**The Multi-Orgasmic Diet** Rebecca Clio Gould  
2016-11-01 Cultivate the power of sexual energy and sensuality to look and feel your best - with over 80 step-by-step practices you can start using today. Plus bonus material! "In a world where women are constantly faced with pressure to be or look a certain way, The Multi-Orgasmic Diet is like a breath of fresh air. Rebecca provides a playful, pleasurable, and loving approach to what is often full of shame and restriction. This book turns traditional dieting on its head and has the potential to help many women live ecstatic lives." - Margot Anand, Founder of SkyDancing Tantra and Author of The Art of Everyday Ecstasy Don't be fooled by the title. This book doesn't focus on teaching orgasm techniques, and it's not a traditional diet book. It's something better. A sexy spin on diet, weight loss, and women's self-help, The Multi-Orgasmic Diet is a revolutionary and fun approach to natural, shame-free healthy living. Instead of a restrictive diet that tells women what to eat and what not to eat, this book provides a lifestyle plan that teaches you how to fill up on the pleasure of life rather than overeating or using emotional eating to fill a void. You will also learn to cultivate deeper love and acceptance for yourself in this body positive approach to women's health and sexuality. The Multi-Orgasmic Diet gives you: \* A lighthearted, playful, and decidedly sexy way to achieve your weight loss and health goals without restrictions or deprivations. \* A menu plan full of practices to help you cultivate your sexual energy and awaken your senses, both of which will bring more joy and satisfaction to your life. \* A solid foundation that sets you up for success, plus valuable book bonuses and an online community to support you along the way. \* The knowledge you need to use energy cultivation, sensuality, and self-love-not food-for happiness and fulfillment. \* Support in releasing shame and other blockages standing in your way, so that you can live the life of radiant health and happiness you deserve-with sex appeal to boot! \* A pleasure-filled journey that will give you a

sexy, alluring glow and spice up your life both in and out of the bedroom. Integrative Nutrition Health Coach and Sexual Awakening for Women Facilitator Rebecca Clio Gould serves as your guide on this journey. Her mission is to help do away with shame and taboo and help others experience deeper happiness and live juicier lives. She does so in a way that is inspiring and hopeful while also being grounded in reality. After years of her own struggles with weight loss, cravings, emotional eating, traumatic injuries, and body image issues, Rebecca found a way out of the struggle and into blissful surrender, acceptance, and transformation. The practices she's gathered and created along the way, as well as the wisdom she has to share, are in these pages. In addition to more than 80 step-by-step practices in the book, readers also receive audio and video book bonuses that will support them in their transformational journey of fulfillment and wellness. And thanks to Rebecca's delightfully conversational writing style, and her dedication to setting you up for success, you are likely to feel as if she is right there in the room with you as a trusted advisor and friend.

Ecstasy Unlimited Laura Kipnis In "Ecstasy Unlimited", Laura Kipnis provides a collection of essays on popular culture, politics, aesthetics, feminism, and postmodernism, along with complete scripts from three of her videotapes. These essays, written from her perspective as a practising artist, in tandem with her videoscripts, are singular in bringing a wide range of theoretical sophistication to film and video studies. Kipnis challenges political and aesthetic orthodoxies. Her interpretations take risks at a number of levels, and do not easily fit into established disciplines and categories. Extensively illustrated with stills from her videotapes, "Ecstasy Unlimited" examines

everyday life and popular culture produced by consumer capitalism in ironic - and, at times, very funny - ways. Laura Kipnis is a video artist and theorist whose work has been shown widely in the United States and Europe. Her latest video production is "Marx: the Video". She has written extensively on the politics and aesthetics of postmodernism, feminism, and popular culture. This book is intended for students and academics of media studies, cultural politics. *How to Stop Having Casual Sex* Anastasia Stone 2014-10-23 A LIFE CHANGING SUCCESS MANUAL ONE OF THE FASTEST SELLING SELF-HELP BOOKS OF 2014 THE KINDLE BESTSELLER IN "SELF-HELP" & "AFFIRMATIONS" THE SUCCESS PRINCIPLES DESCRIBED IN THIS BOOK ARE UNIVERSAL This Book and the Secrets therein will dramatically change your life. **Intense Power** Gina Stath 2018-01-08 POWER. TRUMPS. EVERYTHING. You have the power to get any person you want. Your soulmate is out there. You just can't see them because they aren't visible through a fog of self-doubt. You want someone that is out of your league, don't you? See, when we desire something, it's always something that is utterly delicious - not something we have to compromise and get a much watered-down version of. Getting your

