

How We Know What On Earth Happened Before Man Arrived

The Food Of The Gods And How It Came To Earth By H. G. Wells H. G. Wells 2021-01-01

What happens when science tampers with nature? A riveting, cautionary tale with disastrous results reveals the chilling answer. Hoping to create a new growth agent for food with beneficial uses to mankind, two scientists find that the spread of the material is uncontrollable. Giant chickens, rats, and insects run amok, and children given the food stuffs experience incredible growth--and serious illnesses. Over the years, people who have eaten these specially treated foods find themselves unable to fit into a society where ignorance and hypocrisy rule. These "giants," with their extraordinary mental powers, find themselves shut away from an older, more traditional

society. Intolerance and hatred increase as the line of distinction between ordinary people and giants is drawn across communities and families. One of H. G. Wells' lesser-known works, *The Food of the Gods* has been retold many times in many forms since it was first published in 1904. The gripping, newly relevant tale combines fast-paced entertainment with social commentary as it considers the ethics involved in genetic engineering.

'Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels

missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. *Let the Nations Be Glad!* is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Before Earth Came John Russell Fearn

2014-10-08 *BEFORE EARTH CAME* launches a new series collecting the early pioneering pulp magazine novelettes of John Russell Fearn, with the first-ever reprinting of "Before Earth Came" and "Subconscious." Both stories abound with unbridled imagination and a sense of wonder,

How We Know What On Earth Happened Before Man Arrived

examples of the pioneering stories being written in SF more than 80 years ago. In "Before Earth Came," Fearn's storyline of how alien scientists, facing the imminent utter destruction of their planet, seek to preserve their heritage by sending it to Earth, was later copied by the creators of Superman. And "Subconscious" was one of the very first SF stories to utilize the theory of Charles Fort that "We are Property!" ... a theme that has echoed down science fiction ever since!

Lone Survivors Chris Stringer 2012-03-13 A leading researcher on human evolution proposes a new and controversial theory of how our species came to be In this groundbreaking and engaging work of science, world-renowned paleoanthropologist Chris Stringer sets out a new theory of humanity's origin, challenging both the multiregionalists (who hold that modern humans developed from ancient ancestors in different parts of the world) and his own "out of Africa" theory, which maintains that humans

emerged rapidly in one small part of Africa and then spread to replace all other humans within and outside the continent. Stringer's new theory, based on archeological and genetic evidence, holds that distinct humans coexisted and competed across the African continent—exchanging genes, tools, and behavioral strategies. Stringer draws on analyses of old and new fossils from around the world, DNA studies of Neanderthals (using the full genome map) and other species, and recent archeological digs to unveil his new theory. He shows how the most sensational recent fossil findings fit with his model, and he questions previous concepts (including his own) of modernity and how it evolved. *Lone Survivors* will be the definitive account of who and what we were, and will change perceptions about our origins and about what it means to be human. Man Before Adam Wallen Yep 1999-05 Man Before Adam is a cutting-edge book that will provoke your understanding of the origin of mankind. Both science and the Bible were correct, what remained in error was the interpretation of famous men who erred. The compelling arguments mount against contemporary doctrines—man came from a monkey between 4.2 to 4.7 million years ago or God created man in 4,004 B.C. In the search for evidence the stunning finding came—the missing link of mankind was found! Both evolutionists and creationists were wrong; the evidentiary findings have to be redefined. A more plausible interpretation must be made and erred doctrines of the past must be corrected. With the use of Mitochondrial DNA trace back, the errors of

interpretation become confirmed. We came from a race of humans before the creation of Adam and Eve. The Bible expositors and scholars misinterpreted the Bible. The time for the enormous truth has come. About the Author Wallen Yep, author, educator, and consultant, wrote one of the strongest "change agent" books for the 21st century. He is listed in Who's Who in the World, Who's Who in America, and more than 20 biographical publications. This is so persuasive a book, it becomes a must read for every church member, minister, scientist, teacher, and student. The errors cannot be propagated, and they must be set right. We cannot have educated men make monkeys out of us. Christians cannot ignore the overwhelming scientific findings that man existed on earth well before 4,000 BC. Wallen Yep has also published The Sequel and Who Are You? with toExcel. Thinking about Jesus John F. Holman, MBA, JD 2016-01-25 Too many people want to classify Jesus as someone he wasn't. Jesus was either the Son of God or a madman. There is, however,

more evidence that he was the Son of God than there is evidence that anyone or anything exists on earth today. Jesus made it clear to everyone that accepting him as Savior and Lord was the only way to achieve God's acceptance. He said, "I am the way, the truth, and the light. No one comes to the Father except through me." In his book *Thinking about Jesus: God's Attempt to Save Mankind*, author John F. Holman provides evidence that encourages people to think about Jesus and what he did and said while he was on earth. With that knowledge in hand, individuals are in a position to either accept him as Savior and Lord or realize the consequences. God sent Jesus to show us the Way. *Thinking about Jesus: God's Attempt to Save Mankind* shows us that path to God.

