When You Don't Know What to Pray Linda Evans Shepherd 2010-02-01 It's easy to pray for others' needs. If God takes a long time in answering--or answers with a no--it's easier to take. Far more difficult is focusing on your own needs, when sometimes you don't get the answers you want. What do you pray when life gets hard or even unbearable? When you lose a spouse or a child? When your health deteriorates? When your spiritual life seems barren? Linda Evans Shepherd knows what it's like to pray in the most dire of circumstances. She shows readers the how, what, and when of praying for themselves. As she takes readers through her own prayer journey and the stories of others, they will be encouraged and equipped to pray for themselves in any circumstance. They'll also find that whether or not God changes their circumstances, he will use prayer to change them.

Defining the Lord as both the transcendent, universal Spirit and the intimately personal Father, Mother, Friend, and Lover of all, he helps us to realize how close that infinite and all-loving Being is to each one of us. He also explains how we can make our prayers so powerful and persuasive that they will bring a tangible response. *How You Can Talk with God* is a favorite of spiritual seekers around the world, showing readers how to pray with greater intimacy to create a deep and fulfilling personal relationship with the Divine. **What We Talk About When We Talk About Love** Raymond Carver 2015-05-25 In his second collection, including the iconic and much-referenced title story featured in the Academy Award-winning film *Birdman*, Carver establishes his reputation as one of the most celebrated short-story writers in American literature—a haunting meditation on love, loss, and companionship, and finding one's way through the dark. *You Can Talk to God Like That* Abby Norman 2021-05-18 Praise is the only path to God—at least this is what many of us have been taught. But the notion that we have to be positive all the time, putting on a happy face through anger, frustration, and pain, hinders our ability not only to heal ourselves and society, but to have an authentic relationship with the Divine. We long to connect with God over the very real sorrow in our lives and in the world around us, but so many of us were never shown how. This lack of knowing how to lament—an ancient practice of expressing anger and pain to God--damages us personally and spiritually. Pastor Abby Norman is here to tell us that we can talk to God like that. In her fresh, tell-it-like-it-is voice, she unpacks the power of lament, providing us with the tools and the grace-filled permission to heal the problems we have been ignoring for too long. She shows us how to express our laments to God and to each other when things are definitely not okay. And through this process we will discover a richer connection with God—who has wanted nothing more than our whole selves from the start.

**Making Sense of God** Timothy Keller 2016-09-20 We live in an age of skepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: Why should anyone believe in Christianity? What role can faith and religion play in our modern lives? In this thoughtful and inspiring new book, pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice, and hope. Christianity provides us with unsurpassed resources to meet these needs. Written for both the ardent believer and the skeptic, *Making Sense of God* shines a light on the profound value and importance of Christianity in our lives.

**The Reason for God** Timothy Keller 2008-02-14 A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (*Christianity Today*) and the "C.S. Lewis for the 21st century" (*Newsweek*). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

Conversations with God for Teens Neale Donald Walsch 2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

**Learning to Speak God from Scratch** Jonathan Merritt 2018-08-14 In a rapidly changing culture, many of us struggle to talk about faith. We can no longer assume our friends understand words such as grace or gospel. Others, like lost and sin, have become so negative they are nearly conversation-enders. Jonathan Merritt knows this frustration well. After moving from the Bible Belt to New York City, he discovered that the sacred terms he used to describe his spiritual life didn't connect as they had in the past. This launched him into an exploration of an increasing American reluctance to talk about faith—and the data he uncovered revealed a quiet crisis of affecting millions. In this groundbreaking book, Jonathan revives ancient expressions through incisive cultural commentary, vulnerable personal narratives, and surprising biblical insights. Both provocative and liberating, *Learning to Speak God from Scratch* will breathe new life into your spiritual conversations and invite you into the embrace of the God who inhabits them.

Even the popular media today are telling us there is a great hunger for the inner peace that comes from prayerful communion with a higher power. *Can We Talk to God?* offers readers a framework for prayer that is compatible with traditional religion, yet moves beyond it in the recognition of

a divine presence within each person. This book sets forth the teaching of Ernest Holmes, called Science of Mind, which is a synthesis of the greatest ideas of religion, science and philosophy. What is our relationship to God? How do we communicate with God? What is the secret of spiritual power? Where is humanity headed? How can a prayer be used to help ourselves and others? What if we could hear from God . . . often? What difference would it make? We have a lot to sort through on any given day. A whole lot to navigate over the course of a week or a month. Am I in the right place? The right relationships? How am I going to come up with enough money to do the things I want to do? And what about love—is this the one? Will it last? What is causing all those fears I keep pushing down inside? Why can't I overcome those "habits" that look more and more like addictions? Am I at the right church? Should I even go to church? What is God doing in my life? All day long we are making choices. It adds up to an enormous amount of decisions in a lifetime. How do we know what to do? We have two options. We can trudge through on our own, doing our best to figure it all out. Or, we can walk with God. As in, learn to hear his voice. Really. We can live life with God. He offers to speak to us and guide us. Every day. It is an incredible offer. To accept that offer is to enter into an adventure filled with joy and risk, transformation and breakthrough. And more clarity than we ever thought possible.