perfect soulmate doesn't have anything to do with the other person - it only has to do with you. That's very empowering! Did you know that the only thing preventing you from getting what you want is resistance? That's it. That's all that is in the way. This book is about getting your power back. I will teach you a simple process which you will find delightful. It is insightful, totally soothing and fiercely powerful... I call this process "Soothing Sessions." With each soothing session you will release a doubtful thought. That's how you get a notch more power back. If you spend all day, everyday doing soothing sessions for the next several months, your soulmate will start appearing. The biggest power, needs the slightest touch. I've used soothing sessions to also reach a financial independence I've never had before. So it is a simple - yet versatile process to conquer any subject you want. It's all about feeling powerful. When you practice your power with one subject, like getting to your soulmate, you have the skill then to achieve any other subject you want. Power trumps everything else, because it is the only thing you need to feel within yourself for life to show you just how much abundance is has for you. Publisher's Note: Intended for mature audiences. Contains sexual references.

**I Am Anonymous ... and You?** Alnico Lafo 2015-05-26 Are the contents your autobiography or my biography, or both? Definitely those of I am Anonymous. The answer you will get in the book. This is a biography and autobiography with a big difference as the normal, and will capture you from the first word to the last. In the first part the manipulation of the system and the innocent as narrate by, I am Anonymous. The brutality involved the organized crime, and the abuse of the innocent. In the second part we are the narrators and the story continues how the same innocent were abused, but with a difference. Our stories are to be found in the thousands of research documents of which we were the narrators. These narrations are a 24 hour non-stop fact, and are there for the world to read, see and hear about it. We still manipulate the systems and use and abuse the innocent as a stepping stone to gain the sympathy of the world.

**Tantric Secrets for Men** Kerry Riley 2002-10-01 Contains everything a man needs to

know in order to be a good lover, based on esoteric traditions of sexual ecstasy. • Includes practical and easy-to-follow Tantric rituals and sacred sexuality exercises for a modern lifestyle. • Uses real-life stories of couples to show the benefits achieved with the practices. • Offers an approach to lovemaking that encompasses all dimensions--physical, emotional, and spiritual. • Written by the co-creators of *The Secrets of Sacred Sex* video *Being a good lover isn't easy*. With more freedom, knowledge, and body awareness, today's woman knows better than to settle for predictable, performance-based sex. *Tantric Secrets for Men* offers everything a man needs to know in order to satisfy a woman's physical, emotional, and spiritual yearnings. Employing the ancient secrets of physical ecstasy, men learn to transform rote sex into passionate lovemaking, pleasure into ecstasy, and partnership into union. From the expert teachings of a committed couple practicing and teaching ecstatic sexuality in a modern-day context, men will learn how to satisfy a woman on the levels of body, heart, and soul--and how to bring themselves to new heights of ecstasy in the process. The authors draw upon time-honored tantric and Taoist practices and modern sexology that will enable couples to make love more frequently, achieve higher and prolonged states of orgasmic intensity, experience lovemaking as a sacred endeavor, and deepen loving relationships.

My Mother Kathy Acker 1994 In her 10th novel, Acker's heroine, Laurie, is a woman helpless before the fury of her emotions. Love-obsessed, Laurie is plunged into a harrowing dilemma--sexuality and her feminism are the two poles that threaten to obliterate her inner poise, the false magic of her woman's identity.

To Become a Rich American Stanley B. Graham 2010-12-17 &nbsp;This novel is the story of a European immigrant woman, very charming and attractive to men, attempting to become a rich American. It is also the story of Rick Stevens search, despite his sexual hang-ups, for the ideal wife. &nbsp;Kert von Fielding was in her mid thirties when she made her first voyage aboard