The Man That Got Thrown Out Of Jail Irving Risch 2016-04-25 This might sound like a strange title for a book, but as you will see it fits. It was back in 1979 that I had a life-changing event that took place right after I turned 41, but before I tell you what happen I just want to say this, that God gave me a gift. At the time, I didn't have any idea on how to use this gift because this was something new to me and I didn't even know that I had this gift. Are you confused yet? Maybe This will help. When the Lord ascended it is said that he gave gifts to the church. Gifts like apostles, prophets, evangelists, shepherds, and teachers. The reason he gave all these gifts was

for the equipping of the saints for the work of ministry, for the building up of the body of Christ, His church. The Lord made sure that after he left this world he was going to equip men with all these gifts to help in the ministry of His church, (He called it his body). You see that is what the true church is, it is the hand of God reaching down to mankind here on earth. It is an extension of Christ work with the human race. Now getting back to the gift He gave me, He gave me the gift of evangelism. Maybe you are asking how do I know he gave me this gift. Well, He put it in my heart to want to reach out to those who are leading a life like I did before my conversion. I want to evangelize those who are locked up behind bars. The undesirables of the world; those that are locked up and kept apart from what we call the free society. A few years ago I started a jail ministry and everything was going great. It was as if the Lord had lit a fire under me and I was going to the jail three times a week and also doing one on one's with some of

How We Know What On Earth Happened Before Man Arrived

the inmates. But deep down I felt that something was wrong. The Jail administrator seemed to be real cold toward me and I heard her make comments like, "if I had it my way, these inmates wouldn't have any activities like this." While I was there she took some of the privileges away for the inmates. Things like coffee during the meeting. I know for a fact, that some of them would come out just because they could get a cup of coffee. It was a way of getting some inmates to hear what God wanted to say to them through His Word, the Bible. So when this privilege was taken away the numbers dropped. It was as if the devil was trying to prevent God's Word from being heard. She seemed to be watching me like a hawk, just waiting for me to slip up, and I did. To me, it was just a small thing but she made a big deal about it. What I did was to say something to one of the inmates about one of the jailers. I live in a very small town of 2500 people and most people knew one another. One day I was doing a one on one with one of the

female inmates when I found out she was the step-daughter to one of my neighbors, and the house on the other side of my house belonged to one of the jailers. In the midst of the conversation, I made the comment that three of us were all neighbors. Apparently there was a rule that I was not to do this, and this is what she was waiting for. Because of this, I was thrown out of the jail, and that is where I came up with the title of this book. When this happen some of the inmates were asking if I could come back, I really felt excepted by them, and to be real honest, I really had a heart for those that were locked up. There was a real connection. I was there to help them, and they came to know this. Now I didn't leave them cold turkey. I had a younger man going to the jail with me to help, and when I left, he took over for me. And by the way, he is still there and doing a great job. D. L. Moody inspired me to write this book even though he is dead. I read something that gave me the idea to put these stories together. In the

How We Know What On Earth Happened Before Man Arrived

following pages, you will find some stories about lives that were changed by coming in contact with God through an evangelist that was sent to them by God Himself. And I truly believe that God is sending his workers out into the field for the harvest is ripe and ready. My hope is that this book will change lives by bringing some to the saving grace of God. God is in the business of saving lives saving marriages saving families; He is in the saving business. I know this because he saved me, saved my marriage, and has save many in my family.

God's Holy Nation Ron Kincade 2011-12-03

This story starts before the beginning of time, before our present day earth existed as we know it. Our scientific world claims that the earth is billions of years old. The Bible does not tell us the age of the earth, only the approximate age of our present earth as it is now. It wouldn't matter to us how old the earth is or what went on, except that back there sometime something went wrong, or did it? Was Satan supposed to be

a part of our learning process right from the start? Did God love us so much even before he created us that he made sure his perfect plan that he had for us would bring us to Him out of pure love? A lot has happened since the time God created Adam, the first man, and Abraham, God's trusted friend, whom he picked to produce the seed that would lead to his coming to earth (God incarnate) in the form of Jesus Christ, his only begotten son. How could God produce or create beings capable of absorbing and growing his kind of love? When he created Lucifer, he had the very best of the most beautiful material, the most valuable, the most wisdom and knowledge - you might say the ultimate of all known things to fashion him from - and somehow sin and vanity crept into the equation. Yet, when God reproduced his son, he came up perfect in every way, the same as the father. So it would seem that all known things, spiritual and those manifested, could not produce the love that God wanted to give to his children, all

