 For today's youth, life is filled with new choices, new decisions, new feelings, new perspectives, and new freedoms. During this time, teens are forming the belief systems that will influence their adult faith, and their ideas about the nature of God, the Bible, and the church. Will teen involvement in church youth programs provide them with a framework for making important choices? Will this time nurture values and encourage their emerging identities to be deeply Christian? Something wonderful can happen when you mix teenagers, the Bible, and an enthusiastic teacher together. Many teenagers are hungry to learn about the Bible, what it means, and how it can be applied to their lives. Traditionally, this type of education happens in Sunday School. Unfortunately, too many Youth Sunday School teachers are not prepared or feel inadequate when it comes to teaching teens. They do their best, but all they are doing is surviving the Sunday school hour. *Help! I Teach Youth Sunday School* offers the Sunday school teacher specific tips and hints to prepare for and care for teens. Real-life stories are mingled with information on Youth and their culture, common myths about Sunday school, a new way of preparing the Sunday school lesson, creative teaching ideas, ways to think about growing a class, and how to reach out for new members while reaching in to old members.

After the sudden death of their three-year-old son, Cameron Cole and his wife found themselves clinging to Christ through twelve key theological truths—truths that became their lifeline in the midst of unthinkable grief. Weaving together their own story of tragic loss and abiding faith, Cole explores these twelve life-giving truths to offer hope and comfort to those in the midst of tragedy.

**Reading the Bible Supernaturally** John Piper 2017-04-13 The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page.

Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.