the MS Gripsholm, sailing from Helsinki, Finland, to New York City. &nbsp;Kert had majored in languages at Helsinki University where she earned both a B.A. and an M.A., and had later worked as a translator. She knew five languages--Finish, Swedish, English, French, and German. She hoped someday to obtain translating work in New York City. &nbsp;But this first time in the states, she visited her cousins in Salem on the Lake, a small town in Ohio on the banks of Lake Erie. While there, she made the acquaintance of Mart Appleby, ten years her junior, and the son of the highly esteemed and supposedly wealthy Municipal Court Judge of the town Calvin W. Appleby II. Their friendship, during the summer of 1957, ripened into an intense love affair, involving a lot of sex. She fell madly in love with Mart Appleby and thought he loved her in return. She was mistaken, but she kept sending him love letters after he went to the West Virginia Institute of Technology where he was employed as a psychology/sociology assistant professor. &nbsp;Mart did not answer any of Kert's letters. Then, failing at this affair, she turned to his older half-brother, Rick Stevens, who was closer to her age, five years her junior. Rick was interested but wary. She discussed with him her plan to become an American citizen by marrying an American. &nbsp;Rick, a new high school science teacher, was conservative and not nearly as daring as his younger half-brother Mart. Kert definitely preferred Mart as a mate instead of Rick. But she'd marry Rick as a means to an end--obtaining her citizenship and then leave. She figured she could hide in New York City. &nbsp;When her VISA expired she returned to Helsinki, Finland. While there she wrote numerous letters to Rick, finally writing lovey-dovey type letters. She told him she would return to visit. &nbsp;She returned to New York City the next year aboard the MS Gripsholm. During the seven-day passage she had a shipboard romance with a handsome and congenial man in his mid thirties, Chad Power, an assistant professor of English at Hunter College in NYC and the son of a multimillionaire. &nbsp;Without giving away any more of the story, suffice it to say that Kert, using sex and her feminine wiles and machinations, managed to be married to two handsome virile men at the

same time, without either of them being aware of her duplicity, and to obtain her citizenship twice. &nbsp;Did Kert ever become rich? You will need to read the book to find out. And, please don't skip around.

**Maps to Ecstasy** Gabrielle Roth 2011-09-22 In this revised edition of Maps to Ecstasy, Gabrielle Roth expands on the themes that have guided her — ways of transforming daily life into sacred art. Her work in teaching movement has been described as a marriage of art and healing. Each chapter initiates readers into one of the five sacred powers necessary for survival and reveals the five life cycles that lead to enlightenment. The creative process brings readers in touch with these five sacred powers by freeing the body to experience the power of being, expressing the heart to experience the power of loving, emptying the mind to experience the power of seeing, and embodying the spirit to experience the power of healing.

**The Art of Pleasure** Ryan Darrel 2019-05-13 Do you know what it feels like to have your spouse do you - not just bringing you to orgasm or have intercourse - but really do you? Do you know what it feels like to do your spouse? The fine art of doing and being done. I've got news for you - equity has no place when it comes to eroticism and sex matters. The ability to take your partner (or be taken by them) embodies a lusty, lascivious eagerness for pleasure. This isn't crudeness - quite the opposite - it's a deliberate intent to arouse (and satisfy) passionate sex on the moon. If you're one of the many who've yet to experience this level of passion and eroticism in your relationships, or if

you've had a taste of it but it faded over time, the Art of Pleasure will help you to activate and reawakened this passion once more. So how do you reach this level of eroticism and sexual passion? For many people, this part of themselves is yet to be born. When we climb into bed with our spouse, we each carry different expectations, hopes, plans, and passions to the experience about to unfold. Let's face it, on a basic biological level men and women are different. Arousal, pleasure, eroticism, power, even orgasms are different. Many men can be quite envious of a woman's orgasm. Look at the differences between us, when a man has an orgasm, while the feeling is great it seems to pale in comparison to a woman's. A woman is capable of full body orgasms. It seems to pulsate like waves throughout her entire body. Plus, and the biggest source of male envy, a woman is capable of wave after wave. A man has to have some recovery time. Just look at the different faces and expressions between the two sexes and you'll get confirmation of the difference. So rather than focus on the differences that separate you and your spouse, what if you brought more of yourself to the party? And they brought more of themselves? Could you handle that? Many of you will quickly reply ... yes! Really though? Think about it this way, to my male readers, can you really handle a full grown woman? One who knows what she wants sexually and how she wants it? A woman in touch with her raw, animalistic nature? This will require more of you, perhaps MUCH more of you! It may mean that after you've experienced your orgasm you have to stay around for hers. It may mean you have to submit to her power, or you have to over-power her and truly take her. And to my female readers, are you ready for a full grown man? Someone in touch with his power. A man in tune with his raw, animalistic nature? This too, will require more of you. If you're interested in creating this part of you and your relationship, the Art of Pleasure will help you get started. Tapping into eroticism and new levels of passion requires tremendous personal integrity. It takes a great deal of integrity to face head on the demands and challenges of exploring your sexual potential. But you know what? Every one of us has some untapped sexual potential just waiting to be discovered. You can place two