How We Know What On Earth Happened Before Man Arrived

that is except his holy spirit. To be part of the God family, you had to be born again – born of the spirit. So God sent his own Son as a forerunner of God's Elect to make up a holy nation. The Bible tells us that God walked the earth to find a righteous man. Don't forget that Abraham was not a Jew; he was simply the only righteous man on earth at that time. From the seed of Abraham came a line of people known as Jews or Israelites. The nation, Israel, was to be a Holy Nation of Kings and Priests. Right from the start, God spoke of Abraham's seed and, ultimately, that seed led to Jesus Christ. All who have Christ in them are of Abraham's seed because Christ was of the seed of Abraham. As the story goes, everyone on earth has the same opportunity for eternal life through Christ. May everyone who reads this book come a little closer to our God and Savior through a story that started long before the beginning of time, a story about how a just and perfect King, along with his saints (born again), will rule the world

and utopia will finally be as God planned it in the beginning. Since God claimed me in a more personal way fourteen years ago, my life has been one of study and prayer. The urge for knowledge has been constant. God says, “My people perish for a lack of knowledge.” Since that time, I have had numerous dreams, visions, words of knowledge and much guidance. I am not attempting to interpret the Bible, only to give you my understanding, so far, in my quest for the truth. Some of the understandings I have had have become clearer to me through my writing and I hope this book will make them clearer to my readers.

2012...the Year Jesus (Yeshua) Finally Came Back to Earth Dante' P. Chelossi 2012 This controversial subject matter about the return of Jesus (Yeshua) to earth in modern times to come face-to-face with humanity once again after almost twenty centuries has been something thought about and anticipated by millions of people since the time of his physical departure.

How We Know What On Earth Happened Before Man Arrived

There is also the human curiosity about what would happen if and when he did actually return to earth. There have been many times when this event was predicted over the centuries, about when he would arrive, and every time, it did not happen. Patience and faith still continued afterwards, after much disappointment of the believers. This hope of his return is embedded within the souls of millions of people on our planet. Even though this story in this book is fiction, it will still make the reader wonder about how he or she would react if someone were to show up one day in the near future, on a world stage, and declare that he is indeed the very same man that modern-day people call Jesus (Yeshua), who was crucified on a wooden cross almost two thousand years ago by the Romans. Certainly, unarguable proof from this man claiming to be Jesus (Yeshua) would need to be so utterly convincing that even nonbelievers who are not necessarily religious would be convinced without argument. The author will be able to

show an event that he has created in this book and prove to anyone that if this event were to actually happen before their eyes, it would be hard for them to deny that this person is, in fact, who he claims to be. This event is so extraordinary and unbelievable that denial that this person is Jesus (Yeshua) would be impossible!

Losng Earth Nathaniel Rich 2020-03-05 By 1979, we knew all that we know now about the science of climate change - what was happening, why it was happening, and how to stop it. Over the next ten years, we had the very real opportunity to stop it. Obviously, we failed. Nathaniel Rich's groundbreaking account of that failure - and how tantalizingly close we came to signing binding treaties that would have saved us all before the fossil fuels industry and politicians committed to anti-scientific denialism - is already a journalistic blockbuster, a full issue

How We Know What On Earth Happened Before Man Arrived

of the New York Times Magazine that has earned favorable comparisons to Rachel Carson's Silent Spring and John Hersey's Hiroshima. Rich has become an instant, in-demand expert and speaker. A major movie deal is already in place. It is the story, perhaps, that can shift the conversation. In the book Losing Earth, Rich is able to provide more of the context for what did - and didn't - happen in the 1980s and, more important, is able to carry the story fully into the present day and wrestle with what those past failures mean for us in 2019. It is not just an agonizing revelation of historical missed opportunities, but a clear-eyed and eloquent assessment of how we got to now, and what we can and must do before it's truly too late.

When Our Time Comes Tee Jackson As we experience our last days, hours, and minutes on earth, let's remain focused and finish strong in

the Lord! --Tee Jackson Contents Letter of Endorsement Message from the Author Chapter 1. In His Image Chapter 2. An Old Testament Truth Chapter 3. His Blessed Plan--We Matter to Him Chapter 4. Our Actions Influence Our Eternity Chapter 5. Angels Awaiting Orders Chapter 6. Promises! Wonderful Promises! How to Be Saved A Letter of Endorsement The book, When Our Time Comes, is an easy read about a difficult subject. A subject that affects all of us more often than we wish. Death is one of mankind's greatest common denominators. Hebrews 9:27 makes it clear, "It is appointed unto every person once to die." If you are holding this book in your hand, you know the sorrow and grief that come with the death of a loved one. Perhaps your father or mother, God forbid, your child or grandchild, has been taken by death. It might be a close friend or neighbor. Death is common among mankind. And it will come to all of us if Jesus tarries in His return. That is why I wholeheartedly endorse and

How We Know What On Earth Happened Before Man Arrived

recommend this book. I recommend it to pastors and other clergy, but also to anyone who wants to have at their disposal a simple, concise source of truth from God's Holy Word about not only the subject of death but how to live the Christ-centered life that literally takes death out of the picture. I know the author, Tee Jackson, very well. He is a devout Christian, an ordained minister with a love for people that is evident in his life and work. When Our Time Comes quotes directly from the Bible many of the verses that shed light on the reality of death. But the teachings and promises of the Lord Jesus Christ are the greater content of the book, the promises He makes to believers about abundant life now and life everlasting when natural life ends. In other words, when our time comes. I believe this book will bring comfort and wisdom to those who are in the valley of the shadow of death. It will also be helpful to those who love and care for them. As we visit with and minister to those who are in the last stages of this life,

When Our Time Comes provides easy access to the rich promises of Almighty God for those who love Him. As a minister myself, I want to have this book as one of the resources I use in ministering to individuals and families dealing with final days on earth. Also, I plan to have this book in hand to give away to people who are in those final days or to family members who are supporting them and loving them. You might want to do the same. I certainly encourage you to do so. --Joe Teal, pastor West Highland Baptist Church Athens, Alabama
Message from the Author
Thank you for reading this book. It is my desire that you will find encouragement, joy, and challenge as you ponder these words. This text is rich in God's Word and is presented so most people can easily understand the messages shared within. This book can be shared with people of all ages. The book will become an excellent reference for you to turn to through the years ahead. Like me, you probably have had a friend, a relative, or a neighbor who has found

How We Know What On Earth Happened Before Man Arrived

themselves facing their last days on earth. Many times, someone has been told by their doctor or medical team that their days on earth will soon be coming to an end. That person is often left to cope with how they might spend their last days, hours, and minutes. The purpose of writing this book is to help you and others gain spiritual knowledge. This knowledge concerns how you and I can share God's promises, comfort, and peace in a most difficult season. May God richly bless you for reading this book! Chapter 1 In His Image The Holy Bible clearly tells us where we came from. God made man during the days of His creation. If we look at Genesis 1:26-27, we read, And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God created He him; male and female created He them. In the

book of Psalms, David recorded these words in chapter 139 and verse 14, "I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works: and that my soul knoweth right well." Jehovah God had a plan for us from the beginning. He not only created us--He sustains us and provides for all our needs. Many people on earth encountered God's Son, Jesus. He came to earth and lived life as a human. God knows our thoughts, our motives, and our desires. As a human, Jesus lived a sinless life. He set a perfect example for all of mankind. He was falsely accused, falsely tried, and was put to death on a Roman cross. He was placed in a borrowed tomb, and on the third day, he arose victoriously. For a few days after He was resurrected, Jesus remained on earth and was seen by hundreds of people. He ascended into heaven and now sits in heaven at the right hand of God. When the saints of the Lord enter heaven, they will have a new body and will forever remain with the Lord. God knows the number of hairs on our heads, and He

How We Know What On Earth Happened Before Man Arrived

knows our hearts. We find a great promise spoken from the lips of Jesus in John 3:16, "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." Jesus goes on to say, "For God sent not His Son into the world to condemn the world; but that the world through Him might be saved." We were made in God's image with a purpose. That purpose is to love and serve God. Chapter 2 An Old Testament Truth We find a very special verse in Psalm 139:16, "Thine eyes did see my substance, yet being imperfect; and in thy book all my members were written, which in continuance was fashioned, when as yet there was none of them." Some Bible scholars interpret this verse to speak of our appointment with death. It has been said that this verse reveals our death date. Some say our death date is determined long before our actual birth. I do not claim to know exactly what is meant by the words recorded in Psalm 139:16. However, I do

know that when we read the entire passage, we can easily see that the Lord loves each one of us and He is faithful to us. It is also clear that God knows all things. We read in Psalm 90:10, "The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength and sorrow; for it is soon cut off, and we fly away." In the book titled Believer's Bible Commentary, the author, William McDonald, recorded these words: "Some it is true, live their allotted span of seventy years, and some even as much as eighty. But even in their case, life is a weariness. One ailment follows another. The smallest tasks are an effort. And soon the pulse beat has stopped, and another one becomes "the missing face." There are many truths about death written in the Old Testament. We read in Genesis 3:19, "In the sweat of thy face shall thou eat bread, till thou return unto the ground; for out of it was thou taken: for dust thou art, and unto dust shall thou return." In Ecclesiastes 3:1-2, we read, "To