violins next to each other, pluck the string on one of them and the corresponding string on the other violin will vibrate. It recognizes its own wave. Marriage and sex can be the same. You and your spouse can resonate with each other, creating your own music together.

Nonrational Logic in Contemporary Society Jim Kline 2023-04-14 Nonrational Logic in Contemporary Society explores modern examples of beliefs that defy logic but nevertheless are enthusiastically embraced by legions of contemporary people living in technologically advanced societies. The appeal of nonrational logic is based upon C.G. Jung's ideas regarding archetypes, considered to be unconscious thought and behavioural patterns universal to all of humanity and expressed in dreams, art, religion, and reports of supernatural and paranormal experiences such as the belief in UFOs, conspiracy theories associated with child sacrifice and devil worship, lizard people who secretly rule the world, and internet demons whom many insist are real. C.G. Jung insisted that archetypal reality must be acknowledged for what it is: expressions of universal truths about the human condition. Nonrational Logic includes a multitude of examples from world folklore and reports of traditional customs from around the world collected in the multivolume anthropological classic, *The Golden Bough*, by James Frazer,

comparing these traditional reports with contemporary ones to underscore the human psyche's obsessive desire to embrace the fantastic, the extraordinary, and the unbelievable. *Nonrational Logic in Contemporary Society* is important reading for analytical psychologists, Jungian psychotherapists, and other professionals as well as the general public seeking to understand how prevalent nonrational thinking is in modern societies and how it reflects traditional expressions.

*Inside the Hollywood Fan Magazine* Anthony Slide 2010-02-26 The fan magazine has often been viewed simply as a publicity tool, a fluffy exercise in self-promotion by the film industry. But as an arbiter of good and bad taste, as a source of knowledge, and as a gateway to the fabled land of Hollywood and its stars, the American fan magazine represents a fascinating and indispensable chapter in journalism and popular culture. Anthony Slide's *Inside the Hollywood Fan Magazine* provides the definitive history of this artifact. It charts the development of the fan magazine from the golden years when *Motion Picture Story Magazine* and *Photoplay* first appeared in 1911 to its decline into provocative headlines and titillation in the 1960s and afterward. Slide discusses how the fan magazines dealt with gossip and innuendo, and how they handled nationwide issues such as Hollywood scandals of the 1920s, World War II, the blacklist, and the death of President Kennedy. Fan magazines thrived in the twentieth century, and they presented the history of an industry in a unique, sometimes accurate, and always entertaining style. This major cultural history includes a new interview with 1970s media personality Rona Barrett, as well as original commentary from a dozen editors and writers. Also included is a chapter on contributions to the fan magazines from well-known writers such as Theodore Dreiser and e. e. cummings. The book is enhanced by an appendix documenting some 268 American fan magazines and includes detailed publication histories.

*Man's Fate and God's Choice* Bhimeswara Challa 2021-06-29 Stagnate as a 'creepy caterpillar' or