How We Know What On Earth Happened Before Man Arrived

everything there is a season, and a time to every purpose under heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted." We see by reading these verses that God has a plan for you and me. The Bible clearly tells us that we have a voice. We read in Psalm 107:2, "Let the redeemed of the Lord say so." In Psalm 120:1, we read these words, "In my distress I cried unto the Lord, and he heard me." In Psalm 55:22, we read, "Cast thy burden upon the Lord, and He will sustain thee: He shall never suffer the righteous to be moved." When we, or one of our loved ones, is facing a physical challenge or even a life-threatening diagnosis, we have an anchor, we have a rock! In Isaiah 41:10, we find comfort for us and comfort to share. Verse 10 reads like this, "Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness." Then in the New Testament, we read in John 14:27,

"Peace I leave with you, my peace I give unto you: not as the world giveth, I give unto you. Let not your heart be troubled, neither let it be afraid." If ever you are not certain what path to take or what to do next, pray and wait. Be patient and diligent in your prayer life. Be alert to God's answers and listen for God's directions. There is power in His name, and there is power in His Word. Psalm 9:9 records this message, "The Lord also will be a refuge for the oppressed, a refuge in times of trouble." In Psalm 33:20, we read, "Our soul waiteth for the Lord: He is our help and our shield." Psalm 46:1 says, "God is our refuge and strength, a very present help in trouble." In Proverbs 18:10, the Scripture records these words, "The name of the Lord is a strong tower: the righteous runneth into it, and is safe." One of the most loved and most quoted passages in the Bible is Proverbs 3:5-6: "Trust in the Lord with all thine heart; and lean not unto thy own understanding. In all thy ways acknowledge Him, and he shall direct thy

How We Know What On Earth Happened Before Man Arrived

paths." When we are stressed or disheartened, we can find peace and comfort in God's Word. We serve the God of all creation. He knows our names. He knows what we have need of before we ask. He loves us even when we are unlovely. Praise be to God! Chapter 3 His Blessed Plan-- We Matter to Him My mother and father lived a splendid Christian example before me. I learned many important lessons in Mother's lap and on Daddy's knee. Some of my very vivid memories of my mother's wisdom would be learned when she would tell me stories and give me examples of how a follower of Christ is supposed to live and act. She often spoke of God the Father, and His Son, Jesus Christ. More than once, I heard my mother say, "God has blessed each person with many blessings and in many ways. Two of God's great blessings are that all our faces are different, and we do not know the date of our death." She would follow up on those topics by saying, "Only God can make so many people, and yet no two are exactly alike." Then she would

explain that it is a wonderful blessing to not know the date of our death. Those two thoughts, among others, have remained with me throughout all my life. Both statements are true. It is a great blessing that no two people are just alike and that we do not know the date of our own death. We learn from the Scriptures that it is important to follow God's plan for our lives. We know that today is the day of salvation. We know that God has provided salvation for us through Christ, His Son. It is not God's will that any should perish. We know that God loves us and that Jesus gave His life for us. We are told that we can be called the friends of God. We know that Jesus is the way, the truth, and the life. No one comes unto the Father except through Him. I preached a sermon years ago titled "God Didn't Make No Junk!" Among other topics, the message spoke of how we are created by God with a purpose for our lives. I remember sharing an example of how everything has a purpose. I told the congregation, as I took my

How We Know What On Earth Happened Before Man Arrived

wristwatch off and held it up, that the watch I was wearing had the purpose of helping us to know what time of day it was. I took the ink pen from my breast pocket and held it up, saying, "This ink pen is for writing with." I went on to say, "You would not try to write with your wristwatch just like you would not look at your ink pen to see what time it is." Then I asked, "Why?" I answered my own question by stating, "Because that is not their purpose!" The message thought ended with these words: "You and I were crafted special, just like the watch and the ink pen. We were created special and crafted special with a purpose! That purpose is to love and to serve God." We know that we are sinful by nature and that all have sinned and have fallen short. But we also know that while we are yet sinners, Christ died for us. We know that the gift of God to us is salvation. The Holy Scriptures tell us in the book of Romans, If we confess with our mouth the Lord Jesus, and shalt believe in our heart that God has raised Him

from the dead, we will be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. This tells us that God has a blessed plan for each of our lives and that we certainly matter to God. Chapter 4 Our Actions on Earth Influence Our Eternity It has been said, "What matters most here on earth is, What will I do with Jesus?" The opinion of this author is that the most important question ever asked on the face of the earth was not "Will you marry me?" or "What school will I attend?" or "Which house will I purchase?" or "What job will I apply for?" Rather, it is my opinion that the most important question ever asked on the face of the earth is found in Matthew 16:13-16. The passage reads like this: When Jesus came into the coasts of Caes-a-re-a Phillip'pi, he asked his disciples, saying, Whom do men say that I the Son of man am? And they said, Some say that thou art John the Baptist: some E-li'-as; and others, Jer-e-mi'as, or one of the prophets. He (Jesus) saith unto

How We Know What On Earth Happened Before Man Arrived

them, But whom say ye that I am? And Simon Peter answered and said, Thou art the Christ, the Son of the Living God. (Emphasis mine) The most important question ever asked on earth was asked by Jesus Himself. Every person on earth who has knowledge of Jesus has to answer the question, "But whom say ye that I am?" The apostle Peter answered well. We can ask ourselves the same question. Who is this man named Jesus of Nazareth? Our life will never be the same after we acknowledge Christ as our Savior and Lord. It is then that we are heaven bound. If we choose to reject Christ as the Son of the Living God, then we are doomed to eternal separation from God in a place of torment known as the lake of fire or hell. It is very true that our actions and the decisions we make while here on earth do influence our personal eternity. We often make many deposits and withdrawals to and from our "spiritual bank account" each day. Christians earn crowns while here on earth. We read in James 1:12, "Blessed is the man that

endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him." The apostle Paul spoke of how our life on earth can affect our eternal reward when he wrote to Timothy. In 2 Timothy 4:7-8, we read, I have fought the good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love His appearing. Yes, we will all face Jesus in the judgment. Jesus is the righteous judge. We are saved by grace and not of works, lest any man should boast. However, Jesus told us, "If you love me you will keep my commandments." The Christians on this planet have much work to do. We are to be about our Father's business. The message is plain and easy to understand. As Christians, we are to "love the Lord our God with all our heart, all our soul, and all our mind." We are to forgive seventy times seven, and we are to

How We Know What On Earth Happened Before Man Arrived

be kind to one another. We are to share the Gospel of Christ with all the world, and there is so much more. The Bible tells us to in Luke 12:16-21, where Jesus is speaking, And He spoke a parable unto them saying, The ground of a certain rich man brought forth plentifully: And he thought within himself, saying, What shall I do, because I have no room where to bestow my fruits?' And he said, This will I do: I will pull down my barns, and build greater; and there I will bestow all my fruits and my goods. And I will say to my soul, Soul, thou hast much goods laid up for many years; take thine ease, eat, drink, and be merry. But God said unto him, 'Thou fool, this night thy soul shall be required of thee: then whose shall those things be, which thou hast provided? So is he that layeth up treasure for himself, and is not rich toward God. Later in verse 31, we read the words of Jesus, where He said, "But rather seek ye the kingdom of God; and all these things shall be added unto you." In verse 34, Jesus said, "For where your treasure is,

there will your heart be also." In the book of Psalms, we read more about our Father in heaven, The Lord is merciful and gracious, slow to anger, and plenteous in mercy. He will not always chide: neither will He keep His anger forever. He hath not dealt with us after our sins, nor rewarded us according to our iniquities. For as the heaven is high above the earth, so great is His mercy toward them that fear Him. There is a wonderful message for all Christians found in Psalm 103:12, where we read, "As far as the east is from the west, so far hath he removed our transgressions from us." It is the opinion of this author that it is of great importance that we seek forgiveness through repentance while we are here on earth. True heartfelt repentance and seeking God's forgiveness are actions that will surely have a positive influence on our eternity. May God bless us through His Holy Word!
Chapter 5 Angels Awaiting Orders There is a popular old hymn of the faith titled "I'll Fly Away." Some of the words of that great hymn go

How We Know What On Earth Happened Before Man Arrived

like this, "When I die hallelujah by and by, I'll fly away." We read in Psalm 90:10, "The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength labor and sorrow; for it is soon cut off, and we fly away." I have often thought to myself that I have, from time to time, had a front-row seat to death. I have worked with senior adults. I have worked in a nursing home. I have met with numerous families for a time of prayer at the bedside of their loved ones. There have been times that a person has passed into eternity as they held my hand, or maybe I was the last voice on earth a person heard before their passing away. I was present at the bedside when my older brother passed into eternity. I held my daughter's hand as she took her last breath on earth. There is comfort in knowing the person who is facing death is a Christian with a certain destination. Their best days are certainly ahead. On the other hand, the person who does not know the Lord as their personal savior is one

to be pitied. You, like me, can probably recount occasions when a person you know, or a person you knew, is or was facing death. As a minister, it has been my role to officiate or participate in many funerals. There was once a time when I had five funerals in a matter of eight days. Often, people will ask years in advance if I will speak at their funeral. Through the years, I have heard many stories concerning spiritual happenings at or around the deathbed of the passing of a saint of the Lord. Some report the sighting of an angel of the Lord or a visitation by the deceased. There is a popular trio known as the Ruppes. They sing a song titled, "Angels in the Room." The song tells of deathbed experiences. One verse has these words, She's close to death, but she is not afraid, angels waiting for the order to carry her away, they are gathered round her bedside, she's the only one who sees, she'll draw her final breath and away with them she'll leave. I know of a lady who lived in a nursing home who reported seeing two