transform into a 'beauteous butterfly'-this path-breaking book of a rare genre suggests-is the seminal choice before mankind, and every one of us. In this setting, the book raises some fundamental questions: What is man's rightful place in the cosmos and his manifest destiny on earth? Why are we so self-righteously self-destructive? Are we a doomed species? Or 'divine' beings struggling to overcome the hubris of the human intellect? Is God getting weary of mankind? How should we synergize human effort and Divine Grace? The book posits that any betterment in human behavior needs a cathartic change at the deepest levels. That requires diluting the dominance of the mind and reawakening the long-dormant intelligence of the human heart. To meet that challenge, we need minimum numbers, a 'critical mass' to create self-sustained momentum for transformation through consciousness change. And every single human of this generation should behave in such a way that he or she is that single person whose transformation could make the decisive species-scale difference. The book offers a menu of ideas and an agenda of action. This book could be itself become an input to mobilize that very 'critical mass' it advocates for human transformation. Well-planned and cohesively written, the book is noteworthy for its delightful blend of information and arguments, and reveals the depth of the author's understanding of the human predicament... This is a closely argued and thought-provoking book... The Hindu, 13 Sept 2011 [This book] is a gripping exposition on human nature and self-transformation without preference to religion... Challa has critically provided a foundational argument for a deeper discussion of philosophical and practical ideals concerning self-transformation... harmonizing the head and the heart is the way for humans to function as spiritual beings. Recommended by the USR. The US Review of Books [The author] reflects upon the crisis of contemporary civilizations and outlines a blueprint for a new world order based on progressive spiritual values and change of human consciousness. The strength of this treatise is the sweep of Challa's reach and his treatment of a vastly complex set of issues that bedevil humankind today... India International Center Quarterly, Summer 2012 As a thinker

and erudite scholar, [the author] has made a profound study of the world situation and the moral decadence of man... [This book] deserves to be on the shelves of university, college and public libraries... Triveni Magazine, July-Sept 2011 It is difficult to pigeon-hole this book as... a 'prophetic discourse', a 'journey into the human mind', a 'guide for human survival', a 'spiritual treatise'. It is an amalgam of all these and more... the volume reaches out to those who are already uneasy about the way we on this earth are progressing. The Book Review, India, June 2013

A Prescription for Long-Lasting Youth Dian Jen 2006-02-17 After thirty-eight years working in the computer industry, Dian has found retirement to be surprisingly exciting and fun. Besides traveling, cruising, and casino hopping, he and his wife also enjoy many other good things their retired life has to offer. However, everywhere they went, they saw seniors struggling with their poor health and disabilities. It made them realize how fortunate they are that at their age, they still have excellent health. Obviously, the decision they made earlier in life that put health as an equally important goal as wealth for their retirement was a wise one, and it made all the difference. In addition, they also have no illness or handicaps of any kind, and are not dependent on any mandatory medications. This is why, even in their seventies, they are still able to do all the fun things they used to do in their younger years. Furthermore, Dian had a very successful career. Like others, he dealt with cutthroat competition under unrelenting stresses in his profession, yet still managed to

stay on top without sacrificing his good health. He did this by choosing to live a healthy lifestyle that included regular vigorous exercise, a healthy diet, sufficient rest and recovery, and an active sex life, four parts of his "prescription for long-lasting youth." That is the secret of how he has managed to stay totally fit at over seventy, and still looks and feels like an extremely fit young man twenty years younger. This is what he shares with the readers, plus the fun-filled lifestyle that he and his wife now enjoy living in retirement. Dian associates real-life scenarios, some of them with multicultural background, to address many interesting but relevant issues concerning retirement, sex life, health, and fitness, and the positive impact living a healthy lifestyle can have on our aging process. As part of the conclusion, Dian said, "What I described as my 'prescription for long-lasting youth' is at best a strong personal belief, but one that seems to have promising merits, and supported by my personal experience to this date. Although it has made a believer out of me, it will take my lifetime to prove it, and that could be a very, very long time.....too long for you to wait for it, even if you could afford to. So why not just join me and give it a try? What have you got to lose, your life?"

The Many Faces of Polyamory Magdalena J. Fosse 2021-05-23 The Many Faces of Polyamory: Longing and Belonging in Concurrent Relationships provides new perspectives on polyamory and the longing to belong in the relatively uncharted territory of nonnormative relationships. This volume offers a valuable and compelling account on how to approach polyamorous relationships from the clinical perspective. While there is no uniform answer, Dr. Fosse's compassionate and discerning approach that combines relative neutrality, an open-minded embrace of nontraditional lifestyle choices, and skilful attention to countertransference dynamics is likely to be inspiring. Dr. Fosse exposes the dynamics of love, sex, jealousy, and compersion as they play out in lives of those interested in polyamory, and more broadly, consensual nonmonogamy. Her focus is on relationships worth having. With its nuanced clinical focus, The Many Faces of Polyamory will be an essential resource for psychotherapists, educators, students, and

anyone inside and outside of the mental health field drawn to the intricacies of sexuality, intimacy, and how they are intertwined with relational satisfaction