How We Know What On Earth Happened Before Man Arrived

angels walk past the foot of her bed. She told the worker from the desk that the two angels had walked past her bed and went through the wall to the room next door. She asked the employee if she would please go check on the man who was in the room next door. The worker told the lady that she had checked on him just a few minutes before and that he was sleeping well. When the lady insisted, the worker agreed to check again. When she got to the man next door, he was not breathing, but his body was still warm. The man had just passed away moments before the worker checked on him this second time. I would not have a problem with a Christian lady telling me that she saw two angels pass by the foot of her bed. God is on His throne, and He rules the world. My own daughter spoke of a visitor to her room just hours before she passed. Her friend in the room was told by my daughter that a nice man had come back into the room and was standing by the window. Her friend looked but saw no one there. She did say that she knew that

my daughter really saw him. The friend told my wife and me that our daughter had seen an angel in the room. Again, I share with you that my mother used to tell me, "When our mansion is made ready, Christ will call us home." It very well could be that angels await the order to bring God's children home. Chapter 6 Promises! Wonderful Promises! All believers can take solace in the fact that God has made many promises to His people. Promises that bring comfort and peace of mind! Promises we can call wonderful promises! When a believer in Christ knows his or her time is expected to be short on the earth, that believer can claim the many and mighty promises of God. These can be promises that refer to his or her passing from death into life everlasting. The prophets of the Old Testament made it clear that a Messiah would come into the world. The prophet Isaiah, the son of Amoz, wrote about the birth of Christ approximately seven hundred and forty years before Christ was born. In Isaiah 7:14, we find

How We Know What On Earth Happened Before Man Arrived

these words, "Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel." In Isaiah 9:6-7, we read these words, "For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The Mighty God, The Everlasting Father, The Prince of Peace." When Jesus was born in Bethlehem of Judea, angels from heaven announced His birth to some shepherds who were keeping watch over their flocks by night. In Luke 2:9-11, we read these words, And lo, the angel of the Lord came upon them, and the glory of the Lord shown round about them: and they were sore afraid. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord. Later, Jesus told His followers that He had come to earth to seek and to save the lost. When

we look at John 3:16, we see how these verses tie together. For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life. (John 3:16) Believers can claim that as a promise. Jesus has told us that "I am the way, the truth, and the life. No man cometh unto the father except by me." We can accept Christ as our Lord and Savior, and we will gain heaven for eternity. Jesus promised us in John 10:27-29, My sheep hear my voice and I know them, and they follow me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand. In John 11:25-26, we read these words of promise and comfort, "Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: and whosoever liveth and believeth in me shall never die: Believest thou this?" We

How We Know What On Earth Happened Before Man Arrived

certainly can believe what Jesus tells us. In John 14:1, we read these words of encouragement and of promise, "Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also." When a Christian is aware that he or she is likely facing his or her last days on earth, that Christian can find great comfort and peace in God's wonderful promises! Another example of a wonderful promise of God is found in Acts 4:12, "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved." The writer is speaking of Jesus Christ. We read in Nahum 1:7, "The Lord is good, a stronghold in the day of trouble; and he knoweth them that trust in Him." God promises us in Hebrews 13:5, "I will never leave thee, nor forsake thee." In John 6:47, Jesus said, "Verily, verily, I say unto you, He that

believeth on me hath everlasting life." In Romans 10:9, we read, "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved." In the book of John, we find several great promises from the lips of Jesus. To mention a few, And Jesus said unto them, I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst. (John 6:35) In John 6:37, Jesus said, "All that the Father giveth me shall come to me; and him that cometh to me I will in no wise cast out." In John 6:47, we find a wonderful promise from Jesus: "Verily, verily, I say unto you, He that believeth on me hath everlasting life." It was the apostle Paul who recorded in Romans 8:31, "What shall we then say to these things? If God be for us, who can be against us?" In verse 35, we read these words: "Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, famine, or nakedness, or peril, or sword?" Then

How We Know What On Earth Happened Before Man Arrived

in verses 38 and 39 of chapter 8, Paul records, For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. The Bible tells us that to be absent from the body is to be present with the Lord. This author believes when we take our last breath here on earth, our next breath is in the presence of the Lord Jesus Christ. In Psalm 116:15, we read, "Precious in the sight of the Lord is the death of His saints." I have heard someone say, "God is never blind to our tears, never deaf to our prayers and never silent in our pain." This statement says to me, What matters to us also matters to God! What a blessed thought! In Psalm 129:23-24, we read these words, "Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting." When we read 2 Timothy 1:7,

we find these words, "For God hath not given us the spirit of fear: but of power, and of love, and of a sound mind." In 2 Timothy 1:12, we read, "For the which cause I also suffer these things: nevertheless I am not ashamed: for I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto Him against that day." God is aware of the kingdom work we do. There is an old hymn that has a line saying, "Every work for Jesus will be blest." In Hebrews 6:10-1,1 we read, For God is not unrighteous to forget your work and labor of love, which ye have showed toward His name, in that ye have ministered to the saints, and do minister. And we desire that every one of you do show the same diligence to the full assurance of hope unto the end. We find great assurance and comfort in 1 John 5:11-13: And this is the record, that God hath given us eternal life, and this life is in His Son. He that hath the Son hath life; He that hath not the Son of God hath not life. These things have I written unto you that believe on

How We Know What On Earth Happened Before Man Arrived

the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God. It was Dr. Billy Graham who once said, "Someday you will read or hear that Billy Graham is dead. Don't you believe a word of it! I shall be more alive than I am now. I will just have changed my address. I will have gone into the presence of God." May God richly bless you! How to Be Saved In the book of Romans, we find five verses that clearly state what we must do to be saved. They are: For all have sinned and fall short of the glory of God. (Romans 3:23) For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord. (Romans 6:23) But God commended His love toward us, in that, while we were yet sinners, Christ die for us. (Romans 5:8) That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God raised Him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is

made unto salvation. (Romans 10:9-10) The Bible is very clear on this topic. God would not have anyone miss heaven! However, we have been given a choice. We can accept Jesus and spend eternity in God's heaven, or we can reject Jesus and spend eternity separated from God in a place of torment. Satan votes that we reject Christ, and God votes that we accept Christ. Each person will cast the deciding vote! Don't miss heaven!

Light of the Stars: Alien Worlds and the Fate of the Earth Adam Frank 2018-06-12 Winner of the 2019 Phi Beta Kappa Award for Science "A valuable perspective on the most important problem of our time." —Adam Becker, NPR Light of the Stars tells the story of humanity's coming of age as we realize we might not be alone in this universe. Astrophysicist Adam Frank traces the question of alien life from the ancient Greeks to modern thinkers, and he demonstrates that recognizing the possibility of its existence might be the key to save us from climate change. With

Lone Survivors Chris Stringer 2017-07-26 Lone Survivors: How We Came to Be the Only Humans on Earth By Chris Stringer

Barrier Unknown John Glasby 2015-04-30 The logical outcome of the space race, and the preliminary step towards the Moo, was the manned satellite, the Big Wheel moving in a stable orbit about the Earth, integrating the data necessary for a landing on the Moon, and eventually acting as a fuelling station for the Lunar rockets. After several failures, the station is ready, but even there, danger exists, unseen, unheard, invisible and terrible. Forced to exist in the belt of cosmic radiation surrounding the planet, men die within weeks from aplastic anemia. Seeking a solution to the problem, Doctor Paul Russell is sent up to the satellite and here learns of the two men from the previous crew who vanished without a trace after spotting an unidentified spaceship in orbit further out from Earth than themselves.

The Dawn of Human Culture Richard G. Klein
2007-08-15 A bold new theory on what sparked the "big bang" of human culture The abrupt emergence of human culture over a stunningly short period continues to be one of the great

enigmas of human evolution. This compelling book introduces a bold new theory on this unsolved mystery. Author Richard Klein reexamines the archaeological evidence and brings in new discoveries in the study of the human brain. These studies detail the changes that enabled humans to think and behave in far more sophisticated ways than before, resulting in the incredibly rapid evolution of new skills. Richard Klein has been described as "the premier anthropologist in the country today" by Evolutionary Anthropology. Here, he and coauthor Blake Edgar shed new light on the full story of a truly fascinating period of evolution. Richard G. Klein, PhD (Palo Alto, CA), is a Professor of Anthropology at Stanford University. He is the author of the definitive academic book on the subject of the origins of human culture, *The Human Career*. Blake Edgar (San Francisco, CA) is the coauthor of the very successful *From Lucy to Language*, with Dr. Donald Johanson. He has written extensively for
